Public Notice: Policy 707 – Use of Facilities

Dear Community Members,

The Gateway School District would like to inform the public of an update to Policy 707 – Use of School Facilities.

Effective **January 1, 2026**, the District will begin assessing **custodial service fees** for facility use occurring on **Saturday and Sunday**. This policy change ensures that the District can adequately support the staffing and maintenance needs associated with weekend facility operations.

Organizations and individuals planning to reserve District facilities for weekend events after the effective date should take this update into consideration when making future arrangements.

We appreciate your understanding and cooperation as we continue to maintain safe, clean, and well-managed facilities for all members of our community.

Sincerely,

John Walsh

Director of Facilities
