Dear Families and Community Members:

As we head into the weekend, I wanted to take a moment to address some rumors that have been circulating about alleged threats made against the school.

These allegations of violence are false.

As soon as we learned about the rumors and allegations related to this issue, district leaders immediately contacted law enforcement and have been working closely with multiple agencies, including the Canastota Police Department, to investigate. Both school and law enforcement investigations have found no credibility to these rumors and threats and have found no evidence of danger or violence to the school, students or staff.

The safety of our school community remains our top priority and we want to express our thanks to our law enforcement partners who continue to support us each and every day.

Sincerely,
Shawn Bissetta, Superintendent
