

WELCOME TO SMART PLAY

What is Smart Play Academy?

Smart Play is an organization that will combine sports and analytics to help your child grow. Our **Hoop Smart Academy** represents Phase 1 of this new venture. Phase 2 will incorporate analytics software to help your child's game grow further.

Why choose the Hoop Smart Academy?

The goal is to elevate our students' level of play and confidence. We teach fundamental and pro level skills. This is a safe place where a child at any level can grow into a dynamic basketball player with consistency and training.
