

PROCEDURE FOR SELECTING SUBSTITUTE TEACHERS

The Superintendent shall maintain a list of qualified substitute teachers who may be called on to replace regular teachers who are absent. Such a list shall include the qualifications of each substitute as to subjects he/she may teach and shall be filed with the principal of each school. The principal shall, insofar as possible, call teachers for the subjects for which they are listed. If the list does not contain the name of someone qualified to serve in the vacancy at the moment, the principal may use his own discretion in selecting anyone from the list whom he believes capable of doing the work.
