RESOLUTION NO. 2026-12

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE PALMETTO RIDGE COMMUNITY DEVELOPMENT DISTRICT RATIFYING THE AMENDMENT OF DISTRICT'S BOUNDARIES AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Palmetto Ridge Community Development District ("**District**") is a local unit of special-purpose government created and existing pursuant to Chapter 190, *Florida Statutes*; and

WHEREAS, the District petitioned the Pasco County Board of County Commissioners ("**County**") to amend Ordinance No. 22-40, adopted on August 9, 2022, establishing the District, to contract and expand the boundaries of the District ("**Petition**"); and

WHEREAS, on or around April 7 2026, and effective on April 8, 2026, the County adopted Ordinance #26-11, amending the boundaries of the District by contracting a net total of 391.02 acres, more or less, from the boundaries of the District ("**Boundary Amendment**"), attached hereto as **Exhibit A**; and

WHEREAS, the District desires to ratify the Boundary Amendment.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE PALMETTO RIDGE COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. The recitals as stated above are true and correct and by this reference are incorporated into and form a material part of this Resolution.

SECTION 2. The Board hereby ratifies the Boundary Amendment as provided for in Ordinance #26-11, attached hereto as **Exhibit A**.

SECTION 3. This Resolution shall become effective upon its passage.

ORDINANCE #26-11

BOARD OF COUNTY COMMISSIONERS

ORDINANCE NO. 26-11

AN ORDINANCE AMENDING PASCO COUNTY ORDINANCE NO. 22-40 CONTRACTING AND EXPANDING THE BOUNDARIES OF THE PALMETTO RIDGE COMMUNITY DEVELOPMENT DISTRICT PURSUANT TO CHAPTER 190, FLORIDA STATUTES; PROVIDING FOR MISCELLANEOUS PROVISIONS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Palmetto Ridge Community Development District, through its Board of Supervisors, (the "Petitioner") has petitioned the Pasco County Board of County Commissioners (the "County") to amend Ordinance No. 22-40, adopted on August 9th, 2022, to contract and expand the boundaries of the Palmetto Ridge Community Development District (the "District") pursuant to Chapter 190, Florida Statutes; and

WHEREAS, the County, in determining whether to amend the District boundaries, has considered and finds that all statements contained in the Petition to Amend the Boundaries of the Palmetto Ridge Community Development District (the "Petition") are true and correct; and

WHEREAS, the County has considered and finds that the contraction and expansion to the boundaries of the District is not inconsistent with any applicable element or portion of the Pasco County Comprehensive Plan; and

WHEREAS, the County, on April 7, 2025, held a duly noticed public hearing on the Petition prior to the adoption of this Ordinance contracting the boundaries of the District.

NOW, THEREFORE, BE IT ORDAINED, by the Board of County Commissioners of Pasco County, Florida, as follows:

SECTION 1. AUTHORITY

This Ordinance is enacted pursuant to Chapters 125 and 190, Florida Statutes, and under the home rule powers of the County.

SECTION 2. LEGISLATIVE FINDINGS OF FACT

The foregoing Whereas clauses, incorporated herein, are true and correct.

SECTION 3. AUTHORITY AND POWER OF THE DISTRICT

a. There is hereby amended the boundaries of the District, as depicted in Exhibit E of the Petition, which shall operate in accordance with those requirements as set forth in Florida Statutes, Chapters 189 and 190, the Uniform Community Development District Act of 1980, as amended.

b. The amendment to the boundaries of the District shall not affect any requirements, provisions, conditions, powers, or terms of Ordinance No. 22-40. Master Planned Unit Development (MPUD) conditions of approval of the Palmetto Ridge MPUD, as may be amended, pertaining to land within the District shall remain in effect. All other State and local development regulations shall apply. Planning, environmental, and land development regulations shall apply to all development and construction within the District, regardless of who undertakes the activity. All work

performed by the District is subject to Pasco County's development review and approval process. Further, the District shall not have the authority to adopt a comprehensive plan, building code, or land development code. The District shall take no action which is inconsistent with the Pasco County Comprehensive Plan, the Pasco County Land Development Code, or other applicable Pasco County ordinances and regulations pursuant to Section 190.004(3), Florida Statutes. Enforcement for violations of the Land Development Code shall be through Section 108, Enforcement, of the Code.

SECTION 4. AMENDMENT OF THE DISTRICT'S BOUNDARIES

The District, as amended, shall encompass 1,108.45 acres, and exists within the boundaries of the real property described in Exhibit G of the Petition, incorporated by reference herein.

SECTION 5. SEVERABILITY

To the extent that any portion of this Ordinance is in conflict with Chapter 190, Florida Statutes, or any other Florida Statute, as amended, then the Florida Statutes shall govern, and the remainder of this Ordinance shall be construed as not having contained such section, subsection, sentence, clause, or provision and shall not be affected by such holding.

SECTION 6. EFFECTIVE DATE

This Ordinance and the Petition shall be transmitted to the Department of State by the Clerk to the Board of County Commissioners by electronic email within ten (10) days of the adoption of this Ordinance, and this Ordinance shall take effect upon confirmation by the Department of State of its receipt.

DONE AND ADOPTED by the Board of County Commissioners of Pasco County with a quorum present and voting this 7th day of April 2026.

IN RE: Petition to Amend the Boundaries
Palmetto Ridge Community Development District

FILE NO.:

PETITION STATEMENT

COMES NOW, Petitioner, Palmetto Ridge Community Development District, hereinafter the “District,” by and through its Authorized Agent, INFRAMARK LLC, according to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, hereby petitions the Board of County Commissioners of Pasco County to amend Ordinance 22-40 to amend the boundaries of the Palmetto Ridge Community Development District, and would therefore state the following:

1. **Petitioner** – Palmetto Ridge Community Development District. The resolution by the Board of Supervisors consenting to this Action is attached as **Exhibit B**.
2. **General Location**—The District is located entirely within Pasco County, generally north of State Road 52 and west of Bellamy Brothers Boulevard. **See Exhibit D**.
3. **Metes and Bounds Descriptions** – The District currently covers approximately 1,499.47 acres of land, and the District is petitioning to expand its boundaries by approximately 28.47+/- acres and contract its boundaries by approximately 419.49+/- acres. Upon amending the boundaries, the District’s new boundary will contain approximately 1,108.45+/- acres. **See Exhibit E, F, and G**. Sections 190.005(1)(a)1.; 190.046(1)(a), Florida Statutes.
4. **Landowner Consent** – According to Florida Statutes § 190.005(1)(a)2, the written consent to amend the boundaries of the District by 100% of the landowners of the real property to be included in and served by the District is attached hereto as **Exhibit C**.
5. **Current Board Members** – The five people currently serving as members of the District’s Board of Supervisors are identified in **Exhibit H** attached hereto. All the Supervisors are

residents of the State of Florida and citizens of the United States of America. Section 190.005(1)(a)3, Florida Statutes.

6. Timetable and Construction Cost – The amended parcels have no assigned Operations and Maintenance or Debt Service assessments—section 190.046(1)(a), Florida Statutes.
7. Statement of Estimated Regulatory Costs – According to Florida Statutes § 190.005(1)(a)(8), the statement of estimated regulatory costs of the granting of this petition and the amending of the boundaries of the District, hereinafter “SERC,” is attached hereto as **Exhibit I**.
8. Future General Distribution, Location, And Extent of Public and Private Uses of Land – According to Florida Statutes § 190.005(1)(a)(7), 190.046(1)(a) the future general distribution, location, and extent of public and private uses of land proposed for the area within the District have been incorporated into the adopted and approved Pasco County Comprehensive Plan Land Use Element. The proposed land uses are consistent with the local government's comprehensive plan. A copy of the pertinent portion of the Pasco County Land Use Element is attached hereto as **Exhibit J**.
9. Authorized Agent –The Authorized Agent for Petitioner is INFRAMARK LLC c/o BRIAN LAMB, as reflected in **Exhibit A** attached hereto.
10. The property within the amended boundary of the District is amenable to operation with the original district as an independent special district for the following reasons:
 - a. The Board of Supervisors of the Palmetto Ridge Community Development District approved the execution and filing of the Petition to Amend the Boundaries of the District at its meeting on January 9, 2024.
 - b. According to the future land use element of the Pasco County Comprehensive Plan, the future land use designation for the land area to be amended from the District is Planned Development (PD). The area of land remaining within the District is part of a planned community; it is of sufficient size and is sufficiently compact and contiguous to be

developed as a functional and interrelated community and all land uses and services planned within the amended District are not inconsistent with the applicable elements or portions of the effective Pasco County Comprehensive Plan.

- c. The land to be removed from the District is contiguous to the existing District. The district will still be sufficiently sized and compact to be developed as a functional, interrelated community.
- d. After amending the boundaries, the District remains the best alternative available for delivering community services and facilities to the land within its borders. The County, acting through its Board of County Commissioners, considered the criteria and determined that amending the district's boundaries was appropriate. Amending the district's boundaries will not change the previous analysis undertaken; the District remains the best alternative for delivering community development services and facilities to the area that will be served.
- e. After amending the boundaries, the community development services and facilities will remain compatible with the capacity and uses of existing local and regional community development services and facilities.
- f. After amending the boundaries, the area served by the District will continue to be amenable to a special, separate District government.

(Certification and Signature to follow)

WE HEREBY CERTIFY that a copy of the foregoing, along with any attachments hereto, was filed with the appropriate governing body at Pasco County and delivered to all interested parties on this 28th day of October 2025.

Resolution to Amend the District Boundaries

RESOLUTION 2025-03

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE PALMETTO RIDGE COMMUNITY DEVELOPMENT DISTRICT DIRECTING THE CHAIRMAN AND DISTRICT STAFF TO REQUEST THE PASSAGE OF AN ORDINANCE BY THE BOARD OF COUNTY COMMISSIONERS OF PASCO COUNTY, FLORIDA, AMENDING THE DISTRICT'S BOUNDARIES, AND AUTHORIZING SUCH OTHER ACTIONS AS ARE NECESSARY IN FURTHERANCE OF THAT PROCESS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Palmetto Ridge Community Development District ("**District**") is a unit of special-purpose government established pursuant to the Uniform Community Development District Act of 1980, as codified in Chapter 190, *Florida Statutes* ("**Uniform Act**"); and

WHEREAS, pursuant to the Uniform Act, the District is authorized to construct, acquire, and maintain infrastructure improvements and services; and

WHEREAS, the District desires to amend its boundaries to be consistent with the legal description set forth in **Exhibit A** ("**Boundary Amendment**"); and

WHEREAS, the Boundary Amendment is in the best interest of the District, and the area of land within the amended boundaries of the District will continue to be of sufficient size, sufficiently compact, and sufficiently contiguous to be developable as one functionally related community; and

WHEREAS, the Boundary Amendment of the District's boundaries will allow the District to continue to be the best alternative available for delivering community development services and facilities to the lands within the District, as amended; and

WHEREAS, Boundary Amendment is not inconsistent with either the State or local comprehensive plan and will not be incompatible with the capacity and uses of existing local and regional community development services and facilities; and

WHEREAS, the area of land that will lie in the amended boundaries of the District will continue to be amenable to separate special district government; and

WHEREAS, in order to seek a Boundary Amendment ordinance pursuant to Chapter 190, *Florida Statutes*, the District desires to authorize District staff, including but not limited to legal, engineering, and managerial staff, to provide such services as are necessary throughout the pendency of the process; and

WHEREAS, the retention of any necessary consultants and the work to be performed by District staff may require the expenditure of certain fees, costs, and other expenses by the District as authorized by the District's Board of Supervisors ("**Board**"); and

WHEREAS, the Developer has agreed to provide sufficient funds to the District to reimburse the District for any expenditures including, but not limited to, legal, engineering and other consultant fees, filing fees, administrative, and other expenses, if any; and

WHEREAS, the District hereby desires to request a Boundary Amendment in accordance with Chapter 190, *Florida Statutes*, by taking such actions as are necessary in furtherance of the same.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS
OF THE PALMETTO RIDGE COMMUNITY DEVELOPMENT DISTRICT:**

1. RECITALS. The recitals as stated above are true and correct and by this reference are incorporated into and form a material part of this Resolution.

2. AUTHORIZATION FOR BOUNDARY AMENDMENT. Pursuant to Chapter 190, *Florida Statutes*, the Board hereby authorizes the Chairman and District Staff to proceed in an expeditious manner with the preparation and filing of any documentation necessary to seek the amendment of the District's boundaries as described in **Exhibit A**. The Board further authorizes the prosecution of the procedural requirements detailed in Chapter 190, *Florida Statutes*, for the Boundary Amendment.

3. AUTHORIZATION FOR AGENT. The Board hereby authorizes the District Chairman, District Manager and District Counsel to act as agents of the District with regard to any and all matters pertaining to the petition to amend the boundaries of the District. District Staff, in consultation with the District Chairman, is further authorized to revise **Exhibit A** in order to address any further boundary adjustments as may be identified by the District Engineer. The District Manager shall ensure that the final versions of **Exhibit A** as confirmed by the Chairman are attached hereto.

4. EFFECTIVE DATE. This Resolution shall become effective upon its passage.

EXHIBIT C

LANDOWNER CONSENT

**CONSENT AND JOINDER OF LANDOWNER
TO CONTRACT THE BOUNDARIES OF THE PALMETTO RIDGE COMMUNITY DEVELOPMENT
DISTRICT**

The undersigned is the owner of certain lands more fully described in **Exhibit A** attached hereto and made a part hereof ("Property").

The undersigned understands and acknowledges that Palmetto Ridge Community Development District ("Petitioner") intends to submit a petition to contract the boundaries of the Palmetto Ridge Community Development District per the provisions of Chapter 190 of the Florida Statutes.

As an owner of lands that are intended to constitute a portion of the Community Development District, the undersigned understands and acknowledges that according to the provisions of Section 190.005, Florida Statutes, the Petitioner is required to include the written consent to the contraction of the Palmetto Ridge Community Development District of one hundred percent (100%) of the owners of the lands to be included within the Community Development District.

The undersigned hereby consents to contract the Palmetto Ridge Community Development District, which will include the Property within the lands as part of the Community Development District and agrees to further execute any documentation necessary or convenient to evidence this consent and joinder during the application process for the contraction and expansion of the Community Development District.

The undersigned acknowledges that the consent will remain in full force and effect until the Community Development District is contracted or three years from the date hereof, whichever shall first occur. The undersigned further agrees that it will provide to the next purchaser or successor in interest of all or any portion of the Property a copy of this consent form and obtain, if required by Petitioner, consent to contract the Palmetto Ridge Community Development District in substantially this form.

The undersigned hereby represents and warrants that it has taken all actions and obtained all consents necessary to duly authorize the execution of this consent and joinder by the officer executing this instrument.

I. INTRODUCTION

1. Definitions

The following defined terms are used throughout this document:

“Agency” means each other unit of government in the state, including counties and municipalities, to the extent they are expressly subject to this act by general or special law or existing judicial decisions.

“Amended Boundaries” means the approximately 419.49 +/- acres of non-assessable and non-benefitting land consenting for exclusion from within the existing boundaries of the District and the 28.472 +/- acres being added to the District.

“County” means Pasco County, Florida

“Developer” means Palmetto Ridge Cattle Co, LLC

“District” means Palmetto Ridge Community Development District

“District Boundary Amendment” means the proposed amendment of the boundaries of the existing Palmetto Ridge Community Development District parcels, bringing the total acreage to approximately 1,108.45 +/- acres.

“Petition” means the petition filed with the Pasco County Board of County Commissioners to amend the boundaries of the Palmetto Ridge Community Development District

“Petitioner” means Palmetto Ridge Community Development District

“Ordinance” means the proposed ordinance amending the boundaries of the Palmetto Ridge Community Development District

2. Purpose

This Statement of Estimated Regulatory Costs (“SERC”) is intended to fulfill the requirements of Section 190.005, Florida Statutes (“F.S.”), which outlines the required elements of a valid petition to amend the boundaries of a community development district. Specifically, Section 190.005(1)(a)8, F.S., requires that a SERC be prepared per Section 120.541, F.S.

The scope of this SERC is limited to the factors considered to be material or relevant to the Community Development District boundary amendment process and, more specifically, those items for inclusion required by Section 120.541(2), F.S.

3. Overview of Palmetto Ridge Community Development District

The Palmetto Ridge Community Development District currently encompasses approximately 1,499 +/- acres. The District is generally located north of State Road 52, west of Bellamy Brothers Boulevard. The petitioner is seeking authority, as outlined in Section 190.012 F.S., to amend the boundaries of the District and to plan, finance, acquire, construct, and maintain the following types of infrastructure including, but not limited to, water management, water supply, sewer, wastewater management, roads and streetlights, landscaping, irrigation and entries, parks and recreational facilities and specific other projects when expressly approved or required by a local government.

The District seeks to amend its boundaries to a total district size of approximately 1108.45 +/- acres. The exclusion of non-assessable areas of the District is not planned for private development, nor will it benefit from the District's infrastructure plan. The District has not financed any infrastructure improvements for the amended parcel that it will benefit from, so it will not be subject to special or non-ad valorem assessments after a public hearing on assessments is conducted to assess and determine benefits to private properties. Ongoing operation and maintenance for district-owned facilities are expected to be funded through maintenance assessments levied against all privately benefited properties within the District. The District is structured to be financially independent as intended by the Legislature and will not require any subsidy from the State of Florida or Pasco County, nor will it place any additional economic burden on those persons not residing within the District.

II. STATUTORY REQUIREMENTS

Section 120.541 (2), F.S., read in conjunction with Section 190.005(1)(a)8, F.S., outlines the requirements of a valid SERC:

- (1) An economic analysis showing whether the rule directly or indirectly:
 - a. Is likely to harm economic growth, private sector job creation or employment, or private sector investment over \$1 million in the aggregate within 5 years after the implementation of the rule;
 - b. Is likely to harm business competitiveness, including the ability of persons doing business in the state to compete with persons doing business in other states or domestic markets, productivity, or innovation over \$1 million in the aggregate within 5 years after the implementation of the rule; or
 - c. It is likely to increase regulatory costs, including any transactional costs, by over \$1 million in aggregate within 5 years after the rule's implementation.
- (2) A good faith estimate of the number of individuals and entities likely to be required to comply with the ordinance, together with a general description of the types of individuals likely to be affected by the ordinance.
- (3) A good faith estimate of the cost to the agency and to any other state and local government entities of implementing and enforcing the proposed amended ordinance and any anticipated effect on state or local revenues.
- (4) A good faith estimate of the transactional costs likely incurred by individuals and entities, including local government entities, required to comply with the ordinance's requirements. As used in this paragraph, "transactional costs" are direct costs that are readily ascertainable based on standard business practices and include filing fees, the cost of obtaining a license, the cost of equipment required to be installed or used, or procedures required to be employed in complying with the ordinance, additional operating costs incurred, the cost of monitoring and reporting and any other costs necessary to comply with the ordinance.
- (5) An analysis of the impact on small businesses as defined by Section 288.703, F.S., and an analysis of the impact on small counties and small cities as defined in Section 120.52, F.S.
- (6) Any additional information that the agency determines may be helpful.
- (7) A description of any regulatory alternatives or the reasons for rejecting the alternative in favor of amending the boundaries of the District.

THIS SPACE IS LEFT BLANK INTENTIONALLY

1. An Economic Analysis Showing Whether The Rule Directly Or Indirectly:

a. Is Likely To Harm Economic Growth, Private Sector Job Creation Or Employment, Or Private Sector Investment Over \$1 Million In The Aggregate Within 5 Years After The Implementation Of The Rule;

b. Is Likely To Harm Business Competitiveness, Including The Ability Of Persons Doing Business In The State To Compete With Persons Doing Business In Other States Or Domestic Markets, Productivity, Or Innovation Over \$1 Million In The Aggregate Within 5 Years After The Implementation Of The Rule; Or

c. Is Likely To Increase Regulatory Costs, Including Any Transactional Costs, Over \$1 Million In The Aggregate Within 5 Years After The Implementation Of The Rule.

The District's boundary amendment will not likely adversely impact on the items described in (1) a. (1) b. (1) c. above.

Economic Growth

The lands within the District have undergone preliminary horizontal earthwork and construction. The District Boundary Amendment will likely have no adverse impact above \$1 million. On the contrary, it will likely still encourage economic growth over the next 5 years by facilitating the development of the District as a functionally connected community and promoting the compact and economic enhancement of formerly unimproved land. The increase in costs associated with providing additional public infrastructure and services for development will be matched by a comparable increase in revenues. These revenues will be generated by levying assessments against benefited land within the District, of which the relative ratio of revenues to expenditures will change little over time. The District is structured to be self-sufficient in acquiring revenues necessary to fund budgeted expenditures, which will positively impact economic growth.

In addition, the option to amend the boundaries of a Community Development District provides a financing mechanism to (i) fund public infrastructure at a low cost of capital and (ii) on a timely, self-sufficient basis. The District will be used to finance basic public infrastructure and services. Owners of the property within the District agree to a lien on their property that will be reduced over time through the annual payment of a special assessment. The assessment is used to pay debt service on bonds and/or annual maintenance and District operating expenditures, secured further by the assessed property as collateral. Assessment liens are superior to private liens, such as construction or mortgage loans. This structure results in a lower cost of capital than is otherwise available to fund public infrastructure and support community development. New development results in increased property values, a more extensive tax base, and more tax revenues for the community at large. It also creates an immediate demand for new streets, water and sewer capacity, and other infrastructure necessities. The District will fund, construct, and/or acquire the public infrastructure serving lands within the District. New growth can "pay for itself" instead of burdening an entire community with its costs.

Job Creation

Compared to the existing land use of the property, the development of the District and subsequent residential improvements would trigger private job creation. In general, volatility in the number of home-building projects in a region can have considerable ramifications on the productivity levels of many other local industries. A jump in residential construction drives up the demand for steel, wood, electricity, glass, plastic, wiring, piping, and concrete. The need for skilled construction workers such as bricklayers, carpenters, and electricians also soars. One estimate shows 1,500 full-time jobs are created for every 500 single-family homes under construction. In 2012, the National Association of Home Builders (NAHB) estimated that the

impacts of increased home-building included the creation of 3 new jobs and \$23,000 in state and local taxes from constructing one average new single-family home. In May of 2014, the NAHB released its estimates of the economic impact that residential construction has on the economy, which included the following:

- Building an average single-family home: 2.97 jobs, \$110,957 in taxes
- Building an average rental apartment: 1.13 jobs, \$42,383 in taxes
- \$100,000 spent on remodeling: 0.89 jobs, \$29,779 in taxes

Transactional Costs and Competitiveness

It is not likely that transactional costs over \$1 million, in the aggregate, will result within 5 years after the contraction and development of the District occurs. Any transactional costs are covered by the assessments described above. The amended boundaries of the District are not likely to have an adverse impact on business competitiveness, including the ability of persons or entities to conduct trade with businesses located in other states and/or domestic business partners, productivity, or innovation over \$1 million in the aggregate within 5 years. Home building will increase the property tax base, which generates revenues supporting local schools and community infrastructure, ultimately leading to a more competitive County.

2. A Good Faith Estimate Of The Number Of Individuals And Entities Likely To Be Required To Comply With The Ordinance, Together With A General Description Of The Types Of Individuals Likely To Be Affected By The Ordinance.

The individuals and entities likely to be required to comply with the amended Ordinance or affected by the proposed action (i.e., adoption of the ordinance) can be categorized as follows: The State of Florida and its residents, the County and its residents, current property owners within the District, and future property owners within the District.

THE STATE OF FLORIDA

The State of Florida, its residents, and the general population will not incur any compliance costs related to the amended boundaries of the District. They will only be affected when the State incurs those nominal administrative costs outlined in Section 2 below.

PASCO COUNTY

Pasco County and its residents not residing within the current boundaries of the amended area of the district's boundaries will not incur any compliance costs other than any one-time administrative costs outlined in Section 2 below. Once the District boundaries are amended, residents of Pasco County who do not reside within the district boundaries will not be affected by the ordinance's adoption.

CURRENT PROPERTY OWNERS WITHIN THE DISTRICT

The land comprising the existing District is undeveloped. The proposed amended ordinance will not negatively affect the current property owners of the lands within the boundaries of the existing District. The property owners in the Amended Boundaries will not be negatively impacted, as the land is non-assessable and does not benefit from the District's current or future improvement plans.

FUTURE PROPERTY OWNERS

Future property owners will own property in the District. They will be affected to the extent that the District allocates debt for the construction of public infrastructure improvements and undertakes operation and maintenance responsibility for certain infrastructure and administration.

3. A Good Faith Estimate Of The Cost To The Agency, And To Any Other State And Local Entities, Of Implementing And Enforcing The Proposed Ordinance And Any Anticipated Effect On State And Local Revenues.

3.1. Cost To The Agency, And To Any Other State And Local Entities, Of Implementing And Enforcing The Proposed Ordinance

State Government Entities

Upon amending the boundaries of the District, the State of Florida will incur only nominal administrative costs to review the periodic reports required according to Chapters 190 and 189, F.S. These reports include the annual financial report, annual audit, and public financing disclosures. These reporting requirements will be in effect as of the establishment of the District and will create the need for additional reporting or District expenditures. To offset these costs, the Legislature has established a maximum fee of \$175 per District per year to pay the costs incurred by the Special Districts Information Program to administer the reporting requirements of Chapter 189, F.S. Because the District, as defined in Chapter 190, F.S., is designed to function as a self-sufficient, independent special-purpose governmental entity, it is responsible for its management. Therefore, no additional burden has been placed on the State due to the District's amended boundaries except for the reporting requirements outlined above or later established by law.

Pasco County

Once the District boundaries are amended, Pasco County will not incur any quantifiable ongoing costs resulting from the amended boundaries of the District. The District will submit, for informational purposes, its annual budget, financial report, audit, and public financing disclosures to the County. Since there are no legislative requirements for review or action, Pasco County will not necessarily incur any costs. The County may, however, choose to review these documents.

In addition, the District may choose to engage with the Pasco County Property Appraiser and Pasco County Tax Collector to collect special or non-ad valorem assessments levied to repay bonds issued to acquire and construct public infrastructure improvements. Fees charged to the District will offset the costs incurred by these agencies to make these collections, so no additional burden is placed on the County to collect the revenue.

3.2. Any Anticipated Effect on State and Local Revenues

It is anticipated that this petition's approval will not negatively affect state revenues. The district has the potential for an increase in state sales tax revenue resulting from a stimulated economy. However, it is impossible to estimate this increase with any degree of certainty. In addition, local ad valorem tax revenues may be increased due to long-lasting increases in property values resulting from the District's construction, infrastructure installation, and ongoing maintenance services. Similarly, private development within the District, which the District's activities will facilitate, should positively impact property values and, therefore, ad valorem taxes. Additional revenues will be generated by the future residents of the District, including but not limited to increased gas tax collections, utility taxes, and fees from public and private utilities. In

addition, impact fees and development permit revenue are expected to be generated by private development within the District, and local revenues should also be increased accordingly.

There is no cause for concern that a District obligation could become a State or County obligation, thereby negatively affecting state or local revenues. This cannot occur as Chapter 190 specifically addresses this issue and expressly states: "It is further the purpose and intent of the Legislature that no debt or obligation of a district constitutes a burden on any local general-purpose government without its consent." Section 190.002 (3), F.S. "A default on the bonds or obligations of a district shall not constitute a debt or obligation of a local general-purpose government or the state." Section 190.016(15), F.S.

4. A Good Faith Estimate Of The Transactional Costs Likely To Be Incurred By Individuals And Entities, Including Local Government Entities, Required To Comply With The Requirements Of The Ordinance.

The transactional costs associated with the amended boundaries of the District are primarily related to the financing of infrastructure improvements. The District will determine what infrastructure it considers prudent to finance through the sale of bonds. When the District decides to issue bonds, assessments will be levied against benefited property owners within the District. The revenue generated by the payment of these assessments will be used to repay the bonds. The real estate within the district secures the obligation to pay the assessments. It is transferred proportionately to new property owners upon selling any portions of the property.

Operations and maintenance assessments will be imposed on the District property owners to fund infrastructure maintenance costs. As with the special assessments for infrastructure acquisition and construction, landowners are responsible for the payment of these assessments based on their relative property ownership of the areas benefiting from infrastructure improvements and subsequent maintenance.

All persons choosing to acquire property in the District will be responsible for such assessments in addition to the taxes or assessments imposed by the County and/or other taxing authorities.

Landowners receive substantial benefits in exchange for the payment of these special assessments. Specifically, these persons can expect to receive a higher level of services because they, the property owners, elect the members of the District's Board of Supervisors. Furthermore, the District is limited in jurisdiction, and responsibility is constrained to a single development. Therefore, the District administrators should be extremely accessible and responsive to the needs of the property owners within the District. Community Development Districts offer the opportunity for a higher level of service to residents of the County without impacting the service capacity of other local governments.

5. An Analysis Of The Impact On Small Businesses As Defined By Section 288.703, F.S., And An Analysis Of The Impact On Small Counties And Small Cities As Defined By Section 120.52, F.S..

Section 288.703, F.S., defines “Small Business” as:

An independently owned and operated business concern employs 200 or fewer permanent full-time employees and that, together with its affiliates, has a net worth of not more than \$5 million, or any firm based in this state with a Small Business Administration 8(a) certification. As applicable to sole proprietorships, the \$5 million net worth requirement shall include both personal and business investments.

Section 120.52, F.S., defines “Small City” as:

Any municipality that has an unincarcerated population of 10,000 or less, according to the most recent decennial census.

Section 120.52, F.S. defines “Small County” as:

Any county that has an unincarcerated population of 75,000 or less, according to the most recent decennial census. According to the 2020 US Census’s Rank of Florida Counties by Population Size in 2020 and Population Distribution, the county's total estimated population was 1,459,762, making it the 4th largest county in the state.

The amended boundaries of the District should not negatively impact small businesses. Large or small businesses can be located in a Community Development District, provided the local governmental authority has issued the appropriate land use approvals. Those who choose this option will be subjected to the financial obligations imposed by the District and will accrue the benefits resulting from being in the District.

The financial obligations would be in the form of special assessments, while the benefits would be in the form of higher-quality and lower-cost development. This should, in theory, be more conducive to a business's economic success.

Furthermore, the District operates according to Florida’s “Sunshine” laws and must follow certain competitive bidding requirements for certain goods and services it will purchase. As a result of the District’s contraction and expansion and the subsequent development, small businesses should be better able to compete for District business serving the lands to be included within the District. The District does not discriminate regarding the size of businesses that can be located within the boundaries or transact business with the District.

Development of the District will positively impact the small businesses in the local economy. As outlined above, the success of the development will generate increased employment and stimulate economic activity in the area through increased construction expenditures related to infrastructure and private development, thus providing enhanced opportunities for small businesses.

The County is not small; the development and improvement of the property subject to this contraction petition should not affect nearby small cities.

6. Any Additional Information That the Agency Determines May Be Useful

This Statement of Estimated Regulatory Costs was prepared for the proposed boundary amendment of the Palmetto Ridge Community Development District and represents the best cost estimate at this time. Certain data utilized in this report was provided by the Petitioner/Developer and other associated professionals and represents the best information available to date. Inframark LLC has prepared this report, and the assertions and findings are based on research, observation, and experience in public policy making and the district management experience of its employees.

7. An Analysis of Alternatives for Delivering Community Development Services and Facilities

**Analysis Of Alternatives For Delivering Community
 Development Services And Facilities
 To Be Served By The
 Palmetto Ridge Community Development District**

(Section 190.005(1)(e)4, Florida Statutes)

Alternative	Description	Analysis
County Financing	The County is responsible for managing the construction of the roadways and all other infrastructure associated with the development. It is also responsible for maintaining the utilities.	Regardless of the specific mechanism (i.e., MSTU, MSBU, Dependent District), the County would incur costs associated with financing and management of the construction. The source of necessary construction funds would be the County's general revenue fund or issuance of additional debt; therefore, these costs, along with annual maintenance costs, will be borne by County residents, not just property owners within the District. The County, however, may already have a policy prohibiting the construction of "Subdivision level" infrastructure, as do many other general-purpose local governments.
Private Conventional Financing	The cost of constructing infrastructure is financed through conventional bank financing or a combination of private financing and equity financing.	Private financing is difficult to obtain and, when available, very expensive. This may result in less affordable housing and/or a decrease in the level of service(s) provided. In addition, annual maintenance would likely be delegated to a Homeowners' Association (HOA/POA), which does not have the same legal backing to enforce dues and assessments as does the CDD.
Community Development District	A combination of public and private entities establishes a mechanism to finance, construct, maintain, and manage community development services and facilities.	The CDD will incur the cost of issuing bonds necessary to finance the construction of the necessary infrastructure, oversee and manage all phases of construction, and be responsible for the maintenance and management of the common areas on an ongoing basis. All costs associated with these activities will be borne only by those property owners within the District benefitting from the improvements. No County general funds will be used, and no County residents outside the District will incur costs. RECOMMENDED ALTERNATIVE

III. CONCLUSION

The purpose of this SERC is to support the petition filed with the County to amend the boundaries of Palmetto Ridge Community Development District, as required by Florida Statute, Chapter 190, and prepared per F.S. Section 120.541. The scope of this SERC is limited to the factors considered to be material or relevant to the contracting process and, more specifically, those items for inclusion required by F.S. Section 120.541 (2). The table below summarizes the items in the SERC required by F.S. Section 120.541 (2).

Item	Result
<i>Estimate of the number and type of individuals and entities likely to be required to comply with/affected by the ordinance</i>	If the District boundary modification is approved, the State of Florida and its residents, the County and its residents, current property owners within the District, and future property owners may be required to comply with the ordinance.
<i>Estimate of the cost to the Agency, and to any other state and local government entities, of implementing and enforcing the proposed ordinance</i>	<p>The involvement of State/Local Government Entities will be limited to reviewing, interpreting, and summarizing the petition to modify the boundaries of the District. State/Local Government Entities already have the necessary staff in place to process these reports and the costs related to these changes are nominal. Section 189.427, F.S., sets forth an annual fee schedule applicable to special districts to help compensate for the minimal costs.</p> <p>The County and its staff will review, conduct a public hearing, and vote upon the Petition to contract the District. The filing fee will offset modest costs to perform these tasks. In addition, per statutory noticing requirements, the Petitioner must fund and publish the notice of public hearing in a newspaper of general, local circulation.</p>
<i>Any anticipated effect on state or local revenues</i>	<p>Modifying the District boundaries should not negatively impact state and local revenues.</p> <p>Local tax revenues may be impacted positively due to the potential increase in long-term property values both within and within close proximity to the District. New commercial activity will increase revenue collection for state and local agencies.</p>
<i>A good faith estimate of the transactional costs likely to be incurred by individuals and entities, including local government entities, required to comply with the requirements of the ordinance</i>	<p>The majority of the district's transactional costs result from the actual financing of the infrastructure improvements, which are typically borne entirely by the District through bonds secured by special assessments.</p> <p>There should not be any major transactional costs incurred by local government entities (i.e. the County) related to the modification of the boundaries of the District.</p>
<i>An analysis of the impact on small businesses, small counties and small cities.</i>	<p>Due to increased traffic, employment, and construction and development, an overall increase in local economic activity (i.e., local small businesses within close proximity to the District) may be felt.</p> <p>Furthermore, certain contracts for goods and services needed by the District are competitively bid. This will allow many small businesses the opportunity to provide bids to the District for these goods and services.</p> <p>No negative impact on small cities or counties. The costs to fund the infrastructure improvements are financed entirely by the District, and furthermore, that debt obligation is the responsibility of the property owners within the District.</p>

REVENUES

Interest-Investments

The District earns interest on its operating accounts.

Special Assessments-Tax Collector

The District will levy a Non-Ad Valorem assessment on all the assessable property within the District to pay for the operating expenditures during the Fiscal Year. The collection will be provided by the Tax Collector pursuant to Section 197.3632, Florida Statutes, which is the Uniform Collection Methodology.

Developer Estimated Contributions

The district will direct bill and collect non-ad valorem assessments on assessable property in order to pay for the debt service expenditures during the fiscal year.

Special Assessments-Discounts

Per Section 197.162, Florida Statutes, discounts are allowed for early payment of assessments only when collected by the Tax Collector. The budgeted amount for the fiscal year is calculated at 4% of the anticipated Non-Ad Valorem assessments.

EXPENDITURES

Financial and Administrative

Supervisor Fees

Chapter 190 of the Florida Statutes allows for members of the Board of Supervisors to be compensated \$200 per meeting at which they are in attendance. The amount for the Fiscal Year is based upon five supervisors attending each meeting.

District Management

The District retains the services of a consulting manager, who is responsible for the daily administration of the District's business, including any and all financial work related to the Bond Funds and Operating Funds of the District, and preparation of the minutes of the Board of Supervisors. In addition, the District Manager prepares the Annual Budget(s), implements all policies of the Board of Supervisors and attends all meetings of the Board of Supervisors.

Field Management

The District has a contract with Inframark Infrastructure Management Services. for services in the administration and operation of the Property and its contractors.

Recording Secretary

RESOLUTION 2026-14

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE PALMETTO RIDGE COMMUNITY DEVELOPMENT DISTRICT DESIGNATING A PUBLIC DEPOSITORY FOR FUNDS OF THE DISTRICT; ADDRESSING CONFLICTS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Palmetto Ridge Community Development District (“**District**”) is a local unit of special-purpose government created and existing pursuant to Chapter 190, *Florida Statutes*; and

WHEREAS, the District’s Board of Supervisors (“**Board**”) is statutorily authorized to select a depository as defined in Section 280.02, *Florida Statutes*, which meets all the requirements of Chapter 280 and has been designated by the State Treasurer as a qualified public depository; and

WHEREAS, the Board desires to designate a public depository for the District funds.

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE PALMETTO RIDGE COMMUNITY DEVELOPMENT DISTRICT THAT:

1. DESIGNATION OF PUBLIC DEPOSITORY. _____
is hereby designated as the public depository for District funds. In accordance with Section 280.17(4), *Florida Statutes*, the District’s Secretary is directed to furnish to the State Treasurer prior to the deposit of any public funds, the District’s official name, address, federal employer identification number, and the name of the person or persons responsible for establishing accounts. The District’s Treasurer, upon assuming responsibility for handling the District funds, is directed to furnish to the State Treasurer annually the information required in accordance with Section 280.17(3), *Florida Statutes*.

2. CONFLICTS. All District resolutions or parts thereof in actual conflict with this Resolution are, to the extent of such conflict, superseded and repealed.

3. EFFECTIVE DATE. This Resolution shall take effect upon its passage and shall remain in effect unless rescinded or repealed.

PASSED AND ADOPTED this 19th day of May, 2026.
