I. SCHOOL DAY AND ACADEMIC POLICIES  2023–2024

school hours: 8:03 AM - 2:23 PM

a. School Arrival
Students must enter the building through the designated CSS entrance, where CSS staff is located, welcoming students in until 8:20. Breakfast is served between 7:30 AM and 8:00 AM on the sixth floor. Students must be in their first period class no later than 8:10 AM. Students who arrive late must enter the building through the main entrance (where campus security is located).

b. School Dismissal
HS Students will be dismissed at 2:23 pm daily. Students will exit through Exit 6 (morning entry door). MS students are mandated for SONYC support, following their individual grade-level schedule from Mr. Phoenix Madera.

c. Early Dismissal
Please do your best to schedule medical and other appointments after school. If a student has an appointment before the end of the school day, s/he may not leave school on his/her own unless they are 17 or older. If the student is 17 or older, they are not to bring in a note signed by his/her parent allowing early dismissal to Mr. Guerrier in the OSS (Room 503), where s/he will also need to sign out. Students younger than 17 must be picked up by a parent or other adult listed on the blue card. To pick up, parents must report to room 503, where they will sign out their child.

d. Attendance/Punctuality
The CSS attendance rate is over 95%; attendance is the cornerstone to our success, and is directly correlated to student achievement. Students are expected to report every day on time. School should never be missed for vacation, travel, athletics, camps, etc - these absences are considered unexcused. Informing the school: If a student is going to be absent or late, Attendance Coordinator, Jean Guerrier should be contacted at 212 666 1278, press 2 or jeanguerrier@columbiasecondary.org. Students must present proof of outside appointments or notes from parents to Mr. Guerrier in the Office of Student Services (OSS), room 503, upon return from an absence. Continually unexcused lateness/absence can impede academic success.

Staying home from school (General Illness; Non-COVID)
Students should not come to school if:
- They have a contagious illness such as pink eye. If a parent suspects his/her child is contagious, s/he should contact his/her medical provider for guidance regarding treatment and school attendance.
- They have a fever of 100 degrees or more (should be fever-free for 24 hours before returning).
Minor colds, cramps or severe cold weather are not valid reasons for students to stay home from school. Please remember to bring a note to Mr. Guerrier in the OSS (room 503) with proof of a medical visit or a parent’s note explaining the reason for keeping his/her child home.

**e. Preparedness-Blended/Remote**

- In the event of a shift to remote learning due to unforeseen circumstances, students are responsible for checking email and following all instructions from school administration & faculty. CSS will provide access to online platforms by the end of September each year; these platforms and live Zoom instruction will be used during a pivot to remote.

Students MUST come prepared with all required materials for each class. Refer to the course syllabi for a list of all materials required daily. Have a checklist in your planner and use it to pack your bag in the evening. Students must bring the following to class: writing utensils, homework/class work, books as specified by the teacher, other supplies (calculators, rulers, etc.). Students who are unable to purchase required supplies should contact their classroom teacher or the parent coordinator.

**Homework & Grading**

In all classes, homework is a significant portion of a student’s grade. Teachers should be alerted as soon as a conflict arises that will prevent the completion of assignments on time. While every teacher will review how grades are calculated, grades are generally based on: tests & quizzes, homework, notebook checks (note-taking), class assignments & participation, midterm & final projects/exams. The school year is divided into Fall and Spring terms. Each term has three marking periods and ends with a final semester grade, which is the average of all three marking periods and a midterm/final (teacher’s discretion).

**g. Academic Integrity Policy**

Students, faculty members, and parents should model and facilitate honorable behavior for each other, and strive to uphold our school standards of academic integrity. Please see the Academic Integrity Policy for further information & tier of consequences.

**Student Responsibilities**

Students are expected to:
- Turn in work that is their own and reflects their own fairly acquired knowledge
- Deal truthfully with all members of the school community
Academic Dishonesty is a Level 3 Infraction in the Chancellor’s Regulations:

- B31- Engaging in scholastic dishonesty which includes but is not limited to: Cheating (e.g. copying from another’s test paper; using material during a test that is not authorized by the person giving the test; collaborating with another student during the test without authorization; knowingly using, buying, selling, stealing, transporting, or soliciting, in whole or part, the contents of an unadministered test; substituting for another student or permitting another student to substitute for one’s self to take a test; bribing another person to obtain a test that is to be administered; or securing copies of the test or answers in advance of the test)
- Plagiarizing (appropriating another’s work and using it as one’s own for credit without the required citation and attribution, e.g., copying written work from the Internet, or any other source)
- Colluding (engaging in fraudulent collaboration with another person in preparing written work for credit)

II. Facilities Logistics and Policies

a. Shared Space
CSS is presently one of three schools located within the historic PS 125 building. The facility is divided as follows: PS 125, The Ralph Bunche School, serving grades Pre-K-5 on floors 1 and 2; K.I.P.P. STAR, serving grades 5-8 on the entire west end of the complex; and CSS, serving grades 6-12 on floors 3-5 and some high school science classrooms in the basement.

CSS middle school students should only travel between the third and fifth floors unless accompanied by school staff to recess or to the auditorium, in the basement, or to visit the nurse on the first floor (room 105). Students found in the KIPP West annex, on the second floor, or on the east end of the first floor will receive disciplinary action.

b. School Entrance
The CSS entrance for parents is located under the U.S. flag at 425 W. 123rd Street, next to the PS 125 banner. Students arriving on time enter by the CSS flag, doors closest to Morningside Drive. You will note that you must present yourself to the camera to be buzzed in.

c. Lunch/Cafeteria
In normal circumstances, the lunch periods are divided into several sections. All students are expected to be in the lunchroom during their lunch period unless scheduled for lunch tutoring with a teacher in his/her classroom. Any
student meeting with a teacher must have a valid lunch pass. Students may not leave the cafeteria with food. During lunch, students are expected to behave appropriately (e.g. waiting in line, moderate noise, table manners) and to follow composting and recycling procedures. Every family must complete a School Meal Application. Applications may also be completed online: nyc.applyforlunch.com. All families, whether or not their child qualifies for free lunch and whether or not they eat school lunch, must complete the lunch form. School funding allocations depend on their completion.

d. Student Bathroom Use
- Students may not go to the bathroom during the first and last 5 minutes of their class period - bathrooms are locked between periods
- Students must have a bathroom pass given to them by a teacher;
- Students are expected to keep bathrooms clean
- Students are expected to quickly and directly move through the building - there should be no dawdling or indirect routes taken, or bathroom privileges may be further limited.

e. Halls and Stairs
The following activities are prohibited in the hallways or in the stairways: running, littering, raised voices, profanity, disorderly conduct, public displays of affection, pushing, and eating. Book bags with wheels are prohibited unless the student owner has a 504 medical form on file specifically prescribing it.
Students and visitors should walk only on the right side of the hallway/stairway.

f. Lockers
Lockers are a privilege; all students are expected to adhere to the rules and regulations set forth by the school. All lockers are shared, and students must treat their locker-partners with respect. Lockers must utilize CSS-owned locks; students cannot use outside-purchased locks on lockers; CSS staff must be able to get into a locker if the need arises. Students should keep in mind that lockers are school property and not store anything that violates school or DOE rules in their lockers.

III. SCHOOL RULES & REQUIREMENTS
a. Uniforms
All students must come dressed in uniform every day and use a separate mandatory uniform for physical education classes. Students not in uniform will be subjected to disciplinary action. Please refer to the uniform policy (Appendix A).
b. **Cell Phones and Other Electronic Devices**

Unauthorized use of a cell phone and or other electronic devices is in violation of the DOE’s Discipline Code, Chancellor’s Regulation A-413, and/or DOE’s Internet Acceptable Use and Safety Policy (“IAUSP”) will be subject to discipline in accordance with the guidance interventions and disciplinary responses set forth in the Discipline Code. Students should keep their cell phones in a locker, or in a zipped/closed backpack at all times. Cell phones are not permitted in class, and students with phones out should reasonably expect that their phone can be confiscated and given to an administrator until the end of the day.

Consequences for a phone out in class:

1st Time: Teacher asks to put it away
2nd Time: Teacher asks student to put it away, and records the interaction in Jupiter Grades. Parent notification.
3rd Time: Teacher notifies the Dean’s Office for further disciplinary action, including a formal “violation of school rules” in the chancellor’s discipline code. Participation/citizenship points in class can also be affected.

After 3rd Time: Student will need to turn in phone daily upon entry to the Dean’s Office and pick it up at the end of the day.

c. **Sustainability**

As part of the NYC DOE’s Sustainability Initiative, CSS has implemented sustainable practices throughout our campus. These practices include: lunchtime composting and school-wide recycling, energy conservation, and maintaining the CSS Community Garden (usually in open garden hours after school). Since 2016 CSS has been one of the Grow NYC and DOE Zero Waste Schools. Please refer to Appendix H.

e. **Athletics**

Athletics are offered at CSS through CHAMPS and SONYC in middle school and PSAL in high school. Contact Athletic Director DeLucia.

IV. **DISCIPLINARY POLICIES**

When not specified by the DOE Chancellor and the Office of School and Youth Development (see below), **disciplinary consequences are determined by Principal Arora and Dean DeLucia on a case-by-case basis depending on the behavior and context. There are two areas in which the same rule violations result in the same disciplinary action, for all students: being late and being out of uniform.** The parent will be notified and a mandatory parent conference will be scheduled. Subsequent violations receive automatic consequences, no warnings.
Possible Disciplinary Responses to academic dishonesty and other infractions according to the Chancellor’s Regulations: admonishment by pedagogical school staff, student/teacher conference, reprimand by staff (e.g. Assistant Principal), parent conference, in-school disciplinary actions (e.g. detention, exclusion from extracurricular activities), removal from classroom by teacher (after a student is removed from any classroom by any teacher three times during a semester, a principal’s suspension must be sought if the student engages in subsequent behavior that would otherwise result in a removal by a teacher), Principal’s Suspension (in-school, out of class for middle school, two hours in school, out of class for high school), Superintendent’s Suspension (alternate school). The consequence will be leveled in direct response to the severity, impact, and investigation associated with the school infraction.

Discipline Code-Citywide Standards
The Chancellor and the Office of School and Youth Development have set forth codes of behavior which should be applied before, during and after school. All students will receive the Citywide Standards of Intervention and Discipline Measures at the beginning of the school year and are expected to read and understand the standards of behavior.

V. Safety Procedures & Health Policies
a. Entry/Exit/Safety Agents
Morning entry for students on time is exit 6 (by the CSS banner), all other entries past 8:20 am are through Exit 5 (under the U.S. flag). This entrance has two School Safety Agents (SSAs) to track incoming and outgoing traffic. Visitors must sign in with a photo i.d. Reminder: official entry time into the building is 8:00 AM.

Safety Tips
Parents and students should read the school safety tips in this handbook (Appendix C) together, develop a travel plan, and students should adhere to the tips and plan when traveling to and from school.

Reporting Incidents
In order for CSS to continue being a safe environment, students and parents need to report incidents when they occur so we can handle any conflicts refer to the appropriate agencies. In-class incidents should be discussed first with the teacher. Incidents relating to bullying, theft, physical aggression, or ones that take place out of school should be brought to the attention of Dean DeLucia (ext. 4121, harolddelucia@columbiasecondary.org) in room 412a or AP Gordon (ext. 5072, triciagordon@columbiasecondary.org).

Nurse
Students needing or requesting to see the nurse must get a pass from room 300. 6th graders must be accompanied by an escort their first time visiting the nurse, who is located in room 105 on the first floor. If students need
medication administered at the school or have severe allergies, a 504 Medical form must be completed by the parent and physician.

**Staying home from school**

Please refer to section I, sub-section “e”.

**Emergency Situations**

It is vital we have a parents’ up-to-date contact information in the event of an emergency involving a student. If a situation arises in which the entire school needs to evacuate the building, CSS will send out a recorded phone message or text. If the school does not have your correct or new telephone number, you will not know what’s happening or where to locate your child.

**Substance Abuse & Mental Health**

CSS provides intervention support through individual or group counseling and referrals. We have full-time middle and high school counselors to address substance abuse and mental health matters as well as social issues and academic concerns. (See “Primary Contacts,” pages 9).

---

**VI. Technology**

a. **Internet Acceptable Use Policy**

The NYC Department of Education outlined acceptable behavior when using the internet. That policy is copied for your convenience on page 16. (Appendix D)

b. **Email**

Essential communication from CSS staff and teachers arrives via email. By using CSS email, students and families stay up to date with school events and class activities. Parents and students both have received or will receive a CSS e-mail account. When you receive your User ID and password, we encourage you to set up you and your student’s e-mail in a way that makes it easily accessible along with your other e-mail accounts. For assistance, contact Aziz Woodson at azizwoodson@columbiasecondary.org.

While CSS administrators and staff will communicate major community events, happenings, and overviews relevant to the entire school community, we also are actively scaffolding student autonomy, responsibility, and individual engagement. To that extent, a sixth grade parent should expect much more frequency and minute communication regarding reminders for permission slips, about general in-class activities, marking period deadlines, or volunteer opportunities within the school than a twelfth grade parent; older students will have information communicated directly to them in the cases of many day-to-day situations, in an effort to prepare them for managing their own digital lives as college students.
c. **CSS Parents Google Group & Other Communications**
CSS Parents may choose to communicate in other private forums that are not directly affiliated with the school, including Google Groups, WhatsApp groups, Facebook groups, etc. The informal, electronic groups are a useful forum for comparing notes, finding answers, and sharing strategies. However, parents are cautioned to exercise good and thoughtful judgment in posting on public forums. We ask all parents to be digital role models for their students. To join the CSS Google Group, request admission at:

[http://groups.google.com/group/columbia-secondary-school-parents](http://groups.google.com/group/columbia-secondary-school-parents)

d. **School Website** www.columbiasecondary.org.
School events and reminders are regularly posted in the “Announcements” section. School year and monthly calendars are also posted on the site, in the calendar section (top right side of every page). Also on the site: forms such as electives selections and community service logs, school newsletters, information about CSS parent groups and more.

e. **CSS Facebook Page & Instagram:**
[https://www.facebook.com/ColumbiaSecondary](https://www.facebook.com/ColumbiaSecondary)
Instagram: ColumbiaSecondary
Important Events and student/school accomplishments are posted here. Like the pages and get notified when there is a new post. Promote the page with family and friends.
VII. CONTACTING THE SCHOOL

Alternate numbers if you cannot get through: (212) 961-5670.
Website: www.columbiasecondary.org

Questions about coursework and grades may be addressed directly to the teachers. Parents should expect a response to emails within a few business days, but not on weekends or over school vacations, including the summer. Please be mindful that the teacher’s primary responsibility is face-to-face interactions with students every day, and they are contractually obligated to respond to electronic communications once per week. If you have emailed a teacher more than twice, and over a week has passed and you haven’t heard back, contact the parent coordinator for help getting a response. If your situation is an emergency (ex: a student must leave school midday and will miss an exam), please notify the parent coordinator or an administrator with a description of the problem, as the teachers will not respond during their teaching time.

   **Harlem Underground**, 20 E. 125th Street between Fifth and Madison avenues (212) 987-9385

   **Peligro Sports**, 2200 Amsterdam Avenue between 169th and 170th streets (212) 568-0222

2) Purchase on the Lands’ End website (http://www.landsend.com/), which has the CSS emblem on file. Go to the uniform section of the Lands’ End website and use preferred school number 900120858. It can take several weeks from the time you place your order until you receive the shirts in the mail. If you sign up on the Lands’ End email list there are frequent sales throughout the year during which you can buy the uniforms at a discount or with free logo. Generally the least expensive option is to wait for a free emblem promotion. The CSS PTA gets a commission for
everything you buy.

**YOU CAN BUY NEW GYM SHIRTS** the same ways you can purchase **new polo shirts:** purchase T-shirts (grey for middle school, navy blue for high school) at any clothing store and have the CSS logo embroidered or imprinted at one of the places listed, or go through the Lands’ End website, *which now offers gym shirts.*

CSS Internet Acceptable Use and Safety Policy

All NYC Department of Education students are deemed as users of the “Department” and any use of the internet system must follow the policies set forth by the Department of Education Internet Acceptable Use and Safety Policy (IAUSP), revised as of July 1, 2012.

The Citywide Standards of Conduct and Uniform Disciplinary Measures govern this policy. All users are expected to adhere to the guidelines and regulations and not engage in any prohibited behavior.

The non-exhaustive list of prohibited behavior:

a. Using, posting or distributing profane, lewd, vulgar, threatening, or abusive language in e-mail messages, material posted on Department web pages, or professional social media sites;

b. Accessing, using, posting, or distributing information or materials that are pornographic or otherwise obscene, advocate illegal or dangerous acts, or advocate violence or discrimination. If users inadvertently access such information, they should immediately disclose the inadvertent access in a manner specified by their school or central division office;

c. Accessing, posting or distributing harassing, discriminatory, inflammatory, or hateful material, or making damaging or false statements about others;

d. Sending, posting, or otherwise distributing chain letters or engaging in spamming;

e. Parent Involvement

PARENT GROUPS

Parent-Teachers Association (PTA)  www.columbiasecondarypta.org

PTA Events and Fundraising
All parents are automatically members of the PTA! We hope you will join us at monthly meetings listed on monthly calendars and the CSS website. The first meeting of the school year is Tuesday, September 13, 2021, at 6:15 p.m.

Among events the PTA supports are: Hispanic Heritage Celebration, Black History Celebration, Annual CSS Musical, International Week, Teachers Appreciation, 8th Grade Step-Up Dance, Senior Student Dinner with Senior Award Ceremony, Middle School Yearbook, CSS PTA Scholarship Awards. In addition to dues donation, PTA Fundraising Activities include bake sales, school photos, used uniform donations and social events including a gala “spring fling.”

Your CSS PTA spends money on CSS homework planners for all 6th graders, meals for teachers during Parent Teacher Conferences, sports equipment (recent purchases have included volleyball padding, poles, nets & referee stands; rugby uniforms); music & arts (Jazz Assembly, Shakespeare performances, new auditorium wireless microphones, make-up & costume expenses for musicals), Teacher Mini-grants; school-wide improvements and projects (student ID machine, automated Telephone Notification System).

WAYS YOU CAN HELP RAISE $$$ FOR CSS
∙ Donate to the CSS PTA and Friends of CSS. Many families find it helpful to make two payments, one to Friends and one to the PTA, at the same time. You can donate to both on the CSS website (www.columbiasecondary.org). For the PTA, you can also bring payment to a PTA meeting, make a payment on the PTA website, or send payment with your child to the OSS (room 503). For Friends of CSS, payments go to the main office (room 507)
∙ Help write and submit grants for CSS. Contact the parent coordinator for information (212 666-1278, press 4 or ext. 5032)
∙ Propose a fundraising idea to the PTA and manage it
∙ Bake for the monthly sales

The School Leadership Team (SLT)

Composed of the principal, parents, teachers, and students, the SLT develops the school’s Comprehensive Educational Plan (CEP) that is aligned with the school based budget. It helps to evaluate the effectiveness of the school’s educational programs and their impact on student achievement. Current priority areas for the current SLT include facilities concerns and school tone. If slots are available, SLT members are nominated and elected at the end of the school year. The SLT meets once per month. Check monthly calendars, the calendar on the school’s website (www.columbiasecondary.org) or with the parent coordinator to confirm dates and times. Meetings are open to all parents, but only members can vote. Parents can bring issues of concern to an SLT parent representative prior to meetings.

Friends of CSS

The Friends of Columbia Secondary School for Math, Science, Engineering, Inc., is a New York state charitable corporation formed to support the academic mission of CSS and it is separate and independent from both the PTA and from the DOE. All contributions to Friends of CSS are deductible from federal and state income taxes to the full extent allowed by law. Most of Friends’ income comes from Columbia University’s annual contribution to CSS and external grants, but a significant amount also comes from voluntary charitable gifts from CSS parents and families. The priorities for the use of funds are determined by the school’s principal in consultation with the faculty. Currently funds raised pay for experiential learning field trips, engineering and technology equipment, the college counseling program and more. Friends consists of parent representatives from each class cohort, the Principal, PTA President, and a representative from Columbia University.
APPENDIX G

Zero Waste and Sustainability Policy

Since 2016 CSS has been one of the Grow NYC and DOE Zero Waste Schools. The goal is part of NYC’s Vision 2030 plan to reduce the amount of waste going to landfills by reducing disposables and increasing materials that are re-used, recycled, or composted. The CSS Green Team elective works to build awareness, educate, and implement these policies throughout the year, but all students, parents, and staff are expected to adhere to these goals.

All students must be mindful of where they are placing trash throughout the day. Bins are labeled with signs in the hallways, lunchroom, and all classrooms to indicate the four main waste streams: (1) paper, (2) M/G/P/C (metal, glass, plastic, and cartons), (3) organics/food waste, & (4) landfill. Be sure you are depositing all trash correctly in one of these bins.

Students should ask questions of teachers and other peers if they do not know where to deposit trash.

Proactive effort is required of all students. It is expected that students learn and adhere to the policies at all times. Trainings will be offered.

Food and water should not be brought into the hallways or classrooms. These items must be consumed and disposed of in the cafeteria. Their presence in the classroom leads to other custodial and cleanliness issues.

All students are asked to volunteer at least once during a lunch period to monitor waste disposal in the cafeteria. More information will follow throughout the year for how to sign up. Students should take this seriously.

Students are asked to reduce the amount of trash they are generating throughout the day by bringing and using reusable bags, water bottles, and other containers when needed.

Energy conservation is required at CSS. Computers, smart boards, lights, air conditioners and other electronics are expected to be turned off when not in use. Students can model and reinforce these habits in the classrooms.

Volunteering in the CSS garden helps connect students to nature and promotes community building and habits of sustainability. Please check CSS e-mail frequently to learn about open garden opportunities.
