## Alumni Association Scholars for 2021

In May, the PHS Alumni Association awarded three Perry High School students with \$1,500 scholarships. Scholarships were possible due to donations and money raised at PHS Alumni events. If you would like to donate to the PHS Alumni Scholarship Fund, please contact [phsalumniassoc@hotmail.com](mailto:phsalumniassoc@hotmail.com) or mail to PHS Alumni Association, P.O. Box 148, Perry, OH 44081. Please join us in congratulating the following alumni:

**Josie Gill:** Josie will be attending The Ohio State University majoring in Pharmaceutical Sciences. Josie recalls being involved in the Drill Team, making flag and dance routines to perform during the football games, and creating lifelong friendships as her fondest memories of her time at PHS.

**Madyson Hacking:** Madyson is the daughter of PHS Class of 1994 graduate, Ashley Albrecht Hacking. Madyson plans to attend Southern Utah University majoring in Human Nutrition - pre-med. Her fondest memory is hitting the game winning shot for the Perry girls' basketball 3rd district title and celebrating with her teammates.

**Anna Grace Iacofano:** Anna is the daughter of PHS Class of 2000 graduate, Alan Iacofano. This fall Anna will be attending Otterbein University to major in Nursing. Anna's fondest memory at PHS was taking AP Chemistry with some of her best friends.

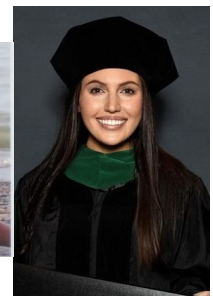

## Alumni in the News

Navy Capt. **William E. Coleman Jr.**, (Class of 1991), retired after more than 25 years of service. Some of his team's accomplishments include bringing the first-ever multiyear cybersecurity authority to operate for the E-6B weapons system, modernizing the aircraft's very low frequency power transmit system, improving budget execution, and finishing an \$880 million supply support contract. Thank you for your service Bill.

**Dr. Lauren Hocevar**, class of 2012, graduated from Medical School at the University of Pikeville in May 2021. She is an anesthesiology Resident Physician at the University of Texas where she will complete her training over the next four years. Fun Fact: Lauren's anesthesiology dream was born at Perry High School where she was active in PSL volunteering at the PAC-U (post anesthesia care unit) at Tripoint.

**Bob Dawson**, class of 1969. Did you know Bob was Chairman of the Perry Township Trustees, Chairman of the Perry Joint Fire District, Chairman of the Perry Joint Economic Development District, and Chairman of the Lake County Township Association? He is also Chairman of Finance and Budget for Lake County Fair, where he volunteered for 42 years. What are you doing in your spare time Bob?

## Connect with classrooms TODAY for a strong Perry Alumni tomorrow!

Your career experiences and stories hold valuable lessons that our students and teachers would love to learn more about. Alumni are invited to get involved with [Career eXploration at Perry](#) (CXP) Middle and High School. As an alumni, you might ask, what can I do for the future generations?

You could visit a classroom to share your story, open your doors to an intern, or offer a hands-on learning opportunity to a small group of interested middle school students. These are just some of the ways that Perry alumni can get involved. Teachers and counselors are ready to make these connections so our students can continue to have real-world learning experiences and support the good work happening in our community.

If any of these opportunities interest you or if you have another idea about infusing college, career, or military planning into what happens during the school day please contact **Rita Soeder, College and Career Exploration Advisor** at Perry Local Schools. [soederr@perry-lake.org](mailto:soederr@perry-lake.org).
