III. Professional Staff Updates

A. Stantec Engineering – Greg Woodcock

1. Discussion of Proposed Playground Locations

Mr. Woodcock presented the different types of playground equipment in the agenda, noting the capacity, age ranges, and overall space required for each of the playgrounds. The first playground had a capacity of 25, was for ages 2 to 5 or 5 to 12 and required a 26 foot by 31-foot area. The second playground also had a capacity of 25, was for ages 5 to 12, and required a 30 by 25 area. The third playground was for ages 2 to 5 and would require a 20 by 25 area. Supervisor Anderson asked why the Board was being presented with this item now, and where would the money come from. Ms. Thibault advised that there had been conversation regarding having a playground in the Phase 7 area, noting that the board had specifically requested that options be brought forward for Board consideration. She stated that in order to get the grant, the playground would need to be in excess of \$100,000, which she noted the pieces were not, nor could the District afford \$100,000. Supervisor DiBrango noted she would like to visit this in next year's budget. The Board agreed.

2. Professional Services Agreement Change Order - \$10,000

Mr. Woodcock explained the agreement change order, noting that Highland Meadows II was over budget, so they were requesting a change order for \$10,000 to carry through the remainder of the fiscal year. He advised that there were pending charges to the amount of \$6,902, which would leave the Board \$3,098 for the remainder of the fiscal year. Mr. Woodcock confirmed that he would not return with another change order were the Board to exceed this one. He explained that once they go over budget, they cannot invoice without the change order. Ms. Thibault elaborated on the change

order. Mr. Woodcock advised that if they were to go over the amount budgeted by the change order, Stantec would eat those costs.

On a MOTION by Supervisor Anderson, SECONDED by Supervisor King, WITH ALL IN FAVOR, the Board Approved the Professional Services Agreement Change Order for \$10,000 for the Highland Meadows II Community Development District.

B. District Attorney – Kutak Rock

Mr. Magee confirmed that the release of the Haines City enforcement lien has been discharged, which had been recorded by the city in the official books. He advised that they were legally finished with the PRWC. Chairwoman Galbraith asked for confirmation that any construction has nothing to do with the CDD Board. Mr. Magee confirmed this to be correct. Note that the construction had been sticking to the right-of-way.

IV. Public Hearings for the FY 2026-2027 Operating Budget

A. Open the Public Hearing on the Fy 2026-2027 Operating Budget

1. Motion to Open the Public Hearing

On a MOTION by Supervisor DiBrango, SECONDED by Chairwoman Galbraith, WITH ALL IN FAVOR, the Board Opened the Public Hearing for on the FY2016-2027 Operating Budget for the Highland Meadows II Community Development District.

2. Presentation of the FY 2026-2027 Operating Budget

Ms. Thibault presented the budget, beginning with a slide showcasing what has been done lately. She explained that they had expended \$432,277 in fiscal year 2026, noting that \$13,232 had been spent on fencing impacted by individuals kicking in fence panels. Ms. Thibault explained that they had numerous Yucca plants planted behind the fence to mitigate this issue. She noted that the finalizing the **permacast** wall was \$50,632, they had expended \$28,700 on erosion repairs, and \$12,895 for well and irrigation repairs. She continued reporting that they had expended \$6,350 to tear down the old playground, and \$117,696 to erect a new playground. Ms. Thibault advised that the first District event, the Easter egg hunt, was expended for \$485, about \$2,290 was spent on various pressure washing, and \$200,000 was contributed to the reserves fund. The total amount expended in 2026 was \$432,277. Ms. Thibault presented the financial review, noting that the CPI (Cost of Living) in the noted Tampa area, including Polk County, was at 3.06% from May 2025 to July 2026. She advised that the CPI that was published did not include an amount to be set aside for the reserves. Ms. Thibault noted that the CPI increased by 3.06%. but their budget was only increasing 3%, and of that budget, \$200,000 of it was for the reserves, so they were able to come in under the cost of living while contributing to the reserves. She reported that the overall expenditure summary for the District was still at \$1,113,238, comprising of administrative expenditures of 17%, debt administration of 4%, utilities of 9%, security operations of 6%, other physical environment of 36%, parks and recreation of 11%, and other financing sources, which is the reserves contribution, of 18%. Ms. Thibault advised that the administrative expenditures were \$190,828, noting that figure was less than the 2024 and 2025 actuals. She explained that the increase for 2027 compared to 2026 was slight, at \$7,887. She also explained the decreases and increases, noting that the District Engineer and District Counsel increased. The debt administration did not change in 2026; utilities and security operations increased in 2026. Ms. Thibault explained 813's role in the community, noting they keep an eye out for criminal activity. Supervisor DiBrango commented on the traffic. The Board discussed the fencing issue and the phases with a resident, noting the legal measures taken to attempt to prevent someone kicking through the fence. Ms. Thibault reported that other physical environments and property and liability decreased. She explained that the increase for capital projects would come out of the capital project's budget. Parks and recreation and amenity facility janitorial services increased. Operating reserves maintain that they should have about 2 months of reserves set aside for operating. Ms. Thibault elaborated, noting that the District does not have any money coming in during the shift between fiscal years, and the operating reserve acts as a savings account for that time period. She explained the capital assets reserve, noting that prior to the current Board, there were no contributions being made to the reserves, and that the reserves would cover anything like bathroom or playground failures. Ms. Thibault advised that the reserve total would be \$906,000, leaving

91 them with a deficit of \$1,120,861 in the reserves. She presented the assessments chart that shows the 3% increase of
92 \$22.88, and the line-by-line increases and decreases. Ms. Thibault explained trust indentures and a dissemination agent,
93 noting the site www.emmma.msrb.org to view the bonds related to Highland Meadows II. She explained arbitrage noting
94 its importance in making sure there is not a liability associated with the bonds.

95 3. Public Comments on the FY 2026-2027 Operating Budget

96 A resident asked if the bonds are public record for the individuals or companies involved, and whether the bonds
97 have changed hands. Ms. Thibault advised that the specific bondholder is not public record. Michelle Smith from the
98 HOA division 7 asked if the pool janitorial is just for the pool. Ms. Thibault noted that they oversee the entire amenity
99 center, including emptying the dog waste stations. Ms. Smith asked if they could have members of the community
100 volunteer and save money there. Ms. Thibault advised that they could not because dog waste is considered hazardous
101 material. She noted that they provide attendance at the pool on the weekends. Ms. Smith expressed concerns over the
102 lack of inspection and attention at the pool, the weed killer, the canopies not being installed, the lounge chairs not being
103 power washed, and bugs in the pool. Ms. Thibault advised that the Board had prioritized the safety items that could lead
104 to legal liabilities and erosion issues over items like the canopies. Ms. Smith expressed concerns over the landscape
105 company. Ms. Thibault advised that they receive updates and complaints about the landscaping company from Dana
106 Bryant, a licensed professional, and would potentially discuss going with a new landscape company in the fall. Ms. Smith
107 asked about speedbumps. Ms. Thibault explained that the District does not have speedbumps due to the cost.

108 Another resident expressed concerns over people coming out too fast on a street that children walk on.

109 A resident asked what areas were considered public versus private property. Ms. Thibault advised that the CDD was
110 considered a government entity. Supervisor DiBrango reiterated that the Board has had to focus on safety items before
111 other issues can be addressed.

112 A resident asked if the soccer field was included in the budget or if it was going to remain as-is. Ms. Thibault advised
113 that they were trying to identify a project for that amenity center that would consider expansion. She asked if they could
114 extend the time the security was available to when the sun goes down. The Board noted that the pool is open until 8 PM.
115 The resident reported that the people at the pool had been removing them from the pool at 7.

116 Another resident asked if a camera had been placed in the junction between Patterson and Eaglecrest. Ms. Thibault
117 advised that the city had placed a flock camera there.

118 A resident asked about opening another pool. Chairwoman Galbraith noted that the largest issue they have faced has
119 been residents causing damage. A resident noted that the security team was not proving the service, noting that they are
120 sitting on their phones.

121 Chairwoman Galbraith advised that speed bumps had been in discussion for 6 years. She detailed the issues that had
122 to be taken care of before they could address speed bumps, like the ADA mats, sidewalk cracks, and the waste hazard.

123 4. Motion to Close the Public Hearing

124 On a MOTION by Chairwoman Galbraith, SECONDED by Supervisor Anderson, WITH ALL IN FAVOR, the Board

The Board noted they had also heard comments regarding the security team sitting on their phones. The security representative presented the monthly report. He advised that the rovers do so in their personal vehicles, though they are working on getting magnets or signs for the outside of the cars. He confirmed he would address the phone comments with the guards. Chairwoman Galbraith reminded residents that the security team can only be called for issues involving common areas. The security representative asked if there was going to be a change in the hours. The Board noted the hours would be different after Labor Day.

VI. Field Services Report

A. Presentation of Highland Meadows II Field Report

Mr. Bryant introduced himself to the residents present. He discussed irrigation controllers with one of the residents who expressed concerns over wasting water. Mr. Bryant presented his report, noting that it is better for the grass in the common areas by the retention ponds to not be mowed too often. He advised that the clock at one of the monuments was not working, and there were 2 main line breaks. He hypothesized that the lighting strike had something to do with the breaks. He advised that one of the controllers would be expensive to replace because the controller is no longer manufactured. He suggested purchasing the controller through eBay for the best price.

On a MOTION by Supervisor DiBrango, SECONDED by Supervisor Anderson, WITH ALL IN FAVOR, the Board Approved the Not-to-Exceed Amount of \$250 for the ADM Controller Behind Monument 5 for the Highland Meadows II Community Development District.

Mr. Bryant advised that he would have to track the wires to sort out the entrances to 4 and 5. He explained the 2-wire, noting that when there is an issue, it is a process of elimination to sort out what is wrong. He confirmed there was not an ETA for when the monuments will be completed. He advised there would be an irrigation repair on 3.

Chairwoman Galbraith asked about the cracked sidewalks. Mr. Bryant asked who was doing the grinding.

A resident reported that the light on Persian and 10 was out again.

Mr. Bryant presented a walk-on verbal proposal for the wash-out in 6 on Sandestin. He noted the resident created the wash-out. Supervisor Anderson advised that the address was 218 Sandestin Drive. Ms. Thibault advised that she was sending the photos to Mr. Magee to address a letter. Mr. Bryant was instructed to not touch anything on the resident's property. Mr. Bryant advised that the resident's downspout was pointed directly at District property.

Mr. Bryant agreed to push the erosion from the downspout matter to October. Ms. Thibault asked Mr. Magee if they could charge the resident. He noted it could be included in the initial letter, but they do not have the power to enforce the collection.

On a MOTION by Supervisor Anderson, SECONDED by Supervisor Munoz, WITH ALL IN FAVOR, the Board Approved the Not-to-Exceed Amount of \$3,500 to Repair the Erosion from the Downspout from 218 Sandestin Drive for the Highland Meadows II Community Development District.

Mr. Comings presented the walk-on proposal for signs from Image 360 and Florida Brothers, noting a \$200 difference in price. He advised that the signs themselves were very similar. The Board discussed whether waiting on the signs would be an option. Mr. Comings advised that they have heard numerous complaints from residents regarding the signs.

On a MOTION by Supervisor Anderson, SECONDED by Chairwoman Galbraith, WITH ALL IN FAVOR, the Board Approved the Image 360 Proposal at \$1,034.78 and the Good Homes Proposal for \$600 for the Installation for the Highland Meadows II Community Development District.

B. Consideration of Proposals

Ms. Thibault presented the pet waste proposals, noting these items could be pushed to the new fiscal year. Chairwoman Galbraith expressed concerns over residents not using the waste stations. Ms. Thibault noted the item would be brought back.

199VII. Administrative Matters

A. Consideration for Acceptance – July 2026 Unaudited Financial Statements

Ms. Thibault reported that the District was running about \$35,000 over budget.
