## School Dance Permission Slip Non-STHS Guests

**High school students who do not go to school at Springfield Township High School may attend STHS dances with the documentation below. Students who are not currently enrolled in high school may not attend school dances at STHS without expressed written permission of an STHS administrator.**

I give permission for my child, \_\_\_\_\_, to attend the Springfield Township High School dance scheduled for \_\_\_\_\_(date/time) at \_\_\_\_\_(location).

As a guest of an STHS student, your son/daughter will be expected to follow all school rules. Special guidelines have been put into place to ensure that the school dance are an enjoyable experience for students, faculty, and parents as follows:

- Any student or guest may be required to present photo identification as a condition of or at any time during the dance.
- Any student or guest may be required to submit to a breath-based blood-alcohol level test as a condition of admittance or at any time during the dance.
- Any student or guest involved in illegal substance, drug, or alcohol use will be subject to the regular discipline process, including law enforcement involvement.
- Any student or guest who leaves the dance at any time before the scheduled end time will not be permitted to re-enter.

Students attending from another school must be in good standing at their school. Students should have good grades and no attendance and/or discipline issues. Please have a school administrator sign off below that your student has met these requirements.

Below please list the names of a parent/guardian and/or persons to be contacted in the event of an emergency and the contact information for **where they can be reached on the evening of the dance.**
