FOR IMMEDIATE RELEASE

Donna Pyatt, Pleasant Gardens Elementary School wins the NC Science Teachers Association (NCSTA) District 8 Outstanding Elementary School Science Teacher for 2020

Nebo, NC, October 21, 2020 – Donna Pyatt will be presented with the 2020 NCSTA District 8 Outstanding Elementary School Science Teacher Award at the annual 51st NCSTA Awards Ceremony, Thursday, November 5, 2020. The virtual ceremony will take place Thursday at 4:30 pm. There is not cost for registration at ncsta.org and registration is required to attend.

The NCSTA District Outstanding Science Teacher award is given to a person exhibiting leadership in science education; contributing to improvements in science education; and excelling in the aspects of science education in the Elementary School setting. This honor is determined by other science educators throughout NC and serves as recognition of Donna Pyatt's professional excellence and contributions to science education in North Carolina.

“Donna Pyatt has been teaching for many years more than this spending the last 20 years as an educator in both elementary and middle schools. In the time I have known Donna, I have seen her go above and beyond to address individual needs of her students, create innovative and engaging lessons and projects for both 6th graders and now 2nd graders, and participate as a leader and representative for our school system and community. She is a very caring educator and sets high expectations for her students' work and behavior.” Eve Walker Digital Learning and Innovative Specialist
McDowell County Schools, Marion, NC

Congratulations!
