Mailbox

Resident (or resident's builder) is responsible for purchasing and installing mailbox. Only one style, shape and color of mailbox is permitted in Seven Oaks. A drawing detailing the required mailbox is located below, along with a recommended vendor. If the homeowner desires to purchase the mailbox from a different vendor, the specifications of the mailbox in the exhibit must be followed exactly. The address number will be placed on the mailboxes as shown below.

Holiday decorations (conforming to appropriate time frames) or yellow ribbons honoring those serving in the armed forces are allowed on mailboxes but mail delivery must not be hindered and all postal regulations must be followed.

NOTE: Lakeside Town Homes receive mail delivery at a central mail kiosk and are not subject to the mailbox requirements above and in the illustrated below.

A house number will be located on each home as directed by Pasco County.
