ABOUT MCOE

The Mendocino County Office of Education is a public agency that provides educational leadership, resources and services to schools to ensure wide-ranging educational opportunities for all students. ABOUT MENDOCINO COUNTY

Located two hours north of the San Francisco Bay Area, Mendocino County offers spectacular coastal access, a national forest and many regional parks, lush vineyards, and thriving recreational, cultural, art, and local food scenes. Comprised of many rural communities, the largest city centers are Ukiah, Willits, and Fort Bragg. If you're looking for big-city hustle and bustle, we can't help you. On the other hand, if you appreciate family-friendly communities and a slower pace, Mendocino County has room to roam and may be a great fit for your next chapter.
