## **PHS Alumni Memorials and Honorariums**

Would you like to do something extra special in memory of someone who has passed away? You can memorialize a special loved one, or perhaps your class may wish to pay homage to one of your former classmates.

There may be a person in your life you would like to recognize because they've attained a special goal in life, you'd like to say thank-you, or just let someone know how very much they mean to you? The reasons are endless. The Perry High School Alumni Association now has the means to do this through memorials and honorariums making a donation to the scholarship fund in their name.

A letter announcing this special tribute will be sent to your designee(s); the loved ones of a person who has passed away, or to a specific individual you wish to honor. A special section of our alumni website is being developed to share a listing of all tributes. In addition, a memorial/honorarium album has been created and will be on display at all Perry High School Alumni events to share this information. Please consider awarding this most special recognition. Use the hard copy form above to submit your gift. This event is being recorded and by purchasing a ticket, you are granting the use of your image/likeness for the purpose of this event to Tammy Pescatelli, The Perry Local School District and their partners, worldwide in perpetuity.*

"Why go big, when you can go home?!"

In 10th grade, Tammy Pescatelli told her high school guidance counselor that she wanted to be an actress. That guidance counselor scoffed, "You're from Perry, Ohio. No one from here is on tv. The only way you'll be on tv is if you rob a bank!". That kind of discouragement deterred Tammy (especially from a career as a bank robber) but only for a short time.

Tammy followed her entertainment dream and became a successful standup comedian. She has been on shows such as The Tonight Show, The Talk, The View and many more. Her first comedy special for Comedy Central won the network's coveted "Standup Showdown" number one spot. The next special, for Netflix and iTunes, "Finding The Funny" was selected as editor's choice and one of the Top Downloaded for 2014.

For her next special- "Tammy Pescatelli's: Way After School Special", Tammy decided to go back to her home town of Perry and film her special at her old high school. Not just because it's a unique place to film, but because she wanted to show the students, that no matter where you start, your dreams can take you anywhere!

Ultimately, "Way After School Special" will not only put Tammy on television, but despite that "Miss Guidance" counselors prediction, it will put the WHOLE small town on television and show a new generation, by example, that hard work, dedication and dreams beat robbing banks any day! #TammyPescatelli #Comedy #StandupComedy #AfterSchoolSpecial #NEOhio #GoingHome

## THE 2018 SPOTLIGHT AWARD GOES TO.....

**Dr. Danielle Watson Cooper, Class of 1993**, is our Spotlight Award winner for 2018. Dr. Cooper was recently recognized as one of the "Top Doctors in America" as reported in Lake Health's Best of Health magazine. She graciously took the time out of her busy schedule to respond to our interviewer's questions to let us know how she was chosen for this honor.

1. What was the selection process for the "Top Docs"? *Physicians receiving this selection are nominated by their peers. A physician led research panel then does a thorough evaluation of the physician and his/her credentials. Following that evaluation, the panel determines if the physician is a "Top Doc"*

2. Any other awards or achievements? *I am the Medical Director of our multi-specialty group called Lake Health Physician Group. I also was selected to chair our Ambulatory Quality and Utilization Committee. Most recently, I was elected to sit on the board of Share A Vision, a non-profit organization that is committed to providing recreational activities for individuals with autism and other disabilities.*

3. How long have you been practicing? *I have been practicing Family Medicine for 14 years now.*

4. What/where was your post-Perry education? *I completed my undergraduate at University of Akron. Medical school was at the Northeastern Ohio University of Medicine. I completed my residency training at Summa Health System in Akron.*

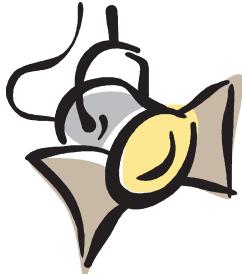

5. What influences made you become a doctor and choose your field? *My freshman year at Perry High School, I did a job shadow with my mom who was a cardiac care nurse at Hillcrest. That night, I witnessed an excellent Cardiologist die of a massive heartache in his 50's. It perplexed me that a man who knew so much about taking care of everyone else's heart, didn't take care of his own. It was then that I decided I wanted to go into medicine to help others not only through educating them but also by setting an example.*

6. Any high school memories you would like to share or teacher that made an impact/ impression in your life? *There were many teachers at Perry that helped me become the person I am today. Miss Evans stood out in that she taught me to go after my big dreams and never let anyone stand in my way. She helped connect me with a Cardiologist at the Cleveland Clinic to do research with for a science project which furthered my desire to go into medicine.*

7. What made you choose to practice in Lake County? *I wanted to return home to give back to my community. Lake County is a wonderful place to raise a family also.*

8. Did you have any other family member's that attended Perry? *My brother Jason graduated in 1995 and lives in Mentor with his wife and 2 sons. My sister graduated in 1998 and is living in Virginia with her husband.*

9. Tell us about your family and where you are now located. *My husband, Ron, and I now live in Mentor. We have been married for 15 years. We have 3 children - Ashley is 13, Jacob is 11, and Caleb is 7. They attend Mentor Schools. We love spending time together especially outdoors whether it be running, hiking, or playing soccer or baseball. We also love to travel and go camping as a family.*

# WELCOME, CLASS OF 2030!

On August 15, 2017 the halls of Perry Elementary were filled with new faces. These new Pirates will graduate from PHS in 2030. The kindergarten year is exciting and the young students have so much to look forward to. We asked what they were most excited about this year. The most common responses were; “playing, learning to write, writing stories, seeing their friends and their nice teachers.” They were so excited to play on the playground at recess, riding the bus and having fun. Our talented teachers and staff at Perry will make sure these expectations become a reality. They are laying the educational foundation for our future leaders and alumni. When our kindergarteners were asked what they want to be when they grow up their answers varied from becoming a NFL quarterback, WWE wrestler, dentist, scientist, teacher, working with animals and many other professions. Whatever their dreams are, as alumni we know that Perry Local Schools will be the launching pad to help them soar.

In the Class of 2030, fourteen of our kindergarteners are related to our alumni! We are proud to introduce you to the next generation of Pirates...

Perry High School Alumni Association partnered with PHS, Perry Amvets and other veterans during the past 2 years to bring the Vietnam Moving Wall to Perry in September, 2017. The Moving Wall is a half-size replica of the Washington, D. C. Vietnam Veterans' Memorial and has been touring the country for over 30 years to share the experience with those who have not had the opportunity to visit Washington, D.C. Thousands of people came from out of state, as well as locally, to pay their respects to those who lost their lives for our freedom. The four-day program ended with an extraordinary farewell salute by the Vietnam veterans, and then all veterans, to the song "He's My Brother".
