

Schriever Elementary

October 2024

PAWS Press

Message from the principal....

Dear Schriever Elementary Families,
"Schriever Elementary School, in partnership with parents and community, is committed to ensuring all students learn by educating the whole child academically and socially. Through inquiry and discussion, students will discover new ways of thinking with an aligned essential curriculum while advancing to the next educational level on the path to college and career readiness." (Vision statement). Providing a safe learning environment for our students is our utmost priority. Throughout the school year, we will be practicing crisis drills. We have two off-site evacuation sites: Caldwell Middle School and Schriever Gym. In the event of an emergency, messages will be sent to inform parents of parent pick up locations and procedures to ensure safety for all.

We are wrapping up the end of the first nine weeks. Report cards for grades 1-3 and Kindergarten Progress Reports will be located in the Student Progress Center on October 16th.

October is National Bullying Prevention month. During the month, Schriever Elementary will have activities to promote kindness, respect for others, and teamwork. Check the calendar for specific dates and activities.

Note from the assistant principal....

Bus drivers are responsible for safely transporting students to and from school and on school field trips. Yet, they encounter several problems on buses daily. The most frequent problems are: students moving or getting out of their seat, loud talking, rowdiness, rude behavior, and disrespectfulness. As a parent, please remind your child that these behaviors are not acceptable. All students are expected to follow all Schriever bus expectations including: remaining seated, speak in a soft voice, use nice words, be respectful to the bus driver, and keep hands and objects inside of the bus. These expectations were developed in order to protect the safety of each individual student on the bus. Thanks for your HELP keeping all of OUR STUDENTS SAFE.

Natalie Fonseca Assistant Principal
