HEALTHCARE FROM ANYWHERE

ACCESS HEALTHCARE SERVICES INSIDE OR OUTSIDE SCHOOL

CONFIDENTIAL, COMPREHENSIVE VIRTUAL CARE

Behavioral health and primary care telehealth services are available to students and staff. Virtual healthcare is delivered by local licensed professionals — medical, mental health, addictions counseling, dietitian, and other services are available.

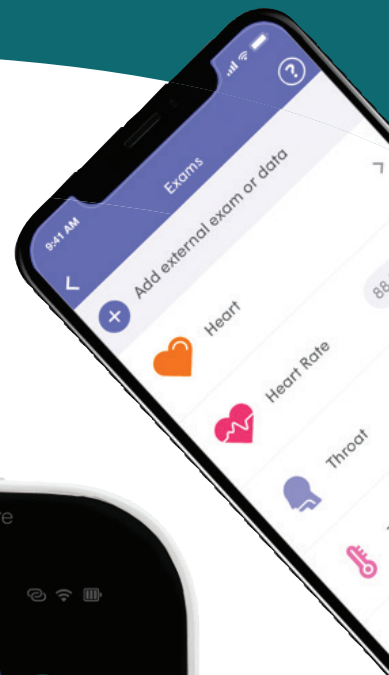

VIRTUAL MEDICAL EXAMS POSSIBLE

With our virtual care app, a healthcare provider can examine your heart, lungs, throat, ears, skin, abdomen, heart rate, and body temperature, and diagnose and treat many of the most common conditions.

LIMITED OUT OF POCKET COSTS

- BVHC is deferring copays during the public health emergency.
- BVHC will submit claims to your insurance.
- Your family will be billed for any remaining balances not covered by insurance.
- BVHC offers a HealthShare Partnership discount based on family size and income.

Apply for the HealthShare Partnership discount at chcfamily.org/patienthome

The Tyto handheld exam kit is used for appointments taking place from school.

SCHEDULE YOUR APPOINTMENT AT (406) 623-9500

*Upon the assessment during the initial telehealth visit, BVHC providers may recommend that patients be seen in-person for follow-up and/or future visits.

HOW TO ACCESS CARE

FROM SCHOOL

LIVE VIDEO CONVERSATIONS FACILITATED BY TRAINED STAFF

Your visit will be facilitated by a staff member who has been trained on the TytoCare platform. Your behavioral health and primary care visit includes live video where you will be able to talk to a BVHC provider in real time.

The Tyto handheld exam kit is used for appointments taking place from school.

1 COMPLETE THE BVHC PATIENT INTAKE PACKET AND CONSENTS.

2 SCHOOL STAFF WILL SCHEDULE YOUR APPOINTMENT WITH BVHC.

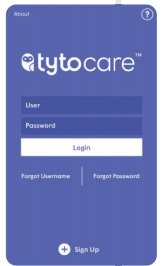

3 MEET VIRTUALLY WITH A BVHC PROVIDER WHILE AT SCHOOL.

OUTSIDE SCHOOL

LIVE VIDEO HEALTHCARE

Outside the school, your behavioral health and primary care visit will be performed with the TytoCare app, which gives you access to a live video healthcare visit with a BVHC provider. *If you are under 18, your guardian should register an account in their name and add you as a dependent under their account.*

1 COMPLETE THE BVHC PATIENT INTAKE PACKET AND CONSENTS.

2 CALL (406) 623-9500 TO SCHEDULE AN APPOINTMENT.

3 DOWNLOAD THE TYTOCARE APP.

You will need:

- A smartphone or tablet
- Wi-Fi connection or phone data
- Email address
- Earbuds or headphones (preferred but not required)

Open the app and sign up using the organization code: chcfamily

4 MEET VIRTUALLY WITH A BVHC PROVIDER FROM THE LOCATION OF YOUR CHOICE.

SCHEDULE YOUR APPOINTMENT AT (406) 623-9500

*Upon the assessment during the initial telehealth visit, BVHC providers may recommend that patients be seen in-person for follow-up and/or future visits.
