Irrigation Maintenance

Status: In Progress

Description: Maintenance and repairs.

Assigned To: Irrigation Tech

Reviewed By: Dustin

Comments:

- 1. A mainline break was discovered at the corner of Ambleside and Galway Sand. Irrigation crew repaired a section but was still seeing water intrusion. It was determined further repair was needed beyond our capabilities. District was notified and is being worked on by management.
- 2. A zone in the southwest corner of the clubhouse parking lot was stuck on, leading to excessive watering. The zone was shutdown manually at the valve over the weekend and it was determined a solenoid went bad. That solenoid has been replaced.
- 3. Irrigation team continued routine wet checks in preparation for fertilizer application and annuals rotation. Fertilizer is scheduled to be installed by Dec 19th.
- 4. Various small-scale repairs were made, to include pop up head replacements and drip line repairs.

PCO Spray Technician

Status: In Progress

Description: Weed mitigation followed by fertilization.

Assigned To: Pest Control Operator (PCO)

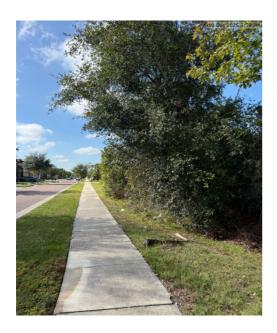

Reviewed By: Dustin

Comments:

- 1. Spray technician conducted glyphosate application throughout the community. Areas where there is no mulch lend themselves for weed growth and require more spraying than areas with mulch coverage.
- 2. In preparation for fertilizer, we've increased irrigation to ensure turf is well hydrated and ready to receive fertilizer. The additional irrigation has lead to dollarweed development in some areas, but those areas are being treated with a broadleaf selective herbicide.
- 3. Moss development in a couple areas are scheduled to be treated. Glyphosate is not effective on moss, and a non-systemic herbicide will be needed to treat it. See picture of the Brighton Knoll Lp dog park walking trail.

Routine Service

Status: New

Description: Regular maintenance tasks.

Assigned To: Ground Crew

Reviewed By: Dustin

Comments: 10 Dec 2025 at 3:38 PM

- 1. We have conducted our standard service tasks, which consists mainly of edging, string trimming, mowing, blowing and cleanup.
- 2. Ground crew trimmed up some overgrown trees across from the Brighton Knoll Lp dog park that were encroaching on the sidewalk.
