Change Order: The quantities or specifications of material as outlined in the Proposal could be adjusted at any time with approval in the form of a signed Change Order. Change Orders will be executed using current market prices.

current market prices

Escalation Clause

In the event of significant delay or price increase of material, equipment, or energy occurring during the performance of the contract through no fault of the Construction Manager, the Contract Sum, time of completion or contract requirements shall be equitably adjusted by Change Order in accordance with the procedures of the Contract Documents. A change in price of an item of material, equipment, or energy will be considered significant when the price of an item increases 5% percent between the date of this Contract and the date of installation

Warranty and Tolerances

Payments Received: The Warranty for the contract is only valid if payment is received in full on acceptance of the work

Diligence: The Contractor agrees to carry out its Work diligently and to provide sufficient supervision and inspection of its staff and subcontractors and that its work will be of proper and professional quality, and in full conformity with the requirements of the contract

Competence: The Contractor warrants that it is competent to perform the Work and that it has the necessary qualifications including knowledge and skill with the ability to use them effectively.

Site Unknowns: It is the responsibility of the Client or the Client's Representative to fully inform the Contractor of all the information regarding site unknowns that may include difficult buried materials, cables, and pipes, tree stumps, drainage or water table issues, rock, and shale sub

surfaces and/or other impediments, issues or factors that could otherwise impact the quality, cost and timeliness of project completion. Failure to notify the Contractor may lead to additional costs to the Client (at the Contractor's discretion) and schedule time not included in the proposal and may require changes in design and construction to overcome such problems – all for which the

Client will be responsible. Client can avoid such risks by permitting the Contractor to do appropriate soil and ground tests, review the site, and to secure additional required site information from appropriate government and other authorities.

Damaged Utilities: Should damage occur to utilities during construction, the Contractor is only liable for the cost of the repair. the Contractor is not liable in any way for inconvenience to the Client caused by damage to the utilities

Damage to neighbors buried utilities, on the Client's property, are the responsibility of the Client

Damage to installed material (plants, trees, sod, etc.) by foot traffic, machinery, equipment, other trades, owner neglect or acts of nature will be excluded from any warranty and will not be replaced at the cost of Contractor

Damage due to pest infestation is excluded from warranty and any damaged material will not be replaced at the cost of the Contractor. If, however, the Contractor has a separate maintenance contract with the client, pest

control would fall under that contract and would be subject to those warranty parameters.
Damage due to improper watering after final acceptance will not be replaced at the cost of the Contractor

Material Tolerances

Wood: Pressure treated wood cannot be guaranteed against warp age, checking, or cupping.

Stone: Natural stone has color variations that vary from stone to stone. In addition, mineral deposits such as lime, iron, etc. can change the stone and even bleed. This is the nature of the product, and the Client accepts this as a natural and acceptable quality of the stone

Metal: Metal, which is not galvanized, is not guaranteed from rusting commencing immediately after installation

Concrete: Spider cracks (hairline stress-fractures) are considered a normal characteristic of all types of concrete. Concrete may crack substantially over time due to proximity of tree roots.

Warranty Time Period: The Contractor warrants all construction and installation for a period of one (1) year, providing that they have been maintained properly. All construction materials are subject to manufacturer's specific warranties/guarantees. Planting is warranted for one (1) year if there is an approved irrigation system

Client Responsibilities: The Client recognizes and agrees that they have a responsibility to maintain constructions, plants, bushes, trees, and other installations in keeping with standard quality maintenance requirements for the Warranty to remain in effect. Failure to properly maintain materials or horticulture installations will void the warranty. Client further recognizes and agrees that damage to construction, materials, horticulture elements and other warrantable items of the project will not be warranted if the damage or loss is due to elements beyond the control of the Contractor. For example, flooding eaves, troughs that damage plants, fallen branches, animal caused damage, damaged/ burst irrigation or drainage pipes that were not maintained properly, use of improper chemicals, improper maintenance, extreme or unusual weather conditions, and similar and/or related situations – void all warranties provided by the Contractor

Concrete: Spider cracks (hairline stress-fractures) are considered a normal characteristic of all types of concrete. Concrete may crack substantially over time due to proximity of tree roots.

Warranty Time Period: The Contractor warrants all construction and installation for a period of one (1) year, providing that they have been maintained properly. All construction materials are subject to manufacturer's specific warranties/guarantees. Planting is warranted for one (1) year if there is an approved irrigation system

Client Responsibilities: The Client recognizes and agrees that they have a responsibility to maintain constructions, plants, bushes, trees, and other installations in keeping with standard quality maintenance requirements for the Warranty to remain in effect. Failure to properly maintain materials or horticulture installations will void the warranty. Client further recognizes and agrees that damage to construction, materials, horticulture elements and other warrantable items of the project will not be warranted if the damage or loss is due to elements beyond the control of

the Contractor. For example, flooding eaves, troughs that damage plants, fallen branches, animal caused damage, damaged/ burst irrigation or drainage pipes that were not maintained properly, use of improper chemicals, improper maintenance, extreme or unusual weather conditions, and similar and/or related situations – void all warranties provided by the Contractor

Damage due to improper watering after final acceptance will not be replaced at the cost of the Contractor

Material Tolerances

Wood: Pressure treated wood cannot be guaranteed against warp age, checking, or cupping.

Stone: Natural stone has color variations that vary from stone to stone. In addition, mineral deposits such as lime, iron, etc. can change the stone and even bleed. This is the nature of the product, and the Client accepts this as a natural and acceptable quality of the stone

Metal: Metal, which is not galvanized, is not guaranteed from rusting commencing immediately after installation

Concrete: Spider cracks (hairline stress-fractures) are considered a normal characteristic of all types of concrete. Concrete may crack substantially over time due to proximity of tree roots.

Warranty Time Period: The Contractor warrants all construction and installation for a period of one (1) year, providing that they have been maintained properly. All construction materials are subject to manufacturer's specific warranties/guarantees. Planting is warranted for one (1) year if there is an approved irrigation system

Client Responsibilities: The Client recognizes and agrees that they have a responsibility to maintain constructions, plants, bushes, trees, and other installations in keeping with standard quality maintenance requirements for the Warranty to remain in effect. Client further recognizes and agrees that damage to construction, materials, horticulture elements and other warrantable items of the project will not be warranted if the damage or loss is due to elements beyond the control of

the Contractor. For example, flooding eaves, troughs that damage plants, fallen branches, animal caused damage, damaged/ burst irrigation or drainage pipes that were not maintained properly, use of improper chemicals, improper maintenance, extreme or unusual weather conditions, and similar and/or related situations

Highlands CDD October Irrigation Maintenance

Sprinkler Solutions of Florida was on site throughout the month of October conducting routine maintenance and monitoring site conditions. The ACC controller at the 301 entrance is inspected at least once a week to review the alarm status and station activity. The new LTE communication module was installed on September 30th and was working as expected. Several days after the installation, the module stopped communicating and Hunter was contacted to assist in the troubleshooting. They determined that its location was not ideal for the normal antenna and a stronger antenna on an extension was installed on October 21st. This has improved communications, and we can now look at the controller as needed. Any new alarms are investigated as soon as possible, and proposals are sent to make the necessary repairs.

In addition to routine maintenance, the following issues were addressed:

- Verified annual zones at both entrances are operational and the Nodes are working as expected.
- Added drip for new Magnolia trees in median entrance on Clyne Field Court.
- Located two previously unknown valves along Balm, east of Ayersworth. These valves are both spray zones and will irrigate the new trees once they are installed. No drip or bubblers were observed on the trees along Balm. These valves are not on either of the controllers on Ayersworth and additional troubleshooting will be required to fully automate them. In the meantime, Hunter Nodes were added to each valve to water the new trees.
- Quarterly pump maintenance on all four wells was conducted on October 9th. The only concern was a leaking start capacitor on the middle pump on Ayersworth. A proposal will be sent so the repair can be completed before it gets any worse.

According to the National Weather Service, the Tampa Bay area received 0.39" of rain in the month of October. This is well below the monthly average of 2.34 inches. After last year's record rainfall, the Tampa Bay area is up to 10" below historical rainfall totals for the first 10 months of the year. The US Seasonal Drought Outlook for the west coast of Florida is predicting that drought development is likely through the end of January. In addition, temperatures continue to be above normal, with the average temperature in October registering 0.9 -degrees above the historical average. These conditions will make it difficult to conserve water, but the systems will be shut down anytime there is significant rainfall in the area. It may be necessary to stop watering Bahia turf areas to focus more water on the heavily used St. Augustine and Bermuda areas. This is a decision that will be discussed with the Board.

Highlands Community Development District
c/o Inframark Infrastructure Management Services
5645 Coral Ridge Dr. #407
Coral Springs, Florida 33076

Thank you for choosing LLS Tax Solutions Inc. ("LLS Tax") to provide arbitrage services to Highlands Community Development District ("Client") for the following bond issue. This Engagement Letter describes the scope of the LLS Tax services, the respective responsibilities of LLS Tax and Client relating to this engagement and the fees LLS Tax expects to charge.

- \$7,195,000 Highlands Community Development District (Hillsborough County, Florida) Special Assessment Refunding Bonds, Series 2016

SCOPE OF SERVICES

The procedures that we will perform are as follows:

- Assist in calculation of the bond yield, unless previously computed and provided to us.
- Assist in determination of the amount, if any, of required rebate to the federal government.
- Issuance of a report presenting the cumulative results since the issue date of the issue of bonds.
- Preparation of necessary reports and Internal Revenue Service ("IRS") forms to accompany any required payment to the federal government.

As a part of our engagement, we will read certain documents associated with each issue of bonds for which services are being rendered. We will determine gross proceeds of each issue of bonds based on the information provided in such bond documents. You will have sole responsibility for determining any other amounts not discussed in those documents that may constitute gross proceeds of each series of bonds for the purposes of the arbitrage requirements.

TAX POSITIONS AND REPORTABLE TRANSACTIONS

Because the tax law is not always clear, we will use our professional judgment in resolving questions affecting the arbitrage calculations. Unless you instruct us otherwise, we will take the reporting position most favorable to you whenever reasonable. Any of your bond issues may be selected for review by the IRS, which may not agree with our positions. Any proposed adjustments are subject to certain rights of appeal. Because of the lack of clarity in the law, we cannot provide assurances that

the positions asserted by the IRS may not ultimately be sustained, which could result in the assessment of potential penalties. You have the ultimate responsibility for your compliance with the arbitrage laws; therefore, you should review the calculations carefully.

The IRS and some states have promulgated “tax shelter” rules that require taxpayers to disclose their participation in “reportable transactions” by attaching a disclosure form to their federal and/or state income tax returns and, when necessary, by filing a copy with the Internal Revenue Service and/or the applicable state agency. These rules impose significant requirements to disclose transactions and such disclosures may encompass many transactions entered into in the normal course of business. Failure to make such disclosures will result in substantial penalties. In addition, an excise tax is imposed on exempt organizations (including state and local governments) that are a party to prohibited tax shelter transactions (which are defined using the reportable transaction rules). Client is responsible for ensuring that it has properly disclosed all “reportable transactions” and, where applicable, complied with the excise tax provision. The LLS Tax services that are the subject of this Engagement Letter do not include any undertaking by LLS Tax to identify any reportable transactions that have not been the subject of a prior consultation between LLS Tax and Client. Such services, if desired by Client, will be the subject of a separate engagement letter. LLS Tax may also be required to report to the IRS or certain state tax authorities certain tax services or transactions as well as Client’s participation therein. The determination of whether, when and to what extent LLS Tax complies with its federal or state “tax shelter” reporting requirements will be made exclusively by LLS Tax. LLS Tax will not be liable for any penalties resulting from Client’s failure to accurately and timely file any required disclosure or pay any related excise tax nor will LLS Tax be held responsible for any consequences of its own compliance with its reporting obligations. Please note that any disclosure required by or made pursuant to the tax shelter rules is separate and distinct from any other disclosure that Client might be required to or choose to make with its tax returns (e.g., disclosure on federal Form 8275 or similar state disclosure).

PROFESSIONAL FEES AND EXPENSES

Our professional fees for the services listed above for the three annual bond years beginning October 17, 2025, through the period ending October 16, 2028, is \$1,500, which is \$500 each year. We will bill you upon completion of our services. Our invoices are payable upon receipt. Additionally, you may request additional consulting services from us upon occasion; we will bill you for these consulting services at a beforehand agreed upon rate.

Unanticipated factors that could increase our fees beyond the estimate given above include the following (without limitation). Should any of these factors arise we will alert you before additional fees are incurred.

- Investment data provided by you is not in good order or is unusually voluminous.
- Proceeds of bonds have been commingled with amounts not considered gross proceeds of the bonds (if that circumstance has not previously been communicated to us).
- A review or other inquiry by the IRS with respect to an issue of bonds.

The Client (District) has the option to terminate this Agreement within ninety days of providing notice to LLS Tax Solutions Inc. of its intent.

ACCEPTANCE

You understand that the arbitrage services, report and IRS forms described above are solely to assist you in meeting your requirements for federal income tax compliance purposes. This Engagement Letter constitutes the entire agreement between Client and LLS Tax with respect to this engagement, supersedes all other oral and written representations, understandings or agreements relating to this engagement, and may not be amended except by the mutual written agreement of the Client and LLS Tax.

Please indicate your acceptance of this agreement by signing in the space provided below and returning a copy of this Engagement Letter to us. Thank you again for this opportunity to work with you.

Very truly yours,
LLS Tax Solutions Inc.

Customer agrees to indemnify and hold Fitnessmith harmless from and against all claims, liabilities, costs, expenses and penalties arising out of or related to Customer's failure to timely report or pay any Taxes and Charges.

2.4 SECURITY INTEREST. To secure the payment and performance of all obligations due and owed by Customer to Fitnessmith hereunder, Customer hereby grants Fitnessmith a Uniform Commercial Code purchase money security interest in products purchased from Fitnessmith hereunder and proceeds therefrom. This Agreement constitutes a security agreement between Customer, as debtor, and Fitnessmith, as secured party, under the Uniform Commercial Code, and Fitnessmith has the rights and remedies of a secured party hereunder. Customer hereby appoints Fitnessmith as its attorney in fact to execute such financing statements as may be required, from time to time, to perfect the security interest granted herein. Fitnessmith may, upon default from Customer, require Customer to assemble the products and make them legally available to Fitnessmith for repossession, including reasonable access to the facilities of Customer, and Fitnessmith shall be entitled to all reasonable expenses of repossession, including reasonable attorney's fees incurred in connection therewith.

2.5 PRICE ADJUSTMENT FOR TARIFF AND FREIGHT. If any tax, public charge, tariff, duty, or increase therein, is now or hereafter assessed, levied, or imposed by any federal, state, municipal, or other governmental authority, (i) on the Products to be sold; (ii) or upon any sale, delivery, or other action taken hereunder; (iii) or upon the export or import of such Products; (iv) or if any change shall hereafter be made in the present custom house or railway classification of such Products or in existing freight rates applicable thereto, such change shall be borne by Customer, and the Customer shall pay Fitnessmith any increase in such taxes or any other such tariffs, or any such duties, assessed, levied, or imposed after the date of this Agreement with respect to the Products Customer purchases hereunder.

3. DELIVERY, ACCEPTANCE AND CANCELLATIONS.

3.1 DELIVERY. Fitnessmith shall use its best efforts in the ordinary course of business to affect deliveries to Customer as specified. In no event shall Fitnessmith be liable for any damages, consequential, incidental, liquidated or otherwise, arising from Fitnessmith's failure to meet any delivery date. Delays at Customer's request or due to Customer's failure may result in storage fees.

3.2 PARTIAL SHIPMENT. As products and/or parts ordered by Customer become available, Fitnessmith may make partial shipments and each shipment shall be invoiced separately. However, in no event shall partial shipments relieve Customer from its obligation to accept shipment of the remainder of the order.

3.3 ACCEPTANCE. Customer shall be solely responsible for inspecting each delivery of Products to confirm that all Products ordered are included within such delivery. In the event a Product is missing from a delivery, Customer shall immediately inform Fitnessmith of the missing Product(s). Products which are to be installed by Fitnessmith shall be deemed accepted following installation in accordance with Section 4.1 below. All other Products and Custom Products shall be deemed accepted by Customer upon delivery. Acceptance of any Product shall not limit

Fitnessmith's warranty obligations under Section 5 below.

3.4 RETURNS. Except as provided in Section 5.1 with regards to warranty claims, all Product sales are final, and no returns will be accepted without Fitnessmith's written approval. Fitnessmith may, in its sole discretion and subject to a minimum twenty five percent (25%) restocking fee of the original purchase price, accept returns of non-defective, non-custom Products within fifteen (15) days of delivery. However, any Custom Products and/or Customer modified Products ordered from Fitnessmith are not subject to cancellation and/or are unable to be returned.

3.5 CANCELLATION. Customer may cancel a purchase order for non-custom Products, provided such partial or total cancellation request is more than thirty (30) days from the scheduled delivery date. In the event of total or partial cancellation of any such order, Customer shall reimburse Fitnessmith for all reasonable costs arising out of the order and its cancellation, including, but not limited to, any costs of labor, material, and overhead charges. Any purchase order for non-custom products which are refused by Customer or canceled less than thirty (30) days prior to the scheduled delivery date shall be subject to a cancellation and restocking fee of twenty-five percent (25.00%) of the original purchase price. However, any Custom Products and/or Customer modified Products ordered from Fitnessmith are not subject to cancellation and/or are unable to be returned.

4. INSTALLATION, MAINTENANCE AND TRAINING SERVICES.

4.1 INSTALLATION. At the time the order is placed, the Customer will provide Fitnessmith with an installation date. Fitnessmith will make reasonable commercial efforts to install the product on or before the installation date. Product held more than 10 days after the installation date at the Customer's request will be subject to a storage fee. Product held more than 30 days past the installation date at the Customer's request may be subject to a 15% restocking fee as well as a storage fee. Partial installations require the installed product to be paid per the terms of the invoice. Subject to payment of the applicable installation fees, Fitnessmith shall install the Products purchased by Customer hereunder; provided that Customer shall (a) provide Fitnessmith, its employees and authorized representatives reasonable access to Customer's premises as necessary for Fitnessmith to perform the installation services hereunder; (b) ensure a safe and suitable installation and working environment; (c) take all other steps necessary to prepare the site for installation. Customer warrants that there are adequate and sufficient services and infrastructure, including phone lines and exchange facilities, available to Fitnessmith for the installation of the Product(s), and that such services and infrastructure are in accordance with Fitnessmith's requirements. Fitnessmith accepts no responsibility whatsoever for delays occasioned by the lack of availability of such services or infrastructure. In the event a site is unprepared in any way at the time of scheduled installation such that a return visit is required by Fitnessmith for completion of the installation, Customer may be billed an additional fee at Fitnessmith's sole discretion. Following installation, Customer has a five (5) business day acceptance period within which it is required to provide Fitnessmith with its written acceptance of the installation. In the event installation is to occur at multiple Customer sites, the foregoing installation and acceptance procedure shall apply independently to each site, such that acceptance at a site shall not be impacted in any way or conditioned upon acceptance at any other site(s).

4.2 MAINTENANCE. Fitnessmith shall have no obligation to provide any maintenance and support services hereunder. Customer may purchase maintenance and support services at the annual fee applicable to the level of service to be provided, subject to the terms and conditions set forth in Fitnessmith's preventative maintenance and services agreement ("**Preventative Maintenance Services Agreement**"), a copy of which is available upon request.

4.3 TRAINING. Subject to Fitnessmith's express consent and Customer's payment of the applicable training fees, Fitnessmith shall provide Customer such training as Customer may order from time to time, the location, and times of which shall be mutually agreed upon by the parties.

5. LIMITED WARRANTY.

5.1 PRODUCT WARRANTY. Fitnessmith warrants to Customer that (a) the Product(s) will be free from defects in material and workmanship and will conform to the manufacturer's applicable published specifications. The foregoing warranty shall (a) only apply for the period warranted by the manufacturer from the date of delivery to Customer (the "**Product Warranty Period**") and (b) only extends to Customer and may not be assigned or otherwise transferred to a third party. As Fitnessmith's sole obligation, and Customer's sole and exclusive remedy for any breach of the warranty set forth in this Section 5.1, Fitnessmith or the manufacturer shall repair or, at its option, replace the defective Product, or component thereof. Unless alternative procedures have been agreed to between Customer and Fitnessmith in a Preventative Maintenance and Services Agreement, in effect concurrently with the Product Warranty Period, to obtain warranty service Customer must contact Fitnessmith or the manufacturer.

5.2 INSTALLATION AND SERVICES WARRANTY. Fitnessmith warrants to Customer that the installation and training services provided hereunder will be performed in a professional manner consistent with industry standards. Fitnessmith shall, as its sole obligation and Customer's sole and exclusive remedy for any breach of the warranty set forth in this Section 5.2, re-perform the services which gave rise to the breach or, at Fitnessmith's option, refund the fees paid by Customer for the services which gave rise to the breach; provided that Customer shall notify Fitnessmith in writing of the breach within thirty (30) days following performance of the defective services, specifying the breach in reasonable detail.

5.3 WARRANTY EXCLUSIONS AND DISCLAIMER. EXCEPT FOR THE LIMITED WARRANTIES SET FORTH IN SECTIONS 5.1 AND 5.2 ABOVE, THE PRODUCTS AND SERVICES ARE PROVIDED "AS IS," WITHOUT REPRESENTATIONS OR WARRANTIES OF ANY KIND. FITNESSMITH EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS, IMPLIED, INCLUDING BUT NOT LIMITED TO ANY

WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT OF THIRD-PARTY RIGHTS. FITNESSMITH DOES NOT WARRANT THAT THE PRODUCTS OR SERVICES FURNISHED TO CUSTOMER HEREUNDER WILL MEET CUSTOMER'S REQUIREMENTS, THAT THE OPERATION OF THE PRODUCTS WILL BE UNINTERRUPTED OR ERROR-FREE OR THAT ALL ERRORS WILL BE CORRECTED. CUSTOMER ACKNOWLEDGES THAT IT HAS RELIED ON NO WARRANTIES OTHER THAN THE EXPRESS WARRANTIES PROVIDED HEREIN.

6. INDEMNIFICATION.

6.1 Fitnessmith shall defend, indemnify and hold Customer, its officers, employees, agents, and assigns harmless from and against any and all liability, loss, expense (including attorneys' fees), or claims for injury or damages arising out of the performance under this Agreement related to the delivery and installation of fitness equipment, but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent, reckless, or intentional acts or omissions of Fitnessmith, its officers, agents, employees, or assigns. However, Fitnessmith shall not be liable for any claim made against Fitnessmith unless written notice of any such claim has been provided to Fitnessmith on a timely basis in order to allow Fitnessmith the full opportunity to immediately investigate and/or resolve any such claim. Fitnessmith's sole liability, whether in contract or tort, including negligence, or otherwise, for any loss or damage shall be limited to damages resulting from the performance of this Agreement, as specified herein.

6.2 Customer shall defend, indemnify and hold Fitnessmith, its officers, employees, agents, and assigns harmless from and against any and all liability, loss, expense (including attorneys' fees), or claims for injury or damages arising out of performance under this Agreement related to the delivery and installation of fitness equipment, but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent, reckless, or intentional acts or omissions of Customer, its officers, agents, employees, or assigns.

6.3 Customer acknowledges and agrees that Fitnessmith is a reseller of the equipment and products being provided for under the terms of this Agreement, and not the manufacturer of any such equipment and/or products being provided for under the terms of this Agreement. As a result, Fitnessmith is not liable for any damage or deficiencies in equipment and/or products supplied to Customer, including, without limitation, the equipment and/or products being provided for under the terms of this Agreement. The manufacturer of the equipment and products being provided for under the terms of this Agreement, supplies a manufacturer's warranty and Customer agrees that any claims by Customer for damage or deficiencies in such equipment and/or products shall be made directly to the manufacturer and Fitnessmith or is released from any and all liability in respect of damage or deficiencies to such equipment and/or products being provided for under the terms of this Agreement.

6.4 In the event of any such recall or withdrawal of any equipment being provided for under this Agreement, Customer agrees to make any such claims for reasonable expenses incurred directly to the manufacturer of such equipment and Fitnessmith is released from any and all liability in respect to damages and/or expenses incurred for any such recall or withdrawal of equipment being provided for under this Agreement.

7. LIMITATION OF LIABILITY. IN NO EVENT SHALL FITNESSMITH BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION ANY LOST DATA, LOST PROFITS AND COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, ARISING OUT OF OR RELATED TO THIS AGREEMENT, THE USE OF OR INABILITY TO USE THE EQUIPMENT OR THE SOFTWARE OR ANY SERVICES PERFORMED HEREUNDER, REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT OR OTHERWISE, EVEN IF FITNESSMITH HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FITNESSMITH'S TOTAL AGGREGATE LIABILITY FOR ALL DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE PRODUCTS OR SERVICES PROVIDED HEREUNDER SHALL NOT EXCEED THE AMOUNT PAID BY CUSTOMER FOR THE SPECIFIC PRODUCT OR SERVICE GIVING RISE TO THE CLAIM. TO THE FULLEST EXTENT PERMITTED BY LAW, FITNESSMITH SHALL NOT BE LIABLE TO CUSTOMER IN RESPECT OF ANY CLAIM FOR WHICH WRITTEN NOTICE IS NOT PROVIDED TO FITNESSMITH WITHIN TWELVE (12) MONTHS FROM THE DATE ON WHICH THE CLAIM ARISES. THE PARTIES ACKNOWLEDGE AND AGREE THAT THIS SECTION IS AN ESSENTIAL ELEMENT OF THIS AGREEMENT AND THAT, IN ITS ABSENCE, THE ECONOMIC TERMS OF THIS AGREEMENT WOULD BE SUBSTANTIALLY DIFFERENT.

8. MISCELLANEOUS.

8.1 GOVERNING LAW AND VENUE. This Agreement shall be construed in accordance with, and all disputes hereunder shall be governed by, the laws of the State of Florida. All parties to this Agreement agree to submit to personal jurisdiction in the County of Palm Beach, State of Florida, United States of America. Any dispute that arises under or relates to this Agreement (whether contract, tort or both) shall be resolved in the applicable Federal or state court in the County of Palm Beach, State of Florida, United States of America.

8.2 PUBLICITY. Customer agrees that Fitnessmith may refer to its relationship with Customer in presentations and marketing materials, provided, however, Fitnessmith will not issue any press release concerning its relationship with Customer without Customer's prior written consent (not to be unreasonably withheld). Notwithstanding the foregoing, Fitnessmith shall not be restricted from disclosing any information as required by applicable law, regulation, or ordinance.

8.3 ASSIGNMENT. This Agreement may not be assigned to another party by either Party, either in whole or in part, without the prior written consent of the other Party, and such consent shall not be unreasonably withheld.

8.4 WAIVER. No failure or delay on the part of either party in exercising any right or remedy hereunder will operate as waiver thereof, nor will any or a single or partial exercise of any such right or remedy preclude any other or further exercise thereof of any other right or remedy. No provision of this Agreement may be waived except in a writing signed by the party granting such waiver.

8.5 FORCE MAJEURE. Neither Party shall be responsible for any failure to perform due to causes beyond a Party's reasonable control, including but not limited to labor disputes, strikes, acts of God, fire, delays in transportation, interruption or failure of electricity or communications systems, governmental actions or any such event deemed to be a pandemic. Any delay beyond a Party's reasonable control shall be excused and the period of performance extended as may be necessary to enable the Party to perform after the cause of delay has been removed.

8.6 ATTORNEY'S FEES. If any party institutes any action or proceeding, the prevailing party shall be entitled, in addition to such other relief as may be granted, to be reimbursed by the losing party for all costs and expenses incurred thereby, including, but not limited to, reasonable attorneys' fees (including pre-judgment and post-judgment) and costs

8.7 NOTICE. Except as permitted elsewhere in this Agreement, all notices or other communications required or permitted under this Agreement shall be in writing and sent by registered or certified mail, postage prepaid, or by express delivery service, or delivered personally, by private courier, and followed by such mailing. Notice shall be deemed to have been given upon receipt.

8.8 AUTHORIZED PARTIES. Each of the Parties hereto represents to the other that (i) it has full power, authority and legal right to enter into and perform this Agreement, (ii) the execution, delivery and performance of this Agreement has been duly authorized by all necessary action on each party's part, does not require any approvals or consents except such approvals and consents as have heretofore been duly obtained or which are specifically enumerated herein to which this Agreement is subject, and (iii) this Agreement does not contravene any law binding on either of the parties or contravene any agreement to which either of the parties hereto is a party or by which it is bound, or any law, governmental rule, regulation or order. Upon request, each of the parties will provide the other party with documentary evidence of its authority to enter into this Agreement.

8.9 ENTIRE AGREEMENT. This Agreement constitutes the entire agreement between the parties regarding the subject hereof and supersedes all prior or contemporaneous agreements, understandings, and communication, whether written or oral. This Agreement shall not be modified except by a subsequently dated written amendment signed on behalf of F and Customer by their duly authorized representatives.

Ann Arbor

Product Description —

With two Straight Slides to race down and a Right Turn Slide for added enjoyment, the Ann Arbor outdoor play set offers children a chance to develop skills in an exciting and engaging way. Kids can make their way to the top platforms using the Pea Pod Climber with alternating steps, by choosing the Disk Climber for an added level of difficulty, or by using the Vertical Ladder for easy access. The structure also has a Transfer Station to allow less abled children to benefit from all the fun the Ann Arbor offers such as the colorful Gear Panel. Younger children will love to climb through the Curved Tube Bridge to get from one side to the other and there's a range of activities on ground level. From banging the Single Drum and Bongos to make deep resonating sounds to piloting their very own galleon with the Ship's Wheel, there's no end to the activities that can be enjoyed when this play structure is added to a playground.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, please call us at the telephone number on the front of this statement, or write to us at: Elan Financial Services, P.O. Box 6335, Fargo, ND 58125-6335.

In your letter or call, give us the following information:

- ▶ Account information: Your name and account number.
- ▶ Dollar amount: The dollar amount of the suspected error.
- ▶ Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appeared on your statement. While we investigate whether or not there has been an error, the following are true:
 - ▶ We cannot try to collect the amount in question, or report you as delinquent on that amount.
 - ▶ The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
 - ▶ While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
 - ▶ We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)

2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.

3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: Elan Financial Services, P.O. Box 6335, Fargo, ND 58125-6335. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

Important Information Regarding Your Account

1. INTEREST CHARGE: Method of Computing Balance Subject to Interest Rate: We calculate the periodic rate or interest portion of the INTEREST CHARGE by multiplying the applicable Daily Periodic Rate ("DPR") by the Average Daily Balance ("ADB") (including new transactions) of the Purchase, Advance and Balance Transfer categories subject to interest, and then adding together the resulting interest from each category. We determine the ADB separately for the Purchases, Advances and Balance Transfer categories. To get the ADB in each category, we add together the daily balances in those categories for the billing cycle and divide the result by the number of days in the billing cycle. We determine the daily balances each day by taking the beginning balance of those Account categories (including any billed but unpaid interest, fees, credit insurance and other charges), adding any new interest, fees, and charges, and subtracting any payments or credits applied against your Account balances that day. We add a Purchase, Advance or Balance Transfer to the appropriate balances for those categories on the later of the transaction date or the first day of the statement period. Billed but unpaid interest on Purchases, Advances and Balance Transfers is added to the appropriate balances for those categories each month on the statement date. Billed but unpaid Advance Transaction Fees are added to the Advance balance of your Account on the date they are charged to your Account. Any billed but unpaid fees on Purchases, credit insurance charges, and other charges are added to the Purchase balance of the Account on the date they are charged to the Account. Billed but unpaid fees on Balance Transfers are added to the Balance Transfer balance of the Account on the date they are charged to the Account. In other words, billed and unpaid interest, fees, and charges will be included in the ADB of your Account that accrues interest and will reduce the amount of credit available to you. To the extent credit insurance charges, overlimit fees, Annual Fees, and/or Travel Membership Fees may be applied to your Account, such charges and/or fees are not included in the ADB calculation for Purchases until the first day of the billing cycle following the date the credit insurance charges, overlimit fees, Annual Fees and/or Travel Membership Fees (as applicable) are charged to the Account. Prior statement balances subject to an interest-free period that have been paid on or before the payment due date in the current billing cycle are not included in the ADB calculation. If you do not pay your New Balance in full by the Payment Due Date, you will not get an interest-free period on Purchases again until you pay the New Balance in full by the Payment Due Date for two billing cycles in a row.

2. Payment Information: We will accept payment via check, money order, the internet (including mobile and online) or phone or previously established automatic payment transaction. You must pay us in U.S. Dollars. If you make a payment from a foreign financial institution, you will be charged and agree to pay any collection fees added in connection with that transaction. The date you mail a payment is different than the date we receive the payment. The payment date is the day we receive your check or money order at Elan Financial Services, P.O. Box 790408, St. Louis, MO 63179-0408 or the day we receive your internet or phone payment. All payments by check or money order accompanied by a payment coupon and received at this payment address will be credited to your Account on the day of receipt if received by 5:00 p.m. CT on any banking day. Payments sent without the payment coupon or to an incorrect address will be processed and credited to your Account within 5 banking days of receipt. Payments sent without a payment coupon or to an incorrect address may result in a delayed credit to your Account, additional INTEREST CHARGES, fees, and/or Account suspension. The deadline for on-time internet and phone payments varies, but generally must be made before 5:00 p.m. CT to 8 p.m. CT depending on what day and how the payment is made. Please contact Elan Financial Services for internet, phone, and mobile crediting times specific to your Account and your payment option. Banking days are all calendar days except Saturday, Sunday and federal holidays. Payments due on a Saturday, Sunday or federal holiday and received on those days will be credited on the day of receipt. There is no prepayment penalty if you pay your balance at any time prior to your payment due date.

3. Credit Reporting: We may report information on your Account to Credit Bureaus. Late payments, missed payments or other defaults on your Account may be reflected in your credit report.
