

The Board of Education, Downers Grove Grade School District 58, DuPage County, Illinois met in regular session on Monday, September 12, 2016, at the Longfellow Center.

## 1. CALL TO ORDER/ROLL CALL

The President called the meeting to order at 7:05 p.m. and announced that it was the regular monthly meeting of the District 58 Board of Education. Members present: President John D. Cooper; Vice President Doug Purcell; and Members Diehl, Heppner, Miller, and Sigale. Member absent: Lupescu. Also in attendance were Kari Cremascoli, Superintendent; Jayne Yudzentis, Assistant Superintendent for Personnel; Matthew Rich, Assistant Superintendent for Curriculum and Instruction; David Bein, Assistant Superintendent for Business/CSBO; Lorie Pilster, Director of Business Services; Ken Young, Director of Buildings and Grounds; Megan Hewitt, Coordinator of Community Relations; and Pamela A. Osika, Board Secretary. Attending this meeting were at least 10 visitors. (Visitors' Roster attached to official minutes.)

## 2. FLAG SALUTE

Justin Sisul, principal of Pierce Downer School, introduced Student Council sponsors Lauren Minardi and Ali Mitchell, and Student Council representatives Lauren Diehl, Jonathan Pedersen, Tyler Schumacher, and Carolien Siebert. The students led the audience in the Pledge of Allegiance to the flag. Elections for Student Council will take place later in the fall. The students talked about Red Ribbon Week and how the Student Council reminded students to stay away from drugs by planning a different event each day throughout the week. Other activities, fundraisers, and events organized and sponsored by the Student Council included a Bears versus Packers food drive; raising awareness and support for the Global Genes Project, an organization that funds rare disease research; collecting gently used items for donation to Goodwill; selling Pierce Downer spirit wear; planning monthly Spirit Days; and celebrating staff members during Teacher Appreciation Week.

Pierce Downer PTA Co-Presidents Laurie Hurst and Colleen Loftus shared some of the contributions made to the school and community by that organization. Activities highlighted included adult education programs being incorporated this year; V.I.P. Day for 1<sup>st</sup> and 5<sup>th</sup> graders, when students are allowed to invite a special person in their life to spend the last half of the school day with them; Sweetheart Dance (daddy/daughter dance); Kick Bowl (mother/son event); High Touch High Tech science programs; STEM Committee, which supports Destination Imagination; and Junior Great Books.

## 3. BUDGET HEARING

### A. Public Hearing on Proposed 2016-2017 Legal Budget

President Cooper opened the meeting to the public for questions or comments regarding the 2016-2017 Legal Budget. Members of the audience made no comments. The President declared the hearing closed at 7:12 p.m.

B. Adoption of 2016-2017 Legal Budget

Having prepared a tentative budget and having made same conveniently available for public inspection for at least 30 days prior to the public hearing, and, further, having considered input on that tentative budget and determining to make adjustments to that document, Member Heppner moved and Member Diehl seconded his motion to adopt the 2016-2017 Legal Budget as presented in final form.

ROLL CALL VOTE: AYES: Members Cooper, Diehl, Heppner, Miller,  
Purcell, and Sigale

NAYS: None Motion carried

4. **NON-ACTION REPORTS**

"Spotlight on our Schools" – Community Engagement and Review of Community Surveys

Community Relations Coordinator Megan Hewitt shared updates and data regarding District 58's community engagement efforts and provided a synopsis of last school year's community survey results. District 58 aims to continue to strengthen community partnerships and communication, promoting community awareness, support and engagement regarding student learning and District 58 programs. The District strives to consistently engage with all stakeholders (Board members, families, staff, and the general Downers Grove community) across a variety of communication channels. Recent enhancements have been made to District 58 communications in three areas including strategic communications, meeting engagement, and email communications. A concerted effort has been made to increase communication on strategic goals, curriculum, reporting methods, and staff professional development. Beginning with the 2015-2016 school year, Board building tours were scheduled in coordination with PTA meetings, allowing Board members to attend PTA meetings throughout the District. Board Briefs are now sent via email directly to District 58 families. The District's "Communicate 58" newsletter consistently maintains a 40-45% readership while the industry average is 21%; the August 31<sup>st</sup> issue received more than 4,000 unique views. The District improved content, photography, and videography across all communication channels last year. Four school communication awards were recently received at the state level from INSPRA (Illinois chapter of the National School Public Relations Association) for works produced during the 2015-2016 school year and one honorable mention was received at the national level. Looking to the future, the District plans to roll out a new website, update its Communications Plan, and explore opportunities and develop plans for updating the Strategic Plan.

District 58 annually administers three School Environment Surveys: Parent Survey, Elementary School Student Survey, and Middle School Student Survey. Every other year, District 58 administers the state 5Essentials Survey, which was not administered in 2015-2016. In fall 2015, a Survey Committee formed to improve the School Environment Surveys for clarity and usefulness. The Committee changed the survey rating scale from an agreement scale to a frequency scale and incorporated questions about the District's reporting systems for the

Report Card Committees to consider. The overall feedback from parents and students on the School Environment Survey was positive. District 58 administrators, principals and building leadership teams annually review the survey results to identify areas of district and school improvement.

## 6. REPORTS TO THE BOARD

### A. Superintendent

#### 1. Enrollment

Student enrollment and class size figures were shared with the Board. Dr. Cremascoli noted that 2016-2017 total enrollment in District 58 schools is currently 5,122 students, which is approximately 45 students more than in 2015-2016. The average class size is 23 students, with 91% of classrooms within three students or fewer of that average. At Belle Aire School all first and second grade students are assigned to combination classes and, once again, at Henry Puffer School all fifth and sixth grade students are assigned to combination classes. Attention was given to the number of students enrolled at Lester School at all grade levels. It was noted that open enrollment was requested for 40 students throughout the District and 35 of those requests were granted for the 2016-2017 school year. Board members posed questions and there was a brief discussion on enrollment. It was noted that Cropper GIS Consulting has begun demographic study fieldwork for District 58 and will complete the study later this fall.

#### 2. Salary Compensation Reports

The Board was presented with salary compensation and benefits reports. As mandated by Illinois law, these reports will be posted on the District website and submitted to the Illinois State Board of Education.

Superintendent Kari Cremascoli reported on the start of the 2016-2017 school year. While higher temperatures recorded made classrooms without air conditioning uncomfortable, temperatures have now cooled

down to a more comfortable range. The District faced transportation challenges at the beginning of the school year. Most issues have been resolved, however, concerns with special education transportation continue. Improvements were made over last year, but continued improvement is needed. Dr. Cremascoli announced that the Illinois State Board of Education awarded District 58's Grove Children's Preschool a gold rating on its 2015-2016 Preschool for All state audit report. The gold rating is the highest score that an Illinois preschool can achieve, and this is the first year that Grove Children's Preschool has earned this level of recognition. Curriculum Nights were scheduled during the first two weeks in September. These are well attended and appreciation was expressed to parents for supporting those events. District Curriculum Committees have set schedules for the year and meetings have taken place. The Math Committee met on Wednesday, September 7<sup>th</sup> and was reportedly productive. The District has also scheduled staff professional development opportunities for the 2016-2017 school year. The Super Retreat of the Downers Grove Village Council and its neighboring governmental partners is scheduled for Wednesday, September 14<sup>th</sup> @ 6:30 p.m. at Downers Grove South High School. This does conflict with 7<sup>th</sup> Grade Curriculum Night at Herrick Middle School, which will be an issue for several Board members and the Superintendent. The District 58 presentation has been placed at the end of the Super Retreat agenda and all Board members will try their best to be in attendance. The Education Foundation will host Oktoberfest on September 17<sup>th</sup> & 18<sup>th</sup> and ticket proceeds will benefit District 58 schools.

B. Monthly Business

The Board received business reports, the investment report, and revenue and expenditure summary reports for the month ending August 31, 2016. Assistant Superintendent for Business/CSBO David Bein reported that the auditors have completed work on the FY16 audit and will present a report to the District in the coming months. Fall property tax payments are expected to be received later this month, which will bring the Transportation Fund back into positive territory. That fund ended FY16 with a negative fund balance, which increased over the summer months. Larger expenditures were recorded during the past month, including approximately \$1.5 million paid to SASSED, workers compensation claims, summer maintenance projects, and supply purchases. Considering the poor service provided at the beginning of the school year by Septran, payments to that company will be withheld until the District reviews all charges invoiced. District 12-month investments will mature over the next six weeks, options on how to reinvest those funds will be researched. Mr. Bein recently attended a seminar regarding the State's financial conditions and its impact on school districts. He shared highlights from that seminar, which included the projection that the State's budget deficit is expected to grow to approximately \$9 billion. Reasons for the rising deficit include the expiration of the temporary income tax increase. District 58 may receive the fourth categorical payment for FY16 from the State in the next month or so. However, considering the State's current financial condition, it is possible that only two of four categorical payments will be received for FY17, which would result in a revenue shortfall for District 58.

- C. Treasurer's Report  
There was nothing special to report in regard to the Treasurer's Report.
- D. Policy Committee  
The Policy Committee did not meet August.
- E. Legislative Committee  
The Legislative Committee did not meet in August.
- F. Financial Advisory Committee  
The Financial Advisory Committee did not meet in September.

## 7. DISCUSSION

- A. Children's Internet Protection Act (CIPA) Policy #6111 – Instruction – Computer Network and Internet Safety, Access and Use  
Dr. Matt Rich, Assistant Superintendent for Curriculum, explained that the District must comply with the Children's Internet Protection Act (CIPA). Board Policy #6111 – Instruction – Computer Network and Internet Safety, Access and Use defines the scope of the District's authority, and the safe and acceptable use of the District's computers, computer network, and Internet access. It was clarified that the Board was not being asked to propose any changes or modifications; the Board was being given the opportunity to review this information. Dr. Rich reiterated the many ways the District filters and monitors student Internet and e-mail activity.
- B. IASB DuPage Division Bylaws  
The IASB DuPage Executive Committee has recommended changes to the DuPage Division Bylaws. A vote on these changes will occur at the DuPage Division Fall Dinner Meeting on Tuesday, October 4, 2016. As the District 58 IASB Representative, Board Member Roberta Diehl will attend the IASB DuPage Division Dinner Meeting and cast a vote on behalf of the District. Board members were asked to review the proposed revisions and provide Member Diehl with feedback prior to October 4<sup>th</sup>.
- C. Board Self-Evaluation Follow-Up  
The Board met in closed session on August 22, 2016 with a representative from IASB to conduct a Board self-evaluation. As a follow-up, the Board discussed identified areas of improvement and next steps to be taken.
  - Consider reviewing and updating the New Board Member Orientation process. Board President John Cooper and Board Member Elizabeth Sigale volunteered to lead this initiative. Information will be reviewed and a proposal will be developed for Board activities and responsibilities for orienting new Board members.
  - Receive input and offer feedback on recurring issues. The Board will request additional information from the administration when necessary.

- Review District policy on public participation at Board meetings, to possibly include time limits and a sign-in procedure. The Policy Committee was directed to review Board policies covering this topic, using the IASB PRESS model policy as a guide.
- Continue to actively engage the community in a variety of areas including attendance at PTA meetings and with expanded opportunities for input and questions at committee meetings, workshops, and/or community forums.
  - Annual schedules for Board coffees, building tours, PTA visits and spotlight schedules rotating throughout the District have been prepared.
  - The structure of Board Workshop Meetings will be reviewed to incorporate greater opportunities for community engagement, including possible input and dialogue opportunities. The Policy Committee will review Board Policy regarding Reception of Visitors and consider updating.
  - Consider creation of and structure for a Meet and Confer Strategic Plan Committee of the Board, to include representatives from the Board, each union, administration and other stakeholder groups when appropriate. Two Board members will be asked to co-chair this committee and a charge will need to be drafted.

The Board, Policy Committee and District 58 administration will continue working on these items with follow-up at the October Board meeting.

## 8. RECEPTION OF VISITORS

Craig Young, DGEEA president, thanked the Board for the open discussion regarding community engagement and dialogue opportunities.

Tracy Weiner, Henry Puffer parent, thanked the Board for looking to open communications and would like to see this happen for the next workshop in October.
