NORTHWEST INDIANA

# Your New Hammond Club

## About the Hammond Club

Renovated during the summer of 2020, the new Club features a STEM Room, Digital Music Recording Studio, Art Room, Computer Labs, Rock Wall, a separate Teen Center, secured entrance and more!

Across the street from the high school, our Club is in walking distance for teens, and the new Teen Center will not disappoint!

## Membership

\$40 a year per member. Additional fees may apply for special programs like athletic leagues or field trips. Membership Scholarships for free memberships are available to qualifying families.

## What Makes Us Different

Our Clubs are easily accessible and provide free tutoring, homework help and mentorship to any youth who walk through our doors. Our staff are trained to provide leadership, mentorship and a fun, safe place for kids. Our Clubs are a place for kids to realize their full potential.

Every member receives a free healthy snack after school each day.

## Back to School Programming

As Hammond Schools move back to in-person learning, the Hammond Club will be open from after school until 6:30 p.m.

## Contact the Club

5840 Calumet Ave.  
Hammond, IN 46320
