Colquitt County Schools Seeking Applicants for Open Positions

MOULTRIE, GEORGIA – August 31, 2021

Colquitt County School System is seeking to fill job openings in several areas of critical need for the 2021-2022 school year. There are currently job openings in the areas of nutrition, transportation, and substitute teachers. These are ideal jobs for those seeking a flexible schedule that allows individuals to be home in the evenings and on weekends with their families.

The Transportation Department needs licensed CDL drivers for bus routes and after-school activity schedules. Bus drivers work an average of four hours a day but are paid for six and are off on all school holidays. In addition to health and retirement benefit options, they are eligible for a \$100 perfect attendance bonus each month and receive additional pay for after-school activities transportation contracts. Interested candidates should apply by visiting

The School Nutrition Program needs individuals to work as School Nutrition custodians and School Nutrition assistants. Individuals in full-time roles work 184 days a year with weekly pay; however, they receive payment during the summer months. Full-time employees of School Nutrition are off on all school holidays, are eligible for health and retirement benefit options, and work between six to eight hours a day.

There is also a need for substitute teachers for all grade levels. Substitute teachers may qualify for pay up to \$78 per day and are eligible for a 401K program after one year of employment. There is also a bonus program in place for substitutes teachers.
