Internship or Workplace: ____________________________

Nondiscrimination/Equal Opportunity

Fremont Re-1:
In compliance with Titles VI & VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act, the Genetic Information Nondiscrimination Act of 2008, and Colorado law, School District Fremont RE-1 does not unlawfully discriminate on the basis of race, color, sex, religion, national origin, ancestry, creed, age, marital status, sexual orientation, genetic information, disability or need for special education services in admissions, access to, treatment, or employment in educational programs or activities which it operates. Complaint procedures have been established for students, parents, employees, and members of the public. Complaints may be filed verbally, in writing or anonymously. If you wish to file a complaint using the district complaint form, please submit to: Mrs. Misty Manchester, Director of Human Resources, Title IX, Section 504, and Americans with Disabilities Act Coordinator, 101 North 14th Street, Cañon City, Colorado 81212 – Telephone: (719)276-5700.

Fremont RE-2:
Fremont RE-2 School District does not discriminate on the basis of race, creed, color, sex, sexual orientation, gender identity/expression, marital status, national origin, religion, ancestry, age, disability, need for special education services, genetic information, pregnancy or childbirth status, or other status protected by law in admission, access to, treatment or employment in its educational programs or activities. Additionally, a lack of English language skills is not a barrier to admission or participation in activities. The following individuals have been designated to handle inquiries regarding the non-discrimination policies: Dr. Brenda Krage, Superintendent, and EEO/Affirmative Action/Title IX/Section 504 Compliance Office for complaints involving employees, and Jason Cellan, Title IX Compliance Officer for complaints involving students. Both individuals can be located at 403 W. 5th Street, Florence, Colorado, 81212. (719) 784-6312. Complaint procedures have been established for students, parents, employees, and members of the public. (Policy AC, AC-R, AC-E-1, AC-E-2).
The Professional and Internship Community Experience School-to-Career Program will provide an opportunity for every high school student to gain first-hand experience in his/her career choice through a wide variety of partnerships with businesses, professionals, & agencies in the Fremont County Area.

**PaICE CHOICES:** Students can gain experience through shadow, volunteer, intern, apprenticeship and/or paid cooperative work experience in—or closely related to—your career interest area. At the same time, businesses and local organizations are provided needed assistance from our students.

As a junior or senior, you may participate in the paid cooperative work experience or the shadow, volunteer, intern, apprenticeship options within PaICE.

**PaICE REQUIREMENTS:** Students must pass “PaICE Seminar” with a “75%” or better, to earn credit through PaICE. This class was developed by business people and educators and offers self-assessment, career guidance, job skills and work ethics as part of its curriculum.

**PaICE CREDITS:** Students can earn up to 2 credits per semester on the internship side (2 block commitment), and 1 credit on the work study side of PaICE (1 block commitment).

Interns work an average of 8 hours per school week and work students work 15 hours per school week.

· You must PASS the seminar portion of PaICE to earn ANY credit for work experience (internship or work study).
· Seminar requires a one week job readiness course and weekly check-ins from there forward to include prompt return of required documents

Students, parents, and employers who would like more information about the PaICE work-based learning program may contact the PaICE Coordinator at Cañon City High School.

We have had successful partnerships with local businesses for years and hope to continue to broaden opportunities for students through the PaICE work-based learning options.
Commitment

○ The student agrees to the following:

■ To be placed as an intern or maintain employment at _________________________ (partner company).
■ To attend all scheduled classes in accordance with school policies or risk losing internship or forfeit school credit for internship/work.
■ To work according to the schedule listed on the Internship / Work Study Contract.
■ To provide own transportation to and from work site unless provided by program. If Student drives, student will ensure the vehicle is insured.
■ To act as an ambassador for Cañon City High School or Florence Junior/Senior High School, its students, faculty, and staff by conducting oneself in a positive, ethical and respectful manner and maintain good grooming, appropriate dress and professional behavior throughout internship/employment.
■ To be familiar with and follow the work site’s employment policies, procedures, dress code, privacy or confidentiality agreements and behavioral expectations.
■ To notify work site and school contact person of absences and/or tardiness according to worksite policies and procedures and to inform school contact person of any changes in internship/work status (cutback of hours, change in work schedule, or dismissal).
■ To maintain communication with school contact person via email, phone or face to face contact at school as required by the internship/work experience program.
■ To meet the requirements for a passing grade as outlined in the course syllabus or program policies and to turn in documentation required for school credit to PaICE Coordinator. This may include timesheets, pay stubs, performance evaluations, internship projects, etc.
■ To report any injuries that occur while performing internship duties and follow worker’s compensation procedures. Report injury to school Internship Coordinator and school nurse.
What Supervisors Expect (of students):

- Fulfill the responsibilities and tasks assigned while learning about the workplace and gaining important job skills.
- Trust my experience. Listen to constructive feedback and learn from successes & challenges.
- Be willing to learn, grow, and develop new skills as well as show good attendance and work habits.
- Be a steady employee who is dependable, timely and trustworthy.
- Have increasing levels of the knowledge, initiative and motivation it takes to be considered a valued employee.
- Be interested in the operations of my business, understand what it takes to keep us successful, and comply with the same personnel rules & regulations as other employees.
- Realize that I do have a business to run. I can’t always afford to spend the time with you that I’d like. I can’t afford to keep someone who constantly needs monitored or whose work repeatedly needs double-checked. There are times when what I do may seem unfair to you—trust me and my decisions, they are usually made for a reason.

What Supervisors Won’t Expect (of students):

- You to know how to do everything right away. I know you’re learning what it means to hold a job and will not do everything perfectly all the time.
- I will give you a chance to understand what you do wrong so you can learn from your mistakes.
- Repetitive, boring assignments for prolonged periods of time in isolation or without understanding why the work is important.
- High-profile work that is crucial to my business right from the beginning. As time goes on you may be ready for more difficult work and more challenging tasks.

Your First Week on the Job:
Things you should know about my business if you plan to be successful here:

- Be able to define the main purpose of the departments.
- Ask what each person does. Read the employee handbook.
- Know the hours, dress code, policies & procedures, reporting structure, and ask how the equipment works.
- Ask what to do if you’re going to be late or absent from work and how much advance notice is needed.
- Ask what you are expected to do. Ask what you are expected to learn.
- Ask how much you will work independently. Ask how you will be supervised. Find out if there are any specific expectations.
- Let me know who should be called if there is an emergency.
- Let me know how you can be reached when not at work.
Your First Month on the Job:

Orientation to the Company
- Read materials distributed to you
- Describe the history of the company
- Describe products produced or services rendered
- Show and explain the organizational chart
- Explain company policies & procedures
- Explain employee benefits & services

Orientation to the Department
- Explain the functions of the department
- Explain how the department fits into the company
- Explain general organization of the department
- Explain any specific rules of the department

Orientation to the Work Group
- Introduce yourself to all co-workers
- Explain specifically what they do
- Understand to whom you are responsible

Orientation to the Specific Job
- Overview of what you will do and how it’s to be done
- Explain why the job is done
- Explain how the job fits in with the other jobs
- Explain how the job fits into the company
- Know where to get help if needed

Find out About. . .
- Working hours
- Overtime policy & procedure
- Salary policy & pay days
- What to do in case of absence
- Rules concerning punctuality
- Vacation & holiday policies
- Medical, injury, & first aid
- Eating Facilities
- Thrift & Savings Plans
- Social & athletic activities
- Educational policy
- Suggestion system
- Policy on personal mail, phone calls & visitors
- Appropriate dress & grooming

Basic Skills:
- **Reading**: locate, understand and interpret written information.
- **Writing**: communicate thoughts, ideas and information in writing.
- **Mathematics**: perform basic computations.
- **Listening**: receive, attend to, interpret and respond to verbal messages and other cues.
- **Speaking**: organize ideas and communicate orally.

Thinking Skills:
- **Creative Thinking**: generate new ideas.
- **Decision Making**: specify goals, generate alternatives, consider risks, evaluate and choose the best option.
- **Problem Solving**: recognize problems, devise and implement a plan of action.
- **Seeing Things in the Mind’s Eye**: organize and process symbols, pictures, graphs, objects and other information.
- **Knowing How to Learn**: use efficient learning techniques to acquire and apply new knowledge and skills.
- **Reasoning**: Discover a rule or principle underlying the relationship between two or more objects and apply it when solving a problem.

Resources:
- **Time**: select relevant activities, rank them and follow schedules.
- **Money**: use or prepare budgets, make forecasts, keep records and make adjustments to meet objectives.
- **Material and Facilities**: acquire, store, allocate and use materials for PalCE efficiently.
- **Information**: acquire, organize and interpret information.
1. Students participating in the internship program (once placed by coordinator), must work an average of 8 hours per school week in order to earn their maximum credit hours per quarter/semester. Students participating in a work study must be engaged in a work experience during the time of their enrollment in PaICE and work an average of 15 hours per week in order to earn the maximum credit per quarter/semester.

2. Students accept responsibility for all transportation to and from internship / work study locations. If a student drives themselves, they must have a valid driver’s license and at least the state minimum required insurance. Lack of transportation is an unacceptable reason for absence from work. Special circumstances may apply.

3. If you lose your placement (job) because of a situation that is beyond your control, you are expected to work with the PaICE Coordinator to gain a new experience as soon as possible. If you lose your placement due to poor or improper performance, you could be dropped from the PaICE Program and risk losing credit.

4. Students may withdraw or transfer from a training station after providing appropriate notification when it would enhance their educational opportunities. Students must consult the coordinator and parents for approval. After investigating the issue, it will be a mutually agreed upon decision as to whether or not placement is changed.

5. If a student is removed from the job, or withdrawn for any reason, they may not apply for unemployment compensation according to the Colorado Unemployment Security Act.

6. Students will be evaluated by their supervisor twice a semester. The grade and credit will be awarded by the PaICE Coordinator. It is the students responsibility to deliver the evaluation form to the supervisor and return the completed evaluation form to the PaICE Coordinator.

7. Students must turn in accurate and complete records of hours accumulated on a weekly time sheet in PaICE Seminar. If students are absent from the worksite, it is their responsibility to inform their supervisor, PaICE Coordinator and school attendance office immediately. This absence is also reflected on the weekly time-sheet. Students are required to make up missed hours.

8. Earning a passing grade during weekly PaICE Seminar is required in order to earn credit. According to state law, students must attend all required classes in order to attend their work experience. (For example, if a student misses school due to illness, they must also forgo their work experience per policy.)

9. Students are under full supervision of their supervisor and are expected to perform up to their supervisor’s standards while also maintaining academic achievement.

**Students are at the very heart of the PaICE Program. The purpose of PaICE is to assist them in becoming a productive member of the community while gaining valuable experience and skills vital to their future.**

**Students are a representative of their High School while in this school-to-career program. The manner in which they conduct themselves while serving the public, determines the praise or criticism the school may receive as well as whether or not businesses continue to provide training stations for high school students. As a condition for acceptance into PaICE, students agree to carry out their training on the job in a manner that will reflect credit upon themselves, the school and the PaICE Program.**
The parent or guardian agrees:

- To be responsible for the personal conduct of the Student while in training.
- To encourage Student to communicate directly with worksite supervisor and PaICE Coordinator when late or absent from work.
- To provide the support needed for the Student to fully engage in the internship program/work experience.
- To assist Student with transportation, as needed.
  - School District generally does not provide transportation to and from work due to lack of vehicle/staff availability. In certain situations, arrangements can be made on a case by case basis.
- To support student in reporting any injuries that occur while performing work related duties and following worker's compensation procedures. Report injury to employer and PaICE Coordinator immediately.

PaICE work-based learning experiences are educational in nature and are designed to help the students explore career interests, build competencies in career interest areas and develop or enhance employable skills.

1. The parents should see that the student is equipped for his/her training experience with such items as proper clothes, transportation, proper eating, sleeping habits and so on. Lack of transportation is an unacceptable reason for absence from work.

2. The parents should realize that while students are on the job, they must put priority towards his/her work. (Examples are not being absent due to family outings and responsibilities, etc.)

3. The parents should discourage absences by the student from either classes and/or the PaICE placement. State law says that students who are earning credit for working MUST have attended classes each day that they work or risk losing the right to participate in the school-to-career program.

4. The parents should acknowledge the importance of allowing the student to handle any situation that arises at the placement on their own. Parents should encourage the student to discuss any problems with the PaICE Coordinator.

5. Earning a passing grade at the weekly PaICE seminar is required in order for the student to earn any credit for working. Students are allowed only one (1) absence from seminar per quarter. This absence must be an excused absence or called in as a general unless the student wishes to be counted as truant in the attendance office.

6. Parents are encouraged to become involved in the PaICE Program. We realize that you are an important resource and we want to establish a good working relationship with you.

7. The parents should feel free to call the PaICE Coordinator between 8:00 am and 3:30 p.m. and request a conference to discuss the student's progress or any problems that might arise. If the coordinator is out of the office, please leave a message.
PaICE Coordinator

PaICE Coordinator agrees to the following:

- To develop a training plan outlining the specific skills the student will learn on-the-job in collaboration with the Worksite Supervisor/Employer.
- To provide case management support and act as a liaison between the student, parent/guardian, school and work site supervisor.
- To ensure that work site conditions meet the requirements of the law and will not endanger the health, safety, or welfare of the student. Staff reserves the right to withdraw a student from internship/work site when serious concerns arise related to student safety and/or well-being.
- To visit work site to evaluate student progress and assist supervisor, as needed, to help the student meet work site expectations and perform at their full potential.
- To provide consultative support to Worksite Supervisor to ensure a successful and meaningful internship experience for the Student and Supervisor.
- To issue school credit based on hours worked as documented on timesheet, pay stub, or other district-approved documentation per course syllabus or program policy.

1. The coordinator will work closely with the student and the supervisor to ensure a good training experience and will meet with any student who might be having problems that would affect the student's success in the PaICE Program. The coordinator is expected to give suggestions to the students in regard to personal appearance and conduct.

2. The coordinator is expected to visit each training site and hold conferences with the supervisors as often as necessary. The coordinator is to hold a private conference with the students to inform them about their job progress. There will be a minimum of one contact per grading period.

3. The coordinator is to maintain a sound on-the-job training coordination program and work with employers to ensure progress for each student. This includes development, networking, recruitment and follow-up of all students in work experiences as well as screening, assessment, placement, evaluation and documentation of students and training sites.

4. The coordinator is to set up and/or provide professional development seminars or related class involvement for students in areas that will complement the student’s on-the-job training, now and in the future.

5. The coordinator is available during the working day for conferences between any of the following: students, supervisors, parents, counselors or school administrators. The coordinator will assist in arranging the PaICE student's schedule when necessary.

6. The coordinator will serve as a resource and/or instructor for the PaICE pre-requisite class called Career, Capstone and College Prep.

7. The coordinator will assist junior high teachers, students, counselors and parents in understanding the PaICE Program and its requirements and advantages. The coordinator will serve on community committees and/or give community presentations to develop networks and increase community partnerships.
The experience a student gains through a cooperative training program should provide them with a learning situation, both in school and in the community that will enhance their classroom learning. It is best for both the student and employer if the community experience has some relationship to what the student expects to pursue after graduation.

The Worksite agrees to the following:

1. To permit _______________________ (student name) from ________________ (school) to enter the workplace as an intern/employee under the supervision of ___________________ (worksite supervisor’s name) for the purpose of gaining knowledge and experience in the area of ______________________ (career area/industry).

2. Supervisor agrees to obtain parent permission before administering a polygraph, drug test, physical or other screening prior to internship placement or employment.

3. The work site agrees to conform to all federal, state, and local laws and regulations, including Child Labor Laws and non-discrimination on the basis of sex, race, creed, color, disability, or marital status.

4. Worksite Supervisor(s) and any staff who will have consistent, unsupervised contact with interns will complete a criminal background check through CCHS or FJSHS Safety and Security before internship begins. Supervisor is required to maintain supervision of student. (Note: This does not apply to students who are on the company’s payroll.)

5. Employer/supervisor will instruct student in-office procedures, appropriate dress, office culture/etiquette, and safety policies and procedures. Cañon City High School or Florence Junior/Senior High School reserves the right to prohibit internship/employee activities considered to be high risk or hazardous in accordance with CCHS’s or FJSHS’s worker’s compensation policy.

6. Ensure the student is given the opportunity to gain well-rounded experience in a safe environment and progress in his/her position as proficiency allows.

7. To contact school staff if concerns arise regarding a student’s work performance.

8. To maintain confidential information and not reveal it to clients, colleagues, or others without procuring the necessary releases or authorizations.

9. To verify intern/employee timesheet/work hours and complete the required weekly, midterm and/or final Performance Evaluations each term, providing feedback on student’s work quality and ability to meet workplace expectations.

10. To restrict internship hours to 7 AM- 10 PM. Variances need to be approved by PaICE/Internship staff.
● On school days, during school hours, no minor under the age of 16 is permitted employment except as granted by a school release permit.
● On school days, after school hours, no minor under the age of 16 is permitted to work in excess of 6 hours unless the next day is not a school day.
● Except for babysitters, no minor under the age of 16 is permitted employment between the hours of 9:30 p.m. and 5:00 a.m. unless the next day is not a school day.
● Minors may not work more than 40 hours per week or 8 hours in any 24-hour period unless there is a business emergency.

1. The supervisor is considered a partner in the program of training. Please assist the school by providing planned occupational experiences and on-the-job instruction.

2. In a paid experience, the wage will be set according to state or federal minimum wage laws and may be increased at the discretion of the supervisor.

3. The student should have opportunities to gain various experiences leading to their occupational goals. Your student will ask for your assistance in establishing a training plan of job tasks and goals in order to show progress.

4. The Coordinator will visit the work site to discuss the student's performance with the supervisor, verify work hours, and help in any way possible.

5. The student will be evaluated by the supervisor each grading period and will confer with the PaICE Coordinator regarding the student's training and progress. It is the student's responsibility to deliver the evaluation form to the supervisor and return the completed evaluation form to the PaICE Coordinator. Please notify the PaICE Coordinator if student difficulties arise at the workplace, including attendance problems.

6. Last minute emergencies will happen, but supervisors should try to give the student as much notice as possible about changes in the schedule. Many students plan their personal business around their work schedules and are not always available for last minute changes.

7. We encourage the involvement of the supervisor in the training of their student. Suggestions from the supervisor for improving the experience is vital and very appreciated. Please work closely with the student to provide challenging work assignments, compliment the student for a job well done and provide constructive criticism for errors and lack of judgment.

We appreciate the time and cooperation of the business community!
Wages and Workers Compensation

1. Internships may be unpaid or paid either by the employer. Unpaid internships must meet specific criteria when placing students with disabilities. Paid interns are paid an hourly wage. Unpaid interns may be eligible for a financial award based on performance.

2. When a student is paid by an outside employer, the participant is covered by the employer’s worker’s compensation insurance. The student is otherwise covered by the schools worker’s compensation policy when engaged in internship related activities. Students covered by the schools worker’s compensation policy must report an injury to his/her supervisor and school contact person as soon as possible, but no later than 4 business days or may not be eligible for worker’s compensation coverage.

Termination

3. Grounds for termination during the internship may include but are not limited to:
   a. Academic concerns (drop in grades, attendance, not completing class assignments, etc.)
      i. Poor work performance
      ii. Unprofessional or inappropriate behavior
      iii. Failure to meet program expectations
   b. In the event that the student is terminated from the internship program for reasons of unprofessional or inappropriate behavior while enrolled at _________________ (school name), the student may face additional disciplinary action as deemed reasonable by the School’s CTE Director, the Regional Internship Coordinator and/or other school administration.
   c. Termination may result in a failing grade and/or reduction in number of credits issued.

Resignation

d. Due to the nature of an internship arrangement, a student may not withdraw from an internship without prior authorization from staff except in severe and justifiable circumstances.

e. If the Student resigns from the internship program before all program requirements are complete, the number of credits issued will be determined by the policy stated in the course syllabus or program handbook.

Confidentiality

f. The student acknowledges that in the course of the internship experience he/she may have access to and be involved in the processing of verbal, written, filmed, and/or recorded information relating to clients, employees or company business.

g. The student understands he/she is required to maintain confidentiality of direct or indirect information at all times, both during and after the internship experience. The student understands that he/she may not share, discuss, or reveal any confidential information with anyone.

h. Failing to maintain confidentiality may result in disciplinary action, including termination from the internship or legal action.

i. The student agrees to abide by the confidentiality policy as stated above.
CREDIT DECLARATION

☐ Fall 20_____ Qtr1 Qtr2 ☐ Spring 20_____ Qtr 1 Qtr 2

Student Information:

(Student Name)

______________________________________________

(School Name)

______________________________________________

Students may earn up to 2 credits per semester and no more than 8 credits during high school through paid employment, internships or volunteer work. Students must obtain permission from their school counselor or principal prior to earning credit for hours worked.

Specific requirements outlined in the course syllabus must be met in order for a student to earn PaICE credits. These may include academic assignments associated with PaICE, submission of pay stubs or time sheets and observation in the workplace by district staff. The number of PaICE credits earned is dependent on the number of hours worked.

Please check which Work Study Program the student is completing in the table below:

Cañon City High School & Florence Junior/Senior High School

<table>
<thead>
<tr>
<th>General Ed – Work not associated with Internships</th>
<th>General Ed – Work associated with Internship Pathway</th>

</tr>
</tbody>
</table>

The student and school agree to follow the district’s credit guidelines as noted in the table above. Partial credit will be awarded based on staff discretion.

This student is expected to complete ____________________ (please fill in blank) work hours this term.*
(This total must match the number of hours stated on the Internship/Work Study Contract.)

*Credit can be denied based on negative reviews/evaluations determined by the Internship Coordinator, School Counselor or Principal.
PaICE (Professional and Internship Community Experience)  

CHARITABLE DONATION FOUNDATION AND PROCESS

Overview: A 501C foundation, The Canon City Educational Organization for Excellence (CCEOE), is established to manage donations made by participating businesses, non-participating businesses, and private citizens for the sole purpose of awarding cash scholarships to students who meet the requirements and complete an internship in good standing.

Donations: Donations made by any business or individual will remain private and the amounts are at the discretion of the donor. The below table may be used to determine an amount based on the hours worked by an intern at a specific rate of pay. The expected time an intern will work is a minimum of 8 hours per week. All donations are annual (spread over four quarters and all interns).

<table>
<thead>
<tr>
<th>Hourly Pay (x2 Hrs/Day)</th>
<th>Quarter Total (45 days)</th>
<th>Semester Total (90 days)</th>
<th>Annual Total (180 days)</th>
</tr>

<tr>
<td>$2.00</td>
<td>$180</td>
<td>$360</td>
<td>$720</td>
</tr>
</tbody>
</table>

NOTE: These figures are in place simply to show a potential contributor what he or she “could” donate based on having an intern work for 8 hours per week at various levels, beginning with minimum wage.

NOTE: Unpaid internships are truly unpaid. The employer pays no hourly rate. A student earns high school credit for completion. These donations are an incentive to experience an internship over a regular paying job and still receive compensation.

Intern Payment Process: Cash scholarships will be processed and paid out at the end of each school year during the end of year Celebration Banquet. The amount each intern earns will be determined by the number of quarters the intern successfully completes. Those quarters will be broken down into a percentage of the entire annual intern pool, and that percentage of the funds will be paid to the intern.

How to Donate:

*Donate by Cash or Check (we are not set up to receive electronic payment).

*Checks made to ‘CCEOE’ (Canon City Educational Organization for Excellence).
  -In the memo line, please note ‘Internship Program’.

*Mail donations to:  
  PaICE Regional Internship Program  
  Attn: Lisa Tedesko  
  1313 College Avenue  
  Canon City, CO 81212

*Foundation Funds will only be used for paying scholarship incentives to interns.
Code of Ethics

The Code of Ethics is an agreement between you and the school as to the rules and regulations that have been established in order for you to earn credit through PaICE. Should you violate any one of the rules listed below, you could lose credit or be dropped from the program. All violations will be reviewed, and it will then be determined by the school whether the violations were reason for dismissal from the program. Please carefully read each item, and if you do not understand something, be sure and ask the Coordinator before you sign below.

1. PaICE is a part of the school curriculum. I will not accept a training position unless I intend to keep it for the remainder of my PaICE enrollment.

2. I will report at the scheduled time and will remain until I am scheduled to finish. If I am unavoidably detained or unable to report to work, I will notify my employer immediately and the PaICE Coordinator on my weekly time sheet. I understand that I must attend school if I attend work.

3. I realize that to be dishonest or to fail on my job reflects on me, on my school and on the PaICE Program. I will be honest with money, merchandise, time and effort. I also realize that any substance abuse will result in my being dropped from PaICE and losing PaICE credits.

4. I will not receive visitors at my placement and will not make or receive unnecessary personal telephone calls. My recreation will be scheduled in advance so that it will not interfere with my placement.

5. I will strive to do the best job I am capable of doing and I will not do “just enough to get by.” I will conduct myself in a polite way and be as neat in appearance as possible. I will perform only tasks that are related to my work while I am on the job.

6. I will consult with the PaICE Coordinator before resigning if I believe that my studies, family, physical health or moral well-being are jeopardized because of my placement. If I quit or change my placement without consulting the PaICE Coordinator, or if I am fired, I know that I can be automatically dropped from the PaICE Program. This can result in the loss of PaICE credits. I know that I cannot apply for Unemployment if I am fired or withdraw from the position.

7. I will attend the required PaICE seminars, complete all assignments, and attend the annual Employer-Employee Banquet. I will also conference with the coordinator following each employer evaluation/visitation.

8. I understand PaICE grades and credit will be awarded only at the end of a completed grading period. If I drop from the PaICE course before the end of a grading period, I will receive zero credit for the grading period.
**I WANT....**
* A look at the differing needs of students and employers.

**I want a worker**
- Who likes the job.
- Who knows the job.
- Who keeps physically fit.
- Who wants to do a day’s work for a day’s pay.
- Who is always on the job unless excused.
- Who is cheerful—not sullen.
- Who works sagely—with due consideration for fellow workers.
- Who gets a kick out of a job well done.
- Who tries to avoid waste and cut costs.
- Who looks for a better way to do the job.
- Who tells the truth; who is sincere.
- Who gripes little, and looks forward.
- Who asks questions when help is needed.
- Who is willing to face personal problems squarely.
- Who tries to look at my viewpoint now and then.
- Who feels that the job is a privilege, not just a right.

**I Want an Employer**
- Who has something to do with hiring me and who wants me to work.
- Who helps me when I am new to get acquainted with my job.
- Who explains to me just what my job is—just what I am expected to do.
- Who tells me frequently how I’m getting along—what I do well and don’t do well—who shows me how to do better.
- Who not only thinks of me for what I am but also for what I may become.
- Who takes a personal interest in me and my problems.
- Who listens to my ideas for making the job easier and better.
- Who has something to do with my pay and does it when the time comes.
- Who stands up for me when I am right.
- Who is honest and straightforward with me.
- Who tells me about changes before they are made.
- Who has a personal faith and confidence in me.

*Adapted from T. Elliott

*I would work my heart out for an employer like that. You would to!*
Print and Electronic Media

Because of the community’s interest in public education, print and electronic media sometimes request to visit schools for stories about programs and current events. Permission for close-up photographs and interviews of students under the age of 18 years old can be granted to the media only with parent approval.

Please indicate by checking the appropriate box whether you will allow your child to be interviewed and photographed by the print and/or electronic media:

- Yes, I give my permission for the media to interview and/or photograph my child.
- No, I do not want my child interviewed or photographed by the media.

District Media

In the interest of promoting the successful programs of Fremont RE-1 and RE-2 Schools and improving the outside communications, the district uses photographs and video footage of students in our schools.

This agreement constitutes permission to use photographs and video footage of the student named on the Internship/Work Study Contract* in presentations about our schools, programs and people that may be distributed by Fremont RE-1 and RE-2 Schools. All photographs and video footage shall remain the sole property of Fremont RE-1 and RE-2 Schools. I understand that no compensation will be made to me for this use. Fremont RE-1 and RE-2 Schools assumes no liability of any nature in connection with such filming and/or interviewing.

- Yes, I give my permission for Fremont RE-1 and RE-2 Schools to use photographs/video footage of my child for information and possible distribution about its schools or programs.
- No, I do not want photographs/video footage of my child used by Fremont RE-1 and RE-2 Schools for information and possible distribution about its schools or programs.

* By signing the Internship/Work Study Contract you are in agreement with the above mentioned media release and are stating that you as the parent/guardian are giving consent for your student to be photographed/filmed for promoting Fremont RE-1 and RE-2 school programs.
