

Liverpool Central School District Code of Conduct for Online Classes

The Liverpool Central School District has put this Code of Conduct in place to provide guidelines that students and parents (“Users”) must follow when using school technology. All Users of the technology agree to the following:

- Users are expected to use the District technology resources in a legal, responsible, ethical, and polite manner.
- Users will use school technologies for educational purposes only.
- Users will not share links for technologies used by the District, including links to online classes, meetings, or resources.
- Users will keep their login information or passwords confidential.
- Users understand and agree that online classes may be recorded by a teacher and shared with other students attending that online class.
- Users will not record or take screenshots of any portion of online classes. Users will not share or post videos, pictures, or copies of either student-generated or teacher work on social media, gaming networks, or elsewhere online.
- All communications with other students enrolled must be of a course-related nature. Users are expected to use respectful language. Technology will not be used to harass or bully any other person.
- Students are expected to be dressed appropriately for all synchronous lessons. The LCSD Student Dress Code shall apply to all virtual learning environments.
- Students should work from a place conducive to learning (desk, table) and free from distractions including music, television, or other distracting elements in the background.
- Users will not show anything deemed inappropriate by the LCSD Code of Conduct in view of the camera during online classes.
- The integrity and authenticity of student work are very important. Users will submit work that is their own and will not practice plagiarism in any form. Do not cut, copy, or plagiarize Internet content or work of online classmates.
- Virtual instruction and classrooms are not intended for parent interaction. Parents wishing to communicate with a teacher or school should do so via email or telephone.
- Users understand that failure to comply with this Code of Conduct may result in disciplinary action.
- In video conferencing environments, students are expected to be muted at all times unless instructed by their teacher to unmute.
- In video conferencing environments, teachers may request that students keep cameras on or give students permission to use a blurred background or avatar.
