

Dear Parents/Guardians,

The Hudson School District bus routes for 2025-2026 will be published **Wednesday, August 20th** on the district website: [Bus routes in the Hudson School District | Families](#)

The district and bus company work in partnership to ensure students have safe and reliable transportation to and from school each day. This includes the longstanding use of neighborhood bus stops where appropriate. The assigned bus stop for your student may not be visible from your residence, and families have found it necessary at times to accompany their student to the stop to help ease any concerns.

Students who reside within the following distance from their assigned school will not be assigned to a bus stop and must seek alternative means to arrive and depart school.

Walk Zones:

K-1	2-5	6-8	9-12
½ mile	½ mile	1 mile	1.5 miles

Kindergarten and first grade students must be accompanied by a parent/guardian at the bus stop each day. Kindergarten and first grade students will not be released from the bus without a parent/guardian present.

If you have a change of address, please contact your school office directly or [complete the form located here](#).

Requests to change bus stop locations are evaluated based upon safety criteria and must be approved by the District. We cannot adjust schedules based upon the personal preferences of families. If you have concerns regarding vehicle operators and overall traffic in your neighborhood, those must be directed to the Hudson Police Department, and not to the District.

Please contact Pamela Clark, Purchasing & Transportation Coordinator at 603-883-7765 x85004 or at [pclark@sau81.org](mailto:pclark@sau81.org) if you need to submit a formal bus stop change request.
