The tuition cost for non-resident students is \$3,672.00 for the 2020-2021 school year. Upon acceptance as a non-resident student, \$736.00, the first and last month's tuition, must be paid before enrollment. The remaining balance in eight monthly payments of \$367.00 each per student are due the first of each month September through April. Failure to pay any installment by the 10th of each month will jeopardize enrollment in the Morgan County School System. Tuition rates are reviewed and are subject to change annually. If rates change you will be notified and payments will be adjusted accordingly.

Tuition payments are non-refundable. A non-resident who for whatever reason no longer attends school or whose legal residence changes to a Morgan County address during the school year shall not be entitled to a refund of any portion of the non-resident registration fee/tuition already paid.

Parent/Guardian, please understand that your child will be placed on a waiting list for admission according to Board Policy. Submission of this application is no guarantee of admission. Please review the Morgan County BOE policy on Non-Resident Admission and Tuition costs.
