**TUESDAY, MARCH 9  
7-8PM  
A LIVE ZOOM WEBINAR  
([CLICK HERE TO REGISTER](#))**

Carolyn Wahlskog, LCSW  
Executive Director of Housing,  
360 Youth Services - Naperville

Talking with your teen about LGBTQ+ (lesbian, gay, bisexual, transgender, queer or questioning) topics can be hard - especially when our teens seem to know more than we do!

Join us for a conversation to learn about affirming terminology and understand the spectrums of identity. Whether your child is LGBTQ+, is questioning their identity or you just want to create a more welcoming home, join us to learn, ask questions and better understand how to support young people in our community.

Carolyn Wahlskog, LCSW (she/her/hers) is the Executive Director of Housing at 360 Youth Services in Naperville. 360 Youth Services provides counseling, substance use prevention education and housing to youth experiencing homelessness. Carolyn supports educators, mental health providers, businesses and other youth serving organizations to create safe and affirming spaces for LGBTQ+ youth and their families.
