Overall Percentage Totals in key areas:

84% 82% 79%

\* Student population for report was taken from the highest award in each academic program area

\* New programs for this year include Sterile Processing and Computer Information Systems

\* In cases where the % continuing education and the % employed equal more than 100%, the student has reported that they have a job but are also continuing their education.

\* Students receiving a Technical Studies degree are also reflected in the programs in which they studied in this report. In this year: Practical Nursing, Surgical Technology & Electrician

<sup>1</sup> Percent employed includes all graduates reporting employment in the reporting year, regardless of whether employment is related to the program. Does not include unresponsive population.

<sup>2</sup> Percent of graduates employed in jobs related to program of study in the reporting year

<sup>3</sup> Percent response rate of employer data collected in each program area

<sup>4</sup> Annual salaries self-reported by graduates are in program-related employment only, where an average income was taken from all those reported

<sup>5</sup> Job titles as self-reported by graduates in program-related employment

<sup>6</sup> Employers of graduates as self-reported by graduates in program-related jobs

<sup>7</sup> Houma Regional Labor Market annual median wage for program-related occupations as report by Louisiana Workforce Commission Department of Labor for 2023

<sup>8</sup> State Labor Market annual median wage for program-related occupations as reported by Louisiana Workforce Commission Department of Labor for 2023

<sup>9</sup> (-) No data reported by graduates or obtained
