

AUTOMATED EXTERNAL DEFIBRILLATORS REGULATIONS

Unless unavailable in the event of cardiac arrest, only personnel trained and qualified in accordance with law shall operate the automated external defibrillators (AED) unit.

The building principal shall monitor the expiration dates of supplies for the AED and guarantee supplies have not expired.

The building principal or designee shall test and monitor the AED on a monthly basis.

Every individual expected to use the AED shall receive training in the most recent nationally recognized course in cardiopulmonary resuscitation and AED use.

Any person who provides emergency care or treatment to an individual in cardiac arrest by using the automated external defibrillator shall contact, as soon as possible, an appropriate health care provider or emergency medical services provider.
