SAVE MONEY WITH IRRIGATION REBATES

RECEIVE REBATES UP TO 50% OF PROJECT COSTS

Landscaping and irrigation projects that reduce water use can receive funding from the Tampa Bay Water Wise program. The water must be potable (not reclaimed) water from Hillsborough County, Pasco County, Pinellas County, City of Tampa, New Port Richey or St. Petersburg. Typical project locations include common areas of HOAs and commercial landscaping.

Eligible Projects May Include:

- WaterSense labeled irrigation controllers
- Separation of mixed irrigation zones
- Weather stations for irrigation control
- High-efficiency nozzles
- Pressure regulating devices
- Conversion to microirrigation

Real Project Examples:

A 44-unit condo association in St. Petersburg reduced their irrigation water use by over 50,000 gallons per month from the installation of weather-based irrigation controllers, high-efficiency nozzles, and drip line conversion. 75% of the project costs were covered by Tampa Bay Water Wise and the Southwest Florida Water Management District's WISE grant program.

A Tampa townhome community's irrigation system upgrade included pressure regulating spray bodies, the installation of weather-based irrigation controllers with flow sensing technology and increased efficiency of sprinkler heads by relocating and/or capping heads. The community saved an estimated 76,050 gallons per month, and 50% of project costs were covered by Tampa Bay Water Wise.

Subject: Hillsborough County Water Efficiency Rebates Available

To: highlandsboardseat5@gmail.com <highlandsboardseat5@gmail.com>

Good afternoon,

My name is Ariana, and I work for a program called Tampa Bay Water Wise, a regional water conservation initiative that provides rebates for potable water efficiency projects.

We are funded by six local water utilities - the Cities of Tampa, St. Pete, and New Port Richey, as well as the Counties of Hillsborough, Pasco, and Pinellas, and the Southwest Florida Water Management District.

Tampa Bay Water Wise provides rebates of up to 50% of project costs for qualifying water-efficiency upgrades — helping offset project costs while improving compliance and performance.

We often work with HOA/CDD and condo communities on projects such as:

- Irrigation system improvements that use potable water such as (but not limited to): installing high-efficiency rotary nozzles, pressure regulated spray bodies, the installation or repair of a rain sensor, WaterSense labeled soil moisture sensor, irrigation controllers, etc.
- Upgrades in common area bathroom improvements, such as WaterSense labeled toilets, sinks, and showers.

I often work with property managers early in the planning process to help maximize available incentives and ensure projects meet rebate requirements. With the newly announced watering restrictions from the Southwest Florida Water Management District, many HOAs will be looking for ways to improve irrigation efficiency, save on water costs, and stay compliant.

I'd be happy to help schedule a time to identify which projects might qualify for rebates and discuss next steps for your community. Please let me know a convenient time, and we can set it up.

Thank you again for your time, and I look forward to helping your community maximize water savings.

Best,
Ariana

Prepared For Board Of Supervisors

18 Items Identified

18 Items Incomplete

John Fowler

Inframark

Item 1

Assigned To: Board Information/District Engineer

Pond 16 may need bank erosion restoration. Asking if engineer needs to investigate?

Item 2

Assigned To: Advanced Aquatics

Washout that I will monitor on the east bank of pond 7. Treat undesirable weeds along water edge.

Item 3

Assigned To: Pine Lake

Ensure the CDD fence is being weeded or treated along south end of pond 8.

Item 4

Assigned To: Advanced Aquatics/Pine Lake

Treat weeds in rip rap rock for pond 3C. Not sure if this landscape vendor or pond vendor responsibly.

Item 5

Assigned To: Board Information

Noting county was onsite during this inspection working on Ayersworth Glen Blvd. and US 301. Will continue to monitor.

Item 6

Assigned To: Maintenance

Noting a sign is backwards and needs to be straightened for a pond PH2-3A West. Otherwise, this pond is in good shape.

Item 7

Assigned To: Advanced Aquatics

Treat submerged weeds starting to surface for pond PH2-3A East.

Item 8

Assigned To: Pine Lake

Noting the declining Magnolia tree is not improving for median island on Haddon Mist Dr. Will continue to monitor and may want to consider removing in the future.

Item 9

Assigned To: Pine Lake

Ensure signs are weedeated around each mowing service. They were missed for pond 20 North.

Item 10

Assigned To: Pine Lake

Remove Crepe Myrtle sucker growth at median island of Clyne Field Ct. by monument.

Item 11

Assigned To: Pine Lake

Overall, the Ixora are recovering nicely from rejuvenation cut back at Ayersworth Glen Blvd. and CR 672 intersection. There are a couple that might need to be removed.

Item 12

Assigned To: Pine Lake

Diagnose and treat a few declining turf areas in the median islands and right of ways on Aylesworth Glen Boulevard, most notably from amenities area to 301.

Item 13

Assigned To: Pine Lake

Diagnose and treat some declining Crinum Lilies inside the community pool area. Remove any diseased or dead material.

Item 14

Assigned To: Board Information/Pine Lake

Noting overall, the Hibiscus are recovering the nicely from rejuvenation cut back. There are a couple struggling and will continue to monitor for possible replacement if no improvement in future.

Item 15

Assigned To: Pine Lake

Clean out dead material in the White Bird of Paradise on the south side of the community amenity building.

Item 16

Assigned To: Maintenance

Noting an electrical GFI outlet needs a cover installed for the outside of the bathrooms at the community pool.

Item 17

Assigned To: Pine Lake

Noting some of the Petite Ixora in front of the community amenity building showing signs of nutrient deficiency. Diagnose and treat accordingly.

Item 18

Assigned To: Pine Lake

Diagnose and treat declining Ligustrums at the community basketball court. I feel these may never thrive being in competition with Oak trees next to them. The others outside the basketball court, not under Oaks, are doing well.

Dear Valued Customer,

There is a possibility that you or your property will be affected by a major storm this season. Please be aware that Pine Lake Services has a response action plan to address the landscape needs of your customers. We are preparing now to effectively respond to any landscape damage left behind by a potential storm.

Please make an appointment with your account manager to schedule a property assessment to identify any hazards or potential risks that could exist. A small amount of maintenance can prevent much more damage in the unfortunate event we are in the path of a large storm.

If a named storm is predicted to make landfall at or near your site, your account manager will also provide documentation and approval forms granting us permission to immediately service and address your property should the need arise. We will send out the pricing rates once a relevant storm is imminent. With your agreement, our staff will initially canvas every property that Pine Lake provides landscape maintenance services to and then will dispatch to pre-authorized/approved customers a clean-up team based on the following priorities:

- 1st Objective: Clearing vehicle access to allow emergency personnel access to your property.
- 2nd Objective: Clearing debris from structural dwellings/vehicles that may pose immediate risk or danger.
- 3rd Objective: Remove hazardous/damaged limbs remaining in trees versus on the ground.
- 4th Objective: Re=planting plant material that may have chance of surviving if root balls can be planted and watered in very soon.

As a company, we will be prepared to mobilize additional Pine Lake Services resources from our extensive sub-contractor if needed to help expedite clean-up response efforts.

Once the priorities detailed above have been met, we will address chipping and removing tree limbs left on the ground from initial clearing efforts, as well as removal of root balls and large wood trunks or branches remaining on properties. The final phase would include restoration of damages or losses resulting from the storm and associated clean-up. We would anticipate a return to expected maintenance operations the following week for all but the most severely impacted properties.

We encourage you to be as prepared as you can to help ensure a timely and effective response should we suffer an unfortunate event.

Sincerely,

Your Pine Lake Services Management

Pine Lake Services Hurricane/Storm Response Pre-Approval Form

In our effort to provide a faster response to our customers in assessing potential damage, Pine Lake Services, is soliciting approval commitments from our customers. This pre-approval will give us permission to come onto your properties as soon as it is safe for our team to dispatch. Our managers will inspect your site, photo document any damage or concerns and generate an estimate for clean-up/repair. The pre-approval will allow us to complete emergency repair only (priority 1 damage only) in the event we cannot get a hold of your or your representatives). If clean-up/repairs are needed above the priority 1 issues, your Pine Lake Services Account Manager will contact you for approval. Many of our customers that have used this service in the past have enjoyed the quick response and priority given to their properties and the reduced risk of potential related liabilities that may compound if not acted upon quickly.

#	Date	Product or service	Description	Qty	Rate	Amount
1.		Erosion/Pond Bank Restoration	Location 1 -- Restore 150 linear feet of pond bank to 4:1 slope with imported fill, geotextile liner, and Bahia sod. All work to conform to "Fabric replacement shoreline" specification provided by BDi. Pricing is inclusive of repairs to any access routes or staging areas. Access easement between 10633 and 10635 is currently fenced. Fences must be removed or other nearby access must be provided.	150	\$90.00	\$13,500.00
2.		Erosion/Pond Bank Restoration	Location 2 -- Restore 35 linear feet of pond bank to 4:1 slope with imported fill, geotextile liner, and Bahia sod. All work to conform to "Fabric replacement shoreline" specification provided by BDi. Pricing is inclusive of repairs to any access routes or staging areas. Access easement between 10633 and 10635 is currently fenced. Fences must be removed or other nearby access must be provided.	35	\$90.00	\$3,150.00
3.		Erosion/Pond Bank Restoration	Location 3 -- Restore 35 linear feet of pond bank to 4:1 slope with imported fill, geotextile liner, and Bahia sod. All work to conform to "Fabric replacement shoreline" specification provided by BDi. Pricing is inclusive of repairs to any access routes or staging areas. Access easement between 10813 and 10815 is currently partially blocked by fencing on 10815. Access may stay in the easement but may necessarily encroach on 10813 unless fence is moved.	35	\$90.00	\$3,150.00

4.

This quote encompasses all RED sections in the provided request, a total of 220 linear feet. The YELLOW sections total an additional 585 linear feet. \$90 per linear foot cost can be held for 90 days if any/all of this area is added. If contracted next year, our expectation is that cost per foot would be 10-20% greater. Pricing can be reduced to \$80 per linear foot if all 805 feet are contracted within 30 days (\$64,400)

Total

\$19,800.00

Cancellation by either the Customer or Sitex may terminate the Agreement without cause at any time. Termination shall be by written notice, received by either the customer or Sitex at least thirty (30) days prior to the effective date of the termination.

Neither party shall be responsible for damage, penalties or otherwise for any failure or delay in performance of any of its obligations hereunder caused by strikes, riots, war, acts of Nature, accidents, governmental orders and regulations, curtailment or failure to obtain sufficient material, or other force majeure condition (whether or not of the same class or kind as those set forth above) beyond its reasonable control and which, by the exercise of due diligence, it is unable to overcome. • Sitex agrees to hold Customer harmless from any loss, damage or claims arising out of the sole negligence of Sitex. However, Sitex shall in no event be liable to Customer or other for indirect, special or consequential damage resulting from any cause whatsoever.

It is agreed by both Parties that the work performed under this Agreement will be done on a schedule that is sensitive to the overall function of the property. Additionally, it is understood that all work will be performed during the normal business week (Monday-Friday) unless otherwise stipulated.

Sitex shall maintain the following insurance coverage and limits;

- (a) Workman's Compensation with statutory limits;
- (b) Automobile Liability;
- (c) Comprehensive General Liability including Property Damage, Completed Operations, and Product Liability.

A Certificate of insurance will be provided upon request. Customers requesting special or additional insurance coverage and/or language shall pay resulting additional premium to Sitex to provide such coverage. • This Agreement shall be governed by the laws of the state of Florida.

To:  Cole, KristeeCc:  MacGregor, Sandra;  Kapatsyna, Diana

Hi Kristee,

I noticed that Highlands CDD has a reserve fund but not separate bank account. Does the board wish to open a separate bank account for their Reserves? I would advise they do as there is a large due to reserve on the balance sheet of \$456,501. They would need to make motion and approve at a meeting. If they do please have the minutes sent to me so that we can get the account open.

Thanks,

Natasha Sowani | Director of Accounting

FOURTH ORDER OF BUSINESS Staff Reports

A. Aquatics Inspection Report

Mr. Jaszak reported that water levels throughout the District were currently low.
The Board received the report.

B. Field Inspection Report

Mr. Fowler presented his report to the Board. Discussion ensued regarding conditions along Sumner Road; however, it was noted that maintenance of Sumner Road is under the jurisdiction of the County. The Board had no additional questions.

C. Landscape Report

Mr. Carvajal provided an update on landscape maintenance activities within the District. He reported that Item 11 had been addressed, turf fertilization had been completed, Items 14 and 15 had been completed, and the newly installed plantings were performing satisfactorily with an estimated 90% survival rate. The Board received the update.

i. Ratification of Watering New Plants Along the Wall

Discussion ensued regarding the watering of newly installed plants along the wall. The Board approved up to two additional water truck applications, subject to weather conditions and rainfall levels. Representatives from Pine Lake advised that a Magnolia tree would be provided at no additional cost once rainfall conditions improve.

On MOTION by Mr. Bouthot, seconded by Ms. Chu, with all in favor, the Board ratified the Watering New Plants Along the Wall. 4-0

ii. Consideration of Brazilian Pepper Cut Back Proposal

On MOTION by Ms. Baxter, seconded by Mr. Bouthot, with Mr. Orlando opposed, the Board approved the Brazilian Pepper Cut Back Proposal. 3-1

D. Irrigation Report

Ms. Huff presented the irrigation report and advised the Board that utilizing water trucks remained the most effective option at this time due to ongoing drought conditions impacting the area. The Board received the report.

78 **i. Ratification of Irrigation Variance Request Proposal**

79 Discussion ensued regarding the irrigation variance request. Ms. Cole to provide the
80 irrigation variance Ordinance to Ms. Huff for processing of the variance request.

81

NOTICE OF QUALIFYING PERIOD FOR CANDIDATES FOR THE BOARD OF SUPERVISORS OF THE HIGHLANDS COMMUNITY DEVELOPMENT DISTRICT

Notice is hereby given that the qualifying period for candidates for the office of Supervisor of the Highlands Community Development District ("District") will commence at noon on June 8, 2026, and close at noon on June 12, 2026. Candidates must qualify for the office of Supervisor with the Hillsborough County Supervisor of Elections located at 2514 North Falkenburg Road, Tampa, FL 33619, Phone (813) 744-5900. All candidates shall qualify for individual seats in accordance with Section 99.061, Florida Statutes, and must also be a "qualified elector" of the District, as defined in Section 190.003, Florida Statutes. A "qualified elector" is any person at least 18 years of age who is a citizen of the United States, a legal resident of the State of Florida and of the District, and who is registered to vote with the Hillsborough County Supervisor of Elections. Campaigns shall be conducted in accordance with Chapter 106, Florida Statutes.

The Highlands Community Development District has 2 seats up for election, specifically Seat 2, currently held by Trang Chu and Seat 5 currently held by Kangelia Baxter. Each seat carries a four-year term of office. Elections are nonpartisan and will be held at the same time as the general election on November 3, 2026, and in the manner prescribed by law for general elections.

For additional information, please contact the Hillsborough County Supervisor of Elections.

Billing Information

Tax and Fees - This statement reflects the current taxes and fees for your area (including sales, excise, user taxes, etc.). These taxes and fees may change without notice. Visit spectrum.net/taxesandfees for more information.

Spectrum Terms and Conditions of Service – In accordance with the Spectrum Business Services Agreement, Spectrum services are billed on a monthly basis. Spectrum does not provide credits for monthly subscription services that are cancelled prior to the end of the current billing month.

Terms & Conditions - Spectrum's detailed standard terms and conditions for service are located at spectrum.com/policies.

Notice - Nonpayment of any portion of your cable television, high-speed data, and/or Digital Phone service could result in disconnection of any of your Spectrum provided services.

Insufficient Funds Payment Policy - Charter may charge an insufficient funds processing fee for all returned checks and bankcard charge-backs. If your check, bankcard (debit or credit) charge, or other instrument or electronic transfer transaction used to pay us is dishonored, refused or returned for any reason, we may electronically debit your account for the payment, plus an insufficient funds processing fee as set forth in your terms of service or on your Video Services rate card (up to the amount allowable by law and any applicable sales tax). Your bank account may be debited as early as the same day payment is dishonored, refused or returned. If your bank account is not debited, the returned check amount (plus fee) must be replaced by cash, cashier's check or money order.

Billing Practices - Spectrum Business mails monthly, itemized invoices for all monthly services in advance. A full payment is required on or before the due date indicated on this invoice. Payments made after the indicated due date may result in a late payment processing charge. Failure to pay could result in the disconnection of all your Spectrum Business service(s). Disconnection of Business Voice service may also result in the loss of your phone number.

Changing Business Locations - Please contact Spectrum Business before moving your Business Voice modem to a new address. To establish service at your new location or return equipment, please contact Spectrum Business at least twenty-one (21) business days prior to your move.

Past Due Fee / Late Fee Reminder - A late fee will be assessed for past due charges for service.

Complaint Procedures: If you disagree with your charges, you need to register a complaint no later than 60 days after the due date on your bill statement.

Video Closed Captioning Inquiries - Spectrum provided set-top boxes for video consumption support the ability for the user to enable or disable Closed Captions for customers with hearing impairment.

For immediate closed captioning concerns, call **855-70-SPECTRUM** or email closedcaptioningsupport@charter.com.

To report a complaint on an ongoing closed captioning issue, please send your concerns via US Mail to W. Wesselman, Sr. Director, 2 Digital Place, Simpsonville, SC 29681, send a fax to **1-704-697-4935**, call **1-877-276-7432** or email closedcaptioningissues@charter.com.

A few tips and reminders: (PLEASE READ BELOW)

- 1) We accept cash and most credit cards (not AmEx). If paying with cash, please note that our drivers don't carry change. Payment is due prior to set up. Due to the number of returned checks we no longer accept checks as a form of payment.
- 2) Please call our office if you have stairs or a tiered backyard, so we can discuss setup options.
- 3) We can set up on most surfaces but not rocks or dirt of any kind. If this type of topography is all you have, please call us or make a note at online checkout under

customer comments that a tarp is needed. Please call us if you are unsure.

4) All inflatable units MUST be staked in the ground for safety. If this is not possible call our office to discuss a solution. Sandbags can be used on concrete surfaces and must be selected at time of order checkout so we know to load them on our truck.

5) We will call you the day before your event with a set up time (we sometimes have to arrive very early to get all of the jumps out on time but we do not charge for the extra time)

6) Please call as early as possible if you need to cancel for weather or any other reason. Once we've set up, we do not give refunds for any reason including weather. Please see the FAQ and Policies pages on our web site.

7) If your event will be at a park. Please tell us and select YES at checkout for park. It affects our scheduling and your pricing. You will need to either provide electricity within 75' or rent a generator which we can provide at an additional cost.

We want your party to go as smoothly as possible. Please call if you have any questions. Thanks!

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, please call us at the telephone number on the front of this statement, or write to us at: Elan Financial Services, P.O. Box 6335, Fargo, ND 58125-6335.

In your letter or call, give us the following information:

- ▶ Account information: Your name and account number.
- ▶ Dollar amount: The dollar amount of the suspected error.
- ▶ Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appeared on your statement. While we investigate whether or not there has been an error, the following are true:
 - ▶ We cannot try to collect the amount in question, or report you as delinquent on that amount.
 - ▶ The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
 - ▶ While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
 - ▶ We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: Elan Financial Services, P.O. Box 6335, Fargo, ND 58125-6335. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

Important Information Regarding Your Account

1. INTEREST CHARGE: Method of Computing Balance Subject to Interest Rate: We calculate the periodic rate or interest portion of the INTEREST CHARGE by multiplying the applicable Daily Periodic Rate ("DPR") by the Average Daily Balance ("ADB") (including new transactions) of the Purchase, Advance and Balance Transfer categories subject to interest, and then adding together the resulting interest from each category. We determine the ADB separately for the Purchases, Advances and Balance Transfer categories. To get the ADB in each category, we add together the daily balances in those categories for the billing cycle and divide the result by the number of days in the billing cycle. We determine the daily balances each day by taking the beginning balance of those Account categories (including any billed but unpaid interest, fees, credit insurance and other charges), adding any new interest, fees, and charges, and subtracting any payments or credits applied against your Account balances that day. We add a Purchase, Advance or Balance Transfer to the appropriate balances for those categories on the later of the transaction date or the first day of the statement period. Billed but unpaid interest on Purchases, Advances and Balance Transfers is added to the appropriate balances for those categories each month on the statement date. Billed but unpaid Advance Transaction Fees are added to the Advance balance of your Account on the date they are charged to your Account. Any billed but unpaid fees on Purchases, credit insurance charges, and other charges are added to the Purchase balance of the Account on the date they are charged to the Account. Billed but unpaid fees on Balance Transfers are added to the Balance Transfer balance of the Account on the date they are charged to the Account. In other words, billed and unpaid interest, fees, and charges will be included in the ADB of your Account that accrues interest and will reduce the amount of credit available to you. To the extent credit insurance charges, overlimit fees, Annual Fees, and/or Travel Membership Fees may be applied to your Account, such charges and/or fees are not included in the ADB calculation for Purchases until the first day of the billing cycle following the date the credit insurance charges, overlimit fees, Annual Fees and/or Travel Membership Fees (as applicable) are charged to the Account. Prior statement balances subject to an interest-free period that have been paid on or before the payment due date in the current billing cycle are not included in the ADB calculation. If you do not pay your New Balance in full by the Payment Due Date, you will not get an interest-free period on Purchases again until you pay the New Balance in full by the Payment Due Date for two billing cycles in a row.

2. Payment Information: We will accept payment via check, money order, the internet (including mobile and online) or phone or previously established automatic payment transaction. You must pay us in U.S. Dollars. If you make a payment from a foreign financial institution, you will be charged and agree to pay any collection fees added in connection with that transaction. The date you mail a payment is different than the date we receive the payment. The payment date is the day we receive your check or money order at Elan Financial Services, P.O. Box 790408, St. Louis, MO 63179-0408 or the day we receive your internet or phone payment. All payments by check or money order accompanied by a payment coupon and received at this payment address will be credited to your Account on the day of receipt if received by 5:00 p.m. CT on any banking day. Payments sent without the payment coupon or to an incorrect address will be processed and credited to your Account within 5 banking days of receipt. Payments sent without a payment coupon or to an incorrect address may result in a delayed credit to your Account, additional INTEREST CHARGES, fees, and/or Account suspension. The deadline for on-time internet and phone payments varies, but generally must be made before 5:00 p.m. CT to 8 p.m. CT depending on what day and how the payment is made. Please contact Elan Financial Services for internet, phone, and mobile crediting times specific to your Account and your payment option. Banking days are all calendar days except Saturday, Sunday and federal holidays. Payments due on a Saturday, Sunday or federal holiday and received on those days will be credited on the day of receipt. There is no prepayment penalty if you pay your balance at any time prior to your payment due date.

3. Credit Reporting: We may report information on your Account to Credit Bureaus. Late payments, missed payments or other defaults on your Account may be reflected in your credit report.

Important Messages

Paying Interest: You have a 24 to 30 day interest-free period for Purchases provided you have paid your previous balance in full by the Payment Due Date shown on your monthly Account statement. In order to avoid additional INTEREST CHARGES on Purchases, you must pay your new balance in full by the Payment Due Date shown on the front of your monthly Account statement.

There is no interest-free period for transactions that post to the Account as Advances or Balance Transfers except as provided in any Offer Materials. Those transactions are subject to interest from the date they post to the Account until the date they are paid in full.

Your payment of \$1046.13 will be automatically deducted from your bank account on 06/01/2026. Please refer to your AutoPay Terms and Conditions for further information regarding this account feature.

Job Time: Mar 27, 2026 08:00

Notes:

Reason for Call Out:
Investigate and repair mainline failure affecting irrigation system operation.

Description of Work Completed:
Upon arrival, the irrigation system was evaluated and the source of the mainline leak was determined to be within the sleeved section located beneath the roadway. In order to safely perform the repair, the pump station was shut down and the mainline was fully drained to relieve system pressure.

Excavation was performed at both ends of the roadway sleeve to expose the entry and exit points of the affected piping. The failed section of mainline was then carefully extracted from within the sleeve. During this process, the associated control wiring was inspected and found to be compromised.

Sprinkler Solutions of Florida furnished and installed a new section of 2.5" PVC mainline through the existing sleeve. Additionally, new Hunter ID-1 control wire was installed to replace the damaged wiring and restore proper communication to the field components. All piping connections were properly reassembled and secured, and control wire connections were completed in accordance with industry standards.

End Result:
The repaired section of mainline and control wiring was successfully restored. The pump station was reactivated, the irrigation system was pressurized, and the system was brought fully back online. System operation was verified with no visible leaks, and proper functionality of both hydraulic and control components was confirmed.

- 1 Your Total Due is the total amount of current charges and any previous unpaid Balances combined. This also states the date payment is due to WM, anything beyond that date may incur additional charges.
- 2 Previous balance is the total due from your previous invoice. We subtract any Payments Received/Adjustments and add your Current Charges from this billing cycle to get a Total Due on this invoice. If you have not paid all or a portion of your previous balance, please pay the entire Total Due to avoid a late charge or service interruption.
- 3 Service location details the total current charges of this invoice.
