Management Summary

Overall, the lakes observed during this inspection are in excellent condition. The combination of recent treatments and rainfall resulted in no algae being observed, a rarity for Celebration.

Shoreline weeds had been recently treated with good results. Otherwise, most ponds had little to no shoreline weeds to note.

Slender Spikerush was observed in a few lakes and is undergoing treatment. SV33 has been challenging as the plant gets caught in floating landscaping mesh and attaches to the mesh in the water column. I would recommend investigating whether this material can be removed from the lake to avoid the Slender Spikerush being held up in it.

OWNER'S AFFIDAVIT

Celebration Community Development District – CROA

**STATE OF FLORIDA
COUNTY OF OSCEOLA**

BEFORE ME, the undersigned authority, personally appeared Greg Filak (“Affiant”) as Chairman of **CELEBRATION COMMUNITY DEVELOPMENT DISTRICT**, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, located in Osceola County, Florida, c/o Inframark, LLC, 313 Campus Street, Celebration, Florida 34747 (“Owner”), who being first duly sworn on oath says:

1. That Affiant knows of his own knowledge that Owner is the fee simple title holder to certain lands located in Osceola County, Florida (the “Property”) and of certain infrastructure improvements on the Property (the “Improvements”), as more particularly described on Exhibit “A” attached hereto, and that Affiant is the Chairman of Owner, is making this Affidavit in that capacity only, and that no recourse shall be made against Affiant individually.

2. That the Property and Improvements, as described in the Special Warranty Deed and Bill of Sale Absolute and Agreement, dated as of the date hereof, are free and clear of all liens and encumbrances except for those encumbrances and matters affecting title included in the Celebration North Village Unit 2 Plat, as recorded in Plat Book 11, Page 31, of the Official Records of Osceola County, Florida (the “Plat”).

3. That Affiant knows of no facts by reason of which the title to, or possession of, the Property and Improvements might be disputed or questioned, or by reason of which any claim to any part of the Property and Improvements might be asserted adversely to Owner.

4. That there have been no liens filed against the Property or the Improvements as a result of any labor, materials, equipment or other work authorized by Owner, its employees, or agents or of which Owner has actual knowledge, nor any unpaid bills of any nature as a result of any labor, materials, equipment or other work authorized by Owner, its employees, or agents or of which Owner has actual knowledge either for services of any architect, engineer, or surveyor, or for labor or material that may have been placed on the Property or Improvements, either in the construction or repair of the Improvements, or otherwise in connection with the Property which bills may have been incurred during the last ninety (90) days.

5. That no proceedings in bankruptcy or receivership have ever been instituted by or against Owner, nor has Owner ever made an assignment for the benefit of its creditors.

6. That Affiant knows of no action or proceeding relating to the Property or Improvements which is now pending in any state or federal court in the United States affecting the Property, nor does Affiant know of any state or federal judgment or any federal lien of any kind or nature that now constitutes a lien or charge upon the Property or Improvements.

7. That, except as set forth in the Plat, Affiant knows of no unrecorded easements, liens, or assessments for sanitary sewers, streets, roadways, paving, other public utilities or

improvements against the Property, nor are there any special assessments or taxes which are not shown as existing liens by the public records.

8. That this Affidavit is given for the purposes of inducing CELEBRATION RESIDENTIAL OWNERS ASSOCIATION, INC., a Florida not-for-profit corporation, whose principal address is 851 Celebration Avenue, Celebration, Florida 34747, to accept the Owner's conveyance of the Property and Improvements to the Transferee.

9. That there are no matters pending against Owner that could give rise to any lien(s) that could attach to the Property or the Improvements between the effective date of the Plat and the recording of the deed of conveyance, and that Affiant shall not execute nor permit the execution or recording of any instruments that would adversely affect title of the Property or the ownership of the Improvements.

10. Section 1445 of the Internal Revenue Code provides that a transferee of a U.S. real property interest must withhold tax if the transferor is a foreign person. To inform the District and Latham, Luna, Eden & Beaudine, LLP ("LLEB"), that withholding of tax is not required upon the disposition of a U.S. real property interest by Owner, Owner hereby swears, affirms and certifies the following to the District and LLEB that Owner: (i) is not a foreign person, foreign corporation, foreign partnership, foreign trust or foreign estate (as those terms are defined in the Internal Revenue Code and Income Tax Regulations); (ii) is not a disregarded entity as defined in Section 1.1445-2(b)(2)(iii); (iii) is not a non-resident alien (as such term is defined in the Internal Revenue Code and Income Tax Regulations) for the purposes of U.S. income taxation; (iv) has an EIN/Federal Tax Identification Number of 47-2432811; (v) has a mailing address of 4901 Vineland Road, Suite 450, Orlando, Florida 32811. To: CDD Board of Supervisors
From: District Counsel
Regarding: Short Summary of Senate Bill 382 (Electric Bicycles)
Date: March 2026

Proposed Amendment to Section 316.20655, Fla. Stat.

-Senate Bill 382, proposed to take effect on July 1, 2026, would modify Section 316.20655, *Fla. Stat.*, including by adding the following requirements:

(a) A person operating an electric bicycle on a **shared pathway that is not located adjacent to a roadway**, including a shared pathway located in a park or recreational area, shall yield to pedestrians and shall give an audible signal before overtaking and passing a pedestrian.

(b) A person operating an electric bicycle **on a sidewalk or any other area designated for pedestrian use may not operate the electric bicycle at a speed greater than 10 miles per hour if a pedestrian is within 50 feet of the electric bicycle.**

(c) A person who fails to comply with this subsection commits a noncriminal traffic infraction, punishable as a nonmoving violation as provided in Chapter 318, *Fla. Stat.*

-Senate Bill 382 would also establish “The Micromobility Device Safety Task Force,” a task force adjunct to the Department of Highway Safety and Motor Vehicles (“DSV”), for the purpose of examining and recommending improvements to state law and regulatory framework governing “micromobility devices,” in order to encourage the safe operation of micromobility devices and to prevent traffic incidents, injuries and fatalities involving such devices.

-Senate Bill 382 would also require that the Florida Highway Patrol and each police dept. and sheriff’s office maintain a list of all traffic crashes involving a micromobility device. By Oct. 15, 2026, each police dept. and sheriff’s office shall submit a report with such list to the DSV and, by Oct. 31, 2026, the DSV is required to submit a summary of all reports to the Governor, the President of the Senate and the Speaker of the House of Representatives. The report must specify the crash data by device type and county, and list the reporting law enforcement agencies within each county.

-Section 316.003(41), *Fla. Stat.*, defines a “micromobility device” as the following:

A motorized transportation device designed for individual use which is typically 20 to 36 inches in width and 50 pounds or less in weight and which operates at a speed of typically less than 15 miles per hour but no more than 28 miles per hour. This term includes both a human-powered and a nonhuman-powered device such as a bicycle, electric bicycle, motorized scooter, or any other device that is owned by an individual or part of a shared fleet.

-The full text of Senate Bill 382 is attached. The legislature approved the Bill in March 2026 and the Bill is currently awaiting review/approval by the Governor.

RULE REGARDING PARKING AND TOWING ON THE DISTRICT'S ROADWAYS

[See following page.]

CELEBRATION COMMUNITY DEVELOPMENT DISTRICT RULE REGARDING PARKING AND TOWING ON THE DISTRICT'S PROPERTY AND OTHER DISTRICT PROPERTY

Pursuant to Chapter 190, Florida Statutes, at a duly noticed public meeting, the Board of Supervisors of Celebration Community Development District (the "District") adopted the following policy to govern overnight parking and parking enforcement on Alleys owned by the District and other property owned by the District. This policy repeals and supersedes any and all prior rules and/or policies governing the same subject matter and shall be referred to as the "District's Parking and Towing Rules."

Section 1. Introduction. The District finds that the parking and standing of Commercial Vehicles, Vehicles, Vessels and Recreational Vehicles (all as defined herein) have the potential to cause public safety hazards; impede the effective operation of the alleys and other property owned by the District; and create a danger to the health, safety and welfare of District residents, paid users and the public. The District's Parking and Towing Rules are intended to provide guidelines for parking on alleys and other property owned by the District.

Section 2. Applicability. The District's Parking and Towing Rules shall be applicable on, over or within (a) all property owned by the District, including but not limited to, portions of the alleys located within the District's boundary that are owned by the District, sidewalks, parks, green spaces, walkways and landscaped areas, and (b) all portions of the "Stetson Parking Lot" owned by the District, as provided on the attached Exhibit "A" (collectively referred to herein as the "District's Property"). A list and map of the District's Property covered by this Rule is set forth in **Exhibit "A"** attached hereto.

Nothing in this designation shall be deemed to affect the obligation of owners of lots to maintain the lawns and landscape improvements within the alley way areas, as required under Section 6.1 of that certain Amended and Restated Declaration of Covenants, Conditions and Restrictions for Celebration Residential Properties recorded in Official Records Book 2338, Page 2780, of the Public Records of Osceola County, Florida, or any amendment or supplement thereto.

Section 3. Definitions.

A. Commercial Vehicle. Vehicles and mobile items (whether motorized or not), that are: (1) not designed and used for personal/family transportation, such vehicles with work racks, tool racks and/or visible equipment for commercial purposes (includes limousines, lawn maintenance vehicles, construction vehicles and vehicles used for businesses); or (2) three or more axels. This also includes storage pods and other moving storage units.

B. Vehicle. Any mobile item which normally uses wheels, whether motorized or not (includes motorcycles and trailers).

C. Vessel. Any mobile item capable of being used as a means for transportation on water (includes a boat, boat trailer, watercraft, barge or airboat).

D. Recreational Vehicle. A mobile item designed for recreational use (includes motor homes, campers, trailers, go-carts, all-terrain vehicles, mopeds, unregistered vehicles, golf carts).

E. Parked. Left unattended or stalled by its owner or user.

F. Overnight. Between the hours of 10 p.m. and 6 a.m. daily.

The terms Commercial Vehicle, Vehicle, Vessel and Recreational Vehicle may collectively be referred to herein as the “vehicle.”

Section 4. Parking Restrictions.

A. Commercial Vehicles, Vehicles, Vessels and Recreational Vehicles shall not park in alleys or any other District property in any manner that blocks access to a driveway.

B. Commercial Vehicles, Vehicles, Vessels and Recreational Vehicles shall not park, stop or stand in an alley or any other District property in any manner that blocks a sidewalk, intersection and/or crosswalk. No parking within 20 feet of a crosswalk and no parking within 30 feet of a stop sign.

C. Commercial Vehicles, Vehicles, Vessels and Recreational Vehicles shall not park, stop or stand with tires on grass, as this could cause damage to the District’s irrigation/landscaping improvements.

D. Commercial Vehicles, Vehicles, Vessels and Recreational Vehicles shall not park, stop or stand, except momentarily to pick up or discharge a passenger or passengers, within 15 feet of a fire hydrant.

E. Temporarily parked Commercial Vehicles, Vehicles, Vessels and Recreational Vehicles shall not park or stop in an alley or any other District property in any manner which has the effect of disrupting the normal flow of traffic; which block ingress or egress of trucks, public service vehicles and emergency vehicles; or which would require other vehicles to leave the paved surface of the District’s property to pass.

F. Any vehicle not capable of operating on its own is prohibited from being parked on, over or within the District’s Property.

G. No vehicle bearing an expired tag sticker,¹ expired registration, missing license plate, or a license plate that fails to match the vehicle registration shall be parked on, over, or within the District’s Property.

¹ As also may be referred to as a “registration decal” by the Florida Department of Highway Safety and Motor Vehicles and/or as a “validation sticker” by Section 320.06, *Florida Statutes*.

H. No vehicle parked on, over or within the District's Property shall be used as a domicile or residence either temporarily or permanently.

Damage includes, but is not limited to, staining caused by fluid leaking onto the District’s Property. The District reserves the right to collect such reimbursement as permitted by Florida law, including by lien and/or through utilization of the County’s Tax Roll, as applicable.

D. Vehicle Repairs. No vehicle maintenance or repairs shall be performed on, over, or within any portion of the District Property.

**RULE GOVERNING SIDEWALK, ALLEY AND OTHER DISTRICT PROPERTY USE
FOR MAINTENANCE OR CONSTRUCTION WORK**

Celebration Community Development District

***Rule Governing Sidewalk, Alley and other District Property Use
for Maintenance or Construction Work***

Law Implemented: ss. 120.69, 190.011, 190.012, Florida Statutes, (2023)
Effective Date: August 27, 2024

In accordance with Chapters 190 and 120, Florida Statutes, and on August 27, 2024, at a duly noticed public meeting, the Board of Supervisors of the Celebration Community Development District (the “Board”) adopted the following rule to govern the maintenance, operation and use of the Celebration sidewalks, alleys and other public property for construction and maintenance uses by landowners and their contractors, agents and other third parties. Any and all prior rules/policies of the District governing this subject matter are hereby rescinded.

1. **INTRODUCTION & FINDINGS.** This Rule Governing Sidewalk, Alley and other District Property Use for Maintenance or Construction Work (“**Rule**”) addresses the maintenance, operation and use of the sidewalks, alleys, verges and other property owned by the Celebration Community Development District for construction and maintenance uses by landowners and their contractors, agents and other third parties. The following findings are made and determined, and incorporated herein as the factual basis for this Rule:

a. The Celebration Community Development District (“**District**”) is a unit of special-purpose government established pursuant to the Uniform Community Development District Act of 1980, as codified in Chapter 190, Florida Statutes (“**Act**”), by Chapter 42Q-1, Florida Administrative Code, adopted by the Florida Land and Water Adjudicatory Commission effective March 29, 1994.

b. Pursuant to the Act, the District is authorized to construct, acquire, and maintain infrastructure improvements and services including, but not limited to, sidewalks, roads, alleys, recreational areas, stormwater systems, verge areas, open space and related property and improvements.

c. Section 190.012(3), Florida Statutes, specifically provides the District with the authority to:

“adopt and enforce appropriate rules following the procedures of Chapter 120, in connection with the provision of one or more services through its systems and facilities;”
and

d. The District constructed and maintains certain public sidewalks, verges (the lawn area from curb to sidewalk) alleys, green spaces, stormwater ponds and other public real property and improvements (together, “**District Property**”) adjacent to commercial properties, residential lots and condominium, apartments and townhome developments located within the District.

e. Landowners and associations are constructing, making repairs and performing maintenance on their buildings and landscaping, which construction, maintenance and repairs are causing damage to the

District Property through the use of equipment, lifts, trucks, machinery, automobiles, personnel, etc., being placed on or travelling over the District Property.

f. It is in the best interest of the District to establish a rule for addressing the use of the District Property by landowners and their contractors, agents and other third parties and for a process for notice, deposits and the reimbursement for damage or repairs required by such use of the District Property.

2. **LICENSE FOR USE.** Owners of commercial properties, residential lots and condominium, apartments and townhome developments, and associations (as applicable, **“Responsible Party”**), when construction, repairs or maintenance is required on their property or the improvements thereon, shall file a notice for a LICENSE FOR USE of the District Property which may be impacted by the use of equipment, lifts, trucks, machinery, automobiles, personnel, etc., used for the construction, repairs or maintenance of the Responsible Party’s improvements or property (the **“Use”**).

a. For each proposed Use, a License for Use Notice (a **“Use Notice”**) must be completed and submitted by the Responsible Party to the District Manager at the District office, which is currently located at:

Celebration Community Development District
c/o District Manager
313 Campus Street,
Celebration, Florida, 34747
Telephone: 407-566-1935.
Email: admin@celebrationcdd.org

b. Use Notices must be filed not more than one hundred eighty (180) days before and not less than sixty (60) days before the date and time at which the proposed Use is intended to occur; provided, however, that for good cause shown (such as an emergency repair), the District may waive the maximum and minimum filing periods and may accept a Use Notice filed within a longer or shorter period.

c. Use Notices will be reviewed by the District Manager, who has the authority to approve complete, routine Use Notices and issue approvals for such Uses. The District Manager has the sole, absolute discretion to determine which Use Notices are “routine” and which are “non-routine;” all Responsible Parties agree, by their submission of a Use Notice, to defer to the District Manager’s determination.

The District Manager will refer any non-routine Use Notices to the Board for review at the next regularly scheduled Board meeting. The District may, after due consideration for the date, time, place and nature of the proposed Use, elect to reject, approve, or conditionally approval the Use Notice.

d. Each Use Notice shall be accompanied by cash or check(s) constituting a **“Use Deposit,”** which Use Deposit shall be paid in the applicable amount set forth below and handled pursuant to this Rule:

1. Rate/Deposit Schedule:

| <u>Building Type:</u> | <u>Deposit:</u> |
|---|-----------------|
| Residential Lot/townhome | \$ 250.00 |
| Home Business District Lots | \$ 500.00 |
| Nonresidential Business (includes churches, schools, etc.) | \$1,000.00 |
| Condominium, Apartment, or Townhome Development | \$ 1,500.00 |

2. Upon request, the District will provide an invoice or other notice of the required Use Deposit to the Responsible Party.
3. The District shall take photos of the condition of the District Property prior to the District's consideration of the Use Notice to document the "before" condition of the District Property. The Responsible Party, by submitting the Use Notice, agrees that these photos are representative of the condition of the District Property prior to the start of the Use.
4. For any Use Notice that is not approved, the Use Deposit shall be refunded to the Responsible Party. The Use Deposit will be retained by the District Manager until such time as all the District's costs pursuant to this Rule for which the Responsible Party is obligated to reimburse or pay the District have been satisfied as provided in subsection (h). If the Responsible Party does not pay such costs within fourteen (14) days after the District has billed the Responsible Party for the cost thereof, which bill shall include an itemized statement as to the costs incurred by the District, the District shall apply the Use Deposit to said costs and remit any remainder to the Responsible Party. If the Use Deposit is insufficient to pay such cost, the District may seek any remedy against the Responsible Party available at law or equity, including referring the matter to the District Attorney or third-party collection agency, and the Responsible Party shall reimburse and be responsible for such additional attorneys' or collections agents' cost and fees. Failure to pay such fees and cost may prohibit the Responsible Party or its affiliate from applying for any future Use Notices.

e. The Responsible Party shall be fully responsible for the care, condition, maintenance, repair and replacement of any District Property that is damaged or removed, including the replacement of sidewalk panels which are cracked or otherwise damaged, and the replacement of sod and landscaping to any altered area(s) of the District Property.

f. The District, by adopting this Rule, does not represent that the District has authority to provide any other necessary approvals relating to the Use. Instead, the Responsible Party shall be responsible for obtaining any and all District approvals (including association architectural review, where applicable). The Responsible Party is responsible for ensuring that the construction, maintenance or repair work on their property, as well as the construction, maintenance or repair work affecting or on the District Property is conducted in compliance with all applicable laws, codes, regulations and ordinances, and is properly permitted by Osceola County and other regulatory agencies, as necessary. The Responsible Party is responsible for locating and identifying any and all improvements and utilities on the District Property that may be affected by the proposed Use.

g. The Responsible Party shall ensure that the Use does not damage any District Property or any third party's property.

h. After the work at the site is completed, the Responsible Party must advise the District and the District shall take photos of the condition of the District Property to document the "after" condition of the District Property. The Responsible Party agrees that these photos shall be representative of the condition of the District Property after the completion of the Use.

If damage to the District Property is apparent through a visual inspection by the District's staff or through a review of the "after" photographs, the District shall provide the Responsible Party with an itemized list of repairs needed to restore the District Property to its original condition (the "**Repair Notice**"). If such repairs are not made and their completion approved by the District within 30 days of the Repair Notice, the District shall obtain or prepare a cost estimate and submit it to the Responsible Party for reimbursement to the District and the District shall perform or have performed such repairs.

The Responsible Party shall pay such costs, plus an administrative fee to the District within fifteen days (15) days of the sending of the notice to the District Office by overnight delivery service or by email. Failure of the Responsible Party to pay such costs and fee shall result in a lien upon the Responsible Party's property and may be collected by any applicable legal action. The District may also elect to collect such costs plus its attorney's fees as a contractual lien or as otherwise provided pursuant to Florida law. Additionally, if any person is found to have committed any violation of this Rule, such person may additionally be subject to any applicable legal action, civil, or criminal in nature.

3. **RESERVATIONS.** Without notice, the District may maintain, repair, replace or remove, any improvements or equipment, etc., on the District Property or otherwise take any actions, to address any issues within the District Property that endanger the health, safety, or welfare of the District's residents/landowners or the general public. In such case, the District is not responsible for any cost or damage to the Responsible Party or the Responsible Party's property as result of the actions or removals.

4. **INDEMNIFICATION.** The Responsible Party agrees to indemnify, defend, and hold harmless the District, as well as any officers, supervisors, managers, employees, staff members, lawyers, engineers, agents, and representatives of the foregoing, against all liability for damages and expenses resulting from, arising out of, or in any way connected with, the exercise of the rights granted hereunder.

5. **NOTICE.** This Rule, and all rights and obligations contained herein, shall run with the land and be deemed appurtenant to all lands within the District. The District shall record a notice in the public records of Osceola County, Florida informing third parties of the existence of this Rule.

6. **SOVEREIGN IMMUNITY.** Nothing herein shall constitute or be construed as a waiver of the District's limitations on liability contained in Section 768.28, Florida Statutes, or other statutes or law.

7. **SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of these policies shall not affect the validity or enforceability of the remaining provisions, or any part of the policies not held to be invalid or unenforceable.

8. **AMENDMENTS; WAIVERS.** The District in its sole discretion may amend or rescind this Rule, including any license or other rights granted hereunder, at any time and without further notice. Further, the District, by vote at a public meeting, may elect in its sole discretion at any time to grant waivers to any of the provisions of this Rule on a case-by-case basis, and, where doing so, is in the best interest of the District.

RULE GOVERNING ROAD PARKWAY/VERGE AREA MAINTENANCE

[See following page.]

Celebration Community Development District
Rule Governing Road Parkway/Verge Area Maintenance

Law Implemented: ss. 120.69, 190.011, 190.012, Florida Statutes, (2022)

Effective Date: May 23, 2023

In accordance with Chapters 190 and 120, Florida Statutes, and on April 25, 2023, at a duly noticed public meeting and after a duly noticed public hearing, which was continued to May 23, 2023, the Board of Supervisors of the Celebration Community Development District adopted the following rules/policies to govern the maintenance and operation of the Road Parkway/Verge. Any and all prior rules/policies of the District governing this subject matter are hereby rescinded.

1. **INTRODUCTION & FINDINGS.** This Rule Governing Road Parkway/Verge Area Maintenance (“**Rule**”) addresses the installation, maintenance, repair, replacement and removal of improvements such as grass, landscaping, irrigation and other improvements (together, “**Improvements**”) within the Road Parkway/Verge, as defined herein. The following findings are made and determined, and incorporated herein as the factual basis for this Rule:

a. The Celebration Community Development District (“**District**”) is a unit of special-purpose government established pursuant to the Uniform Community Development District Act of 1980, as codified in Chapter 190, Florida Statutes (“**Act**”), by Chapter 42Q-1, Florida Administrative Code, adopted by the Florida Land and Water Adjudicatory Commission effective March 29, 1994.

b. Pursuant to the Act, the District is authorized to construct, acquire, and maintain infrastructure improvements and services including, but not limited to, roadway systems and related improvements.

c. Section 190.012(3), Florida Statutes, specifically provides the District with the authority to:

“adopt and enforce appropriate rules following the procedures of Chapter 120, in connection with the provision of one or more services through its systems and facilities;” and

d. The District constructed certain public rights-of-way and conveyed the asphalt roadbed area only (“**curb-to-curb**”) to Osceola County; the District owns the lawn area (from curb to sidewalk) and the sidewalks (“**District Rights-of-Way**”) adjacent to the lots located within the community known as Celebration, and such District Rights-of-Way include the lawn area extending from the sidewalk edge closest to the road to the road curbs (“**Road Parkway/Verge**”).

e. In addition to the District, portions of the Celebration community are served by a variety of homeowners associations, including, but not limited to, the Celebration Residential Owners Association, the Celebration Non-Residential Owners Association, a number of condominium associations and a number of sub-homeowners’ associations (together, “**Associations**”).

f. The Associations' declarations of covenants (together, “**Declarations**”) address the maintenance of the Road Parkway/Verge differently, with certain Declarations requiring the homeowner to maintain the Road Parkway/Verge and some requiring the Association to maintain the Road Parkway/Verge.

g. It is in the best interest of the District to establish a rule for addressing landscaping, trees, and other improvements within the Road Parkway/Verge that present a threat to the health, safety, or welfare of the District’s residents/landowners or the general public.

2. **EASEMENT.** Owners of individual lots and/or the Associations (as applicable, “**Responsible Party**”), as dictated by the applicable Declarations, are hereby granted the non-exclusive, revocable right to install, maintain, repair, replace, and remove improvements such as grass, landscaping, and other improvements (together “**Improvements**”) within the Roadway Parkway/Verge. The term “Improvements” shall not include trees, which are owned by the District. Responsible Parties are granted a non-exclusive revocable right to maintain, repair, and prune all trees in the Road Parkway/Verge, with the District retaining the right to install and remove any trees. Such grant of rights is subject to the following conditions:

a. The Responsible Party shall be fully responsible for the installation, maintenance, repair, replacement, and removal of the Improvements. The Responsible Party shall be fully responsible for the maintenance, repair, irrigation and pruning of trees within the Road Parkway/Verge. The Responsible Party shall be fully responsible for the replacement of sod and landscaping to any altered area(s) as a result of the installation, maintenance, repair, replacement, pruning and/or removal of the trees within the Road Parkway/Verge.

b. The Responsible Party shall be responsible for ensuring that the installation, maintenance, repair, replacement, and removal of the Improvements and the maintenance, repair and pruning of trees, are conducted in compliance with all applicable laws and Association requirements (including but not limited to the Declarations, building codes, set back requirements, etc.).

c. District, by adopting this Rule, does not represent that District has authority to provide all necessary approvals relating to the Improvements and trees. Instead, the Responsible Party shall be responsible for obtaining any and all Association approvals (including Architectural Review, where applicable), permits and other approvals relating to the work.

d. The Responsible Party shall ensure that the installation, maintenance, repair, replacement and removal of the Improvements and the maintenance, repair and pruning of trees, does not damage any property of the District or any third party’s property. In the event of any such damage, the Responsible Party shall immediately repair the damage or compensate the District for such repairs, at the District’s option.

e. Responsible Party’s exercise of rights hereunder shall not interfere with other existing rights (e.g., drainage easements, utility easements, etc.). It shall be the Responsible Party’s responsibility to locate and identify any and all such improvements and/or utilities.

f. Upon completion of the installation, the Improvements will be owned by the Responsible Party, subject to the provisions of this Rule. The Responsible Party shall be responsible for such Improvements, and agree to maintain the Improvements in good

condition and consistent with applicable law. Trees shall be owned by the District, but maintained, repaired and pruned by the Responsible Party. Trees may not be removed by the Responsible Party without the prior written consent of the District (or any Associations, as applicable).

g. Additionally, the Responsible Party shall keep the Road Parkway/Verge free from any materialmen's or mechanic's liens and claims or notices in respect to such liens and claims, which arise by reason of the Responsible Party's exercise of rights under this Agreement, and the Responsible Party shall immediately discharge any such claim or lien.

3. **RESERVATIONS; ENFORCEMENT.**

a. The District hereby acknowledges its right, but not any obligation, to maintain the Road Parkway/Verge for the limited purpose of addressing any issues that, in the District's sole discretion, may endanger the health, safety or welfare of the District's residents/landowners or the general public. The District hereby adopts the Osceola County guidelines for tree-trimming heights over street and sidewalks. By its adoption of this Rule, the District shall not be obligated nor is it affirmatively agreeing to monitor or otherwise assess the condition of the Road Parkway/Verge. Any maintenance assumed by the District herein shall be undertaken on a case-by-case basis as the District is notified of any health, safety or welfare concern. Crepe myrtles may be pruned by the District in accordance with prudent industry standards.

b. Without notice, the District may maintain, repair, replace or remove, all or any portion or portions of the Improvements and/or trees, or otherwise take action, to address any issues within the Road Parkway/Verge that endanger the health, safety or welfare of the District's residents/landowners or the general public. In such case, the District is not obligated to re-install the Improvements, and is not responsible for any damage to the Improvements, or their supporting structure as a result of the removal or installation.

c. The District shall, in general, replace trees in the event of a storm or other Act of God. The District will not replace trees where the need for replacement is due to the Responsible Party's actions. The District may replace sod, as reasonably determined by the District, when it installs and removes trees, but shall not repair or replace any other landscaping or Improvements.

d. For any and each violation of this Rule, the District shall additionally have the right to impose a required reimbursement of costs not to exceed One Thousand Dollars and No Cents (\$1,000.00) per incident and collect such costs plus its attorney's fees as a contractual lien or as otherwise provided pursuant to Florida law. Additionally, if any person is found to have committed any violation of this Rule, such person may additionally be subject to any applicable legal action, civil, or criminal in nature.

4. **INDEMNIFICATION.** The Responsible Party agrees to indemnify, defend, and hold harmless Osceola County and the District, as well as any officers, supervisors, managers, lawyers, engineers, agents, and representatives of the foregoing, against all liability for damages and expenses resulting from, arising out of, or in any way connected with, the exercise of the rights granted hereunder.

5. **NOTICE.** This Rule, and all rights and obligations contained herein, shall run with the land and be deemed appurtenant to all lots adjoining the District Rights-of-Way. The District shall record a notice in the public records of Osceola County, Florida informing third parties of the existence of this Rule.

6. **SOVEREIGN IMMUNITY.** Nothing herein shall constitute or be construed as a waiver of the District's limitations on liability contained in Section 768.28, Florida Statutes, or other statutes or law.

7. **SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of these policies shall not affect the validity or enforceability of the remaining provisions, or any part of the policies not held to be invalid or unenforceable.

8. **AMENDMENTS; WAIVERS.** The District in its sole discretion may amend or rescind this Rule, including any license or other rights granted hereunder, at any time and without further notice. Further, the District's Board by vote at a public meeting may elect in its sole discretion at any time to grant waivers to any of the provisions of this Rule on a case-by-case basis, and where doing so is in the best interest of the District.

Public Speaking Policy

CELEBRATION COMMUNITY DEVELOPMENT DISTRICT

PUBLIC SPEAKING POLICY

Adopted: January 25, 2022

INTRODUCTION

It is the desire of the Board of Supervisors (“Board”) of the Celebration Community Development District (“CDD” or “District”) to implement a public speaking policy that will comply with applicable law, foster communication between the residents and the Board and facilitate more effective Board meetings.

PURPOSE OF A PUBLIC SPEAKING POLICY

Meetings of the Board are open to any member of the public. However, we ask that you keep in mind that it is a business meeting of the Board members to discuss issues, make decisions, and have conversations that they cannot have outside of a publicly noticed meeting to which the public is invited.

The purpose of these meetings is for the Board to conduct business; however, in the course of business, residents and members of the public have valuable and applicable comments relating to these meetings and issues that the Board faces. In order to facilitate this communication between the Board and the public, it is necessary to set forth a policy related to members of the public speaking during any portion of the meeting.

GENERAL INFORMATION

As a courtesy to others, please turn your cell phones and/or pagers to vibrate or silent mode during the meeting. These meetings are recorded and videotaped. Your cooperation in this regard will allow everyone to hear all of the meeting discussion.

The Board is very interested in hearing comments from its citizens and encourages participation in meetings, at the appropriate time and in the appropriate manner. We ask that each person who speaks at a meeting be courteous and respectful, speaking only when recognized by the District’s Chairperson, his or her designee, or such other person conducting a District meeting (“Presiding Officer”), and yielding the floor when requested by the Presiding Officer, District Manager, District Attorney, or other Board member.

In accordance with the Americans with Disabilities Act, Section 286.26, Florida Statutes, any person requiring special accommodations because of a disability or physical impairment to participate in any of these proceedings should contact the District Office, 610 Sycamore Street, Suite 140, Celebration, Florida 34747, 407-566-1935, at least two (2) business days in advance of the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service at 800-955-8770 for aid in contacting the District Office at least two (2) days prior to the date of the meeting.

DESIGNATING PUBLIC COMMENT PERIODS. The Presiding Officer, shall ensure that there are at least two periods of time (each a “Public Comment Period”) in the District’s meeting agenda whereby the public has an opportunity to be heard on propositions before the Board, as well as any other general matters relating to District business, as follows:

- a) An initial Public Comment Period shall be provided at the start of each Board meeting prior to consideration of any propositions by the Board, and shall be limited to items which appear on the agenda or are otherwise scheduled to be considered by the Board during such meeting (the “Initial Comment Period”). In the event that, during the course of the meeting, there are propositions that come before the Board that are not listed on the agenda, the Presiding Officer shall announce an additional Public Comment Period on such proposition prior to the Board voting on the matter.
- b) During the Initial Comment Period, speakers shall be permitted to address any agenda item (but not non-agenda matters, which may be addressed as indicated herein) of personal or general concern.
- c) Prior to the close of the meeting, an additional Public Comment Period shall be held in order to allow speakers to address any non-agenda item of personal or general concern (the “General Comment Period”).
- d) Individuals wishing to make a public comment, whether during the Initial Comment Period, the General Comment Period, or any other Public Comment Period, are limited to three (3) minutes per person. Potential speakers may not assign his/her three (3) minutes to extend another speaker’s time (without prior board approval); however no speaker may be assigned more than 1 additional three minute period. Any board member may extend a speaker’s initial three (3) minute speaking time by one additional three (3) minute period.
- e) The Presiding Officer may extend or reduce the time periods set forth herein in order to facilitate orderly and efficient District business, provided however that a reasonable opportunity for public comment shall be provided consistent with the requirements of Section 286.0114, Florida Statutes. The Presiding Officer may also elect to set and announce additional Public Comment Periods if he or she deems it appropriate.

DESIGNATING A PROCEDURE TO IDENTIFY INDIVIDUALS SEEKING TO BE HEARD.

Unless otherwise directed and declared by the Presiding Officer, individuals seeking to be heard on agenda items or propositions before the Board during the Initial Comment Period shall complete speaker request cards that include the individual’s name, address, the proposition on which they wish to be heard, the individual’s position on the proposition (i.e., “for,” “against,” or “undecided”), and if appropriate, to indicate the designation of a representative to speak for the individual or the individual’s group. Alternatively, during any other Public Comment Period, or in the event that public attendance is low, and/or if otherwise in the best interests of the District in order to facilitate efficient and orderly District business, the Presiding Officer may allow individuals to identify themselves by a show of hands at the beginning of each Public Comment Period, as announced by the Presiding Officer. In the event large groups of individuals desire to speak, the Presiding Officer may require each group to designate a representative to speak on behalf of such group.

Speaker request cards should be completed and given to the Manager prior to the start of the meeting. These forms are available online for your convenience in advance of the meeting. They are also available next to the agendas in the back of the meeting room

Sections 1 and 2 herein shall be deemed to apply only to District Board meetings, but the Presiding Officer of a District workshop in his or her discretion may elect to apply such Sections to District workshops.

PUBLIC DECORUM The following policies govern public decorum at public meetings and workshops:

1. Each person addressing the Board shall proceed to the place assigned for speaking, and should state his or her name and address in an audible tone of voice for the public record.
2. All remarks shall be relevant to the matter at hand, and shall be addressed to the Board as a body and not to any member thereof or to any staff member. The Presiding Officer shall rule as to the relevancy of any remarks, as appropriate. No person other than a Board Supervisor or District staff member shall be permitted to enter into any discussion with an individual speaker while he or she has the floor, without the permission of the Presiding Officer.
3. Nothing herein shall be construed to prohibit the Presiding Officer from maintaining orderly conduct and proper decorum in a public meeting. Speakers shall refrain from disruptive behavior, and from making profane, vulgar, intimidating, or threatening remarks. Speakers shall refrain from launching personal attacks against any Board Supervisor, District staff member, or member of the public. If any speaker, after a verbal warning from the Presiding Officer against such behavior, continues to disregard these policies, the Presiding Office, District Manager and District Counsel shall have the discretion to expel such speaker from the meeting in accordance with the process set forth herein. Persons in the audience shall also refrain from behavior which may disrupt the meeting. This will include loud noises, verbal outbursts, clapping, shouting, heckling, booing, hissing or engaging in any other activity in a manner that disturbs, disrupts or impedes the orderly conduct of meeting.
4. In the case that any person, whether a speaker or audience member, is declared out of order by the Presiding Officer and ordered expelled, and does not immediately leave the meeting facilities, the following steps may be taken:
 - a. The Presiding Officer may declare a recess.
 - b. The Presiding Officer may contact the local law enforcement authority.
 - c. In case the person still refuses to remove himself or herself from the meeting, the Presiding Officer may request that he or she be placed under arrest by local law enforcement authorities for violation of Section 871.01, Florida Statutes, or other applicable law.

OTHER POLICY ELEMENTS

1. Board Action: At the Board's discretion, any issue can be placed on the agenda for formal action at a later date or later on the same agenda.
2. Public Comments: The public is welcome to make comments at the appropriate times during the meeting, in conjunction with the other elements and instructions listed in this Policy. This is a forum for allowing the public to comment on District business; it is not a debate or question and answer session. Many residents find it helpful to write their comments before speaking to ensure the most valuable use of their three minutes. The Board may choose at its sole discretion to further discuss an item among its members, but that is not an open forum for the public to join.

EXCEPTIONS. The Board recognizes there are exceptions to public comment requirements and may apply all applicable exceptions to Section 286.0114, including those set forth in Section 286.0114(3) and other applicable law. Additionally, the Presiding Officer may alter the procedures set forth in this Public Comment Policy for public hearings and other special proceedings that may require a different procedure under Florida law.

Examples of such exceptions are:

- (a) An official act that must be taken to deal with an emergency situation affecting the public health, welfare, or safety, if compliance with the requirements would cause an unreasonable delay in the ability of the board or commission to act;
- (b) An official act involving no more than a ministerial act, including, but not limited to, approval of minutes and ceremonial proclamations;
- (c) A meeting that is exempt from s. 286.011; or
- (d) A meeting during which the board or commission is acting in a quasi-judicial capacity. This paragraph does not affect the right of a person to be heard as otherwise provided by law.

EFFECTIVE DATE; PRIOR POLICY SUPERSEDED. This Resolution adopted and effective on January 25, 2022. Furthermore, upon its passage this Resolution shall supersede any Public Comment Policy previously adopted by the District.

SPECIAL EVENT POLICY

**CELEBRATION
COMMUNITY DEVELOPMENT DISTRICT**

SPECIAL EVENT POLICY

Adopted and Approved on October 20, 2015

I. INTRODUCTION:

The Board of Supervisors (the “**Board**”) of the Celebration Community Development District (the “**CCDD**” or “**District**”) has implemented a uniform policy and schedule for Special Events requested to be held on District Property (as defined below).

“**Special Event**” shall mean any preplanned meeting, activity, parade or gathering of a group of persons, animals or vehicles or a combination thereof, having a common purpose on any District Property or public street, sidewalk, alley, park, lake or other public place or building, which special event inhibits the usual flow of pedestrian or vehicular travel or which occupies any District Property or public place so as to preempt use of space by the general public or which deviates from the established use of space or building.

“**District Property**” shall mean all of the District-owned or maintained real and personal property, including, but not limited to, the lakefront esplanade, sidewalks, boardwalks, passive parks, ponds and landscape tracts.

Please note that the District does not own all of the real and personal property contained within the District’s boundaries (e.g., Osceola County roads and private commercial and retail property) and the permits provided for herein are for the use of the District Property only. If the Special Event intends to use any additional non-District Property, such event may require additional permit or approvals from the applicable governmental authority or private land owners.

II. GENERAL INFORMATION:

The District is a special purpose government and its District Property is open to the general public in most instances. Special Events are important to our community; they bring interest and excitement to the District and enhance our quality of life. The District is happy to assist organizations and groups in providing quality Special Events, while balancing the interests of the landowners and residents of the CCDD and promoting public health, safety and welfare. The District has implemented this Special Event Policy (this “**Policy**”) and has duly adopted a Rule establishing a rate/deposit schedule for Special Events.

III. PURPOSE OF A SPECIAL EVENT POLICY:

The District understands the attractive nature of use of the District Property for Special Events and programs and has established this Policy for the consideration and permitting of Special Events. Such consideration is handled through the production and submittal of an “**Event Use Application**” (form attached hereto as **Exhibit “A”**, the terms of which are incorporated herein by this reference) in order to ensure that activities and events proposed are in conformance with this Policy, applicable legal requirements, and are not detrimental to public health, safety or welfare. The form of the Event Use Application may be modified by the District from time to time. The individuals and/or groups filing an Event Use Application, together with their respective representative, are hereinafter collectively referred to as the “**Applicant**.”

IV. AUTHORITY:

The District has adopted this Policy to issue permits (each, an “**Event Use Permit**”) pursuant to the guidelines described herein for the use of specified areas of the District Property (the “**Site**”) and to provide the District Manager with authority to approve routine Event Use Applications or deny Applications that do not meet the requirements of this Policy. This Policy may be amended, rescinded or otherwise revised, in whole or part, by the District from time to time after applicable notice and hearing, provided that ministerial changes (e.g., those to correct typographical errors) may be made at any time.

V. REQUIREMENTS FOR USE OF DISTRICT PROPERTY AND APPLICATION PROCESS:

1. For each proposed Special Event, an Event Use Application must be completed and submitted to the District Manager at the District office, which is currently located at:

Celebration Community Development District
c/o District Manager
610 Sycamore Street, Suite 140
Celebration, Florida 34747
Telephone: 407-566-1935.
Email: admin@celebrationcdd.org

2. Event Use Applications must be filed not more than one hundred eighty (180) days before and not less than sixty (60) days before the date and time at which the proposed Special Event is intended to occur; provided, however, that for good cause shown, the District may waive the maximum and minimum filing periods and may accept an Event Use Application filed within a longer or shorter period.

3. Each Event Use Applications shall be accompanied by cash or check(s) for an “**Event Deposit**,” which Event Deposit shall be paid in the applicable amount set forth below and handled pursuant to this Policy:

A. Rate/Deposit Schedule:

| <u>Estimated No. of Attendees</u> | <u>Cost</u> |
|-----------------------------------|-------------|
| 1 - 499 | \$100.00 |
| 500 - 999 | \$500.00 |
| 1,000 – 2,999 | \$1,000.00 |
| 3,000 + | \$3,000.00 |

* Any event with 3,000 or more attendants is considered a “**Large Event**” for the purposes hereof.

B. Upon request, the District will provide an invoice or other notice of the required Event Deposit to the Applicants.

C. If the District determines, in its sole discretion, that the Event Use Application requires additional engineering, legal or other professional staff review, the Applicant shall reimburse the District for the actual costs the District incurs for such professional services.

D. For any Special Event that is not approved, the Event Deposit shall be refunded to the Applicant. The Event Deposit shall secure the obligations of the Applicant under this Policy, including, but not limited to, Paragraphs 3(C), 5 and 12 hereof. The Event Deposit will be retained by the District Manager until such time as all the District's costs pursuant to this Policy for which the Applicant is obligated to reimburse or pay have been satisfied. If the Applicant does not pay such cost within fourteen (14) days after the District has billed the Applicant for the cost thereof, which bill shall include an itemized statement as to the costs incurred by the District, the District shall apply the Event Deposit to said costs and remit any remainder to the Applicant. If the Event Deposit is insufficient to pay such cost, the District may seek any remedy against the Applicant available at law or equity, including referring the matter to the District Attorney or third party collection agency, and the Applicant shall reimburse and be responsible for such additional attorneys' or collections agents' cost and fees. Failure to pay such fees and cost may prohibit the Applicant or its affiliate from applying for, or holding, any future Special Events at the District.

4. All Event Use Applications shall be accompanied by a Site set-up diagram and a location map (the "Map"), to clearly delineate the Site's boundaries, which Map shall include all areas impacted by the proposed Special Event and the use of the District Property therein. If the District Manager determines that the proposed Map does not encompass the entire portion of the District Property impacted by the proposed Special Event, the District Manager shall deny the Application. Upon such denial, the Applicant may resubmit its Application with a revised Map or appeal the District Manager's decision to the Board.

5. All Event Use Applications shall be accompanied by an attached written Safety Plan of Action (the "SPA"). The intent of the SPA is to identify and address concerns for the general welfare, safety, emergencies, security, parking, traffic control, sanitation (trash and debris disposal, portable toilets) and stormwater system protection for the proposed Special Event. The SPA is a part of the Event Use Application and compliance with the SPA shall be required, if the Special Event is approved. For Large Events, the Applicant shall meet with the Osceola County Sheriff's Office to determine the number of County Sheriff's Deputies and County Emergency Management Technicians ("EMTs") required for the Special Event; proof of the meeting and the recommendations of the Osceola County Sheriff's Office must be included in the SPA. The District has the right to require the number of Sheriff's Deputies and EMTs to be greater than the recommendation of the Osceola County Sheriff based on the nature of the proposed Special Event. The Applicant may request a waiver of the foregoing requirements which the District will consider in its sole reasonable discretion, by providing for other licensed and bonded third-party security officers in a number determined by the District.

A missing or insufficient SPA may be cause for rejection of the Event Use Application; a sample of an SPA form is available online (www.celebrationcdd.org) and at the District Office for informational purposes. The following health and safety matters must be addressed in the SPA or in the Event Use Application:

A. PORTABLE RESTROOMS: The SPA must provide for sufficient restrooms, as determined by the District in accordance with industry standards, based on the number of attendants and the length of the Special Event, and describe the location thereof. At a minimum, the Applicant must ensure two (2) toilets for any Special Event which is expected to have at least one-hundred (100) attendants and last four (4) hours or more. The District may reasonably require additional facilities based on industry standards prevailing in Osceola County, Florida, and the nature of the proposed Special Event. Rental fees are the sole responsibility of the Applicant. Said facilities shall be removed from the District Property within twenty four (24) hours after the scheduled-conclusion of the Special Event. If the Applicant fails to timely remove said facilities, the District, after twenty four (24) hours' notice to the Applicant, may remove or cause said facilities to be removed and bill the cost thereof to the Applicant. The Applicant shall reimburse the District for the cost of such removal.

B. REPAIR AND CLEAN UP: The SPA must provide for sufficient trash receptacles based on the number of attendants and the length of the Special Event, and described the location thereof. The District may reasonably require additional receptacles based on the nature of the proposed Special Event. Applicant shall pay for all dumpsters and trash receptacles. The District can assist in coordinating such receptacles, if requested by the Applicant. Applicant shall ensure that the Site is free and clear of all items used by the Applicant or its attendees during the Special Event (including tents, flags, banner, structures, etc.) and any and all garbage, trash and debris within twenty four (24) hours after the scheduled-conclusion of the Special Event. Furthermore, the Applicant shall be responsible for the repair of any damage caused by the Special Event as necessary to return the Site to the condition which existed prior to the Special Event within said twenty four (24) hour period; provided, however, that if the damage is of such a nature that cannot reasonably repaired within said twenty four (24) hour period and the Applicant has commenced such repairs, the time to repair shall reasonably be extended, but in no event longer than seven (7) days after the scheduled-conclusion of the Special Event. If the Applicant fails to timely clean and repair the Site, the District, after providing the Applicant with twenty four (24) hours' notice, may conduct such actions (or obtain a third-party therefore), and bill the cost thereof to the Applicant.

C. STRUCTURES, TENTS, AMPLIFIERS: Any special structures such as fences, platforms, electrical structures, tents and amplifiers, etc., may require separate permits and must comply with all appropriate codes and be inspected by Osceola County for approval.

D. PYROTECHNICS: Any Special Event utilizing any type of pyrotechnic displays or devices shall obtain the proper permit from the Osceola County Department of Fire Rescue, telephone (407) 742-7000, at least sixty (60) days prior to the Special Event. Any Special Event utilizing any type of special effects not mentioned above, shall require the proper

Osceola County Department of Fire Rescue permit(s) and inspection, and shall be subject to the District's approval, which approval shall be granted in the District's sole discretion.

E. BONFIRES OR CEREMONIAL TYPE FIRES: No Special Event utilizing a bonfire or ceremonial-type fire shall be permitted.

F. HANDBILLS & FLYERS: Due to historical inability to collect trash from such activities, any Special Event in which handbills or flyers are to be present shall include specific description in the SPA on how the collection and disposal of same will be handled.

G. MUSIC AND MOVIES. All Applicants requesting a Site for motion picture or television recording must receive a permit from Osceola County, complete a Motion Photography Production Permit with the Orlando Film Office at (407) 422-7159, and provide a copy of the issued permit to the District. Any Special Events that play music that may be subject to applicable fees must provide the District with evidence of payment thereof. The Applicant shall indemnify, defend and hold the District harmless from such fees. Should the District receive any bill or invoice for such fees may be paid for by the District and deducted from the Applicant's deposit as provided for in Section 3D hereof.

6. Other than as provided for herein, no picketing, processions, or parades shall be allowed on or about the District Property. All picketing, processions, or parades must be peaceful. "**Peaceful**" shall mean any tranquil means of presenting a cause to the public which is devoid of noise or tumult or quarrelsome demeanor and is not a nuisance, including those actions described in Section 877.03, *F.S.*, and which does not violate or disturb the public peace or private property rights or involve or cause any block or impair movement of vehicles or pedestrians. "**Picket**" shall mean to position oneself, or to assemble or gather, as a means of protest, or as a means of presenting or advocating a cause or grievance. No picketing shall be allowed on or within a reasonable distance (based on the nature and circumstances of the proposed Special Event) of, any property that is a residential unit or any school or school bus stop, hospital, court of law, or public transportation facility. "**Residential or dwelling unit**" shall mean any single or multifamily residence, to include units within an apartment or condominium complex. No amplifiers or other sound enhancement devices may be used by picketers other than as provided herein. No signage shall be allowed in excess of 11x17 inches and must not contain any obscene, grotesque, or profane pictures or words.

7. No advertising or distribution of flyers, brochures, posters, emails, or by internet, etc. regarding the Special Event as it pertains to the District Property is to take place until the date(s) and time(s) have been approved in writing by the District.

8. Special Events shall be suitable for all ages and shall not discriminate against participants or observers as to race, color, religion, sex, national origin, age, disability, marital or veteran status.

9. No alcohol may be sold or served on any District Property at any time. Sheriff's Deputies will be required at all Special Events held at District Property if alcohol sales related to the Special Event (i.e. not part of standard commercial operation of restaurants within the

District) are to occur on adjacent or nearby property. Associated Sheriff Department fees are to be paid by the Applicant.

10. Other than as provided herein, the Special Event may not include the sales of any goods or services on any District Property unless the Applicant is a non-profit entity organized and in good standing under Section 501(c)(3) of the United States Internal Revenue Code (or similar non-taxable provisions of the said code) and the sales must be incidental to the purpose of the Special Event. Evidence satisfactory to the District of such organization and good standing must be submitted with the Event Use Application.

11. Applicants may not charge an entrance fee or other fee for access to, or for use of, the District Property.

12. The Applicant assumes all responsibility for event setup, cleanup, and any other necessary tasks described herein or associated with its Special Event, including but not limited to security/sheriff services, emergency services.

13. Other than as provided herein, all Special Events, including set-up beforehand and clean-up afterward, must generally be held between the hours of 9:00 AM and 10:00 PM. However, the District shall determine the allowed time of the Special Event as may be appropriate for the event and the surrounding neighborhood(s) and businesses. Certain New Year's Eve events may operate until 1:00 AM on January 1.

14. The Applicant shall be responsible for providing the District with appropriate certificate(s) of insurance. The District reserves the right to change the limits and/or coverages for insurance. The District Manager is authorized to make the final determination that the required insurance limits are met. The "Celebration Community Development District" shall be named as an additional insured on Applicant's general liability insurance policy with a minimum limit of \$1,000,000 combined single limit per occurrence, protecting it and the CCDD from claims for bodily injury (including death) and property damage which may arise from or in connection with the Special Event. If vehicle(s) are used as part of the Special Event, vehicle liability insurance, with a minimum limit of \$1,000,000 combined single limit per occurrence, shall also be provided. A copy of the insurance certificate(s) shall be provided to the CCDD at least fourteen (14) days prior to the Special Event. A copy of the policy shall be provided upon request by the District. The District may waive the foregoing insurance requirement upon being provided with other appropriate security, in the District's sole and absolute discretion.

15. All Special Events shall comply with applicable law, including the Osceola County Code and the laws of the State of Florida and the United States of America, including, but not limited to any and all regulations imposed under the American's with Disability Act. However, nothing herein shall require the District to enforce same.

16. An indemnification and/or hold harmless agreement with the District must be signed on or with the Event Use Application.

VI. APPLICATION REVIEW PROCESS:

All Event Use Applications will be reviewed by the District Manager, who has the authority to approve complete, routine Event Use Applications and issue Event Use Permits for such uses. The District Manager has the sole, absolute discretion to determine which Event Use Applications are “routine” and which are “non-routine;” all Applicants agree, by their submission of an Event Use Application, to defer to the District Manager’s determination.

The District Manager will refer any non-routine Event Use Applications to the Board for review at the next regularly-scheduled Board meeting. The District may, after due consideration for the date, time, place and nature of the proposed Special Event, the anticipated number of participants and the necessity for County and/or District services which will be required in connection therewith, elect to reject, approve, or conditionally approval the Event Use Application.

VII. OTHER SPECIAL EVENT POLICY ELEMENTS:

1. Conditional Approvals; Additional Restrictions. The District may impose reasonable additional conditions, restrictions, or limitations as part of its approval of an Event Use Application based on the specifics of the proposed Special Event as it pertains to the District Property.

2. Revocation of Approval or Permit. An approved Event Use Application or Event Use Permit may be revoked at any time if the District or the District Manager feels there is a danger to District Property or other health, safety, or general welfare of the public; for violations of the District’s rules or policies by the Applicant or the Applicant’s representatives; or the default of any conditions of the Event Use Permit. Such termination shall not relieve the Applicant of its obligations under this Policy, the Event Use Application or the Event Use Permit (or the conditions contained in any), including the cleaning, maintenance and repair of the Site, nor shall such termination prevent the District from conducting such actions and applying the Applicant’s Deposit to cover the cost of same.

3. Termination of Events. All Applicants must understand that at any time during the Special Event, the Osceola County Sheriff and/or Department of Fire Rescue or other County officials, or any other official having jurisdiction over the Special Event, may order termination of the Special Event if it is in violation of any law or ordinance, or if it endangers any person, participant or spectator, or if it threatens the peace and dignity of the community, or if it creates unmanageable problems for public safety officials whereby the proper execution of their duties are endangered. Such termination shall not relieve the Applicant of its obligations under this Policy, the Event Use Application or the Event Use Permit (or the conditions contained in any), including the cleaning, maintenance and repair of the Site, nor shall such termination prevent the District from conducting such actions and applying the Applicant’s Deposit to cover the cost of same.

4. Traffic/Crowd Control. It is at the District’s discretion as to whether Sheriff’s Deputies will be required for crowd/traffic control. Deputies will be required for any Large Events

that have alcohol served at adjacent private properties or cause significant road closures. All fees involved for the hiring of Deputies will be paid by the Applicant.

5. Prior and Recurring Events. Applicants further understand that records shall be kept of all Special Events and Event Use Applications and that repeated requests for approval of Special Events shall be determined by the Applicant's previous performance history according to records on file with the District as well as existing ordinances, policies, rules and procedures. Prior approval of a Special Event does not exempt an Applicant from compliance with this Policy, the Event Use Application process or guarantee approval. Notwithstanding the foregoing, in recognition of the hardship and the performance history of event organizers, who prior to the implementation of this Special Event Policy, have held previously-approved annual and seasonal Special Events (the "**Historical Events**") that may not fully comply with this Policy, and in recognition of the public benefits of unified control and the unique location or circumstances of such Historical Events, when an Event Use Application for an Historical Event is submitted to the District, the District Manager may submit said Event Use Application to the Board, who may waive any provision(s), restriction(s) or requirement(s) of this Special Event Policy in its reasonable discretion, including incidental sales of goods or service related to the Historical Event, other than those that may negatively affect public health and safety or the District Property.

6. Substance of Events. The District's approval, conditional approval, or disapproval of any Special Event in no way is a reflection of the District's or the Board's approval or disapproval of the conduct or basis of or for such event.

FOURTH ORDER OF BUSINESS

Public Comment Period

With there being no public comments, the Board moved to the next order of business.

FIFTH ORDER OF BUSINESS

Third Party Representatives

Representative Spencer attended the meeting in person and provided an update to the Board regarding current e-bike legislation. He explained that the primary focus of the proposed measures centers on affordability, opportunity, and sustainability. He noted that discussions are ongoing about ensuring that local Boards retain authority over decisions related to their own growth.

Representative Spencer also referenced House Bill 1001, which restricts counties from taking actions that would prohibit local governments from implementing certain policies.

Mr. Filak asked Representative Spencer for any updates regarding E-Bike Bill 243 and the rules associated with it. Mrs. Carpenter responded that the bill has not yet passed, and therefore no new updates are available at this time.

Mr. McLaughlin requested additional clarification regarding the proposed 10-mph speed limit for e-bikes and how such a limit would be monitored or enforced within the District. Representative Spencer explained that concerns from various communities were taken into account during the legislative discussions, and the 10-mph limit represents a negotiated compromise. He added that he anticipates this topic will be revisited in future legislative sessions as the issue continues to evolve.

A representative from CROA was present, however, they did not have any comments or updates for the Board.

Mr. McLaughlin reported that the signs previously placed in front of the yard near the easements have been removed. Mr. Filak inquired about the status of a tree located within the easement area. Mrs. Carpenter stated that a letter had been received indicating the matter would be addressed, though no formal agreement has been finalized.

Mr. Satterwhite informed the Board that the easement issue in Phase 2 is complicated by the fact that ownership of the track is divided, with the CDD owning only half of the area in question.

A representative from the Sheriff's Department provided an update to the Board and reported that electrical components from new construction sites in Island Village had been stolen. His report also noted that the District experienced several incidents, including package thefts, fraudulent scams, an isolated battery-related incident, and a road-rage event. The representative further informed the Board that two deputies are currently in town conducting e-bike education. In response to Mr. Filak's inquiry regarding the effectiveness of the program, it was noted that communication efforts have been partially successful. Two schools have already begun participating in the program, and Mr. Filak expressed his belief that elementary schools should also be included. Mr. Filak requested that the Sheriff's Department provide a traffic status update at the next Board meeting.

Mr. Touzin asked whether enforcement would begin only after the legislation is enacted. The

representative confirmed that enforcement would commence at that time and noted that it would be implemented in varying levels.

SIXTH ORDER OF BUSINESS

Staff Reports

Mr. Simmons presented the field report and informed the Board that item seventeen, concerning street signs, indicates that several signs have screws that are frozen in place and cannot be removed, requiring full replacement. He also relayed a verbal quote of \$6,100 for replacement brackets. The Board expressed concern that the cost appeared excessive and asked for clarification. Mr. Simmons explained that this pricing reflects the standard cost for street-sign components and noted that, if the Board wishes to proceed with repainting, approximately 75 to 100 signs would need attention due to illegibility.

Mr. Touzin noted that the current sign-replacement configuration appeared too costly and asked whether a more cost-effective vendor could be considered. Mr. Filak also inquired whether a specialized tool might allow the work to be completed in-house to reduce expenses. Mr. Simmons responded that he was not aware of any tool that would enable him to perform the repairs himself.

Mrs. Carpenter then asked whether replacing the signs entirely might be a more economical option than attempting repairs. The Board agreed and directed Mr. Simmons to explore more cost-efficient alternatives and provide updated options.

United Landscape provided updates to the Board on landscaping.

With no representative from Premier Lakes in attendance, Mr. Satterwhite informed the Board that the company had advised him of a scheduling conflict that prevented their participation. He also reminded the Board that the contract with Premier Lakes expires in 2027 and that this will need to be taken into consideration during discussions for the FY2027 planning cycle.

With no representative from Clarke present, the Board moved onto the next agenda item.

Mr. Satterwhite informed the Board that Mattamy Homes requested to be put on the agenda. However, as no representative from Mattamy Homes was present, the Board proceeded to the next agenda item.

Mr. Vincutonis presented his report and provided updates to the Board. Mr. Vincutonis discussed the alley-paving schedule for the Downtown Village area, noting that full completion is projected within a fifteen- to twenty-year timeframe. He added that the North West and Lake Evelyn sections are expected to be completed within the next one to two years. Mr. Hulme asked why this work had originally been completed between 2007 and 2012 and noted that the current timeline reflects a twenty-year gap. Mr. Vincutonis responded that this was likely due to several factors, including increased traffic associated with ongoing construction and aesthetic considerations.

Mr. Filak stated that he believed a competitive RFP should be issued to secure pricing and select a

vendor, noting that doing so could potentially reduce the unit cost and further discussion among the Board ensued.

Mrs. Carpenter briefed the Board on the letter sent to Georgetown regarding the cracked sidewalks and their position disclaiming responsibility for the damage and repairs. She noted that additional information will be needed to move them toward a settlement, as Georgetown has indicated they have witnesses and staff supporting their position. Further discussion ensued among the Board, and Mrs. Carpenter was asked to prepare and send a response in an effort to move the matter in the right direction. Mrs. Carpenter informed the Board of the current legal obligations applicable to supervisors. The pond contract was discussed, and Mrs. Carpenter informed the Board that she had met with the golf course attorney. She noted that she expects to have additional updates within the next couple of weeks. Mr. Satterwhite stated that this item can be placed on the April 20, 2026, meeting agenda for further updates.

Mr. Hulme asked Mrs. Carpenter for an update on the insurance claim demand letter. She reported that one claim had been submitted to determine whether the incident occurred on District property, and that the remaining claims are progressing through the insurance defense counsel.

Mr. Satterwhite informed the Board of the upcoming budget meeting scheduled for April 6, 2026, and asked whether the Board wished to proceed with or cancel the meeting. The Board decided to cancel the April 6, 2026 Budget Workshop Meeting.

| |
|---|
| Mr. McLaughlin made a MOTION to cancel the April 6, 2026, Budget Workshop Meeting, seconded by Mr. Touzin, with all in favor, the April 6, 2026 meeting was canceled. |
|---|

SEVENTH ORDER OF BUSINESS

Business Items

Discussion of the Boat Rental Proposal for Lake Reinhard ensued. Mr. Touzin stated that he was not in favor of the proposal, noting that it would be costly and offer limited benefit to the District. Mrs. Carpenter outlined the process that would be required should the Board wish to move forward. Further discussion ensued.

The Board reviewed photographs of twelve signs located throughout the District and voted on whether each sign should be retained or removed. The Board approved the removal of the following: Photo 1 – traffic violation sign and remove the pole as well; Photo 2 – “Slow Children” sign; Photo 5 – “Parking Ahead” sign; Photo 7 – “Resident Parking Only” sign; Photo 9 – “Electric Vehicle Parking Only” sign;

Photo 10 – “Overnight Parking for Residents Only” sign; and Photo 12 – NEV sign.

The Board approved retaining the following: Photo 3 – directional sign; Photo 4 – “Reserved 10-Minute Parking Limit” sign; Photo 6 – “Skateboards, Scooters, Rollerblades, and Bicycles Prohibited on Sidewalk” sign; and Photo 11 – directional sign for Celebration High School and the Library.

Regarding Photo 8 – “No Parking Anytime” signs, the Board agreed that an inventory of all such signs within the District is needed. This item will be added to a future agenda for further discussion.

Mr. Satterwhite addressed the board, explaining that the Inframark Annual Evaluation Forms were listed on the agenda so they could be accepted into public record.

Mr. McLaughlin made a MOTION to accept the Inframark Annual Evaluation Forms for public record, seconded by Mr. Hulme, with all in favor, the Inframark Annual Evaluation Forms were accepted into public record.

NINTH ORDER OF BUSINESS

Supervisor Requests

Mr. Touzin briefed the Board on options to enhance security for Zoom meetings, particularly when sessions are being recorded. The Board discussed measures to reduce the risk of unauthorized access, including refraining from publishing the Zoom link on the District’s website alongside the posted agenda. Instead, the Board considered limiting distribution of the meeting link to current members, vendors, and confirmed attendees.

Further discussion followed regarding appropriate procedures, protocols, and security options for managing Zoom access. The Board ultimately agreed that the meeting link should not be posted publicly. Homeowners wishing to attend virtually will be required to email the CDD to request the link and must provide their current address within the District to verify eligibility and ensure proper authentication.
