September 24, 2020

Good Day Packer Nation,

I wanted to update you all regarding Homecoming festivities. We will have regular Homecoming activities during half-time of the game versus Alcovy on October 23, 2020. We look very forward to naming a queen and enjoying all the regalia that surrounds Homecoming.

However, after much consideration and consultation, I have decided that we will not have the typical Saturday night dance due to the ongoing pandemic. My apologies go out to all of our students that look forward to this fantastic event.

Thanks so much for your understanding!

Go Pack Go!

Jamie Dixon
Principal
