### TEACHER AWARDS \$50,000 DONATION TO NEW FUND!!!

The Alumni Association is thrilled to announce the receipt of this most generous donation to our new **Perry High School Alumni Scholarship Memorial/Honorarium Fund** (page 6) from former French teacher, Linda Stiles-La Gamba. The former Linda Dembowski Stiles, taught French in our district from 2000-2004 and honors her years spent there. She taught 20 years in New Philadelphia, leaving to become a nurse. A friend then advised her of an open position to teach French at Perry High and she applied by writing a letter in French to Dr. Tim Berkey. When asked about her years at Perry, she reminisced about being in our small town with the nicest people ever. We will continue in our responsibility to award the scholarships wisely. There are just two words we can think of to properly express our gratitude for this wonderful gift: *Merci Beaucoup*, Mrs. Stiles-La Gamba!

## Bounce Night 2017 Alumni Basketball Game

The PHS Alumni Association hosted our 6th Bounce Night/Alumni Basketball Game at the PHS CFC and Competition Gym on March 18th. The event raised just under \$1,000 to put toward our scholarship fund. This event is enjoyed by the entire Perry Community. Prior to game time, we hosted an awesome pre-game that involved a bounce house, slide, life size JENGA and life-size Connect Four games. Visitors also enjoyed a visit from Sparky the Fire Dog and the Perry PEEP. Members from the PHS Art Department also shared their talents in face painting with the children and even some of the adults in attendance. What a great way for the children to burn off some energy!!! We are having this signature event again in 2018. It is tentatively scheduled for March 10th!!!

# PHS MILITARY WALL OF HONOR

Perry High has a great number of students who served, or are now serving our country in the military. Perry School District partnered with the Perry Alumni Association and local veterans' organizations to build a list of those who attended PHS and are currently on active duty or are veterans of the military. A dedication ceremony unveiling the Military Wall of Honor was held in November 10, 2016. Individuals were honored with a personal plaque, which was placed in a display case prominently located in the lobby of PHS's Goodwin Theatre. Each plaque includes the person's name, along with a description of his/her military service. The Wall of Honor will continue to grow as additional information is received about our veterans. Anyone who has information to share is urged to contact Mr. Todd Porcello or Mr. Scott Niedzwiecki at Perry High School, 440-259-9300, or visit [www.tinyurl.com/mwoh-phs](http://www.tinyurl.com/mwoh-phs) where information on the individual's name, class year, branch and years of service can be input directly into a database. Please assist us in recognizing all of our Perry veterans.

## HOMETOWN HERO

### Donald E. Carter Class of 1948

Donald Carter distinguished himself as an outstanding student at PHS, a National Honor Society member lettering in football, basketball, baseball and track, setting a school record in low hurdles. After 2 years at Albion College, Donald joined the Air Force to become a pilot during the Korean War. He attended USAF Pilot Training Class 52E along with notables such as Buzz Aldrin and Jim Irwin for photo jet reconnaissance. After receiving his wings, Donald married his sweetheart Joanne Reed, requiring them to coordinate their wedding date between assignments. His orders to Korea came soon after. Donald flew reconnaissance in RF80C's, taking pictures of enemy prison camps over the Yellow Sea, China and Korea. He flew 18 missions in Korea, 32 in Japan during the Cold War and made a trip across the Pacific to the States for repairs. The pilots signed a paper saying they wouldn't reveal details of their missions to anyone. Even note taking was not permitted. Everything was beyond top secret at this time. Joanne was able to join Donald when he was stationed at Yokota Air Base in Japan, but only after receiving her top secret clearance. While some pilots were informed of a declassification in 1996, others weren't made aware of it until they received invitation to a reunion held in Arlington VA in 2000 as told in an RF-86 reunion article "Secret Pilots Can Finally Tell Their Tales". There's an old axiom that reconnaissance pilots fly alone, unarmed, and unafraid.

Donald was awarded air medals, two clusters, a Presidential Unit Citation and several theater ribbons. He and Joanne maintained close contact with his reconnaissance squadron throughout his life, attending many reunions and opening their home to lifelong friends made while in the Air Force. Both Donald and Joanne attended Fenn College majoring in accounting, with Donald pursuing his Master's at Akron University. Now a family of 5, they settled in Lake County and Donald became an executive with Eaton Corporation. After retiring he did financial planning out of a home office.

Donald was highly dedicated to his church and community throughout his life. He passed in 2002 of amyloidosis just a month shy of their 50th wedding anniversary.

#### The Armistice

By Donald E. Carter, 1st Lieutenant  
Kimpo (K-14) July 27, 1953

With a tense and eager eye  
The men did gaze into the night,  
When, suddenly, far in the sky  
A rocket burst and stopped the fight.

A cheer arose in every throat,  
Then stopped and waited for the call,  
This was no time for them to gloat,  
No victory ever seemed so small.

Three bitter years the men had fought  
To save their sons from future war.  
Here was the land that blood had bought  
With all its horrors, say no more.

For if the mind recalls the past  
And tries to reason for this pause,  
For every soul that breathed its last  
Another rose to fight their cause.

For every man who fought before  
Has said may war now ever cease  
Yet in his life another war  
Did come and topple lasting peace.

For every strong foundation built,  
A cancer grows, yet weak within,  
With passing years and tarnished guilt,  
The cancer rules the soul again.

And so the men did pray that night  
That peace could rule the world with God,  
That men could talk without the fright,  
Their lives determined by a nod.

The chaplain stood and raised his hand,  
And spoke his thanks with fervor deep.  
He calmed the weary in his band,  
With dreams of home they fell asleep.

## A Note from Our New President

Greetings fellow PHS alumni! I hope this newsletter finds everyone enjoying their summer. Summer is a busy time filled with family vacations, family reunions and high school reunions as well. It is a great time to reconnect with old friends and make memories with new ones too. I would like to thank both Margie Angeloro Tatar and Nicki Truman Chiappone for their years of service to our alumni board of directors. Margie did a phenomenal job spearheading our alumni clothing and Nicki was always a helping hand at all of our signature events throughout the years. We will miss you, but know you will stay active with the association. While they leave some big shoes to fill, we welcome our newest directors, Kerri Keener Beverage, Class of '94 and William "Billy" Herron, Class of '05. We know that they'll be making valuable contributions to the efforts of the group. Summer and fall are very busy times for the PHS alumni association. I hope to see many fellow alumni at our upcoming events. We are always looking for more volunteers, good ideas and input as we try to grow the association. Please email or call. We would love to hear from you!
