

# IVYCREST MONTESSORI

PRIVATE SCHOOL

Dear IvyCrest Families,

Who is ready for a fresh start for the 2020-2021 School Year? With your help, we have been able to welcome back almost half of our school population. Words cannot express how grateful we are to our IvyCrest families for your continued support over the past 4 months. We have felt your gratitude, patience, trust, and understanding as we enter these uncharted waters together. We are looking forward to returning full swing on August 1st!

As anticipated, all of our COVID-19 protocols will remain in place to reflect a dedicated focus on social distancing, reducing contact, and keeping our students and staff healthy. Therefore, we will be continuing our morning and afternoon regimens of temperature checks, no contact check in, and a temporary hold on valet service. You are welcome to sign up for school lunch starting in July, which will be offered Monday-Friday, for the time being. The deadline to sign up for July's monthly lunch is Friday, June 26th. If you plan to bring lunch from home, please remember to bring your own utensils. Everyone should be packing their water bottle, as cups will no longer be used during this time. For a complete list of guidelines, please refer to the enclosed COVID-19 Parent Manual.

Enclosed in this digital version of our Fall Welcome Packet, you will find our school calendar, classroom supply lists, and a link to our virtual arts classes. We will be closed on July 31, 2020 to prepare for the new school year and our Parent Orientation Night via Zoom that same evening at 5pm. One item teachers will be discussing is our Official Friday T-shirt for this school year will be replaced with our limited edition 50th Anniversary shirt! If you are not attending summer camp, please call Ms. Charissa to place an order before August 1st! Students in Rooms 4-11 will be asked to wear this special purple shirt every Friday during the academic year!

We want to take a moment to recognize our dedicated teachers and staff for continuing to employ our COVID-19 best practices on a daily basis. They tirelessly clean, sanitize, attempt to keep our little ones socially distanced, all while teaching and caring for your children. Our hats are off to each and every one of them.

We wish you and your family a school year full of fun, good health, and kindness. We cannot wait to continue your child's educational journey with you.
