PERRY FOR YOU

Our school is an emblem of spirit and fair play;
Long will she stand thus as a shrine of our today.
Proud are we of our charity and standards high in aim;
Win or lose we will ne'er refuse to try to play the game.

Perry for you we'll work and fight, we'll honor your name.
Perry for you we claim the right to spread far your fame.
Courage and loyalty, qualities dear to all;
For Perry, our alma mater, to us you will reign o'er all.

Written by Gilbert Porsch, a music teacher in Perry

FIGHT SONG

We love you dear old Perry High School,
For you, we're proud to serve

That inspires us to fight
For the name we are proud to preserve.
Red and white, let's fight!
To you we will ever be faithful,
Dear old Perry High,
The team we will back
They are so hard to crack,
'Cause that's our dear old Perry High.

ATHLETIC HALL OF FAME HISTORY

The Perry Pirate Booster Club authorized the formation of a Hall of Fame Committee to honor Perry Athletes by developing a process to create an Alumni Athletic Hall of Fame.

In March of 1992, Perry Local Schools' Board of Education authorized the concept of the Perry Pirate Booster Club. The Club selected a committee and developed the guidelines for how the Hall of Fame would be established. The policies and procedures were approved by the Booster Club in the spring of 1992.

A committee and public nomination procedure was put into place during the fall of 1992. In January of 1993, 65 individuals qualified to be placed on a ballot for voting by the committee. The first induction class of 21 former Perry athletes, coaches, or community contributors was selected in May of 1993 after receiving sufficient votes for induction. Since its inception, the Hall of Fame committee has inducted a total of 110 athletes, administrators, coaches and two teams.

It is our hope that Perry's Athletic Hall of Fame not only honors the accomplishments of our inductees, but also serves to inspire future Perry High students to aspire to the accomplishments of those Hall of Famers who have built the fine tradition of Perry Athletics.

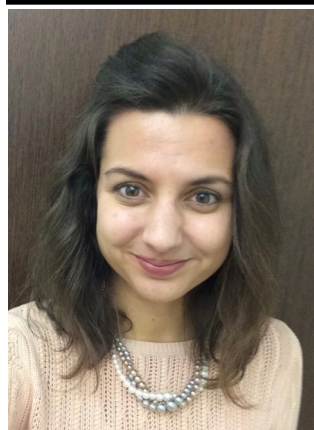

DISTINGUISHED ALUMNI HALL OF FAME HISTORY

In the spring of 2001, the Perry Board of Education established The Distinguished Alumni Hall of Fame to honor former students of Perry High School whose lives are exemplary for both their career accomplishments and their contributions to the well being of others. They have been selected because they have distinguished themselves in their field of study, career or community service. In addition, these individuals will serve as an inspiration to the students of Perry Local Schools, encouraging them to live their dreams and to pursue personal excellence in all future endeavors.

The members of the charter committee of the Distinguished Alumni Hall of Fame began their work early that year. Their task was to establish the policies and procedures that would guide the future selection of all Distinguished Alumni Hall of Fame inductees. These members were nominated by the Board of Education and represented a cross-section of school and community members.

After determining the nominating criteria and process, the final task of the Charter Committee was to recommend individuals to serve on the Selection Committee. This committee was also comprised of a diverse cross-section of people including representatives from the Perry Board of Education, the Perry Historical Society, school administration, staff, students, and community.

In her subsequent years as part of the Perry Swim Program, she led the team as Captain for three years, continued to lower her personal best times and break her own school records. She also continued to qualify for the State Championship in Relays and in her individual Butterfly and Freestyle events. Grace anchored the 400 Freestyle relay team that finished third at the State Championships during her junior year. During Grace's senior year she won first place in the Sectional championship for the 50 Freestyle, narrowly beating out the State Champion from Hawken.
