RESOLUTION 2026-07
[FY 2027 APPROPRIATION RESOLUTION]

THE ANNUAL APPROPRIATION RESOLUTION OF THE HIGHLAND MEADOWS II COMMUNITY DEVELOPMENT DISTRICT (“DISTRICT”) RELATING TO THE ANNUAL APPROPRIATIONS AND ADOPTING THE BUDGET(S) FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2026, AND ENDING SEPTEMBER 30, 2027; AUTHORIZING BUDGET AMENDMENTS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, for the fiscal year beginning October 1, 2026, and ending September 30, 2027 (“**FY 2027**”), the District Manager prepared and submitted to the Board of Supervisors (“**Board**”) of the Highland Meadows II Community Development District (“**District**”) prior to June 15, 2026, proposed budget(s) (“**Proposed Budget**”) along with an explanatory and complete financial plan for each fund of the District, pursuant to the provisions of Section 190.008(2)(a), *Florida Statutes*; and

WHEREAS, at least sixty (60) days prior to the adoption of the Proposed Budget, the District filed a copy of the Proposed Budget with the local general-purpose government(s) having jurisdiction over the area included in the District pursuant to the provisions of Section 190.008(2)(b), *Florida Statutes*; and

WHEREAS, the Board set a public hearing on the Proposed Budget and caused notice of such public hearing to be given by publication pursuant to Section 190.008(2)(a), *Florida Statutes*; and

WHEREAS, the District Manager posted the Proposed Budget on the District’s website in accordance with Section 189.016, *Florida Statutes*; and

WHEREAS, Section 190.008(2)(a), *Florida Statutes*, requires that, prior to October 1st of each year, the Board, by passage of the Annual Appropriation Resolution, shall adopt a budget for the ensuing fiscal year and appropriate such sums of money as the Board deems necessary to defray all expenditures of the District during the ensuing fiscal year.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE HIGHLAND MEADOWS II COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. BUDGET

- a. The Proposed Budget, attached hereto as **Exhibit A**, as amended by the Board, is hereby adopted in accordance with the provisions of Section 190.008(2)(a), *Florida Statutes* (“**Adopted Budget**”), and incorporated herein by reference; provided, however, that the comparative figures contained in the Adopted Budget may be subsequently revised as deemed necessary by the District Manager to reflect actual revenues and expenditures.

- b. The Adopted Budget, as amended, shall be maintained in the office of the District Manager and at the District's Local Records Office and identified as "The Budget for the Highland Meadows II Community Development District for the Fiscal Year Ending September 30, 2027."
- c. The Adopted Budget shall be posted by the District Manager on the District's official website in accordance with Chapter 189, *Florida Statutes*, and shall remain on the website for at least two (2) years.

SECTION 2. APPROPRIATIONS There is hereby appropriated out of the revenues of the District, for FY 2027, the sum(s) set forth in **Exhibit A** to be raised by the levy of assessments and/or otherwise, which sum is deemed by the Board to be necessary to defray all expenditures of the District during said budget year, to be divided and appropriated as set forth in **Exhibit A**.

SECTION 3. BUDGET AMENDMENTS Pursuant to Section 189.016, *Florida Statutes*, the District at any time within FY 2027 or within 60 days following the end of the FY 2027 may amend its Adopted Budget for that fiscal year as follows:

- a. A line-item appropriation for expenditures within a fund may be decreased or increased by motion of the Board recorded in the minutes, and approving the expenditure, if the total appropriations of the fund do not increase.
- b. The District Manager or Treasurer may approve an expenditure that would increase or decrease a line-item appropriation for expenditures within a fund if the total appropriations of the fund do not increase and if either (i) the aggregate change in the original appropriation item does not exceed the greater of \$15,000 or 15% of the original appropriation, or (ii) such expenditure is authorized by separate disbursement or spending resolution.
- c. Any other budget amendments shall be adopted by resolution and consistent with Florida law. The District Manager or Treasurer must ensure that any amendments to the budget under this paragraph c. are posted on the District's website in accordance with Chapter 189, *Florida Statutes*, and remain on the website for at least two (2) years.

SECTION 4. EFFECTIVE DATE. This Resolution shall take effect immediately upon adoption.

PASSED AND ADOPTED THIS 27 DAY OF August, 2026.

RESOLUTION 2026-08
[FY 2027 ASSESSMENT RESOLUTION]

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE HIGHLAND MEADOWS II COMMUNITY DEVELOPMENT DISTRICT PROVIDING FOR FUNDING FOR THE FY 2027 ADOPTED BUDGET(S); PROVIDING FOR THE COLLECTION AND ENFORCEMENT OF SPECIAL ASSESSMENTS, INCLUDING BUT NOT LIMITED TO PENALTIES AND INTEREST THEREON; CERTIFYING AN ASSESSMENT ROLL; PROVIDING FOR AMENDMENTS TO THE ASSESSMENT ROLL; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Highland Meadows II Community Development District (“**District**”) is a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District, located in Polk County, Florida (“**County**”); and

WHEREAS, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District’s adopted capital improvement plan and Chapter 190, *Florida Statutes*; and

WHEREAS, for the fiscal year beginning October 1, 2026, and ending September 30, 2027 (“**FY 2027**”), the Board of Supervisors (“**Board**”) of the District has determined to undertake various operations and maintenance and other activities described in the District’s budget (“**Adopted Budget**”), attached hereto as **Exhibit A**; and

WHEREAS, pursuant to Chapter 190, *Florida Statutes*, the District may fund the Adopted Budget through the levy and imposition of special assessments on benefitted lands within the District and, regardless of the imposition method utilized by the District, under Florida law the District may collect such assessments by direct bill, tax roll, or in accordance with other collection measures provided by law; and

WHEREAS, in order to fund the District’s Adopted Budget, the District’s Board now desires to adopt this Resolution setting forth the means by which the District intends to fund its Adopted Budget.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE HIGHLAND MEADOWS II COMMUNITY DEVELOPMENT DISTRICT:

1. **FUNDING.** The District’s Board hereby authorizes the funding mechanisms for the Adopted Budget as provided further herein and as indicated in the Adopted Budget attached hereto as **Exhibit A** and the assessment roll attached hereto as **Exhibit B (“Assessment Roll”)**.

2. **OPERATIONS AND MAINTENANCE ASSESSMENTS.**

- a. **Benefit Findings.** The provision of the services, facilities, and operations as described in **Exhibit A** confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefitted lands is shown in **Exhibit A** and **Exhibit B** and is hereby found to be fair and reasonable.
- b. **O&M Assessment Imposition.** Pursuant to Chapter 190, *Florida Statutes*, a special assessment for operations and maintenance (“**O&M Assessment(s)**”) is hereby levied and imposed on benefitted lands within the District and in accordance with **Exhibit A** and **Exhibit B**. The lien of the O&M Assessments imposed and levied by this Resolution shall be effective upon passage of this Resolution.
- c. **Maximum Rate.** Pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the “maximum rate” authorized by law for operation and maintenance assessments.

3. **DEBT SERVICE SPECIAL ASSESSMENTS.** The District’s Board hereby certifies for collection the FY 2027 installment of the District’s previously levied debt service special assessments (“**Debt Assessments**,” and together with the O&M Assessments, the “**Assessments**”) in accordance with this Resolution and as further set forth in **Exhibit A** and **Exhibit B**, and hereby directs District staff to affect the collection of the same.

4. **COLLECTION AND ENFORCEMENT; PENALTIES; INTEREST.** Pursuant to Chapter 190, *Florida Statutes*, the District is authorized to collect and enforce the Assessments as set forth below.

- a. **Tax Roll Assessments.** To the extent indicated in **Exhibit A** and **Exhibit B**, those certain O&M Assessments (if any) and/or Debt Assessments (if any) imposed on the “**Tax Roll Property**” identified in **Exhibit B** shall be collected by the County Tax Collector at the same time and in the same manner as County property taxes in accordance with Chapter 197, *Florida Statutes* (“**Uniform Method**”). That portion of the Assessment Roll which includes the Tax Roll Property is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County property taxes. The District’s Board finds and determines that such collection method is an efficient method of collection for the Tax Roll Property.
- b. **Future Collection Methods.** The District’s decision to collect Assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments

in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

5. **ASSESSMENT ROLL; AMENDMENTS.** The Assessment Roll, attached hereto as **Exhibit B**, is hereby certified for collection. The Assessment Roll shall be collected pursuant to the collection methods provided above. The proceeds therefrom shall be paid to the District. The District Manager shall keep apprised of all updates made to the County property roll by the Property Appraiser after the date of this Resolution and shall amend the Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll.
6. **SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.
7. **EFFECTIVE DATE.** This Resolution shall take effect upon the passage and adoption of this Resolution by the Board.

813 Security Activity Summary

Reporting Period: July 15th, 2026- August 20th, 2026

During this reporting period, 813 Security submitted a total of **28 Incident Reports**

Incident Breakdown

- Parking Violations: 11 Reports
- Inclement Weather / Pool Closures: 13 Reports
- Amenity Policy Violations: 1 Report
- Other Issues: 2
- Resident Issue: 1

Inclement Weather Activity

- Officers documented **13** weather-related incidents involving lightning. In each instance, staff followed established safety procedures by temporarily closing the pool, notifying patrons, and clearing the pool deck until conditions improved.

All patrons complied.

Prepared by:
Vinny
8/20/2026

Parking Enforcement

Parking violations accounted for the largest category of reported activity. Officers documented **11** vehicles that were obstructing sidewalks throughout the community.

Policy Compliance/Resident Issue

- One incident involved guests possessing beverages within the pool area.
- A significant incident occurred when the guard on duty attempted to enforce the “no food” rule. The resident became verbally abusive and, while being escorted from the pool area, stopped at the gate and temporarily prevented the guard from closing it before eventually leaving. Security recommends sending a letter to address the unnecessary noncompliance (323 Eaglecrest Dr). This was the second disturbance involving this resident; the prior incident, which occurred a few months ago, involved a speaker and loud music. ***Please note, the guard on duty confirmed he had no issues with the mother or siblings, just the one daughter responsible for the foul language and threats.**

Maintenance Reports

- There were no significant maintenance issues observed during this period.
- 813 Security staff have been instructed not to report issues related to private yard maintenance.

Summary

Routine enforcement and patrols will continue. If any significant events occur before the meeting, we will provide a supplemental report to update the Board. Thank you!

NOW THEREFORE, in consideration of the mutual promises established and set forth herein, the Company and Service Provider hereby acknowledge and agree as follows:

SERVICE PROVIDER DUTIES & RESPONSIBILITIES

Services: It shall be agreed upon, that during the term of this Agreement the Service Provider shall provide the services ("Services") that are described within the attached Schedule 1 (the "Schedules") and on any such additional consecutively numbered supplementary schedules, as which may be executed at any time by both parties to this Agreement. Each attached, or subsequently attached Schedule shall contain a description of the deliverables required to be provided by the Service Provider (collectively "Deliverables"), a description of any completion deadlines that pertain to the Deliverables and a description of the corresponding payment terms, including any partial payments for completion of designated milestones comprising each Deliverable.

Service Provider's Control Over Services Provided: The Service Provider shall retain the unqualified right of control over the means, manner and methods by which their Services are rendered and performed, and the right to perform those Services at the location(s) and time(s) that the Service Provider independently determines and sets forth. The Service Provider shall be responsible for providing all equipment, materials and supplies that the Service Provider determines shall be required to timely provide those Services which have been requested by the Service Recipient.

Compliance with Applicable Law: The Service Provider shall be responsible for complying with any and all applicable federal, state and local laws, rules, ordinances, regulations, and/or codes that pertain to the performance of the Services requested and provided. The Service Provider's failure to comply with the responsibilities and duties described in this Paragraph shall constitute a material breach of the Agreement.

Insurance: The Service Provider agrees to secure and maintain, at the Service Providers sole cost and expense, Worker's Compensation Coverage where required by law and General Liability Insurance, as required by the Company.

Permits and Licenses: The Service Provider shall be responsible for acquiring and maintaining, during the term of this Agreement, any and all permits, licenses and authorizations, if applicable, required to conduct the Service Provider's business and to perform the Services requested. The Service Provider's failure to comply with the responsibilities and duties herein shall constitute a material breach of this Agreement.

DUTIES IMPOSED ON THE COMPANY

Fees: The Service Provider's entire compensation for the performance of the Services provided hereunder shall be set forth in specific detail contained within the Schedule that corresponds to the specific Services provided and shall be payable solely by the Company.

Form 1099 Compliance: The Company shall report the amounts it pays the Service Provider on IRS Form 1099, to the extent so required under the Internal Revenue Code.

INDEPENDENT CONTRACTOR RELATIONSHIP

For all intent and purposes, including, but not limited to the Federal Insurance Contributions Act ("FICA"), The Self Employment Contributions Act ("SECA"), the Social Security Act, the Federal Unemployment Tax Act ("FUTA"), the Internal Revenue Code and any and all other federal, state and local laws, rules and regulations, each party hereto, including its officers, agents and employees, shall be at all times an independent contractor relative to the other party. Nothing in this Agreement shall be construed to make or render either party, including any of its officers, agents or employees, an agent, servant or employee of, or a joint venture of with the other.

TERMS AND TERMINATION

Automatic Renewal: The parties agree that at the expiry of the Initial Term or any subsequent renewed term, this Agreement shall be renewed for a further term of 12 months on the same terms and conditions as contained in this Agreement, unless written notice is given by one party to the other parties of its intent not to renew the Agreement at least 60 Days before the expiry of the Initial Term or any subsequent renewed term. Should any price increases occur the Service Provider will give a 60-day notice before the changes take effect.

Breach/Cause for Termination: This Agreement may be terminated at any time by either party should a material breach by the other party remain uncured thirty (30) days after submission of written notice being provided of the breach thereof, or a shorter period of time as may be specified within this Agreement or within the applicable Schedule provided to the Service Provider by the Company.

INDEMNIFICATION

Both parties shall guarantee, guard against and hold harmless the other party, any current or former employees, shareholders, partners or any ownership interest and agents from and/or against any alleged claim, including, but not limited to third-party claims, demands, loss, damages and or expense, including any legal or attorney fees that may be in relation to:

- a) any negligence, recklessness or any willful misconduct of the indemnifying party or any other party under the direction or control of the indemnifying party;
- b) any material breach of this Agreement by the indemnifying party, or
- c) any damage, loss or destruction relating to any property of the indemnifying party or their client or clients, injury or death to any individuals that may result from the actions or inactions of any employee, agent or subcontractor of the indemnifying party as such damage may arise out of or is in the course of fulfilling their obligations under and with relation to this Agreement, and to the extent that such damage may be due to any negligence, unlawful conduct, omission or default of the indemnifying party, their employees, agents or subcontractors.

Full and Complete Agreement: This Agreement has set forth the full and complete agreement and shall supersede any and all prior agreements between the parties concerning all aspects of the subject matter herein contained. The Agreement may not and shall not be amended except by way of a written instrument that must be signed by both parties named hereto.

ARBITRATION AND DISPUTE RESOLUTION

Any controversy or claim arising out of or relating to this contract, or the breach thereof, shall be settled by arbitration administered in accordance with the Commercial Arbitration Rules of the American Arbitration Association, as amended, and shall be governed by the laws of the State of Florida. The Federal Arbitration Act shall govern the interpretation and enforcement of this paragraph. The fees associated with the arbitrator shall be shared equally by both parties. The parties agree that this paragraph shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto, each acting pursuant with due and proper authority, have executed this Agreement as of the aforementioned Effective Date.

POO PATROL LAKELAND

PROPOSAL FOR PET WASTE STATION SUPPLY,
INSTALLATION & WEEKLY SERVICING:

HIGHLAND MEADOWS 2 CDD
RFP NO. 2026-001

PRESENTED BY
POO PATROL LAKELAND
LAKELAND, FL
AUGUST 2026

EXECUTIVE SUMMARY

Poo Patrol Lakeland is pleased to submit this proposal to Highland Meadows 2 CDD for the supply, installation, and ongoing weekly servicing of 28 commercial pet waste stations.

As a locally owned and operated Lakeland business with six years of experience in professional pet waste management, we understand that a successful pet waste station program depends on more than simply installing equipment. It requires consistent service, reliable communication, properly stocked stations, and prompt attention when maintenance issues arise.

Poo Patrol currently provides recurring service to four commercial and community properties with pet waste stations. Our service process includes

- notification upon completion
- photographic documentation of serviced stations
- prompt reporting of damage, vandalism, or other conditions requiring management's attention.

The proposed project will be personally overseen by the owner of Poo Patrol Lakeland, providing Highland Meadows 2 CDD and Haven Management Solutions with direct access and accountability throughout installation and ongoing service.

Our goal is simple: provide Highland Meadows 2 CDD with a professionally installed, dependable pet waste management system while making its ongoing management as hands-off as possible for the community.

ABOUT POO PATROL

LOCAL SERVICE. DIRECT ACCOUNTABILITY.

Poo Patrol Lakeland is a locally owned and operated professional pet waste management company based in Lakeland, Florida. For six years, we have built our business through dependable service, responsive communication, and a reputation our customers can rely upon. Our experience with both residential and commercial properties gives our team a practical understanding of the ongoing attention required to keep stations clean, stocked, functional, and presentable for residents.

WHY CHOOSE POO PATROL?

Six Years of Local Experience

Established experience providing professional pet waste management services in the Polk County area.

Commercial Station Experience

We understand the standards of excellence for installation and maintenance in communities that rely on clean, dependable, and effective service. Happy residents mean success and longevity for the community. We understand how to keep operations effective and dependable, allowing community management to remain as hands-off as possible in its pet waste sanitation needs.

Documented Service

Our team provides completed notifications and photos of completed service.

Proactive Communication

Damage, vandalism, or other maintenance concerns discovered during service are promptly communicated to management.

Local Accountability

As a locally operated company, our reputation is directly tied to the quality and consistency of the service we provide.

PROPOSED WASTE STATION

PROPOSED EQUIPMENT

Poo Patrol recommends a waste station that is hand-welded, powder-coated, rust-proof aluminum which withstands Florida rain and sun. This waste station will not bend or twist in the wind and is backed by Dog Waste Depot's limited lifetime warranty, subject to the manufacturer's terms and exclusions*.

Manufacturer: Dog Waste Depot

Model: Rust-Proof Aluminum Dog Waste Station

Each waste station includes:

- A sign indicating the station with a request to clean up after the pet owner's dog
- A mounting post made of galvanized steel and all necessary mounting hardware
- A 3-roll bag dispenser
- A 10-gallon round waste receptacle with aluminum lid and liner retention clamps

*Please see page 10 of the proposal for warranty information

INSTALLATION & PROJECT IMPLEMENTATION

Poo Patrol Lakeland will provide complete installation of all 28 pet waste stations at locations approved by Highland Meadows 2 CDD.

Installation will be personally overseen by the owner of Poo Patrol Lakeland to ensure consistency, proper placement, and professional workmanship throughout the project. The quoted installation price includes all labor, equipment, mounting hardware, and materials necessary for complete installation of all 28 stations.

PROJECT TIMELINE

1. Authorization & Equipment Order

Upon award, approval of station locations, and receipt of payment for equipment purchase, all 28 pet waste stations will be ordered within two business days. Delivery timing will be subject to manufacturer availability and freight transit times.

2. Site Preparation & Utility Clearance

Final station locations will be coordinated with community management prior to installation. Required underground utility locating and clearance must be completed before excavation begins. The community shall approve all final station locations prior to installation and identify or arrange for identification of privately owned underground facilities, including private irrigation, electrical, communication, or other improvements that may not be identified through the public utility locating system. Poo Patrol Lakeland will coordinate required Sunshine 811 notification prior to excavation.

3. Installation

Installation is anticipated to be completed within two weeks following receipt of all stations, subject to weather, site accessibility, utility clearance, and unforeseen site conditions. Each station will be installed plumb, secure, and operational, with disturbed areas restored as reasonably necessary following installation.

4. Final Walkthrough

Upon completion, Poo Patrol will gladly conduct a final walkthrough with an authorized community or management representative to review the completed installation and identify any concerns prior to commencement of recurring service.

5. Weekly Service Begins

Recurring weekly station service can begin immediately following completion and acceptance of the installation.

WEEKLY SERVICE PROGRAM

RELIABLE WEEKLY STATION SERVICE

Following installation, Poo Patrol Lakeland will provide weekly service for all 28 pet waste stations.

Each scheduled service includes:

- Emptying all station waste receptacles
- Lawful disposal of collected pet waste
- Replacement of receptacle liners (minimum of 2.0 mil)
- Replenishment of pet waste bags as needed (minimum of 1.0 mil)
- Cleaning of stations as necessary to maintain a neat appearance
- Visual inspection for damage, vandalism, or missing components
- Prompt notification to management of identified maintenance concerns
- Service completion notification
- Photographic documentation of serviced stations

CONSISTENT WEEKLY SCHEDULING

Highland Meadows 2 CDD is anticipated to be serviced once weekly on a recurring day of the week. While the specific service day may occasionally be adjusted due to holidays, weather, operational requirements, or other circumstances, Poo Patrol Lakeland will maintain the contracted weekly service frequency throughout the term of the agreement. If the scheduled service day changes, community management will be promptly notified.

Our emphasis is not simply on visiting the property once per week, but on ensuring the community receives consistent, documented, and accountable service.

RESPONSIVE LOCAL SUPPORT

Should an issue be identified during service, management will be notified promptly. As a locally owned and operated company, Poo Patrol Lakeland provides direct owner accessibility when questions or service concerns require attention.

DOG WASTE MANAGEMENT PROPOSAL - AUGUST 2026

SCOOPER PROS

WHY CHOOSE US?

- › Fully Insured & Bonded
- › Clean, Professional, Uniformed Technicians
- › Reliable & Consistent Service
- › Family-Owned & Locally Operated
- › Customer-Focused and Ready to Scale
- › Photo Documentation of Every Visit
- › Responsive Communication

- ▶ Scooper Pros is here to help! We provide complete dog-waste station solutions, including procurement, professional installation, and reliable weekly service—rain or shine.
- ▶ We can supply and install commercial-grade stations at approved locations, then service each one weekly by emptying waste bins, restocking bag dispensers, cleaning the immediate perimeter, and hauling away all collected waste.
- ▶ Our goal is a consistently clean and sanitary community with zero added work for the HOA/CDD.

Client Feedback & Reliability

While our current clients are primarily individual homeowners and residential properties, we have built a consistent five-star reputation for reliability, cleanliness, and clear communication. The core operational requirements for servicing dog-waste stations—fixed weekly routes, consistent emptying, station maintenance, and responsive communication—are the same whether serving a single homeowner or a community of 28 stations. We are fully prepared and equipped to scale this service to an HOA/CDD environment and welcome the opportunity to demonstrate that reliability.

We maintain both a 5.0-star Google and Yelp rating based on reviews from residential clients. Recent comments highlight the same standards an HOA/CDD expects:

- ▶ “Great service great communication. Came out fast, clean all needed areas.”
- ▶ “Very honest company 😊”
- ▶ “First, these were the kindest people to talk to. Secondly, they did an amazing job for us. We have two extra large dogs and a big yard. They tackled the job, took a picture and sent it to us when they were done. Communication was outstanding and I'm very glad I hired them!”

These reviews reflect the day-to-day execution we would bring to each of your 28 stations. Full reviews are publicly available on our Google Business Profile.

Process for Servicing HOA/CDD Waste Stations

Scheduling & Route Planning

- ▶ Stations are serviced on a fixed weekly schedule agreed upon with the Association.
- ▶ Our routes are planned for efficiency and consistency so the same service day/general time window is maintained whenever possible.
- ▶ Weather or holiday adjustments are communicated in advance. Missed or delayed service due to weather or other factors will be rescheduled as quickly as possible and the contact is informed.

Service Execution

- ▶ Each visit includes emptying the waste receptacle, replacing liners and bags as needed, wiping down stations and a quick visual inspection. Pet waste bags/liners will be a minimum of 1.0mil and receptacle bags will be a minimum thickness 2.0 mil, as requested.
- ▶ Any issues (damage, missing parts, overflowing bags left by residents, etc.) are noted on the spot.

Tracking & Documentation

- ▶ Every service visit is logged (date, time, station condition, any notes), as well as photo taken of each station at each weekly service.
- ▶ A simple service report can be provided quarterly or on request, summarizing completed visits and any observations.

Communication with the Board / Property Manager

- ▶ Primary contact is established at the start of service (email + phone). We respond to inquiries within one business day.
- ▶ Routine updates: quarterly summary or as-requested status.
- ▶ Immediate notification for anything that needs attention (damaged station, repeated overflow, vandalism, etc.).

Station Repairs & Maintenance Issues

- ▶ Minor issues (loose hardware, damaged lids, missing bags, etc.) are reported promptly with photos when helpful.
- ▶ We can handle basic on-site adjustments or coordinate with the Association on repairs/replacements.
- ▶ Clear process: we identify the issue → notify the designated contact → recommend next step (repair by us, parts needed, or Association decision).
- ▶ We maintain spare supplies (liners, basic hardware) so routine needs do not create delays.

Procurement & Installation Plan

Highland Meadows 2 CDD - 28 Dog Waste Stations

Phase 1: Order & Procurement

- ▶ Upon signed agreement and receipt of deposit (or full payment if preferred), stations are ordered from the manufacturer/supplier.
- ▶ Typical lead time for commercial-grade stations: **7–14 business days** (may vary slightly by current inventory and shipping).
- ▶ Stations include post, bag dispenser, waste receptacle, signage, and bags/liners.

Phase 2: Site Coordination

- ▶ Within 3–5 business days of order confirmation, we schedule a brief on-site walk-through with the designated HOA/CDD or property contact.
- ▶ Purpose: Confirm exact station locations, note any access or ground conditions, and mark placement points.
- ▶ Final locations approved by the Association before installation begins.

Phase 3: Delivery & Installation

- ▶ Stations ship directly to Scooper Pros for installation. Delivery typically occurs **10–18 business days** after order placement, depending on supplier and shipping.
- ▶ Installation begins within **3–5 business days** of delivery (weather and site access permitting).
- ▶ Installation of all 28 stations, typically completing the full set in **14 working days**.
- ▶ Standard method: Set posts in concrete for stability and longevity (or surface-mount where concrete is not feasible/preferred).
- ▶ Each station is leveled, secured, and left ready for immediate use (bags and liners installed).

Phase 4: Final Walk-Through & Handover

- ▶ Upon completion, a brief walk-through is offered with the HOA/CDD contact to confirm all stations are properly installed and functioning.
- ▶ Any punch-list items are addressed promptly.
- ▶ Weekly service schedule begins on the next agreed service day after installation is complete.

RETURN TO AGENDA

**MINUTES OF 07/23/26 REGULAR MEETING
HIGHLAND MEADOWS II COMMUNITY DEVELOPMENT DISTRICT**

The Regular Meeting of the Board of Supervisors of the Highland Meadows II Community Development District was held Thursday, July 23, 2026, at 4:30 p.m. Shamrock First Church, 2661 Marshall Rd., Haines City, Florida 33844. The public was able to listen and/or participate in-person or live via conference.

I. Call to Order and Roll Call

The meeting was called to order by the District Manager Ms. Thibault. Roll was called and a quorum was confirmed with the following Supervisors present:

Deborah Galbraith.....	Board of Supervisors, Chairwoman
Joellen DiBrango	Board of Supervisors, Vice Chair
Kristen Anderson	Board of Supervisors, Assistant Secretary
Mario Munoz	Board of Supervisors, Assistant Secretary
Adam King.....	Board of Supervisors, Assistant Secretary

Also present were:

Patricia Thibault.....	District Manager, Haven Management Solutions
Dana Bryant	Field Management Services, Haven Management Solutions
Kyle Magee (via virtual means).....	District Counsel, Kutak Rock
Greg Woodcock (via virtual means)	Project Manager, Stantec
Vincent Palevich	813 Security Services

It was acknowledged that a quorum was established with Chairwoman Galbraith, Supervisor Anderson, Supervisor DiBrango, and Supervisor King. Supervisor Munoz arrived at 4:34pm.

II. Audience Questions and Comments on Agenda Items *(limited to 3 minutes per individual)*

- A resident requested Phases 3A and 3B be renamed to match their legal names, Phase 3 and Phase 3B. Supervisor Anderson noted that the third whereas still had 4D and C listed on them instead of the corresponding HOA. The Board allowed a resident to make a comment on non-agenda items. The resident reported that he had sent an email to the present Board members and Ms. Thibault regarding an issue with the mailbox on the west end of Pheasant Park. He noted the broken glass had been cleaned up. The resident also noted concerns with the number of cars parked close to the mailbox space, reporting 4 or 5 cars. He noted that he was not accusing the residents of parking illegally and asked that they have to park with at least another car length on each side. The Board confirmed that none of them have to pick up their mail at the west end of Pheasant. Supervisor Anderson asked if they could extend the mailbox pickup area with signs, either in the ground or painted on the curb, so that it could be incorporated into the existing policy without requiring capital improvements. Mr. Woodcock noted that it should not be an issue, but confirmed that he would check to make sure and get back to Ms. Thibault in the next week.
- A resident noted her previous neighbor, who had worked for the postal system, had informed her that parking in the area of the mailbox was illegal. She noted that the area around the Nighthawk mailbox was much bigger. Chairwoman Galbraith noted her belief that there was supposed to be 15 feet on either side of the mailbox that people were not allowed to park in. Ms. Thibault asked Mr. Woodcock to look into adding 15 feet to either side of the mailbox. Supervisor DiBrango noted they had issued similar instructions to residents in Phase 4A, directing them to park on the other street, away from the mailbox.
- A resident commented on the code compliance ordinances, noting that their HOA does not have an agreement with the City of Davenport. Ms. Thibault explained that the CDD roads are public, meaning code compliance could drive through the property. The Board confirmed that there did not have to be an agreement between the management company in Davenport or Haines City. Ms. Thibault advised that even if they had gates, they would have to let

anybody in. Chairwoman Galbraith explained that the Highland Meadows II CDD had to try to comply with the Davenport Code Compliance and the Haines City Code Compliance, noting that the codes were not the same.

- A resident asked if there was a difference between 818 Security and JCS. He asked if there was any contact information available for security, noting that he had the previous information for JCS. Mr. Palevich, with 813, advised that they had a dispatch line and a QR code that could be scanned to send an alert to the dispatch team. He noted that they could put the QR code on a sign in the amenity center and that it could be sent to residents via email. Chairwoman Galbraith asked Mr. Palevich what issues residents were allowed to call them for. Ms. Thibault responded, noting that the security team could not be called regarding any resident issue. She noted neighbors fighting or someone breaking into a home would be calls to the police department, not 813 Security. Ms. Thibault advised that issues like a truck parked illegally in the street or people fighting in the pool area or ingesting/smoking prohibited or illegal substances would be a call to the security team. Mr. Palevich provided the dispatch number (813-400-2899) to the resident. Mr. Palevich advised that calls would be screened and deemed appropriate by their dispatcher.

III. Professional Staff Updates

A. Stantec Engineering – Greg Woodcock

1. Discussion and Update on Outfalls

Mr. Woodcock reported that he had submitted the transfer to have Ruby Run put in the CDD's name, though he was still waiting for the approval to be sent. He continued, noting that they had been working with ADS, Finn Outdoor, and Site Masters to get proposals on the drainage work they had presented last month. Mr. Woodcock reported that ADS had sent a proposal, Finn Outdoor had passed on the project, and he was waiting for a proposal from Site Masters. He shared that the original proposal from ADS was \$17,525. Mr. Woodcock reported that he had sent the playground layouts, with sizes, to Frank, who was going to put together a few exhibits. Ms. Thibault reminded the Board of their intent to resurrect a playground in Phase 7. She advised that the lowest estimate they had received was \$55,000, which had been deemed fiscally unacceptable. She asked the Board if they would like to advance a playground structure for Phase 7, noting that Frank would be taking the measurements to see what could be put in that space. Ms. Thibault explained that there was a small slide structure and sail shade in that location.

Supervisor Anderson reported that there were two missing ADA mats, one near 480 Pheasant and the other near 361 Golden Eagle Way. Supervisor DiBrango asked if they were going to have the unused playground equipment hauled off. Ms. Thibault advised that that would be Board direction, noting that she could get a quote for the removal. The Board briefly mentioned scrapping the materials, to which Ms. Thibault advised that they would still have to haul the material to the scrapping location. Supervisor Munoz shared that some scrapping companies would come to pick up the material. Mr. Woodcock stated that ADS and Site Masters have large trailers, noting that he would speak with them about moving the scrap material.

B. District Attorney – Kutak Rock

1. Discussion and Status Update of PRWC:

Mr. Magee explained that upon sending the finalized documents to be executed, PRWC wanted to confirm that their contractor would not be implementing the cure portion of the construction. He advised that that was not what the easements he had drafted stated, noting that there was a misunderstanding of the facts from both parties. Mr. Magee confirmed that the easements he had drafted and negotiated were clear that the construction would need to be replaced and put back by the construction crew and contractor. He shared that the PRWC understood the documents to mean that their contractor would do minimal restoration and the District would be expected to cover the majority of it. He advised that Mr. Earlywine and himself had communicated with the PRWC to attempt to salvage the agreement, though unfortunately, the PRWC had moved the project and voided several parcels, including those of the District. Mr. Magee explained that meant that the District property would no longer have any piping, but they also would not receive any funding for the easements, as the easements were no longer needed and the piping would go within the right-of-way. He

advised that the PRWC had agreed to pay the attorney fees, noting that the sum of money the Board was expecting would not be coming through. Chairwoman Galbraith asked Mr. Magee to explain why the PRWC was not currently on their property. Mr. Magee explained that where the District property is, is the interior of the sidewalk to the wall and the entire sidewalk to the roadway is county right-of-way property. PRWC decided to stick to their right of way. He noted that were the PRWC to accidentally go into the easement, they would seek reimbursement for that. Mr. Magee advised that the city of Haines City was conducting work in the area, though they would already have the utility easements on CDD parcels.

Supervisor Anderson stated that she wanted it clearly stated on the record who the sidewalks belong to, and who they need to be maintained by moving forward. Mr. Magee advised that the sidewalks were not CDD sidewalks along where the work was being conducted. Chairwoman Galbraith noted that the ground where they took the sidewalk on North 10th Street was okay because it was the city's domain. Mr. Magee confirmed that to be true. Chairwoman Galbraith asked if the PRWC would replace the fence that was scraped and torn up with sod that they tore up, noting that otherwise, Mr. Bryant would have to fix it at cost to the District. Mr. Magee advised that if there was damage from the sidewalk inward, the PRWC would be responsible for it. He noted that they were not currently doing work out in the area; the City of Haines City had contactors out doing work. Ms. Thibault suggested they reach out to Haines City. Mr. Magee advised that the PRWC was aware of the easements, noting that they needed to identify who the contractors currently out in the area were with. Supervisor DiBrango asked if there was anything in writing that would hold the PRWC to repair anything they damaged. Ms. Thibault asked Supervisor Anderson to send her the pictures of the corridor. She noted that she and Mr. Comings would take a look at the area and send a picture and a pin drop to the Board and Mr. Magee.

Mr. Magee advised that the \$29,000 lien was being released, so the District would no longer be expected to pay that amount.

IV. Security Services

Mr. Palevich presented his report, noting that they did not receive any resistance when they had to shut the pool down for weather, and mostly faced minor issues with food and beverages at the pool and parking. He noted they had been requested by residents for minor first aid issues, like providing bandages. Mr. Palevich noted that if provided by the Board, they would be able to hand those items out, but they would not be able to administer them. Ms. Thibault advised that upon reaching out to Egis, the insurance company, they had informed her that they could hand out bandages but could not under any circumstances administer them or touch whoever is putting the bandage on. She noted they could purchase a first aid kit for with different sized bandages. Mr. Palevich confirmed that the closet would be a good spot to store the kit. The Board debated waiting to purchase the kit, noting that school had started. Mr. Palevich advised that not all of his staff was CPR certified. Ms. Thibault explained that the pool monitors were not to be considered lifeguards as they operated as pool monitors only. The Board agreed the kit would be kept in the closet.

On a MOTION by Supervisor DiBrango, SECONDED by Supervisor Anderson, WITH ALL IN FAVOR, the Board Approved the Not-to-Exceed Amount of \$100 for a First Aid Kit for the Highland Meadows II Community Development District.

Supervisor DiBrango reported that fireworks had been shot down the street, and though the report had stated there was no evidence of them, she noted that there was. Her suggestion to the security team was to look both ways from the address that was given when looking for evidence. Ms. Thibault advised that the revised agenda was included in the agenda. Mr. Palevich advised that there was not an animal issue, the item was just a parking violation. He confirmed that his team would look both ways when documenting the firework debris.

V. Field Services Report

A. Presentation of Highland Meadows II Field Report

Mr. Bryant reported on the Yucca, noting the previous concerns they have had regarding planting. The Board discussed Bayonet Yucca. Mr. Bryant advised that the Bayonet Yucca would need trimming, confirming that he would cut the top 5 /6 feet off each of the plants and plant them every 3 to 4 feet along the 150-foot stretch of wall. He noted

they would be planted next week, a foot or two into the ground to improve their chance of survival. Mr. Bryant shared that he would be propagating the Yucca from his home to be planted along the wall. Ms. Thibault asked how this would affect the price. Mr. Bryant stated that it would not affect the price at this point. Mr. Bryant reiterated that he would wait to see if the Yucca takes before he bills. Ms. Thibault advised that they had heard from Phase 4, Phase 3, Phase 3B, and Phase 7 regarding the monument plantings. She stated that the agreement the HOAs approved was not an agreement for what would actually be planted. She continued, noting that each individual HOA would choose their own plantings, and any issue they may have with the vendor as to the plantings, would not be a CDD matter. Ms. Thibault advised that the agreement with the CDD was only to allow the HOAs to place the plant material, and nothing else. She emphasized that anything regarding the plant material installed is between Mr. Bryant and the HOA(s). Mr. Magee confirmed, noting that the CDD would maintain the installation afterwards, but installation and selection would be on the HOA. Supervisor Anderson stated that the plant material is decided through Mr. Bryant. Chairwoman Galbraith added that payment would go to Mr. Bryant. Ms. Thibault advised that the Juniper would be planted and paid for by the CDD as an erosion deterrent. She noted that the installations would likely occur at the same time. Chairwoman Galbreath asked if they could lower the mound on Tanager and Patterson for erosion control. Mr. Bryant noted that the mound likely starts at the monument. He confirmed he could look around the area and use his shovel to investigate. He noted that they were going to plant extra Juniper at the bottom of the mound to slow the water flow. Chairwoman Galbraith noted they were trying to avoid having to redo work. Mr. Bryant reported that the other monument areas were flat and required erosion control between the sidewalk and the beds.

Mr. Bryan presented his report, stating that the lack of spraying, weeding, and maintenance at the DRA retention walls they discussed last month had continued. He reported that the DRAs in Phase 4 had not been mowed, though the perimeter had been. He stated that it could be due to the time he had been checking the DRAs, as it was possible they mowed them at other dates. Supervisor Anderson asked how often the DRAs are supposed to be mowed. Mr. Bryant advised once a month. Chairwoman Galbraith shared that she thought it was weekly during the summer, to which Mr. Bryant advised that that would be unlikely on the DRAs. He asked to see their contracts to confirm. Mr. Bryant reported that in Phase 4 the perimeters and Common DRA were mowed and the edging was almost non-existent. He continued, noting that in Phase 2, the perimeter was mowed and trimmed, the amenity and common areas were not mowed, and the amenity was mowed. In Phase 6 A and B, the common areas and perimeters were mowed, and some of the shrubs in the perimeter looked fuzzy. In Phase 7, the DRAs, columns, and perimeters were mowed. Mr. Bryant advised that weeds were likely the only item he would penalize the team on with the next inspection. He reported that the playground area in Phase 7 had weeds inside the mulch area and the base of mailboxes, noting that weeds should be taken care of at playgrounds and mailboxes. Mr. Bryant reported that the Sugarwood island needed to be sprayed, and that the Willert island had trash dumped on it, which is likely why Mele had not serviced it. Chairwoman Galbraith noted they could contact the HOA company for that phase regarding the trash. Ms. Thibault suggested Mr. Bryant observe the trash on Willet and send her and the Chair a quick price, within reason, to be signed off. She then suggested Mr. Bryant offer a not-to-exceed price to be approved at this time. Mr. Bryant suggested \$200. The Board suggested \$150. Mr. Bryant expressed his concern about the dump fee. Supervisor Anderson advised that the new dump was less expensive than the one they used to use. The Board discussed the location for the new dump, noting it was in Haines City. Mr. Comings suggested they reimburse Mr. Bryant for the dump fee. Ms. Thibault opened the floor for resident comments on the walk-on proposal.

On a MOTION by Supervisor Anderson, SECONDED by Supervisor DiBrango, WITH ALL IN FAVOR, the Board Approved the Not-to-Exceed Amount of \$150 Plus Dump Fees for the Removal of Trash on Willert, with the Inclusion of the Receipt for the Highland Meadows II Community Development District.

Mr. Bryant suggested that they needed to be harder on the landscaping team about the tops of the walls. Chairwoman Galbraith expressed that she believed that the CDD was responsible for mowing on both sides of the sidewalk of the small strips of grass in front of the homes.

Mr. Comings reported on the signage, noting that they had received a ballpark number for street signs in Phase 7. He noted that a few Hummingbird and Ruby Run signs were missing. Chairwoman Galbraith asked if the signs had ever been put in, or if they came up gone. Ms. Thibault stated that they could not advise as to how the signs were gone. Mr. Comings noted that the company wanted \$1,400 for 6 street signs, including install. Ms. Thibault advised that street signage had to be DOT compliant. Chairwoman Galbraith noted that they needed to remove the “no soliciting” sign in Phase 7. Ms. Thibault suggested a not-to-exceed amount of \$50 to have Mr. Bryant include the “no soliciting” sign. Ms. Thibault opened the floor to audience comments on the walk-on proposal.

On a MOTION by Supervisor DiBrango, SECONDED by Chairwoman Galbraith, WITH ALL IN FAVOR, the Board Approved the Not-to-Exceed Amount of \$50 for the Removal of the “No Soliciting” Sign on CDD Property in Phase 7 that is Blocking a Sprinkler for the Highland Meadows II Community Development District.

Mr. Comings confirmed that they were waiting for Mark to install the pool signage. He noted they had purchased 3 signs with different hours. Ms. Thibault recommended they drive through all the other phases to see what other street name signs were missing. Mr. Comings confirmed that he had done so and had that list. He stated that he could get a proposal for all of the missing street name signs. Supervisor King asked if the Cooper Pools repair was completed. Ms. Thibault advised that she would ask Cooper Pools. She advised that they were actually discussing the Mele Environmental Services for irrigation clocks. The amount for the irrigation control clocks was \$1,095.

On a MOTION by Supervisor Anderson, SECONDED by Supervisor King, WITH ALL IN FAVOR, the Board Approved the Irrigation Control Clocks Proposal for \$1,095 for the Highland Meadows II Community Development District.

Chairwoman Galbraith asked if the electrical unit on Patterson and Tangager was active or dead. Supervisor King asked about the monument lighting on Persian and 10th. The Board noted it was still not working. Ms. Thibault confirmed that she would send that to Mark.

VI. Administrative Matters

A. Consideration for Acceptance – June 2026 Unaudited Financial Statements

Ms. Thibault reported that the expenditure showed that the District was running about \$35,000 over budget. She asked the Board to be careful with their spending. Chairwoman Galbraith noted that things in the District kept breaking, leading to having to spend those funds. Supervisor Anderson reported that the fence behind the lift station at 1271 Woodlark was starting to come out. She noted the same happening at the tract and Phase 3. She shared that the panels were down. Supervisor Anderson noted the tract was next to 1410 Woodlark. Ms. Thibault noted that Mr. Magee was going to take care of sidewalk damage caused by the city with the city. She expressed her concerns with the upcoming hurricane season. She noted her expectation, if the area were to be hit by a hurricane, would be for Mark to come to the District the next day and take stock of the fence issues. She confirmed that Mr. Comings would have the same discussion with the sign vendors. Chairwoman Galbraith asked if they checked with housekeeping and janitorial to see what their protocol for hurricane staging was. Mr. Comings noted that it was in their contracts that they were to stage. Ms. Thibault advised that Mr. Bryant would also be there the next day if there were landscaping issues.

Supervisor Anderson asked if they ever received an update on 2901 North Street. Chairwoman Galbraith clarified, noting it was related to Duke Energy. Ms. Thibault confirmed that was where their well was. She explained that the well behind it was not on 10th street, noting that every month they are assessed an amount by the city. The city then takes that amount and applies the credit to the bill as they are not picking up any waste. Supervisor Anderson asked if one of the Stantec invoices should be corrected to not state HOA issues, since they were not supposed to spend money on HOA. Ms. Thibault noted that the item would have to be listed as an HOA issue because the item was being noted as an HOA issue rather than a CDD issue.

On a MOTION by Chairwoman Galbraith, SECONDED by Supervisor Munoz, WITH ALL IN FAVOR, the Board Accepted the June 2026 Unaudited Financial Statements for the Highland Meadows II Community Development District.

B. Consideration for Approval – The Meeting Minutes of the Regular Board of Supervisors Meeting Held June 25, 2026

Ms. Thibault confirmed the changes were made. Chairwoman Galbraith asked if they had the valve map yet. Mr. Bryant confirmed they would get it.

On a MOTION by Supervisor Munoz, SECONDED by Supervisor DiBrango, WITH ALL IN FAVOR, the Board Accepted the June 25, 2026 Meeting Minutes of the Regular Board of Supervisors Meeting for the Highland Meadows II Community Development District.

C. Consideration for Approval – Agreement Between the Highland Meadows II Community Development District and Highland Meadows 3A Homeowners Association, Inc. for Entrance Monument Enhancement and Maintenance

Ms. Thibault noted that 3A should become 3. She advised that they required a formal proposal to include in the agreement.

On a MOTION by Supervisor Munoz, SECONDED by Chairwoman Galbraith, WITH ALL IN FAVOR, the Board Approved the Agreement Between the Highland Meadows II Community Development District and Highland Meadows 3A Homeowners Association, Inc. for Entrance Monument Enhancement and Maintenance in Substantial Form, Pending the Final Proposal for the Highland Meadows II Community Development District.

D. Consideration for Approval – Agreement Between the Highland Meadows II Community Development District and Highland Meadows 3B Homeowners Association, Inc. for Entrance Monument Enhancement and Maintenance

On a MOTION by Supervisor DiBrango, SECONDED by Chairwoman Galbraith, WITH ALL IN FAVOR, the Board Approved the Agreement Between the Highland Meadows II Community Development District and Highland Meadows 3B Homeowners Association, Inc. for Entrance Monument Enhancement and Maintenance in Substantial Form, Pending the Final Proposal for the Highland Meadows II Community Development District.

E. Consideration for Ratification:

Ms. Thibault briefly presented the ratifications.

On a MOTION by Chairwoman Galbraith, SECONDED by Supervisor Anderson, WITH ALL IN FAVOR, the Board Ratified the Good Home Services Proposals for the Highland Meadows II Community Development District.

F. Presentation of Check Register Details

Ms. Thibault confirmed this document would be sent separately moving forward.

VII. District Management

Audience Comments New Business Items (limited to 3 minutes per individual)

Chairwoman Galbraith suggested the public hearing information be reiterated to the residents to improve attendance. Ms. Thibault confirmed that a letter was legally required to be sent 20 days before the hearing.

IX. Supervisor Requests

Supervisor DiBrango requested that they place a sign that says “No Dumping, Property of the CDD” on the Willert island to prevent trash dumping. Supervisor Anderson suggested a letter be sent to the HOAs as well, informing them of the financial burden to the District. Ms. Thibault confirmed that Mr. Comings would seek a proposal for the sign with the company they were using for the street name signs.

Supervisor King asked that a digital reference be included regarding the addresses referenced during the proposals. Ms. Thibault advised that she had emailed one to the Board. Mr. Comings noted they could load the list onto the tablets. Ms. Thibault expressed concerns over the lack of specific addresses on their maps. Mr. Comings advised that they would

work out a more comprehensive map. Ms. Thibaut advised that if she has prior knowledge of the address being discussed, they could download a map. Mr. Comings advised that he could work with Supervisor Aderson to come up with a comprehensive map using the map with lot numbers.

X. Adjournment

There being no further business, the meeting was adjourned.

On a MOTION by Supervisor Munoz, SECONDED by Supervisor Anderson, WITH ALL IN FAVOR, the Board Adjourned the Meeting for the Highland Meadows II Community Development District.

~Any individual who wishes to appeal a decision made by the Board with respect to any matter considered at this meeting is hereby advised that they may be responsible for ensuring that a verbatim record of the proceedings is made, including all testimony and evidence upon which the appeal is based.~

Proposal for Pond Bank Stabilization and Riprap Restoration

Prepared For: Highland Meadows II CDD

Contractor: Advanced Drainage Solutions (ADS)

Date Created: 07/29/2026

Proposal No. : 1303

Project Location: 218 Sandestin Drive

Scope of Work

Provide stabilization of the existing washout area by importing clean fill material to backfill the eroded section along an approximately 20' x 5' area at the top of the slope. Place and compact fill material in lifts to restore the existing slope and surrounding grade. Install Mirafi geotextile filter fabric over the repaired area and place 6–12 inch FDOT riprap to stabilize the repaired slope. Fine grade all disturbed areas and install one pallet of matching Bahia sod to blend with the existing turf. Perform final cleanup and remove all construction debris upon completion.

Total Project Cost

Pond Bank Erosion Repair (1 Location): **\$4,250.00**

Notes

The project pricing includes all labor, equipment, imported fill, Mirafi geotextile fabric, FDOT riprap, matching sod, site cleanup, and debris disposal necessary to complete the work. All repairs will be performed in accordance with the engineer's recommendations. Any additional work requested or required outside the scope of this proposal will be quoted separately and performed only upon approval.

Workmanship Warranty

ADS LLC warrants that all work performed under this proposal will be free from defects in workmanship for a period of one (1) year from the date of completion. This warranty covers installation and labor only and does not include damage caused by unforeseen conditions or factors beyond contractor control.

Important to know

Your next meter reading on or after: Jul 9

Please be sure we can safely access your meter. Don't worry if your digital meter flashes eights from time to time. That's a normal part of the energy measuring process.

Your electric service may be disconnected if your payment is past due

If payment for your electric service is past due, we may begin disconnection procedures. The due date on your bill applies to current charges only. Any unpaid, past due charges are not extended to the new due date and may result in disconnection.

Electric service does not depend on payment for other products or services

Non-payment for non-regulated products or services (such as surge protection or equipment service contracts) may result in removal from the program but will not result in disconnection of electric service.

When you pay by check

We may process the payment as a regular check or convert it into a one-time electronic check payment.

Asset Securitization Charge

A charge to recover cost associated with nuclear asset-recovery bonds. Duke Energy Florida is acting as the collection agent for Special Purpose Entity (SPE) until the bonds have been paid in full or legally discharged.

Medical Essential Program

Identifies customers who are dependent on continuously electric-powered medical equipment. The program does not automatically extend electric bill due dates, nor does it provide priority restoration. To learn more or find out if you qualify, call 800.700.8744 or visit duke-energy.com/home/billing/special-assistance/medically-essential.

Special Needs Customers

Florida Statutes offer a program for customers who need special assistance during emergency evacuations and sheltering. Customers with special needs may contact their local emergency management agency for registration and more information.

The chart displays the monthly electric usage in kWh. The y-axis ranges from 0 to 50 kWh in increments of 11. The x-axis shows months from June 2025 to June 2026. The usage starts at approximately 11 kWh in June 2025, dips slightly in July and August, then rises steadily to a peak of about 44 kWh in January 2026. After January, there is a significant drop to around 22 kWh in February, followed by a period of relative stability until April, and then a gradual decline to approximately 18 kWh by June 2026.

Important to know

Your next meter reading on or after: Jul 9

Please be sure we can safely access your meter. Don't worry if your digital meter flashes eights from time to time. That's a normal part of the energy measuring process.

Your electric service may be disconnected if your payment is past due

If payment for your electric service is past due, we may begin disconnection procedures. The due date on your bill applies to current charges only. Any unpaid, past due charges are not extended to the new due date and may result in disconnection.

Electric service does not depend on payment for other products or services

Non-payment for non-regulated products or services (such as surge protection or equipment service contracts) may result in removal from the program but will not result in disconnection of electric service.

When you pay by check

We may process the payment as a regular check or convert it into a one-time electronic check payment.

Asset Securitization Charge

A charge to recover cost associated with nuclear asset-recovery bonds. Duke Energy Florida is acting as the collection agent for Special Purpose Entity (SPE) until the bonds have been paid in full or legally discharged.

Medical Essential Program

Identifies customers who are dependent on continuously electric-powered medical equipment. The program does not automatically extend electric bill due dates, nor does it provide priority restoration. To learn more or find out if you qualify, call 800.700.8744 or visit duke-energy.com/home/billing/special-assistance/medically-essential.

Special Needs Customers

Florida Statutes offer a program for customers who need special assistance during emergency evacuations and sheltering. Customers with special needs may contact their local emergency management agency for registration and more information.

Important to know

Your next meter reading on or after: Jul 9

Please be sure we can safely access your meter. Don't worry if your digital meter flashes eights from time to time. That's a normal part of the energy measuring process.

Your electric service may be disconnected if your payment is past due

If payment for your electric service is past due, we may begin disconnection procedures. The due date on your bill applies to current charges only. Any unpaid, past due charges are not extended to the new due date and may result in disconnection.

Electric service does not depend on payment for other products or services

Non-payment for non-regulated products or services (such as surge protection or equipment service contracts) may result in removal from the program but will not result in disconnection of electric service.

When you pay by check

We may process the payment as a regular check or convert it into a one-time electronic check payment.

Asset Securitization Charge

A charge to recover cost associated with nuclear asset-recovery bonds. Duke Energy Florida is acting as the collection agent for Special Purpose Entity (SPE) until the bonds have been paid in full or legally discharged.

Medical Essential Program

Identifies customers who are dependent on continuously electric-powered medical equipment. The program does not automatically extend electric bill due dates, nor does it provide priority restoration. To learn more or find out if you qualify, call 800.700.8744 or visit duke-energy.com/home/billing/special-assistance/medically-essential.

Special Needs Customers

Florida Statutes offer a program for customers who need special assistance during emergency evacuations and sheltering. Customers with special needs may contact their local emergency management agency for registration and more information.

This month's statement includes charges from the prior billing period. These charges are not past due, and no late fees have been applied. Occasionally the prior month's due date falls on the same date or slightly after the next monthly bill. This can happen when holidays, weekends, or other exceptions cause your billing cycle to be slightly longer or shorter than usual. The due date for last month's charges has not changed, so you should submit payment as you normally would. For customers enrolled in Auto Pay, each monthly balance will be drafted separately on its respective due date.

Please note that all unpaid balances are transferred to a third-party collection agency along with account contact information, which may include email. If the email address we have on file is accessible by others (i.e., family members, employees, etc.) it's possible they could view any future correspondence from this third-party. To opt-out of email communications, please contact Duke Energy within thirty-five days from the date this bill was issued.

Get a credit of up to \$819 per charger to help cover the costs of preparing your home for convenient EV charging. Plus, get a \$7.50 monthly bill credit for charging during off-peak hours. Learn more at duke-energy.com/EVHome.

Duke Energy offers energy efficiency programs to help you save money and energy, including a Free Home Energy Check available online, via phone, or in-your home by an energy expert from Duke Energy. An optional Energy Analysis/Rating including payback estimates can be conducted for a small fee, if desired. For more information, visit us at duke-energy.com/HEC.

Mail your payment at least 7 days before the due date or pay instantly at duke-energy.com/billing. Payments for this statement within 90 days from the bill date will avoid a 1.0% late payment charge.

Please return this portion with your payment. Thank you for your business.

Important to know

Please be sure we can safely access your meter. Don't worry if your digital meter flashes eights from time to time. That's a normal part of the energy measuring process.

Your electric service may be disconnected if your payment is past due

If payment for your electric service is past due, we may begin disconnection procedures. The due date on your bill applies to current charges only. Any unpaid, past due charges are not extended to the new due date and may result in disconnection.

Electric service does not depend on payment for other products or services

Non-payment for non-regulated products or services (such as surge protection or equipment service contracts) may result in removal from the program but will not result in disconnection of electric service.

When you pay by check

We may process the payment as a regular check or convert it into a one-time electronic check payment.

Asset Securitization Charge

A charge to recover cost associated with nuclear asset-recovery bonds. Duke Energy Florida is acting as the collection agent for Special Purpose Entity (SPE) until the bonds have been paid in full or legally discharged.

Medical Essential Program

Identifies customers who are dependent on continuously electric-powered medical equipment. The program does not automatically extend electric bill due dates, nor does it provide priority restoration. To learn more or find out if you qualify, call 800.700.8744 or visit duke-energy.com/home/billing/special-assistance/medically-essential.

Special Needs Customers

Florida Statutes offer a program for customers who need special assistance during emergency evacuations and sheltering. Customers with special needs may contact their local emergency management agency for registration and more information.

Important to know

Your next meter reading on or after: Jul 30

Please be sure we can safely access your meter. Don't worry if your digital meter flashes eights from time to time. That's a normal part of the energy measuring process.

Your electric service may be disconnected if your payment is past due

If payment for your electric service is past due, we may begin disconnection procedures. The due date on your bill applies to current charges only. Any unpaid, past due charges are not extended to the new due date and may result in disconnection.

Electric service does not depend on payment for other products or services

Non-payment for non-regulated products or services (such as surge protection or equipment service contracts) may result in removal from the program but will not result in disconnection of electric service.

When you pay by check

We may process the payment as a regular check or convert it into a one-time electronic check payment.

Asset Securitization Charge

A charge to recover cost associated with nuclear asset-recovery bonds. Duke Energy Florida is acting as the collection agent for Special Purpose Entity (SPE) until the bonds have been paid in full or legally discharged.

Medical Essential Program

Identifies customers who are dependent on continuously electric-powered medical equipment. The program does not automatically extend electric bill due dates, nor does it provide priority restoration. To learn more or find out if you qualify, call 800.700.8744 or visit duke-energy.com/home/billing/special-assistance/medically-essential.

Special Needs Customers

Florida Statutes offer a program for customers who need special assistance during emergency evacuations and sheltering. Customers with special needs may contact their local emergency management agency for registration and more information.

Important to know

Your next meter reading on or after: Aug 6

Please be sure we can safely access your meter. Don't worry if your digital meter flashes eights from time to time. That's a normal part of the energy measuring process.

Your electric service may be disconnected if your payment is past due

If payment for your electric service is past due, we may begin disconnection procedures. The due date on your bill applies to current charges only. Any unpaid, past due charges are not extended to the new due date and may result in disconnection.

Electric service does not depend on payment for other products or services

Non-payment for non-regulated products or services (such as surge protection or equipment service contracts) may result in removal from the program but will not result in disconnection of electric service.

When you pay by check

We may process the payment as a regular check or convert it into a one-time electronic check payment.

Asset Securitization Charge

A charge to recover cost associated with nuclear asset-recovery bonds. Duke Energy Florida is acting as the collection agent for Special Purpose Entity (SPE) until the bonds have been paid in full or legally discharged.

Medical Essential Program

Identifies customers who are dependent on continuously electric-powered medical equipment. The program does not automatically extend electric bill due dates, nor does it provide priority restoration. To learn more or find out if you qualify, call 800.700.8744 or visit duke-energy.com/home/billing/special-assistance/medically-essential.

Special Needs Customers

Florida Statutes offer a program for customers who need special assistance during emergency evacuations and sheltering. Customers with special needs may contact their local emergency management agency for registration and more information.

Important to know

Your next meter reading on or after: Aug 6

Please be sure we can safely access your meter. Don't worry if your digital meter flashes eights from time to time. That's a normal part of the energy measuring process.

Your electric service may be disconnected if your payment is past due

If payment for your electric service is past due, we may begin disconnection procedures. The due date on your bill applies to current charges only. Any unpaid, past due charges are not extended to the new due date and may result in disconnection.

Electric service does not depend on payment for other products or services

Non-payment for non-regulated products or services (such as surge protection or equipment service contracts) may result in removal from the program but will not result in disconnection of electric service.

When you pay by check

We may process the payment as a regular check or convert it into a one-time electronic check payment.

Asset Securitization Charge

A charge to recover cost associated with nuclear asset-recovery bonds. Duke Energy Florida is acting as the collection agent for Special Purpose Entity (SPE) until the bonds have been paid in full or legally discharged.

Important to know

Your next meter reading on or after: Aug 7

Please be sure we can safely access your meter. Don't worry if your digital meter flashes eights from time to time. That's a normal part of the energy measuring process.

Your electric service may be disconnected if your payment is past due

If payment for your electric service is past due, we may begin disconnection procedures. The due date on your bill applies to current charges only. Any unpaid, past due charges are not extended to the new due date and may result in disconnection.

Electric service does not depend on payment for other products or services

Non-payment for non-regulated products or services (such as surge protection or equipment service contracts) may result in removal from the program but will not result in disconnection of electric service.

When you pay by check

We may process the payment as a regular check or convert it into a one-time electronic check payment.

Asset Securitization Charge

A charge to recover cost associated with nuclear asset-recovery bonds. Duke Energy Florida is acting as the collection agent for Special Purpose Entity (SPE) until the bonds have been paid in full or legally discharged.

Medical Essential Program

Identifies customers who are dependent on continuously electric-powered medical equipment. The program does not automatically extend electric bill due dates, nor does it provide priority restoration. To learn more or find out if you qualify, call 800.700.8744 or visit duke-energy.com/home/billing/special-assistance/medically-essential.

Special Needs Customers

Florida Statutes offer a program for customers who need special assistance during emergency evacuations and sheltering. Customers with special needs may contact their local emergency management agency for registration and more information.
