

TIGERS Online!

Have you thought about taking ALL
or maybe just PART of your high school education online?

Does the opportunity to still participate in welding, carpentry, auto, choir,
drama, JROTC, CNA classes, sports teams, and the like appeal to you?

Are you interested in a REAL education with local teachers dedicated to your success?

Are you ready for the flexibility to work your education around
your job and family obligations?

**This free and flexible option may be exactly
what you are looking for.**

Access to all high school activities such as Homecoming,
Prom, Mountain Biking Club, Ski Trips, and the Spring Musical!

Support available daily in the Tigers Online Learning Center and virtually as needed

Personalized academic plan and weekly progress monitoring

Access to all CCHS counseling services
