In an effort to keep everyone informed and to be transparent, we will report weekly the number of confirmed positive COVID-19 cases of students and staff, as well as the number of quarantined students and staff. This information can be found on our district website and will be updated each week on Mondays.

We continue to ask parents not to send their child(ren) to school if they are sick or have symptoms of COVID-19. We also remind staff to stay home if sick or exhibiting symptoms. If a student or staff has a household member with symptoms of COVID-19 or have tested positive, they should not come to school/work.

We appreciate everyone's cooperation. Let's continue to work together by following the guidelines that are in place to protect us all.

Sincerely,

James D. Howell
