

**Harbor Bay
Community Development District**

Agenda Request

To: Board of Supervisors
From: Matt Davis, Uplands Special Counsel
Date: June 18, 2020
Subject: Espino – 521 Islebay Drive

ISSUE: Should the District allow the Espino claim to go forward under the protocol despite their failure to submit it to the District Manager pursuant to the posted protocol.

ANALYSIS/INFORMATION: (LOCATION – IF APPLICABLE): The District established a September 31, 2019 deadline for submission of claims and sent several letters to residents notifying them of this fact. The Espinos submitted a claim on time, but submitted the prior, out-of-date form to the District’s former uplands counsel. Thus, it the District did not receive their claim by the deadline.

EXPECTED COMPLETION DATE: N/A

DECISION TO BE MADE: Whether or not to allow the claim to proceed under the existing protocol.
