The American Rescue Plan Elementary and Secondary School Emergency Relief ("ARP ESSER") Fund, authorized under the American Rescue Plan ("ARP") Act of 2021, provides New Hampshire over $350 million to support schools in safely reopening and sustaining safe operations of schools while meeting the academic, social, emotional, and mental health needs of students resulting from the coronavirus disease 2019 ("COVID-19") pandemic.

This mandatory template is intended to collect all federally required information from an LEA in a convenient format and to assist LEAs in meeting the federal requirement that, requirement that, an LEA shall publish an LEA ARP ESSER Plan, which is often called a "school district use of funds plan." See the Department of Education's most current guidance posted here: https://omb.report/icr/202201-1810-002/doc/117519100.

Note: Categories must sum to 100%.
The staff positions paid for from this grant work directly with students on academic and social and emotional support. The two teaching positions reduced class size in order to allow the youngest learners to receive more attention, as some of them were not able to attend kindergarten or preschool, due to COVID. The software and laptops allowed students to access programs for academic intervention on a daily basis. The software selected was prescriptive and individualized to the students' needs to address learning gaps.
