History
Fletcher Technical Community College was originally established as South Louisiana Trade School by Legislative Act 69, May Session of 1948, and House Bill 212. The late Honorable Earl K. Long, then Governor of Louisiana, signed the bill for establishment on June 23, 1948. The school was established for the purpose of providing vocational training for the populace of an area comprised of the following five parishes: Terrebonne, Lafourche, Assumption, St. James, and St. Charles.

South Louisiana Trade School opened on July 2, 1951, at 310 St. Charles Street in Houma, Louisiana. The facility was built on a seven-acre site owned by the Terrebonne Parish School Board. Harrell P. Willis was the first director of the school and served until 1968. Full-time day preparatory classes were offered in Office Occupations, Drafting, Auto Mechanics, Welding, Industrial Engines Mechanics, and Carpentry. A full-time related studies program supplemented the instructional programs. Immediate need for and acceptance of the program was evidenced by the fact that a total of 883 trainees were enrolled during the first year of operation. With the initial success of the trade preparatory program assured, extension classes were established to offer upgrading of skills to those persons already employed. Programs were offered both on and off-campus in Lafourche, Assumption, and St. Charles Parishes to give residents of these areas availability of training.
The school administration has endeavored to be responsive to the need for skill training and to provide training in emerging occupations by evaluating employment statistics. With changes in the mission and program offerings evolving over the years, so did the name of the school. In 1977, the name was changed to South Louisiana Vocational-Technical School; in 1990, to South Louisiana Regional Technical Institute; in 1995, to Louisiana Technical College - South Louisiana Campus. In 1999, the name was changed to Louisiana Technical College - L. E. Fletcher Campus to honor L. E. Fletcher, who served as director from 1968-1984.

The Louisiana Board of Regents (BoR), the coordinating board for all public higher education in Louisiana, at its meeting of June 26, 2003, granted approval for the request from the Board of Supervisors of the Louisiana Community & Technical College System (LCTCS) to recognize Louisiana Technical College - L. E. Fletcher Campus as a “Technical Community College” within the LCTCS. This action, effective July 1, 2003, required L.E. Fletcher to transition from its association as a campus of the Louisiana Technical College to a separate institution called L. E. Fletcher Technical Community College. F. Travis Lavigne, Jr., was named to serve as the Chancellor of this new independent technical community college within the Louisiana Community and Technical College System.

**Statement of Policy**

Fletcher Technical Community College is a community of individuals engaged in the task of learning and education. When a student enters the College, or when a person accepts a position on the faculty or staff of the institution, he/she relinquishes none of his/her rights of free inquiry and expression, freedom of association, participation in institutional decision making, and the procedures of due process. These rights are the privileges for all to enjoy as the citizens of a free and democratic society. It is the role of each individual, but, more especially, the Chancellor and administrators to protect and safeguard the exercise of these rights.

1. The College upholds and affirms the basic constitutional freedoms of religion, speech, press, peaceful assembly, and redress of grievances. Concomitant with these freedoms are responsibilities and obligations within the democratic structure. Any form of activity or behavior that interferes with the rights and freedoms of others must be considered a serious breach of these responsibilities and obligations. The academic community cannot accept coercion, harassment, verbal abuse, or violence as a viable means of dialogue or conflict resolution.

2. Students shall be free to organize and join associations to promote their own interests.

3. Students and all organizations shall be free to examine and discuss all questions of interest and to express opinions publicly and privately. It must be made very clear, however, that in any and every public expression or demonstration, students, faculty, and staff, as well as any organization, speak only...
for themselves and not for the College. Institutional control should not be used as a means of censorship.

4. Students as members of the state and academic community enjoy the rights and privileges of such membership and are subject to the obligations which accrue to them by virtue of the membership. Institutional authority should never be used to duplicate the functions of civil law.

5. Free discussion, inquiry, and expression in every course are encouraged. Students are free to take reasoned exception to the information or views offered in any course. Student performance is to be evaluated solely on an academic basis, and students are responsible for learning the content of any course of study.

Violations of the Law

By enrolling at Fletcher Technical Community College, individuals give up neither their rights nor their responsibilities as citizens. Neither does a student acquire any sort of special status which exempts him or her from the requirement of all citizens to obey the laws of the land. In fact, a student is placed in a position of also accepting the rules and regulations of the institution in which he/she elects to enroll. Such rules and regulations as may be adopted by the College are for the benefit of an orderly academic community. There can be no conflict between College rules and regulations and law. A student who violates law, and at the same time is in violation of College rules and regulations, may expect to be dealt with by both civil authority and institutional authority, since each has its own jurisdiction and responsibilities.

Enrollment and Advising

The enrollment process begins once you complete an admissions application to the school. Admissions applications can be completed at www.fletcher.edu/admissions/apply. Once you chose your program, you will be assigned an Enrollment Specialist that will assist you in the admissions, advising, and financial aid process. If you do not have an advisor listed, please contact us at enrollment@fletcher.edu

If you are unsure of what you want to choose as a major or what career path you want to take, you can consult with your Enrollment Specialist or a member of the faculty.
**Scheduling Classes**

An Enrollment Specialist or Faculty Advisor is assigned to you each semester and can be found in your Student Profile in LoLA by selecting the term using the dropdown menu in your profile.

Continuing student registration and advising occurs each semester for continuing students. Enrollment Specialists and faculty gather in the Schriever Atrium (the open area when you walk into the main entrance on campus) to advise and assist with registration. Registration events at other facilities are also scheduled during registration season.

Walk-in advising and registration continue in Enrollment Services - Suite 100 until registration closes at the beginning of the semester. Online registration is also available. The Schedule of Classes, which provides a list of all courses being offered, times the classes meet, and days of the week the classes meet, is available online under the Catalog section of the website and is available to you through your LoLA account.

**Orientation**

Each student that applies to Fletcher will go through an in-person or online orientation. After registering for classes, you should receive an email to attend online orientation via Canvas or attend in person at the Schriever campus. You can enroll in the online course [here](#).

However, you can withdraw from a course until the last day to withdraw which is posted in your course syllabus and on the website under Calendar. It is highly encouraged that students consult with their Enrollment Specialist or Faculty Advisor before dropping any courses since Satisfactory Academic Progress (SAP) is an important factor in securing your Financial Aid and/or scholarships, and you may risk owing money. The [refund schedule](#) is found on our website under Admissions.

If a course you registered for is cancelled, you will be notified by the College and should consult with an Enrollment Specialist or Faculty Advisor to find a replacement course. In addition, it is important to understand that failure to attend a scheduled class does not constitute a withdrawal.

The College will assume that all correspondence to you has been delivered to the address currently on file unless it is returned to the College.

Parking – Vehicle Registration

The parking permit number must be readable from the outside. The permit is valid from August 1 through July 31. Each student is required to register their vehicle with the college here. Failure to register your vehicle or use of an expired tag is a violation of policy and will result in a fine. Once your vehicle is registered, you can pick up your parking permit at the Business Office Cashier Window.

Safety and parking enforcement are the purview of Security under the supervision of the Director of Facility Services. The rules and regulations can be found here.

WorkReadyU Adult Basic Education
Our Adult Education program prepares students to attain their high school equivalency diploma, upgrade reading and math skills for career/job advancements, earn an industry-based credential, test reading and math skills for funding sources through the LA Workforce Commission, test for the Lafourche Parish substitute teacher certification, learn English as a second language, and prepare for the U.S. citizenship test.

Students can attain their high school equivalency by passing the High School Equivalency Test (HiSET/GED). Any Louisiana resident over the age of 18 can also obtain their high school equivalency diploma using ACT or ACCUPLACER scores. Find out more here: https://lahse.lctcs.edu/

Financial Aid
We are here to help you understand the financial aid application and process. If you are eligible for aid, know that we will work with you throughout the process to ensure you receive all of the aid that you can. Over half of Fletcher’s students depend on some type of financial aid to assist them in paying for their educational costs. All students are encouraged to apply for aid especially those who are unable to meet the cost of their education with personal or family resources.

Fletcher financial assistance is available in the form of grants, scholarships, and employment opportunities. Remember, we encourage all students to apply for aid; some students who believe they are ineligible for assistance learn that they are eligible.

How to Apply for Financial Aid
If you’re seeking financial assistance, complete the Free Application for Federal Student Aid (FAFSA) online at www.studentaid.gov/sa/fafsa and enter Fletcher’s school code, 013580, on the application. This should be done early to ensure that you meet the priority deadlines. The school should have the FAFSA within 10-14 business days once you submit it. You must submit all corresponding documentation in order to complete your financial aid file. Aid cannot be processed until the file is complete. You must reapply for financial aid every academic year.
Online Learning

Fletcher Technical Community College offers online courses designed for you to conveniently earn credits or complete a degree(s). This section is intended to provide students of online courses, new and experienced, with a ready-reference guide to online instruction policies and procedures. Students enrolled in online courses have access to all support services available. Many of these services are provided online.

Online learning courses are designed for students who desire flexibility and convenience in their studies. Courses offered online are equivalent to courses offered in a traditional classroom setting. Fletcher’s online courses are not self-paced or correspondence courses.

Fletcher uses Canvas as its primary online Learning Management System (LMS). All classes will maintain a minimum presence in Canvas. For example, each class gradebook and attendance are kept in Canvas. To login into Canvas, use your LoLA credentials (username and password). Students can access Fletcher’s Canvas login page using this Canvas link.

If you have trouble with logging into our LMS, you should refer to the Student Resource Guide. If you continue to have issues logging into our LMS, please put in a Canvas help desk ticket. If you can log into the LMS but are experiencing other problems, you should contact your instructor first.

Types of Online Courses

Web Hybrid: Hybrid courses are taught partially in the classroom and partially online. Students complete a portion of the course online using the course management system and then meet on campus on designated days. These days are designated in the Registration Bulletin.

Online: Online courses are taught completely online. However, some courses may require the student to attend campus to take a proctored examination.

HyFlex: Starting Fall 2021, Fletcher will pilot offering some course sections in a HyFlex format. HyFlex is a hybrid course with flexible participation. At this time, you are not able to select a course with a HyFlex delivery mode. Your instructor will let you know if the course is offered as HyFlex. Courses delivered in the HyFlex format permit you to choose to attend the course fully online or fully in-person on a weekly or topic-based schedule. Lessons delivered fully online, or in-person align to the same goals and objectives and are considered equivalent.

Basic Computer Specifications Needed

Canvas

This is a list of basic computer system requirements to use Canvas. It is always recommended to use the most up-to-date versions and better connections. Canvas will still run with the minimum specifications, but you may experience slower loading times.

Canvas and its hosting infrastructure are designed for maximum compatibility and minimal requirements. In addition, Canvas provides a mobile app. Using a smartphone or tablet exclusively for online learning is, at best, not an optimal learning experience. At worst, you will not be able to complete required activities and assessments using a mobile device.
Computer Requirements

For the best performance, you should access Canvas with a computer that supports the most recent browser versions. It is recommended to use a computer five years old or newer with at least 1GB of RAM.

Internet Speed
- Along with compatibility and web standards, Canvas has been carefully crafted to accommodate low bandwidth environments.
- Minimum of 512kbps
- You can use an internet website to check your internet speed.

Browser Requirements
- Chrome 112 and 113
- Firefox 112 and 113 ([Extended Releases](https://example.com) are not supported*)

Software Requirements

Microsoft Word, Apple Pages, Google Docs or another word processing program capable of saving files in RTF (Rich Text Format). Check with your instructor on course software requirements before downloading any programs.

Your course may require special (free) plug-ins to access streaming media, PDF files, or other web components. If this is the case, you will learn more about these specific requirements from the instructor.

Students may also have to purchase a code for some courses to access additional course material (i.e., Lumen - Waymaker, Knewton, FlatWorld, etc.)

Antivirus software is highly recommended. Once installed, anti-virus software must be kept up-to-date.
ConexED

ConexED is a cloud-based platform for virtual student services and learning. It’s where students go to connect and engage with Enrollment Services, advising, tutoring, faculty, academic support staff, and each other.

Proctored Examinations

Respondus Monitor
Many online assessments require observation by the instructor or an outside service. Observed exams are referred to as proctored exams.

Online Proctored Exams: Respondus Lockdown Browser and Monitor is an online proctoring software. The software is installed as a Chrome Extension or embedded into exam content. This system offers two important benefits:
- It allows you to continue taking exams anywhere online
- It helps to protect the academic integrity of the course by verifying your identity and ensuring that exams are completed honestly by all students.
Respondus is a virtual proctor for online exams. Students who are taking exams with Respondus must read and agree to the Respondus Terms of Service and Privacy Policy. Students must also read and agree to their school’s code of academic integrity. Respondus Privacy Policy

You do not need to create an account, download software, or schedule an appointment in advance. Respondus is available 24/7 and all that is needed is a computer, a working webcam, and a stable Internet connection. To get started, you will need Google Chrome to download the Respondus. You can download the extension here.

When you are ready to take a test, log into Canvas, go to your course, and click on your exam. Clicking "Launch Respondus" will begin the Respondus authentication process, where you will take a picture of yourself, show your ID, and complete a scan of your room. Respondus will be recording your exam session by webcam as well as recording your screen. Students can access Respondus student guides.

**Tuition and Fees for Online Courses**

The Board of Supervisors for the Louisiana Community and Technical College System (LCTCS) approved equalizing and standardizing tuition and registration fees for online credit courses offered by all LCTCS institutions. The tuition and fee schedule for online courses is posted on Fletcher’s website under Admissions and Aid/Tuition and Fees or it can be accessed through the Schedule of Tuition and Fees link. Online tuition costs are not capped at 12-credit hours. Web hybrid courses have the same tuition and fee schedule as the campus-based courses. Tuition information is also available in the Business Office and Enrollment Services.

**Tutoring for Online Courses**

Fletcher offers tutoring services at the main campus free-of-charge to assist students in achieving their academic goals. ConexED and Fletcher’s course management system are used to conduct live online class sessions for our online courses.

Tutoring Services are a vital part of a student’s college experience. Fletcher employs professional tutors educated and trained in the disciplines in which they tutor. We also use an online academic learning center management software called ConexED. This allows students to book appointments for tutoring.
• Tutoring is a free service offered to all students enrolled in courses at Fletcher.
• Online tutoring is offered through ConexED for math, science and English.
• Appointments can be booked from any computer or mobile device with tutors using ConexED.

**Library Services for Online Courses**

The library at Fletcher exists to support the mission and goals of the College. The library provides students, faculty, and staff with the materials, resources, and instructional services necessary for teaching and learning.

There is special emphasis in purchasing resources that are available 24/7 through electronic means. The library utilizes a proxy for authentication, allowing easy access to these resources off-campus – ideal for online students. Most of these resources replicate many of the physical services and resources available on-campus. This includes eBooks and subscription databases, offering thousands of scholarly and popular journals, reports, maps, photographs, streaming videos, dissertations, anatomy models, and other reference material. Resources physically available in the library may be provided on an as-needed basis if the material cannot be supplied electronically or through other borrowing agreements.

When resources are not available, Fletcher students can request them through either Interlibrary Loan or at other Louisiana academic libraries using a LOUIS Card. Information and links to these services are available on the library website.

In addition to academic resources, the library provides student support in the form of research assistance. Library staff are available for research appointments through chat, email, virtual meeting software, and phone during all library open hours. For after-hours questions, students may consult various resources related to our most frequently asked questions on the library website.

Other efforts made to provide access to online students include embedding subject and class specific library resources inside Fletcher’s Learning Management System. Students can access this through the library link in their course.

Library staff are available to answer questions during Library open hours. The library staff can be reached by calling 985-448-7910 or email.

**Student Organizations**

Developing your leadership skills during your college is an important step to furthering your career. So, get involved! Whether you are someone who likes to lead or is a great team player, there is a place for you in Student Government and other student organizations. If you have a passion or cause you feel strongly about, here is the opportunity to start a new student organization and leave a legacy of advocacy and service for yourself and those who come after you with shared interests.
Student Affairs is directly responsible for governing, supervising, and coordinating student activities on campus. We want to make sure you have opportunities to develop your leadership skills, community service, civic awareness, and team participation skills while pursuing your academic career.

The following sections provide a basic overview of student organization policies and procedures. There is a separate Recognized Student Organization Manual that can be found at https://www.fletcher.edu/student-services/student-organizations/index or by reaching out to the Office of Student Affairs at studentaffairs@fletcher.edu.

**Student Organizations Policies and Procedures**

Out-of-class activities and programs should lend themselves to the educational environment of the College and the “holistic” development of the individual. Additionally, it is our intention to provide a wide range of activities and programs to meet the needs and interests of all students.

Organizations on campus become recognized by the College upon application of the interested group and the approval of the Director of Student Affairs in consultation with College administration.

**Organizations Seeking and Retaining Official College Recognition**

The following must be presented to the Director of Student Affairs to apply for College recognition:

A. A completed new student organization application including:
   a. A typed alphabetical list of at least ten members including their names, addresses, and telephone numbers;
   b. A typed constitution and by-laws;
   c. A proposed slate of officers;
   d. Identification of an advisor;
   e. If affiliation with an external group is desired, a copy of the purpose and constitution of the external group;
   f. A proposed budget and schedule of events.

You can find detailed information on the Student Organizations webpage here.

The Director of Student Affairs will review the application packet and will notify the group of the college’s decision. When an organization is approved for recognition, a letter will be sent to the advisor and the President of the organization. The organization is then considered an official student organization and is entitled to function as a regular part of the College community. In addition, the constitutions of all organizations must contain a statement that the organization and its members agree to uphold and abide by the rules and regulations of Fletcher Technical Community College. The constitutions of organizations must also include a statement requiring that students selected as officers to maintain at least a 2.0 GPA.

Lines of Authority for Clubs and Organizations

Members of an organization should channel their concerns through the President and advisor of the organization. The Director of Student Affairs will act as a liaison to each organization.

Organization Advisors
Each organization must have an advisor who is a member of the full-time College faculty or staff. Organizations should make certain that prospective advisors are sincerely interested in the goals and objectives of the organization. The advisor must be present at a minimum of two meetings, and events
(educational, social, and community service), and acts as a liaison between the College and the organization. Additionally, the advisor of each organization shall be responsible for motivating the respective organization to function effectively in keeping with its own constitution and with the philosophy of the College.

**Conduct at Activities**
The sponsoring organization is responsible for the conduct of those attending its activities. Organizations may be suspended for misconduct. Fletcher Technical Community College (Fletcher) is a community of individuals engaged in the task of learning and the advancement of knowledge. Acceptance of admission to the College carries with it an obligation to the welfare of the community. Freedom to learn can be preserved only through respect for the rights of others, for the free expression of ideas, and for the law.

All individuals and/or groups of the College community are expected to speak and act with scrupulous respect for the human dignity of others, both within and outside it, as well as at social and recreation activities.

Fletcher will not tolerate any form of harassment, intimidation or bullying, including but not limited to sexual, racial, religious, age, or other forms of discrimination. Nor will it tolerate acts of hazing against individuals or groups solely because they express different points of view. The College encourages the free exchange of ideas and opinions but insists that the free expression of views be made with respect for human dignity and freedom of others.

By accepting admission to Fletcher, a student accepts responsibility to conform to all regulations that the College established. Any student who fails to meet this responsibility shall be subject to disciplinary sanction, including, but not limited to, the imposition of reasonable fines, warning, probation, suspension, or expulsion.

The Student Code of Conduct (the “Code”) is made available to students via the College website and in the Student Handbook. Students are responsible for becoming familiar with such regulations and are held accountable for misconduct, even in the absence of their awareness or familiarity with those regulations. Students are expected to read and to adhere to all pertinent materials so that they may make informed choices about their actions. Ignorance of policies and procedures are not acceptable excuses for violating them.

The College reserves the right to modify this Code from time to time when, in its discretion, such action will serve the best interests of the College or its students. The provisions of the Code shall not be construed to replace or supersede any state, federal or local laws that also may apply to students or others.

Purpose of the Student Code of Conduct
The Student Code of Conduct (the “Code”) is intended to provide the framework for an orderly and stable environment. The Code obligates students to, both within the classroom and outside it, respect the rights and privileges and property of other members of the College community and visitors to the campus. Students are expected to refrain from actions which would interfere with College functions or endanger the health, welfare or safety of other persons, practice high standards of academic and professional honesty and integrity, and comply with the rules and regulations of the College and its departments.

In general, the Code sets forth duties owed by students to each other and to the College. It also sets forth administrative procedures whereby students accused of violating College rules are afforded due process and, if the preponderance of evidence warrants, receive fair discipline. Finally, this Code specifies procedures by which a student may exercise the appeal process for certain
decisions.

Jurisdiction
The Code will apply to and govern all conduct, henceforth referred to as “Prohibited,” which: (1) occurs on College property; (2) occurs at a College sponsored, sanctioned or supervised class, activity, contest, conference, meeting or other function regardless of location and is inclusive of travel, lodging and unscheduled time in between; or (3) in any manner, on or off campus, is associated with the College or is otherwise deemed to affect the operation of the College.

A student who engages in Prohibited Conduct that is prohibited by this Code shall be subject to discipline. This Code, as well as other College rules and regulations governing student conduct, shall apply to the Prohibited Conduct of all individuals who are matriculated or otherwise enrolled to attend class full or part-time at Fletcher. A student withdrawal does not negate a conduct hearing or conduct sanctions being imposed.

Right to Restrict Non-Members of the College Community
The College reserves the right to restrict or prohibit the presence of a person who is not a member of the College Community from being on College property or attending College events whenever that individual’s presence is considered detrimental to the welfare of the College.

Expectations of Students

3. The right to develop their potential to the best of their ability.
4. The right to examine and discuss issues of importance, legally support popular/unpopular causes in an orderly manner, and recommend improvements in policies, regulations, and
procedures affecting the welfare of students. It is critical that students understand they do not have the right to disrupt College operations or interfere with the rights of others. Students are encouraged to exercise this right through the use of appropriate channels provided by the SGA and campus officials.

5. The right to a fair hearing and appeal when disciplinary action is applied to them as an individual or a member of a group.
6. The right to “freedom of the press” in student publications and communications. Individual students and student clubs/organizations have the right to publish, distribute, and broadcast items to the college community, provided that the materials are identified with the name of the student and/or club or organization. All publications/broadcasts should adhere to the canons of responsible journalism, including avoidance of defamation, indecency/obscenity, undocumented allegations, plagiarism, and harassment. All publications must be approved prior to distribution.

7. The right to form and participate in student clubs/organizations that provide educational and social enrichment. Student clubs/organizations duly registered with the College are allowed to meet in rooms and spaces located on campus, provided that reservations are made prior to each meeting and the meeting proceeds in accordance with established rules and regulations. Students, clubs/organizations, or student groups may not make room/space reservations at Fletcher in their names for use by outside groups/organizations.

8. Student clubs/organizations registered with SPAR have the right to invite a speaker to their meeting at the College. If there is clear evidence that the event could disrupt the orderly operation of the College, the Vice Chancellor for Enrollment and Student Development and/or designee has the right to cancel a speaker’s invitation. The sponsoring organization will be notified of any such cancellation at the earliest possible time.

9. The right to confidentiality with regard to their student academic records, as subject to existing law. Official records kept at Fletcher do not indicate political affiliations, activities, or beliefs and are not available to unauthorized persons within or outside the institution without the express written, legal consent of the student involved.

10. The right to due process when accused of any violation(s) of the regulations of the Fletcher.

c) admit to the alleged violation and request an appeal.

j) confront and cross-examine witnesses and/or accusers.

Proceedings under this Student Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off-campus.
**ADJUDICATION PROCESS**

*Philosophy*

From the students/community members’ perspective, the adjudication process at Fletcher is designed to provide a learning experience that encourages growth and personal understanding of one’s responsibilities and privileges within the College environment. From the College’s perspective, the goal of the adjudication process is to balance an understanding and knowledge of students/community members and their needs, with the needs of other students and the college community.

The aim of the college adjudication proceedings is to arrive at decisions that ensure that individuals assume full responsibility for their actions and that ensure the rights, freedom, and safety of all members of the college community.

Corrective and punitive actions by the College may be required when a student violates certain rules of conduct or if his or her actions may endanger the property or well-being of individuals or organizations. The college takes corrective actions so as to reorient students while protecting the college community.

The authority of the college to discipline students for violations of its regulations differs from the power of civil authority to deal with violations of criminal law. Adjudication proceedings in the college community are administrative rather than criminal in nature. The standard used in determining whether a violation occurred is “preponderance of information,” which means it appears “more probable than not” that the incident occurred as alleged.

Students/community members may be held independently accountable to both civil authority and to the college for acts that constitute violations of law and/or violations of college policies, regulations, or procedures. Disciplinary action will not be subject to challenge on the grounds that criminal charges involving the same incident have been dismissed, reduced, or are in process.

**Adjudication Records**

Any student records or files produced or acquired during adjudication process become the property of Fletcher. They are maintained by the Office of Student Affairs and are not available to persons other than the student, except as provided by the Family Educational Rights and Privacy Act and Louisiana Open Records Law.

**Campus Adjudication Process**

The process, in brief, consists of (1) a reported incident; complaint, concern or alleged student misconduct (2) contact and notification of alleged involvement; (3) discussion between the accused student and Fletcher staff (4) examination of all relevant information; (5) decision determining involvement; (6) determination of action needed, either an informal or formal resolution, as outlined below; and (7) application of sanctions, as appropriate.

1. Reported Incident/Complaint, Concern or Alleged Student Misconduct
   Any student, faculty or staff member may report an alleged violation of policy. The Fletcher Technical Community College Incident Report Form, which is available on the College website is the most common method. Police Reports are also acceptable.
2. Contact and Notification
The Fletcher Conduct Officer, after reviewing an incident report form, may determine that a meeting is required. In this case, student(s) involved in the incident will be contacted to schedule a meeting. Failure to comply with a request for a meeting may be considered, in itself a violation of the Code.

3. Discussion/Informal Meeting
Whenever possible, decisions will be made by the Conduct Officer having the closest jurisdiction to the student(s) involved and area of concern. The Vice Chancellor for Enrollment and Student Development has final determination pertaining to jurisdiction.

4. Examination of Information
During the hearing/discussion, the student should be aware of his/her rights in the adjudication process. Students are ensured the following:
   a. Written notice to the student regarding the nature of the alleged charges;
   b. The right to have the allegations settled informally.
   f. The right to a fair and timely hearing before Hearing Officer;
   c. The right to present witnesses on their behalf;
   d. The right to the assistance of any person of their choosing**
   e. The right to appeal.

The Conduct Officer will ask the accused to provide a written statement and discuss his/her involvement in the incident in question. The intent of the discussion is to allow the Conduct Officer to gather enough information to make a decision as to the student’s involvement in the matter and the level of responsibility.

In most circumstances, enough relevant information is available to allow the Conduct Officer to render a fair decision. In the event that an incident is complex or involves other students, additional meetings may be necessary to gather sufficient information.

** The student will be allowed to bring an advisor, advocate or observer of his/her choice and expense. Such advisor may be an attorney. The advisor is limited to counseling the student. The advisor may not act as a representative of the student or speak on the student’s behalf, or be permitted to take an active role in either in investigation or hearing process. The student will be allowed to utilize the same advisor, advocate or observer throughout the entire process.

5. Decision
Decisions regarding incidents and/or involvement will be based on a preponderance of information available, even if the student involved chooses not to attend the hearing. Once all relevant information has been presented, the school official will render a decision regarding whether it is more probable than not that the student violated the Student Code of Conduct. The Conduct Officer will notify the student of the decision or the course of action in writing within five (5) business days of the hearing/discussion. Any decisions or sanctions are in effect once the student is notified either in person or in writing.

6. Determination of Appropriate Resolution Process: Informal or Formal
When possible, incidents are resolved informally. In such cases, the student meets with a Conduct Officer and is provided an opportunity to respond to allegations before any conduct action is taken. The student waives any rights to an informal meeting by his/her failure to
attend. In cases where the Conduct Officer determines that the student may be subject to other than an Informal Resolution agreement, a Formal Conduct Hearing will be scheduled and will proceed as described in the Resolution Process section below.

7. Application of Sanctions
If the student has admitted to or has been found guilty of violating college policies, the Conduct Officer will also determine which sanctions are appropriate for that behavior (see Code of Conduct Sanctions). Students are advised that violations are cumulative in nature. The Conduct Officer may impose a wide range of sanctions that may be applied in cases where the student has been determined in violation of the Code or College policy. Sanctions may be assigned individually or in combination with other sanctions. Failure to comply with certain conditions, guidelines, or requirements may result in more severe disciplinary action.

Any record of prior conduct will be taken into consideration in determining sanctions. Sanctions are in effect from the time of notification, either in person or in writing. All college-imposed sanctions shall be confirmed in writing. An official document signed and witnessed by the student, Conduct Officer, and a witness.

Temporary Injunction
In certain situations, it may be necessary to issue a temporary injunction against an individual alleged to have violated one or more provisions of this Code, particularly when the Code violation involves a potentially dangerous or damaging situation. Pending resolution of alleged charges, the Conduct Officer may issue an order to the student prohibiting any future conduct specified in the order.

Issuance of a temporary injunction shall not be deemed an indication or ruling on the merits as to whether the student did or did not engage in conduct in violation of this Code. A temporary injunction may be issued in one of the following forms:

- Cease and Desist Order: The student is issued an official verbal warning and is ordered to refrain from provoking or participating in any incident involving further violation of the Code. A student may be issued a Cease and Desist order at the discretion of the Conduct Officer and may also receive a sanction at a subsequent Conduct meeting, whether informal or a formal Conduct Hearing.
- Interim Suspension: A student receiving an interim suspension will immediately be required to vacate College property and shall be restricted from all College activities. An interim suspension may be imposed if the Vice Chancellor for Enrollment and Student Development or designee determines that the continued presence of the student presents a real or potential danger to himself or herself, any other person, to property or to the campus and/or college. An interim suspension shall remain in effect only until a conduct meeting can be held.

The College cannot guarantee that arrangements can be made for the continuance of academic study when an Interim Suspension is imposed. When reasonable, the College will make arrangements.

Resolution Process
Once an Incident Report is received, the Conduct Officer will determine the appropriate resolution process. Once the appropriate course of action has been determined, either an informal or formal resolution is obtained following the procedures below:

Informal Resolution
A meeting between a Conduct Officer and a student(s) or organization who has/have allegedly violated the Code of Conduct. The informal process is for students who have taken responsibility for their actions and are not disputing the facts of what occurred. Informal resolutions are mutually agreed upon decisions, and as such, are not appealable. If a mutual decision cannot be reached by the conclusion of the informal resolution, the case will transfer to the formal resolution process. During the informal meeting, the student must be provided the following information:

- The alleged misconduct and the reasons for the College’s belief that the student engaged in the misconduct.
- The specific section(s) of the Code allegedly violated.
- An order or document agreeing to have alleged violation resolved informally.

Based on the findings of an informal meeting, the Conduct Officer shall enter in writing one of the following orders:

- An order dismissing the conduct proceedings if it appears there has been no misconduct;
- An order imposing an informal resolution agreement between the student and the Conduct Officer;
- An order referring the matter to a Formal Conduct Hearing. This referral shall occur whenever it appears that other than a resolution agreement may be warranted. In such situations, the formal conduct process must be used.

Failure to comply and complete the informal resolution agreement will result in restrictions being placed on the student, such as a hold being placed on the student account, and/or possible escalation requiring a formal resolution.

Formal Resolution
A formal meeting between Fletcher Disciplinary Committee and the student(s) and/or organization that has been accused of violating the Code of Conduct. The process allows the students(s) and/or organization the opportunity to respond to the concern to contest the information within the reports’ if applicable, and to appeal the outcome of the hearing under certain criteria.

Notice of Formal Conduct Hearing
In accordance with the principles of due process, the Conduct Officer will give written notice of the time, date and location of the Formal Conduct Hearing. The form will describe the alleged misconduct, the Code provisions allegedly violated, and the potential sanctions. The hearing notice, plus a copy of the Code, shall be provided to the student accused of misconduct no less than four (4) workdays prior to the hearing.

The notice will also inform the student that he or she has the option to waive the Formal Conduct Hearing and accept sanctions imposed from the Conduct Hearing Officer based on the file documentation.

Access to the Case File
The student, by appropriate request, shall have reasonable access to the case file and relevant evidence that may be used at the Formal Conduct Hearing. Note that access will not be inclusive
Procedures for the Formal Conduct Hearing

The Conduct Hearing Officer is not required to adhere to the formal rules of evidence used in criminal proceedings. The formal Conduct Hearing will be conducted as follows:

- The Conduct Hearing Officer will convene a Disciplinary Hearing Board consisting of 2 faculty, 2 staff/administration, and one student to hear the alleged charge(s). Members of the Board may not be from the student’s discipline of study.
- The Conduct Hearing Officer reads the alleged charge(s) against the student.
- The student shall each be permitted to make a brief opening statement.
- The Disciplinary Hearing Chair instruct the Hearing Board to review the evidence, witness statements, and interview witnesses to substantiate the charges. The student shall be permitted to ask questions of any witness presented to the Disciplinary Hearing Board.
- The student shall next present evidence, witness statements, or witnesses to defend against the charges. Disciplinary Hearing Board shall be permitted to ask questions of any witness presented by the student.
- If the student or Disciplinary Hearing Board desires to read from or submit a written statement or document, copies of the statement or document must be provided to the Conduct Hearing Officer and the other party.
- The student shall be permitted to make a brief closing statement.
- Following the presentation of evidence and closing statements, the Disciplinary Hearing Board will, following any private deliberations deemed necessary, reach a decision on the matter by determining whether the College administration has demonstrated that it is more likely than not that a violation of the Code has occurred. If so, an appropriate disciplinary sanction will be imposed. A copy of a written decision rendered by the Disciplinary Hearing Board shall be presented to the student within ten (10) days of the hearing.

Non-Attendance

If the student does not attend the Formal Conduct Hearing, the Conduct Hearing Officer may proceed with the Hearing in the student’s absence and impose a sanction, probation, suspension, or expulsion if warranted by the evidence.

Student Waiver of the Formal Conduct Hearing

Whenever a student is faced with the prospect of being subjected to a Formal Conduct Hearing the student has the option to waive the hearing and accept sanctions for the misconduct, warranted by the evidence, by the Hearing Officer and committee. This option is available to a student at any time up to the actual commencement of a Formal Conduct Hearing.

An informal meeting with the Hearing Officer to review the notification of the Formal Conduct Hearing will be scheduled. During this meeting the student will be apprised of the alleged violations of the Fletcher Code of Conduct, formal hearing date, time and location, sanctions being recommended by the Conduct Officer. The student will also be informed of his/her Rights and Responsibilities before, during and after the Formal Conduct Hearing.

If the student decides to waive his/her rights to the Formal Conduct Hearing, the student will be
presented with the document entitled “Students Agreement” and will be allowed to sign it. The Conduct Officer will have ten (10) days from signature of the “Student Agreement” to adjudicate the case and give a copy of the formal conduct decision letter to the student.

In accordance with the Family Educational Rights and Privacy Act of 1974 (“FERPA”), upon case resolution, the Hearing Officer may communicate his/her findings to College personnel. Additionally, the final results of a Formal Hearing involving a crime of violence may be released to appropriate persons, including any victim of the crime, including the name of the alleged perpetrator, the charge, and the sanction.

Who May Attend the Formal Conduct Hearing
In addition to the Fletcher Disciplinary Committee members, the accused student, an Advisor to the student, witnesses called by the student, and College legal counsel (if called) are the only individuals permitted to attend the Formal Conduct Hearing.

Exceptions to this rule are permitted at the sole discretion of the Conduct Hearing Officer and may include the following: the parent(s) of a minor student; a language interpreter; or an Advisor. These individuals permitted by the Conduct Hearing Officer to attend cannot participate in the actual hearing process. Prior to the hearing, the student and the Chair of the Disciplinary Committee shall each furnish to the Conduct Hearing Officer a written list of the names of witnesses each intends to call. All witnesses shall be excluded from the hearing room except when testifying.

Option for Student to have Advisor at Formal Conduct Hearing
A student who is subject to a Formal Conduct Hearing has the right to bring to that hearing a person who may assist the student in his or her defense. The Advisor to the student may not actively participate in the Formal Conduct Hearing by actions such as making statements, questioning witnesses, etc. The Advisor may provide advice to the student during the hearing in a manner deemed non-disruptive by the Disciplinary Hearing Board. If the Advisor to the student is an attorney, the student must inform the Hearing Officer not less than two (2) working days before the hearing that an attorney will be present at the hearing.

Requirement of Substantial Compliance
Technical errors made by the College or any employee or administrator thereof in the application of this Code that do not prejudice the student shall not be grounds for invalidating discipline that has been imposed.

DISCIPLINE AND HEARING RECORDS
A discipline record is maintained for each student in the Office of Vice Chancellor for Enrollment and Student Development or designee and contains information concerning that student’s disciplinary history. A taped and/or digitized record of the formal conduct hearing(s) may be made and, at the discretion of the College, may be transcribed. Any taped and/or digitized record of the hearing, documentary evidence or other exhibits, case records, and other information pertinent to the hearing, with the exception of bulky exhibits, will become the property of the College and will be maintained as part of the student’s discipline record. The digital record is to provide a record of the disciplinary proceedings by the Conduct Hearing Officers. At no time will a digital recording become part of a students’ permanent College record unless it is related to a case involving sexual misconduct. No digital recording will be released, reproduced, or removed from
the office except in compliance with a valid subpoena, court order, or the Federal Educational Rights and Privacy Act of 1974 as amended. Upon request, the student will be permitted to listen any digital recording produced during the disciplinary process in the office in which it is maintained. All digital recordings remain the property of the College and will remain confidential until destroyed. The digital record will be destroyed in accordance with the Fletcher records retention procedures. The record is maintained for at least five (5) years or so long as deemed necessary. The right to examine a discipline record is limited to the affected student or individuals approved by the student or the Vice Chancellor for Enrollment and Student Development or designee(s) in accordance with limitations imposed by FERPA and College procedures.

SANCTIONS FOR MISCONDUCT
Fletcher Technical Community College seeks to ensure fair and equal treatment of students and recognized student organizations subject to disciplinary or academic sanctions and to impose similar sanctions under similar circumstances. Any record of prior conduct will be taken into consideration in determining sanctions. All college-imposed sanctions shall be confirmed in writing. Imposed sanctions are applicable to all Fletcher campuses. The charge of the misconduct by a student will remain an allegation until a decision is reached.

Disciplinary sanctions are intended as corrective measures for growth and development of the individual involved, as well as a deterrent to future violations of academic or other misconduct. In determining appropriate sanctions, consideration may be given to:
§ the nature of, severity of, and circumstances surrounding the violation;
§ the student’s acceptance of responsibility;
§ conduct history of the student and;
§ the impact of a sanction on a student.

The following sanctions, singularly or in combination, may be imposed upon any student found to have violated the Code. Violations of the terms of any sanctions may be subject to more severe disciplinary actions.

An interim suspension shall remain in effect only until a Conduct meeting can be held.

• Dismissal: a separation of the student from the institution. A dismissed student will be removed from all classes and not permitted to re-enroll while the dismissal is in effect. Dismissal may either be definite, for a specific period of time, such as a number of semesters or indefinite, the dismissal in effect until certain conditions are met by the student that allow for readmission. The dismissed student may be barred from campus and/or from utilizing campus services during the term of their suspension.

• Conduct Probation: formal recognition that the student is not currently in good disciplinary standing with the College. Probation may impact the student’s eligibility to participate in certain programs (i.e.: student organizations, leadership roles, campus events) or services. Students who are ejected from a course may either have that course purged from their records or be assigned a grade, as individual circumstances warrant and as approved by the Vice Chancellor for Enrollment and Student Development or designee.

• Forfeiture of Academic Credit: certain actions of academic or other misconduct may warrant the forfeiture of any academic credit awarded, particularly if the credit was earned in a manner inconsistent with standards of academic integrity. Forfeiture of Academic Credit due to violations of academic integrity may become part of a student’s permanent academic record, as circumstances warrant.

The action may include loss of privileges, inability to participate or hold office in student organizations, loss of scholarship money, or any other sanction that the Vice Chancellor for Enrollment and Student Development or designee approves.

The College reserves the right to place a hold on the diploma, degree certification, official transcripts, or registration of the respondent even though he or she may have completed all academic requirements. The diploma, degree certification, official transcripts, or registration may be withheld until any allegations of misconduct are resolved and/or sanctions as well as other conduct obligations completed.

A student (or student club/organization) facing disciplinary action may receive temporary sanctions from the Vice Chancellor for Enrollment and Student Development or designee, such as provisional non-disciplinary suspension pending the final disposition of the case, which may be imposed to maintain the orderly operation of the college.

Appeal Procedures
A student is entitled to appeal the decision rendered in an adjudication action. If an appeal is requested, suspension and/or expulsion shall not be imposed until the appeal procedures below have been completed unless an immediate suspension has been imposed. Other mandated sanctions remain in effect during the appeal process and until such time as they may be reversed or modified. All appeals must be submitted in writing, and must be submitted to the appropriate school official
within the specified timeframe.

A Student may subsequently appeal the decision of the Vice Chancellor for Enrollment and Student Development (or designee) by submitting a written appeal petition to the Chancellor of the College. The appeal should outline the aforementioned information.

A final appeal may be made to the Louisiana Community and Technical College System office in accordance with LCTCS Policy #2.004.

**Clery Act**

The following policies have been adopted to comply with the requirements of the Campus Security Act (PL101-542) referred to as the Clery Act:

The Clery Act requires higher education institutions to collect and post Campus Crime Statistics. Statistics noted represent actual reporting to the United States Department of Education, Office of Postsecondary Education. These statistics are for on-campus incidents only. They do not reflect occurrences at locations considered non-campus or public property. Non-campus locations are defined as any building or property owned or controlled by the College that is not within the same reasonable contiguous area, is used in direct support of or in relation to the College’s educational purpose and is frequently used by the students. Public property includes thoroughfares, streets, sidewalks, and parking facilities within the same campus or immediately adjacent to and easily accessible from the campus. Statistics will also be maintained of any illegal acts that occur during off-campus College-sponsored activities.

The College utilizes a number of crime prevention strategies including video surveillance and local law enforcement agencies for security services and emergencies.

In the event that students, faculty or staff members witness or discover a criminal/illega l activity, they should first notify administration, who will then contact local law enforcement authorities.

In compliance with the student’s right to know and the Campus Security Act of 1979, the crime statistics for Fletcher are available by following the link: [http://ope.ed.gov/security/index.aspx](http://ope.ed.gov/security/index.aspx). Click on the “Get data for
one institution/campus” link on the right side then follow the report entry instructions. Crime statistics for Fletcher are also posted on various public bulletin boards at each campus/site location.
