The Board of Education encourages public comment on the items for action on this Regular Board Meeting agenda and all other items related to the District. District Officials and members of the public are expected to conduct themselves with civility and to afford each other a measure of dignity and respect. Shouting, personal insults, attacks, or any conduct that disrupts the flow of business is considered to be out of order. Members of the public are to direct their comments to the Board in its entirety, cannot single out Board Members for response, nor can a member of the public address specific issues with other members of the community.

Members of the public are further cautioned not to approach the dais or any Board Member during the meeting or while making a public comment, and to remain at the podium while speaking. Speakers are encouraged to contact the District's administrative office and use established complaint procedures if they wish to have any complaint investigated and addressed.

Each action item will allow for five speakers, except those items for which a Public Hearing will be held which will allow for fifteen speakers. Up to ten speakers may sign up for general Public Comment. Speakers addressing items not on the agenda will be heard at approximately 4:30 p.m. Speakers commenting on items on the consent calendar will be heard prior to the Board's consideration of the items. Speakers commenting on items not on the consent calendar will be heard when the item is presented to the Board prior to deliberation and possible action.
