Class of 2024 December Newsletter

This year is going by so fast. Can you believe we are almost at the halfway mark for the 2020-2021 school year. As we draw near to the end of the Second Quarter, please continue to monitor your students grades by checking the parent portal.

Pathways: By now your student has had an opportunity to learn about all of our Pathways here at CCHS. We had community guest speakers for the Arts, Hospitality and Education Pathway, STEAM Pathway, Skilled Trades, Security and Industry Pathway and the Health and Business Pathway. We also had classroom presentations for our TOP (Tiger Open Pathway) and PTECH Pathway.

The first week of December, we had all Freshmen students pick their Pathway. Please keep in mind that students are not locked into their Pathway.

Counseling Services: Please keep in mind that I am still available to meet with your student either virtually or in person during this “at home” time. If he/she would like to meet in person we can schedule a time for them to come into the school.

We are also offering Informational Sessions for students at 12:30. Your student should have received an email with the Dates, Session Name and Access information on 12/2/2020.

Freshmen Check In: I am still working on checking in with each student. However, now some of my check ins will be done via email. If you have any concerns, please do not hesitate to reach out to me.

Remember FREE Breakfast and Lunch still available to every student!
