Management plans are located in the Quitman Public Library, as well as in each principal's office, maintenance office, and the district office. ### **COVID-19 Statement**

**To prevent the introduction and spread of COVID-19, it is essential for the school community to work together**, in the school environment and in the community while still providing a quality education program

### **Student Enrollment**

The Mississippi Compulsory School Attendance Law states that any child who has attained or will attain the age of six (6) years on or before September 1 of the calendar year and who has not attained the age of seventeen (17) years on or before September 1 of the calendar year, and shall include any child who has attained or will attain the age of five (5) years on or before September 1 and has enrolled in a full-day public school kindergarten program shall be deemed a compulsory school-age child. Provided, however, that the parent or guardian of any child enrolled in a full-day public school kindergarten program shall be allowed to disenroll the child from the program on a one-time basis, and such child shall not be deemed a compulsory school-age child until that child attains the age of (6) years. (37-19-91).

If a compulsory school age child has not been enrolled in a school within fifteen (15) calendar days after the first day of the school year, or such child is habitually absent without excuse, the principal shall report this child to the school attendance officer of the youth court or family court for investigation.

**Any parent, guardian or custodian of a compulsory-school-age child who fails to perform any of the duties imposed upon him or her shall be guilty of contributing to the neglect of a child and, upon conviction, shall be punished in accordance with Section 97-5-39.**

**The presentation of evidence that shows that the child has not been enrolled within eighteen (18) calendar days after the first day of the school year or that the child has accumulated twelve (12) unlawful absences during the school year shall establish a *prima facie* case that the child's parent, guardian or custodian is responsible for the absences and has refused or willfully failed to perform the duties imposed upon him or her under this section.**

**Any parent, guardian or custodian who commits any act or omits the performance of duty shall be guilty of a misdemeanor and upon conviction shall be punished by a fine not to exceed One Thousand Dollars (\$1,000.00), or by imprisonment not to exceed one (1) year in jail, or by both such fine and imprisonment.**

    2. Form 121-A -- Certificate of Medical/Religious Exemption
    3. Form 121-T -- Temporary Compliance Certificate

## MEDICAL AND RELIGIOUS EXEMPTIONS FOR VACCINATION

Any child seeking admission or enrollment may seek a medical or religious exemption from vaccination requirement. In order to seek an exemption, the parent or guardian must complete and submit the appropriate form to the Mississippi State Department of Health.

Once all requirements have been met, the Mississippi State Department of Health will issue a Certificate of Medical/Religious Exemption (Form 122) to the parent or guardian. That form must then be presented to the district. The district will not acknowledge any medical or religious exemption without the appropriate form on file in the state office.

In his/her discretion, the superintendent may grant an extension to allow a parent or guardian to obtain an appointment with a health care provider and to return the completed 139-R (religious) or 139-M (medical) exemption request form to the school district. The district reserves the right to revoke the exemption and remove the child from school if the parent or guardian does not return all completed forms in a timely manner.

Children with a Certificate of Medical/Religious Exemption who are not adequately immunized will be excluded from school if there is a threat of vaccine preventable diseases occurring in the community. The child will be excluded until the infection's disease is no longer present or is no longer a threat to the safety and welfare of the child or other children in the school.

The Superintendent or his/her designee will develop procedures to support this policy.

1. The non-parent(s) claiming district residency must meet the criteria of subparagraph (a) (1) through (10) above, required of a parent or legal guardian.
2. The district resident must provide the school with an affidavit stating his or her relationship to the student, and that the student will be living at his/her abode full time, and provide documentation fully explaining the reason(s) (other than school attendance zone or district preference) for this arrangement. The superintendent or his/her designee will make the necessary factual determinations as required under this policy. Examples of situations where  in loco parentis  authority of an adult will be recognized to establish residency of the minor include but are not limited to the following:
  - a) Death or serious illness of the child's parent(s) or guardian(s);
  - b) Abandonment of the child;
  - c) Child abuse or neglect;
  - d) Unstable family relationships or undesirable conditions in the home of the child's parents or guardians having a detrimental effect on the child;

A school district shall accept an application for enrollment and course registration by electronic means for a pupil who meets these requirements, including enrollment in a specific school or program within the school district.

- b. The parent of a pupil who meets these requirements shall provide proof of residence to the school district within ten (10) days after the published date provided on official documentation.
- c. The parent may use the address of any of the following as proof of residence.
  - A temporary on-base billeting facility.

  - Any federal government housing or off-base military housing, including off-base military housing that may be provided through a public-private venture

The school district may require additional documentation and verification at any time.

At the minimum, this school district shall maintain in a file a written instrument identifying the types of documents used to verify each student's residency and copies of any relevant guardianship petition or decree.

The provisions of this policy do not apply to students who reside outside the school district, but who have legally transferred into the school district.

Any court ordered procedure shall take precedent over any procedure contained herein.

### **TRANSFER STUDENTS**

1. No student is to be enrolled in this school district until any and all questions regarding residence or immunizations have been resolved.
2. Students suspended or expelled from another school or school district may not be allowed to enroll. 37-15-9 (3)
3. No pupil shall be permanently enrolled in a school in this school district who formerly was enrolled in another school within the state or outside the state until the cumulative record of said pupil shall have been received from the school from which he transferred. Should such record have become lost or destroyed, then it shall be the duty of the superintendent or principal of the school where the pupil last attended school to initiate a new record. 37-15-9 (1)
4. Unless a transfer student is tested in the manner provided in paragraph 5 below, the student will be permanently enrolled and placed in a grade or class on the basis of an official transcript of credits from the last school attended. 37-15-33
5. All students seeking to transfer from any school, public or private, within or outside of the boundaries of the State of Mississippi, to this school district shall be required to take a standardized test to determine the grade and class to which the pupil shall be assigned at the time of pupil transfer.

The administrative head of the school shall administer the test or tests to such pupil or pupils as shall apply for transfer to such public school. Such test or tests shall be administered within thirty days after the filing of each such application for transfer. Notice of the giving of such test shall be given the applicant not less than five days prior to the date of the administration of such test.

No transfer of a pupil shall be affected until the test has been given and the pupil is assigned to the grade and class for which the test shows he is best suited. No pupil shall be assigned to a grade and class more than three (3) grades above or below the grade or class that the pupil would have been assigned to had the pupil remained in the school from which the transfer is being made. Pending the administration of the test herein provided for and its grading and an assignment based thereon the superintendent of this school district or the attendance center principal to which the pupil seeks admission may assign the pupil temporarily to a grade and class comparable to that in which the pupil would have been had the pupil continued in the school from which the transfer was being made.

If any student is transferred or reassigned within this school district by an order of the board of trustees of this school district as designated by law of the State of Mississippi and not at his own request, the requirement of that pupil's taking the standardized test shall be waived. Likewise, if a pupil shall transfer from one school district to another school district in the manner provided and required by the laws of the State of Mississippi, the requirement of such pupil taking the standardized test shall be waived. 37-15-33

6. Any legal guardianship formed for the purpose of establishing residency for school district attendance purposes shall not be recognized by this school board. 37-15-31 (1) (d)

### **NOTICE FOR DIRECTORY INFORMATION**

The Family Educational Rights and Privacy Act (**FERPA**), a Federal Law, requires that **Quitman School District**, with certain exceptions, obtain your consent prior to the disclosure of personally identifiable information from your child's education records. However, **Quitman School District**, may disclose appropriately designated "directory information" without consent, unless you have advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow the Quitman School District to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories—names, addresses and telephone listings—unless parents have advised the LEA that they do not want their student's information disclosed without prior written consent.

If you do not want **Quitman School District** to disclose directory information from your child's education records without your prior written consent, you must notify the principal (of the building in which your student attends) in writing by September 1<sup>st</sup> (of each year). **Quitman School District** has designated the following information as directory information: [**Note: an LEA may, but does not have to, include all the information listed below.**]

- Student's name
- Address
- Telephone number
- Electronic mail address
- Photograph
- Date and place of birth
- Major field of study
- Dates of attendance
- Grade level
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Degrees, honors, and awards received
- The most recent educational agency or institution attended
- Student ID number, used ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without PIN, password, etc. (A student's SSN, in whole or in part, cannot be used for this purpose.)

### QHS and CCCTC ATTENDANCE

The Quitman School District believes that school attendance is necessary for students to perform academically at a high level. With this in mind, the following attendance requirements are in place at all secondary schools:

**Students may miss no more than 6 unexcused days in a one-credit course and no more than 3 unexcused days in a one one-half credit course.**

**Students in an alternative school program: will adhere to the requirements of the student's respective school.**

**Parents/Guardians will be notified of excessive absences.**

The following are excused absences:

1. Illness
2. Serious family illness or death
3. Emergency medical or dental attention
4. Religious holidays
5. Absences approved **in advance** by the administration
6. Official absences (school related)
7. Absences that are excused based on parent notes will be limited to two "days" per nine weeks
8. College Days

**A student will not be allowed to participate in any school activity on a day when they are absent from school or check out before the end of third block. Seniors who miss 12 or more unexcused days will not be allowed to participate in the graduation ceremony or other senior week activities.**

Students' regular and punctual attendance to all classes is necessary for successful schoolwork and award of course credit. Even one instance of tardiness or one absence in a class may be detrimental to good schoolwork. Certainly, repeated tardiness and frequent absences cause

students to become discouraged and often cause failure. It is, therefore, important that parents have their children in school on time every day that school is in session and only in unavoidable cases should a student be taken out of school before the close of the school day. Regular attendance will pay good dividends in the course of a school year. Quitman School District truancy officer will have access to all student attendance records.

#### **Attendance Requirements**

**The school district must ensure that during the academic school year a minimum of 140 hours of instruction is provided for each Carnegie unit of credit offered and 70 hours for each one-half (½) unit offered.**

- With 96-minute classes now in effect, school attendance becomes an extremely important responsibility of the students and parents.
- **Seniors who accumulate 12 or more unexcused absences in a school year will not be allowed to participate in senior week activities or graduation ceremonies.**
- **Students in grades 9-11 who accumulate 6 or more unexcused absences in a semester will lose the privilege of participating in field trips and extracurricular activities (including MHSAA activities) at QHS for a 9-week period.**
- **Students who arrive after 8:05 must be signed in by a parent/guardian or someone on their check-out list.**
- Current documentation of chronic illness must be placed on file annually. With the permission of the principal, the homebound policy will be used in these documented cases.

**Any parent, guardian or custodian of a compulsory-school-age child who fails to perform any of the duties imposed upon him or her shall be guilty of contributing to the neglect of a child and, upon conviction, shall be punished in accordance with Section 97-5-39.**

**The presentation of evidence that shows that the child has not been enrolled within fifteen (15) calendar days after the first day of the school year or that the child has accumulated twelve (12) unlawful absences during the school year shall establish a *prima facie* case that the child's parent, guardian or custodian is responsible for the absences and has refused or willfully failed to perform the duties imposed upon him or her under this section.**

**Any parent, guardian or custodian who commits any act or omits the performance of duty shall be guilty of a misdemeanor and upon conviction shall be punished by a fine not to exceed One Thousand Dollars (\$1,000.00), or by imprisonment not to exceed one (1) year in jail, or by both such fine and imprisonment.**

#### **ADMITTANCE AFTER ABSENCE**

A written excuse shall contain the date written, the **reason for the** absence, **and** the parent/legal guardian's signature. A medical excuse may be required at the discretion of school personnel, depending on the total number of absences recorded for the student.

**The cut-off day for acceptance of doctor's excuses is 3 days after the student returns to school. After such day, no absences will be excused.**

**Parent notes are required to be turned in within 3 days after the student returns to school. After such day, no absences will be excused. Only 2 days per nine-weeks will be excused with a parent note.**

**\*Students should not return to school unless free of fever for 24 hours.**

These visits should be used during the months of September through April. Students wishing to make a college visit should submit a **request** in writing one week prior to the scheduled visit. In order for the absence to be excused, the student must present a signed college visitation form upon his return to school. A college day absence will not count against exam exemption.

### DISMISSAL

All proposed early dismissals should be submitted to the principal for approval at least one week prior to the proposed dismissal. All exceptions are to be approved by the superintendent. Under no circumstance may students be dismissed as a reward for performance or as a result of travel to participate in an extra-curricular activity the preceding day.

### MAKE-UP WORK – QJH and QHS

- Students must get make up work from their teachers on the day they return to school.
- Students **who were** absent have the same amount of time to complete an assignment as students who were present. *(For example, if a student that was present had one day to complete the assignment, then the student who was absent has one day to complete the assignment.)*

- It is the student’s responsibility to initiate making up all work with his/her teacher. A student will receive a zero (0) on work not made up.
- Weekend and vacation days count as days to make up work.

*Depending on the nature of instruction, the student may be provided additional assignments to compensate for the absence from class or class activities that cannot be made up. In cases of extended absences due to serious illnesses or hospitalization, parents should contact the grade-level counselor for assignments.*

### PERFECT ATTENDANCE

A perfect attendance certificate will be awarded only to those students who have not been absent, tardy or signed in or out from any class for any reason during the entire school year.

### TARDY TO SCHOOL AND CLASS – QJH and QHS

**Junior High and High School** students are tardy when they enter the classroom at any time after the tardy bell rings. Students are allowed time to pass from one class to the next class and should not be tardy except in the cases of emergency.

Tardy consequences are outlined in the District’s Student Code of Conduct.

Quitman School District expects students to be on time for each class; therefore, tardies are recorded for students who fail to do so. If a student is tardy, the teacher will mark the tardy in the teacher’s roll book, SAMs Online Program and the tardy form. Continued tardies will be viewed as a repeated violation of school rules and could result in student progress on the school’s discipline ladder.

#### **BUS TRANSPORTATION**

The Quitman School District operates transportation services as required by state law which directs that all school districts furnish transportation to pupils living one or more miles from their attendance center. All district transportation service is handled through the Quitman School District Transportation Department. This department provides training to drivers, and informational programs to administration and students emphasizing transportation regulations and bus safety.

It is the driver's responsibility to drive safely. It is the student's responsibility to behave appropriately. The purpose of any rule or regulation related to bus transportation is to ensure the safety of our students and to provide for an orderly operation of the bus. Parents, students and school personnel can be most effective in promoting safety and orderly conduct when they work together.

**Riding the school bus is a privilege. This privilege carries with it some responsibilities on the part of the student. Behavior which prevents the driver and the student from having a safe trip to and from school will not be tolerated.**

Any violation of conduct by students, performed while on the school bus, waiting to board the school bus, or departing from the school bus, shall be addressed by utilizing the assertive discipline steps prescribed for elementary and secondary levels in the respective handbooks. Students may be denied the privilege of riding the bus because of improper behavior, including the suspension of the privilege of riding the bus for the remainder of the school year, if the Superintendent determines the action is necessary for the safety of the other students on the bus. (MS State Code 37-7-301, e). Consequences for misconduct on the bus will be consistently applied. Disciplinary problems on a bus may result in loss of riding privileges.

#### **Student bus riders (absent for two (2) consecutive days)**

If the student lives on a dead-end road or is the only pick-up on the road and the student is absent for more than two (2) consecutive days the bus driver will not be required to come by on the third day. In order for the bus driver to resume pick-up, the students will need to ride the bus home to make the driver aware, a parent/guardian will need to call or send a parent note to the school the student attends stating the student will be riding the following morning or notify the Transportation Director at 601-776-1048 that a pick-up will be needed.

**Any questions regarding school transportation should be directed to Office of Transportation, Quitman School District, (601) 776-1048.**

#### **BUS VIDEOS**

The Board of Education recognizes the district's continuing responsibilities to maintain and improve discipline and to insure the health, welfare and safety of its staff and students on school transportation vehicles. The Board supports the use of video cameras on its transportation vehicles as a means to promote the order, safety and security of students and staff.

Video cameras may be used on school buses to monitor student behavior while traveling to and from school and school activities. The Board believes that such monitoring will deter misconduct and help to ensure the safety of students and staff. Students found to be in violation of the district's bus conduct rules shall be subject to disciplinary action in accordance with district policy and regulation.

**Due to Federal Laws regarding the rights to privacy for all individuals, only appropriate school personnel may view the video footage recorded by bus cameras. Parents will not be allowed to view any video footage recorded by bus cameras.**

### **CARS ON CAMPUS**

Use of cars on campus by high school students is a privilege, not a right. Students must comply with all regulations regarding parking decals, parking assignments and rules of the road. Failure to abide by these regulations may result in revocation of the privilege of having a car on campus.

Regulations:

1. Proper registration and insurance in the parent/guardian's or student's name must be provided to office before a decal is issued to park on campus.
2. Students will be assigned a parking area.
3. Upon parking in the school parking lot, students must enter the designated break area and cannot remain in car or parking lot.
4. Parking privileges may be revoked at any time at the discretion of the administration in order to ensure safety on campus.  
**Students will not be allowed to have a car on the Quitman Junior High campus.**
5. Students who have 12 or more unexcused absences will lose their parking privileges for the remainder of the school year.

### **CHILD FIND PUBLICITY CAMPAIGN**

It is the policy of the Quitman School District that the district-wide child identification, location, and evaluation process in Quitman be ongoing. Local school district personnel are continuing the search for un-served children with disabilities in the age range birth through 21 years of age. The child-find director works with the local Head Start, Welfare, Health and Mental Health agencies, as well as local education agencies, physicians, licensed day care providers, local juvenile correctional facilities, and other individuals to identify and locate children out of school and in school who may be in need of special education services. Information which could identify an individual child will be maintained by this agency and will be provided to other agencies only in accordance with the Family Rights and Privacy Act and IDEA-B. As a parent, you are guaranteed the right to inspect any such information about your child and to challenge its accuracy. Access to this information is forbidden to any unauthorized person without informed consent. If you have questions regarding the collection, maintenance, and use of data about your child, please contact:

Hope Roberts, Child-Find Director  
Quitman School District  
104 East Franklin Street  
Quitman, MS 39355  
(601) 776-3754

The child-find director is responsible for district-wide coordination of the planning and implementation of the child identification, location, and evaluation effort of children (birth through 21) who have disabilities (regardless of the severity of the disability), and who are in need of special education and/or related services. The child-find director works with the local Head Start, Welfare, Health, and Mental Health agencies, as well as local education agencies, physicians, and other individuals to identify and locate children out of school and in school who may be in need of special education services.

Once a referral is made, it is the responsibility of the child-find director to ensure that the referral-to-placement procedures are followed.

### **COMMUNICABLE DISEASES**

The Quitman School District will work in cooperation with the Mississippi State Health Department to prevent, control, and contain communicable diseases in schools. As required by state law, students with communicable diseases are not permitted to attend school. The recommended days to stay out of school are:

<b>Mumps</b>	Nine days
<b>Measles</b>	Until free of fever & rash is fading (usually 5-7 days)
<b>Scabies</b>	Until treatment has been initiated
<b>Ringworm</b>	Until treatment has been initiated
<b>Chicken Pox</b>	Until lesions are crusted & dry, with no new lesions forming
<b>Impetigo</b>	Student may return to class 24 hours after treatment has been initiated. Any exposed lesions must be covered.
<b>Pink Eye</b>	After a physician has been seen or when redness/discharge is improving
<b>Fifth Disease</b>	Until free of fever

**Head Lice (refer to policy JGCC)**

If a child has head lice, the following procedures will be taken:

- Parents will be notified to pick up their child at school.
- After proper treatment with a killing product, the child may return to school.
- Upon his/her return to school, an empty box, bottle or box top from the louse killing product used must accompany him/her.
- If a nit product requires a re-treatment, a re-treatment date must be scheduled for seven (7) days later and proof should be sent to the school.

During the school year, students may be screened for head lice. Screenings should be done by appropriate school staff. Throughout the year any student suspected of having head lice is examined by an appropriate staff member with final determination made by the school nurse. In the absence of the school nurse from the district, the building administrator becomes the final determination. Finding a live nymph or adult louse is an indication of head lice infestation. If crawling lice are not seen, finding nits or lice eggs within ¼ inch of the base of hair shafts

suggests, but does not confirm, the person is infested. Nits (eggs) may still be seen in an adequately treated child, and is not evidence of continuing infestation if the child has been properly treated and no adult lice are present (successful treatment should kill crawling lice). Care is taken not to embarrass the student and to ensure that no stigma is attached to him/her.

Parents will be notified by phone or letter regarding appropriate treatment. If lice are found, the parent or guardian will be called to take the student home for treatment.

Such violations and associated costs will be determined on a case-by-case basis and be subject to the penalties set forth in Quitman School District Policy ECBA.

**FEES POLICY**

Quitman School District acknowledges that from time to time a student may be unable to pay certain fees associated with attending school within the district. As stated in Section 37-7-335 of the Mississippi Code, students qualifying for the National School Lunch Program shall receive a hardship waiver (page 60) from the payment of:

- a) supplemental instructional materials and supplies, excluding textbooks
- b) any other fees designated by the local school board as fees related to a valid curriculum educational objective, including transportation

**FEE POLICY**

**Policy JS board approved: 02/10/2020**

This school board hereby authorizes the superintendent to charge reasonable fees, but not more than the actual cost, for the following:

- A. Supplemental instructional materials and supplies, excluding textbooks;
- B. Other fees designated by the superintendent as fees related to a valid curriculum educational objective, including transportation; and
- C. Extracurricular activities and any other educational activities of the school district which are not designated by the superintendent as valid curriculum educational objectives, such as band trips and athletic events.

All fees authorized to be charged under this policy, except those fees authorized under (c) above, shall be charged only upon the condition that a financial hardship waiver may be granted upon request pursuant to the following.

**FINANCIAL HARDSHIP WAIVER POLICY**

All fees authorized to be charged under subsections (a) and (b) of the Fee Policy above shall be charged only upon the following conditions:

1. Applications for hardship waivers shall be kept in the strictest of confidence with all files and personal disclosures restricted from review by the general public.

2. Pupils eligible to have any such fee waived as a result of an inability to pay for said fees, shall not be discriminated against nor shall there be any overt identification of any pupil who has received a financial hardship waiver by use of special tokens or tickets announcements, posting or publication of names, physical separation, choice of materials or by any other means.
3. In no case shall any of this school district's procedures expose any pupil receiving a hardship waiver to any type stigma or ridicule by other pupils or school district personnel.
4. The confidentiality provisions of this policy shall apply equally to any students who have an inability to pay any fees authorized by this policy.

In no case shall the inability to pay the assessment of fees authorized under the provisions of this Fee Policy result in a pupil being denied or deprived of any academic awards or standards, any class selection, grade, diploma, transcript or the right to participate in any activity related to educational advancement.

The financial hardship waiver policy must be distributed in writing to pupils at the time of enrollment through publication in the School Student Handbook. Any family member who qualifies for the National School Lunch Program, as created by the Richard B. Russell National School Lunch Act (42 USCA 1751 *et seq.*) shall receive a financial hardship waiver.

### **(FERPA) FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's educational records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the district receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or the eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading, or otherwise in violation of the student's privacy acts under FERPA. Parents or eligible students who wish to ask the Quitman School District to amend a record should write the school principal (or appropriate school official), clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to privacy of personally identifiable information in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); a parent or student serving on an official committee, such as disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks.

**A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.**

**Upon request the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. (NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.)**

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the district to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office	(202) 260-3887
U.S. Department of Education	TTD: (202) 260-8956
400 Maryland Ave. SW	
Washington, D. C. 20202-4605	

### **FIELD TRIPS/ACTIVITIES**

Field trips and related activities are used as a means of extending our classrooms. All trips/activities are supervised by professional staff members of the school. Parents will receive field trip/activity notices in advance of the scheduled trip/activity date and will be asked to sign the forms giving students permission to attend. All criteria for field trips will be set by the building principal or his/her designee.

**Notice: Field trip/activity fees may not be refunded. Students with documented behavior issues may be required to have a parent chaperone or be denied the opportunity to attend.**

**Notice: Students will not be allowed to go on a field trip without a signed permission form.**

### **FOOD SERVICE**

Students are assigned a lunch number when they enroll in our school system. The student's number stays the same **from year to year. If the student leaves the district and then returns, their lunch number may change.** Students will be expected to memorize this number. Parents are requested to include their child's number in any correspondence regarding food service matters. The School Breakfast Program will operate from 7:30 - 7:45. **Lunch meal times are determined each year in conjunction with building principals. The state requires each lunch period to be at least 24 minutes.**

**Letters from the Child Nutrition Department will be sent home with the students. This letter will contain the price listing of meals and extra foods. The teachers will also be given the price listings.**

**Lunch Boxes/Outside Meals:** Students who bring their lunch to school may purchase only bottled water, milk, and ice cream from the cafeteria. **In order to purchase extra items, the student's account must be in good standing.**

**Payment:** Cash or check payment is accepted. Payments can be sent/paid at the school cafeteria or at the Central Office. **The school cannot accept payment via debit/credit card.** A web-based payment system is available on-line for anyone that has a meal account. Funds may be deposited via this method. Instructions on how to create an account will be sent home with students **on the first day of school. There is a fee associated with depositing funds.**

**Charges: USDA does not allow any charges to the Federal School Lunch Accounts. If a student's account balance exceeds -\$50.00, the administration may prohibit participation in any future fee-based program (field trips, user-fee based programs, etc.) until the deficit balance is paid. JGHRD – Child Nutrition Payment and Charge Policy**

**Free and Reduced-Price Meals:** Free and reduced-price meal eligibility is determined by the United States Department of Agriculture (USDA) annually. Parents/guardians who meet those guidelines must complete a Meal Application for students to receive free or reduced-price meals. Paper applications will be sent home with students **on the first day of school.** Only one application per household is required.

All Child Nutrition menus meet the required meal pattern as required by USDA National School Lunch/Breakfast Program. Meals are planned with a goal of providing students with one-third of their recommended dietary allowances (RDA) for key nutrients and calories.

**Extra Food:** Students will be allowed to pre-pay for extra food. **Parents must notify the Cafeteria Manager if they do not wish their child to be allowed to pre-pay for extra food.** Students are allowed to go through the lunch line one time only. A student may not come back through the line to purchase additional items. **Students are encouraged to deposit funds ahead of time when purchasing extra items such as milk, ice cream, chips, etc. Please send exact amounts when possible, or deposit the whole amount into the student's account for future purchases.** This will help speed up the lunch line and help ensure that each student has enough time to enjoy his or her meal. **Students are not allowed to purchase extra food items if they have a negative balance. All money deposited must go towards outstanding charges. If a student has not purchased a full reimbursable meal, the only extra items that may be purchased are water and milk products.**

**Students are not permitted to eat fast food in the cafeteria unless it is in a non-descript container/bag or lunch box.** Colas/Soft Drinks/Sodas are to be in a thermos or poured into a non-descript drinking cup or container.

### **FOREIGN EXCHANGE STUDENTS**

Due to over-crowding, a limited number of foreign exchange students will be accepted in each school year. Anyone interested in hosting a foreign exchange student should obtain approval, prior to July 1, from the principal of the school which the student wishes to attend. A limit of two foreign exchange students per year will be allowed. All international foreign exchange students will be classified no higher than the 11<sup>th</sup> grade (junior).

Google will not share personal information with companies, organizations and individuals outside of Google unless one of the following circumstances applies:

## **GIFTED EDUCATION - QJHS**

Classes are provided for gifted students who meet eligibility requirements for placement in Gifted/Talented program in grades 2 – 6.

## WEATHER

When bad weather threatens, all schools are equipped with either a weather-band radio or the weather channel on television, which the administration monitors constantly. During a tornado warning, all children are brought into the main building and arranged in the most secure manner possible. Students housed in portables are subject to movement into the main building at any time during bad weather, at the principal's discretion.

### **TORNADO WARNING:**

- Buses and car riders are not dismissed, and students are secured in the main buildings.

### **SNOW AND ICE**

- This type of weather creates an entirely different problem because of its unpredictable nature. Since lost days must be made up; our basic philosophy is that we will have school unless or until conditions (icy roads, downed power lines) dictate otherwise.

### **INCLEMENT WEATHER**

- The decision to cancel classes will be made by the Superintendent and relayed to the local Emergency Operations Center who will broadcast the announcement over SchoolStatus and television stations.

Again, we constantly monitor the weather situation through the Quitman EOC, Quitman Sheriff's Department, local police departments, and actual district personnel who ride the roads in all areas of the county.

## **INTERFERENCE WITH SCHOOL BUSES**

It is unlawful for any individual to board a school bus, other than a student scheduled to, a member of the public-school administration or faculty, or a law enforcement official. (State Code 37-41-2) **Contact the Transportation Director to discuss a bus concern (601) 776 – 1048.**

## TITLE I PARENT ENGAGEMENT POLICY

policy LAA, board adopted 02/10/2020

The Quitman School District Board of Education endorses the parent engagement goals of Title I and encourages the regular participation by parents of Title I eligible children in all aspects of the program. The education of children is viewed as a cooperative effort among the parents, school, and community. In this policy, the word "parent" also includes guardians and other family members involved in supervising the child's education.

Pursuant of federal law, this district will develop jointly with, agree on with, and distribute to parents of children participating in the Title I program a written parent engagement policy.

A meeting of the parents of participating Title I students will be held annually to explain the goals and purposes of the Title I program.

Parents will be given the opportunity to participate in the design, development, operation, and evaluation of the program for the next school year and to participate in planning activities, to offer suggestions, and to ask questions regarding policies and programs. Parents will be encouraged to attend the meeting and to become involved.

In addition to the required annual meeting, at least three (3) additional parent meetings shall be held, at various times of the day and/or evenings, for the parents of children participating in the Title I program. Notices will be sent to the parents and articles will appear in the local newspaper advising parents and interested persons of the meetings. These meetings shall be used to provide parents with:

1. Information about programs provided under Title I;
2. A description and explanation of the curriculum in use, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet;
3. Opportunities to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children; and
4. The opportunity to bring parent comments, if they are dissatisfied with the school's Title I program, to the district level.

Title I funding, if sufficient, may be used to facilitate parent attendance at meetings through payment of transportation and childcare costs.

The parents of children identified to participate in Title I programs shall receive from the school principal and Title I staff an explanation of the reasons supporting each child's selection for the program, a set of objectives to be addressed, and a description of the services to be provided. Parents will be advised of their children's progress on a regular basis. Opportunities will be provided for the parents to meet with the classroom and Title I teachers to discuss their children's progress. Parents will also receive information and training that will assist them in helping their children at home and at school.

Each school in the district receiving Title I funds shall jointly develop with parents of children served in the program a "School-Parent Compact" outlining the manner in which parents, school staff and students share the responsibility for improved student academic achievement in meeting state standards. The school- Parent Compact shall:

- Describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment enabling children in the Title I program to meet the state's academic achievement standards;
- Indicate the ways in which each parent will be responsible for supporting their children's learning, such as monitoring attendance, homework completion, monitoring television watching, volunteering in the classroom, and participating, as appropriate, in decisions related to their child's education and positive use of extracurricular time; and

Address the importance of parent-teacher communication on an on-going basis, with at a minimum, parent-teacher conference, frequent reports to parents, and reasonable access to staff.

## TITLE I SCHOOL – PARENT COMPACT

*Please refer to the last two pages of this handbook for the school–Parent Compact.*

## GPA'S AND QPA'S: QUITMAN HIGH SCHOOL

### Grade Point Averages (GPA)

Grade point averages are reported to the Mississippi Department of Education for MTAG and MESG qualification. They are also used by colleges for scholarship and financial aid determinations. **GPA'S will be calculated by the computer on the standard system of:**

$$4.0 = A \quad 3.0 = B \quad 2.0 = C \quad 1.0 = D \quad 0 = F$$

### Quality Points Average (QPA)

A quality point system will be utilized to compute and determine the rank-in-class of graduating seniors and determining the selection of Valedictorian and Salutatorian. Rank-in-class is defined as the comparison of a student's academic performance with those of the members of his/her graduating class. Class rank computed on the basis of quality grade-point average, projects a more accurate profile of academic performance. It is also designed to encourage many good students to enroll in more challenging courses. Students in advanced courses earn additional quality points directly proportionate to regular courses. In this way, those students in courses of average academic difficulty set the 4.0 norm. Additional quality points assigned to advanced academic courses merely serve to achieve a more accurate class ranking.

**After a course has been passed, the first time, future grades earned in the same course will NOT be used in determining class rank.**

### QPA Calculation Steps

1. The semester grade for each academic subject carrying one-half unit or more is converted on the 4-point quality scale.

Grade	Semester Course QP Value	Nine-Week Course QP Value	*Honor Courses, Health Science & Teacher Academy Courses QP Value	** (AP) and (DC) Courses QP Value
A	4.0	2.0	4.5	5
B	3.0	1.5	3.5	4
C	2.0	1.0	2.5	3
D	1.0	0.5	1.5	2
F	0	0	0	0

2. Next, the quality points are added together and then divided by the total number of credits attempted. (see the formula below)

$$\text{TOTAL QUALITY POINTS EARNED} \div \text{TOTAL CREDITS ATTEMPTED}$$

### Additional QPA Details:

- Passing and failing grades are included.
- Class Rank will be calculated at the end of Term 3 (3<sup>rd</sup> nine-weeks).
- The end-of-year quality point average will be posted on all school records.
- **+0.5 Weight:** Honors English I, English II, Honors Algebra I, Honors Biology, Honors U.S. History, Health Science I & II, Teacher Academy I & II.
- **+1.0 Weight:** Advanced Placement Courses and dual Credit Courses (Students who take an Advanced Placement Course(s) are required to take the AP exam at their own expense unless state/federal provisions are allotted). **Students who fail to take their AP Exam on the designated day in May will be charged a fine equal to the exam fee.**

### RANK IN CLASS

Class rank will be calculated at the end of the 3<sup>rd</sup> nine weeks.

### GRADING SCALE

## GRADING AND REPORT OF PROGRESS FOR STUDENTS WITH DISABILITIES UNDER THE INDIVIDUALS WITH DISABILITIES EDUCATION ACT

The policy used for reporting grades or progress for students with disabilities will be as follows:

- The grading system used in the regular education program will be utilized for students who receive instruction through the regular education program and are expected to master the same objectives as regular education students.
- For students who receive instruction through the regular education program but an alternate or parallel curriculum (which differs from that provided to grade level peers) is taught, grades will be assigned for each academic area addressed on the student's Individualized Education Program (IEP). Grades given will be based on the mastery of objectives/benchmarks outlined on the IEP using the regular education grading system with input from both the regular and special education teachers. The student's report card will reflect that these grades are based on objectives/benchmarks outlined in the student's IEP. For those students in grades K-2, the regular education mathematics, reading and/or language arts benchmarks being taught will be marked according to the district's grading system. Any benchmark listed on the K-2 report card that is not being taught, according to the IEP, will be indicated as not applicable. At the end of each nine (9) weeks (or more often as outlined on the IEP), the Report of Progress for each objective/benchmark on the Annual Service Goal Page(s) of the IEP will also be completed and forwarded to the parent(s). The student will not earn Carnegie unit credit toward a regular high school diploma for this type of curriculum instruction.
- For students who receive direct instruction in academic areas from a special education teacher, grades will be assigned for each academic area based on mastery of objectives/benchmarks identified on the student's IEP using the regular education grading system. The student's report card will reflect that these grades are based on objectives/benchmarks addressed in the student's IEP. For those students in grades K-2, the regular education mathematics, reading and/or language arts benchmarks being taught will be marked according to the district's grading system. Any benchmark listed on the K-2 report card that is not being taught, according to the IEP, will be indicated as not applicable. At the end of each nine (9) weeks (or more often as outlined on the IEP), the Report of Progress for each objective/benchmark on the Annual Service Goal Page(s) of the IEP will also be completed and forwarded to the parent(s). The student will not earn Carnegie unit credit toward a regular high school diploma for this type of curriculum instruction.
- For students who receive direct instruction from a special education teacher in functional/life skills areas or from a speech pathologist in a language/speech area(s), grades will be given for each area based on mastery of objectives/benchmarks addressed on the student's IEP using the following grading system: N = No Progress Made; P = Progress Made; M = Objectives Taught During This Grading Period Mastered Based on Criteria Outlined on IEP.
- The student's report card will reflect that these grades are based on objectives/benchmarks addressed in the student's IEP. For students in grades K-2, the regular education report card will be completed when benchmarks on the report card are reflected in the student's IEP. At the end of each nine (9) weeks (or more often as outlined on the IEP), the Report of Progress for each objective/benchmark on the Annual Service Goal Page(s) of the IEP will also be completed and forwarded to the parent(s). The student will not earn Carnegie unit credit toward a regular high school diploma for this type of curriculum instruction.

Any student enrolled in regular education courses who does not meet course requirements, even though accommodations and modifications have been implemented in accordance with the student's IEP, may receive a failing grade.

## **GRADUATION POLICY FOR STUDENTS WITH DISABILITIES UNDER THE INDIVIDUALS WITH DISABILITIES EDUCATION ACT**

Quitman School District's students with disabilities and their parents/guardians shall be given the option for the student to work toward a high school diploma, an occupational diploma or a certificate of life skills completion. This decision will be determined at the student's Individual Education Plan (IEP) meeting prior to his/her entering the ninth grade. When considering the occupational diploma as an option, the IEP Committee must include a school counselor. The IEP shall thereafter reflect the option selected by the IEP Committee and shall specify whether the student is seeking a high school diploma, an occupational diploma or a certificate of life skills completion. Students with disabilities will be issued a regular education high school diploma, an occupational diploma or a certificate of life skills completion as follows:

1. Students pursuing a regular education high school diploma must meet the requirements set forth by the State Board of Education and the Quitman School District. Special education and related services will be provided to assist a student in reaching this goal based on the student's IEP.
2. Students who choose the occupational diploma will be required to complete the criteria as designated in the occupational diploma curriculum requirements.
3. For those students pursuing a certificate of life skills completion, a curriculum of basic life skills will be utilized for instructional purposes. Transition services will be provided based on each student's preferences and interests, his or her IEP and the planned outcomes for post-secondary activities specific to the student. As determined appropriate by the IEP Committee, transition services may include –
  - ❖ Instruction in functional academics;
  - ❖ Community experiences;
  - ❖ Adult living;
  - ❖ Employment skills;
  - ❖ Related services; and
  - ❖ If appropriate, daily living skills and a functional vocational evaluation.
4. An IEP Committee will review the previous exiting option decision for each student at least annually. The committee, along with the parent(s) and, if appropriate, the student, may change the original or previous decision regarding the student's exiting option. Every student who completes an approved course of study by or before age 21 will receive a regular education high school diploma, an occupational diploma or a certificate of life skills completion and will be permitted to participate in graduation activities.

<b>Individual Career and Academic Plan (iCAP)</b>			
Each student in Mississippi schools must have an iCAP that is personalized to meet his or her educational and career goals. Students who choose the Career Pathway Option must complete 4 career and technical education units and 2.5 elective units specified in the students iCAP.			
<b>Subject Area Tests</b>			
The Subject Area Testing Program (SATP) consists of four academic, end-of-course tests (Algebra I, Biology I, English I, and U.S. History from 1877). A passing score in each of the four subject-area tests is required.			

\* Career and Traditional Pathway Options are State Board required.  
 \*\* District Pathway is a local decision.  
 \*\*\* The Career Pathway Option is available for all students beginning in 2011-2012  
 \*\*\*\* The Mississippi Early Exit Diploma indicates that students are ready to do college level work without remediation and opens up a variety of educational and career pathways within and beyond high school. In order to qualify for a Mississippi Early Exit Diploma, in addition to earning the Carnegie Units listed, students must meet college and career qualification scores in *all* core content areas on a series of End of Course (EOC) exams and/or the required benchmarks for college readiness on the ACT or Institution of Higher Learning (IHL) approved college entrance exam.

### MISSISSIPPI SCHOLARS REQUIREMENTS

The Mississippi Scholars Initiative is an education program managed by the Public Education Forum of Mississippi, which utilizes business leaders to motivate students to complete a rigorous course of study in high school. This course path gives students a boost – not just for college but for life. The Initiative pairs trained local business leaders with classes of 8th grade students. These leaders present the students with a powerful presentation, which provides the rationale for the recommendation that students take more rigorous courses.

### HONOR ROLL

Students who earn an A in all courses are listed on the Superintendent's Honor Roll. Students who earn an A or B in all courses are listed on the Principal's Honor Roll.

### HONORS/HIGH HONORS: QHS SENIORS

Seniors with an accumulated QPA of 3.0 and above will graduate with "Honors". Seniors with an accumulated QPA of 3.5 and above will graduate with "High Honors".

### QHS HONORS COURSES: EXPECTATIONS AND REQUIREMENTS

Teachers who teach courses in the honors program are committed to challenging students to adequately prepare themselves for college level courses. Teachers cover curriculum at a faster pace and in greater depth while incorporating more complex analysis and addition. As honors level courses are more rigorous than regular courses, classes may require additional reading, research, essays and projects.

### ADVANCED PLACEMENT/ HONORS EXPECTATIONS

- Maintain at least an 85 average in all honors courses.
- Remain in the course(s) for the entire semester/year.
- Maintain a high standard of academic integrity.
- Be in class every day. Excessive absences will result in removal from the class.
- Remain on task in class with little to no disruptions.
- **Work both** independently and collaboratively **in all courses.**

### ADVANCED PLACEMENT/ HONORS PLACEMENT PROCEDURE AND REQUIREMENTS

Students who want the challenge of an Honors course must satisfy at least two of three requirements to earn admission.

1. **Previous Grades:** Earn an **85** in the previous class of that subject
2. **Previous Benchmark Assessment Scores:** Earn a "Proficient" or "Advanced" score on the previous benchmark of that subject.
3. **State Assessment (MAAP):** Earn a "Proficient" or "Advanced" score on the previous MAAP assessment that corresponds to the Honors course requested. (Example: PL 4 or 5 in 8<sup>th</sup> grade math to be considered for Honors Algebra I).
4. **Students enrolled in Advanced Placement Courses, who fail to take the AP Exams, will be charged a fine equal to the exam fee and added to the QHS fine list.**

### INTERVENTION PROCESS POLICY

Quitman School District provides instructional interventions to meet the behavioral and academic needs of all students. The Multi-Tiered System of Supports (MTSS) consists of three tiers of instruction. The Three Tier Instructional Model is designed to meet the needs of every student (Pre-K – 12).

1. The purpose of this policy is to ensure that the behavioral and academic needs of every student are met through an instructional model that is designed to address student learning with quality classroom instruction and opportunities for intervention. The Mississippi

Department Education (MDE) shall require every school district to follow the instructional model, which consists of three (3) tiers of instruction:

- a. Tier I: Quality classroom instruction based on Mississippi Standards
  - b. Tier II: Focused supplemental instruction
  - c. Tier III: Intensive interventions specifically designed to meet the individual needs of students
2. If strategies at Tiers 1 & 2 are unsuccessful, students must be referred to the Teacher Support Team (TST). The TST is the problem-solving unit responsible for interventions developed at Tier 3. Each school must have a TST implemented in accordance with the process developed by the Mississippi Department of Education. The chairperson of the TST shall be the school principal as the school's instructional leader or the principal's designee. The designee may not be an individual whose primary responsibility is special education.
- Interventions will be:
- a. Designed to address the deficit areas
  - b. Researched based
  - c. Implemented as designed by the TST
  - d. Supported by data regarding the effectiveness of interventions
3. Teachers should use progress monitoring information to:
- a. determine if students are making adequate progress,
  - b. identify students as soon as they begin to fall behind, and
  - c. modify instruction early enough to ensure each student gains essential skills.

Monitoring of student progress is an ongoing process that may be measured through informal classroom assessment, benchmark assessment instruments and large-scale assessments.

4. After a referral is made, the TST must develop and begin implementation of an intervention(s) within two weeks. No later than eight weeks after implementation of the intervention(s) the TST must conduct a documented review of the interventions to determine success of the intervention. No later than 16 weeks after implementation of the intervention(s), a second review must be conducted to determine whether the intervention is successful. If the intervention(s) is determined to be unsuccessful, the student will be referred for a comprehensive assessment.
5. In accordance with the Literacy-Based Promotion Act of 2013, each public-school student who exhibits a substantial deficiency in reading at any time, as demonstrated through:
- a. performance on a reading screener approved or developed by the MDE, or
  - b. through locally determined assessments and teacher observations conducted in Kindergarten and Grades 1-3, or
  - c. through statewide end-of-year assessments or approved alternate yearly assessments in Grade 3, must be given intensive reading instruction and intervention immediately following the identification of the reading deficiency. A student who was promoted from Grade 3 to Grade 4 under good cause exemption of the Literacy-Based Promotion Act must be given intensive reading instruction and intervention. The intensive intervention must include effective instructional strategies and appropriate teaching methodologies necessary to assist the student in becoming a successful reader, able to read at or above grade level, and ready for promotion to the next grade.
6. All students in kindergarten and grades 1 through 3 may be administered a screener within the first 30 days of school and repeated at mid-year and at the end of the school year to identify any deficiencies in reading. In addition to failure to make adequate progress following Tiers 1 & 2, students will be referred to the TST for interventions as specified in guidelines developed by MDE if any of the following events occur.
- a. Grades 1-3: A student has failed one (1) grade;
  - b. Grades 4-12: A student has failed two (2) grades;
  - c. A student failed either of the preceding two grades and has been suspended or expelled for more than twenty (20) days in the current school year; or
  - d. A student scores at the Minimal level on any part of the Grade 3 or Grade 7 Mississippi Curriculum Test.
  - e. A student is promoted from Grade 3 to Grade 4 under a good cause exemption of the Literacy-Based Promotion Act.

Referrals to the Teacher Support Team will be made within the first twenty (20) school days of a school year if the student meets any of the criteria in A -D stated above.

#### **Dyslexia Screener**

A dyslexia screener must be administered to all students during the spring of their kindergarten year and the fall of their first grade year. The screening must include the following components:

- a. Phonological awareness and phonemic awareness;
- b. Sound symbol recognition;
- c. Alphabet knowledge;
- d. Decoding skills;
- e. Encoding skills; and
- f. Rapid naming (quickly naming objects, pictures, colors, or symbols (letters or digits) aloud).

## Universal Screener

All students in kindergarten and grades 1 through 3 shall be administered a state- approved screener within the first 30 days of school and repeated at mid-year and at the end of the school year to identify any deficiencies in reading and math. In addition to failure to make adequate progress following Tier 1 and Tier 2, students will be referred to the TST.

## CAREER AND TECHNOLOGY EDUCATION

### **Career and Technology Courses**

We believe that students benefit greatly from courses that allow them to explore career fields while discovering their own strengths, aptitudes, and passions. Career and Technical Education Programs offer students the chance to prepare for their futures so that they leave high school with the knowledge and skills to set them apart in their respective fields.

***Our purpose at CCCTC is to offer opportunities in Career and Technical Education to as many Quitman High School students as appropriate and possible.***

#### **Year 1 Placement**

- **Students requesting first year CTE courses will be ranked by grade level, average of core classes, and discipline for consideration.**
- Juniors interested in first year classes and meeting the prerequisites will be given priority placement over sophomores and freshmen when applicable.
- CCCTC has received permission from MDE to offer CTE courses to incoming freshmen. Freshmen will be placed in CTE courses only if seats are available after scheduling of upperclassmen. Freshmen must meet the course prerequisites and must have counselor or administrator recommendation that the student has shown interest in the respective career field and would benefit from the CTE program.
- Seniors interested in first year courses may only be placed if prerequisites are met and seats are available after scheduling underclassmen.
- **ALL PLACEMENT IN CTE COURSES WILL BE AT THE DIRECTOR'S DISCRETION.**

#### **Year 2 Placement**

- Students must have successfully completed Year 1 of their respective programs to be placed in the Year 2 course.
- In the Year 2 course, grades in the course, discipline, and instructor recommendation may be used to determine eligibility.
- **ALL PLACEMENT IN CTE COURSES WILL BE AT THE DIRECTOR'S DISCRETION.**

**The CCCTC Counselor will check the eligibility of students requesting CTE courses and work closely with QHS and QJHS Counselors to confirm that students being placed in CTE programs meet the prerequisites. The CCCTC Director will provide the high school with a roster of recommended students for CCCTC courses.**

#### **Mid-term or Mid-Year Placement**

- In addition, all courses include clinical, field, or lab experiences in which students may not participate until certain safety and skill work has been completed. For these reasons, the Director of CCCTC must approve any placement into CTE classes after September 1 of the school year.
- Students who fail a semester Career-Technology class **will not** be allowed to proceed to the next semester class.

#### **Alternative School Placement**

- All CCCTC courses have a required lab or clinical component. A student must be able to complete the required hours to be successful in a CTE course. If a CCCTC student is placed in Alternative School during first semester, the student should be removed from the course at the end of Semester 1 and placed into high school courses where he/she would have the opportunity to earn credit, if the schedule permits. If a student is placed in Alternative School during Semester 2, the student may return to the CTE course at the end of the Alternative School placement, but will forfeit the opportunity to return for Year 2. (The director will have discretion to make exceptions if in the best interest of the student and program.)

### **CCCTC State Tests**

The Clarke County Career and Technology Center (CCCTC) administers the MS-CPAS a battery of exams used by the Mississippi Department of Education or a National Certification Assessment, to evaluate students enrolled in Career and Technical Educational (CTE) skill programs, each spring. All first- and second-year students enrolled in CTE programs at CCCTC must take their program’s end-of-the-year MS-CPAS exam. Student scores from their respective MS-CPAS exam will be used to calculate each student’s final grade for their respective program.

Typically, MS-CPAS test scores fall into one of the following categories:

- Advanced scores  $\geq 85$
  - Proficient scores 70-84
  - Pass scores 60-69
  - Basic scores 30-59
  - Minimal scores  $< 30$
- 
- Students scoring  $\geq 80$  (High Proficient to Advanced) will receive “100”
  - Students scoring 70-79 (Proficient) will receive a “90”
  - Students scoring 61 to 69 (Pass) will receive an “80”
  - Students scoring 55-60 (High Basic to Pass) will receive a “70”
  - Students scoring 50 to 54 (Middle Basic) will receive a “60”
  - Students scoring 49 or below (Low Basic to Minimal) will receive a “50”

### **Field/Lab Experience Guidelines & Safety Rules**

Several of the programs at the Career and Technology Center require field/lab experience for students. Students are expected to act professional and adhere to the guidelines and safety rules set forth by the teacher. Field/Lab experiences cannot be made up and may result in a zero for their grade on that day. Students violating field/lab experience policies will result in disciplinary actions including removal from the field/lab setting and/or program. Students will also receive a zero for those lab experiences. Below are lab policy violations:

- Students not dressed in required field/lab uniform.
- Cell phone, Ipad, camera, etc. use in field/lab experience (Unless authorized by teacher).
- Breach of Confidentiality (Health Science, Law & Public Safety, and Educator Preparation)
- No eating in field/lab experience.
- Other policies set by teacher.

### **PROGRESS REPORTS AND REPORT CARDS**

During the fifth week of each nine-week term, **schools** will give each student a progress report to be taken home, signed by the student’s parents or guardian, and returned to the teacher.

Report cards will be issued at the end of each nine weeks.

Students from other school systems with differing grading scales enrolling in a Quitman School District school will have grades transferred into the Quitman School District School according to the **Quitman School District’s** scale.

### **PROMOTION TO THE NEXT GRADE: QJHS**

Students in the 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade will be promoted upon the passing of all academic subjects. The academic subjects are math, English, science, and social studies.

### **RETEST POLICY FOR QJH AND QHS**

Students who receive a failing grade on a major exam (unit/chapter) will be given the opportunity to retake the exam according to the following guidelines:

- The retest date and time shall be determined by the teacher.
- No retest will be taken during class time.
- The retest must be completed within three days of the return of the original test.

- The teacher may require the student to attend a before or after school review session prior to the test.
- The retest is a different test which tests the same concepts/material as the first test.
- The retest score will replace the original score with a maximum of 60%.
- Semester exams are not eligible for retesting.
- Student may request one retest per nine-week, per course.
- Retest will count on the grading period of the original test.

## **STAR STUDENT REQUIREMENTS/SELECTION**

To be eligible for the STAR Student honor, a student may be a regularly enrolled senior or an approved dually enrolled student in an accredited public or private high school and or an accredited post-secondary institution. The student must be completing his or her last year of work and must be eligible to receive a diploma in the current school year. The student must have an overall ACT composite score of at least 25 and an overall average of 93 or above in selected subjects in the ninth, tenth, eleventh, and first-semester twelfth grades.

**The honoree must be a U.S. Citizen to receive the Kelly Gene Cook, Sr. Foundation Scholarship. Additionally, the honoree must be a U.S. Citizen or a U.S. Lawful permanent resident to receive any STAR scholarships or be selected as a STAR Student.**

**The honoree must also be a Mississippi resident to be nominated as a STAR Student.**

### **Selection of the STAR Student:**

The steps for designating the STAR Student are:

1. Determine which senior has the highest score on the ACT. The ACT must have been taken before December 31st, the year prior to the Education Celebration. \*Only permanent-record-label ACT scores on file in the high school office are to be considered.
2. Verify that the student with the highest ACT score meets the minimum requirements for a STAR Student – minimum overall ACT composite score of 25; minimum overall average of 93. Grades in the ninth, tenth, eleventh, and first-semester twelfth grade are used to determine the STAR Student’s average. Only the following subject areas are to be included: English, Mathematics, Science, Social Studies and Foreign Language.
3. If your school has more than one senior with an overall ACT composite score of 35 or above and overall average of 93, designate each as a STAR Student.
4. In the event of a tie on the ACT score for students scoring 34 and below, please use the following steps to break the tie:  
**Step 1:** Total ACT Test Scores (English, Mathematics, Science Reasoning and Reading) for each student involved in the tie. Select the student having the highest sum of these test scores and the minimum overall of 93 on designated courses.  
**Step 2:** If the tie still exists, name as STAR Student that senior with the highest overall scholastic average on selected subjects in specified years.  
**Step 3:** If the tie is unbroken, use the first-semester senior year scholastic average as the deciding factor.  
**Step 4:** Should a tie still exist, compare scholastic average for prior years until the tie is broken.  
**Step 5:** If the student who has the highest ACT score does not have an overall average of at least 93, name as STAR Student the senior with the next highest ACT who meets both minimum requirements.

## **SUMMER SCHOOL CREDITS**

Secondary students in grades 6 - 12 must receive approval from their counselor and written permission from the high-school principal to take a summer school credit other than Quitman High School. (Only one credit is accepted, as per Mississippi Public Schools Accountability Standards, and eligibility requirements of the Mississippi High School Activities Association).

Transfer students attending summer school at an institution other than the one in which the student was enrolled during the previous school year, must have the credits accepted and recorded on the school records of the institution in which the student was enrolled during the full school year before the records are forwarded to Quitman Schools. (Only one credit will be accepted for summer school work sent directly from a non-public school).

# **STUDENT CONDUCT**

## **ADMINISTRATIVE DISCIPLINARY PROCEDURES**

Students have certain basic rights under the Constitution of the United States, the Constitution of the state of Mississippi, and the Mississippi State Law. Those rights, however, do not extend to infringement on the rights of teachers to teach and other students to learn. School Administrators have a number of discipline options available. These may range from student/parent conferences to suspensions and, in some cases, expulsions. When school administrators are determining which particular consequence to impose, the seriousness and frequency of the misconduct and the students previous discipline referrals are primary considerations. The school’s policies and rules apply to any student who is on school property or school-affiliated transportation, who is at school or at any school-related activity, or whose conduct at any time or place substantially disrupts the operation, discipline, and general welfare of the school.

## **ACCEPTABLE USE POLICY FOR STUDENTS, STAFF, AND VISITORS**

**Policy: IFBGA Revised: 06/13/16**

The Quitman School District is dedicated to the use of technology as a tool to enhance learning, increase academic productivity and achievement, and promote creativity. The Internet and the use of technology communication tools are extremely valuable for collaboration, publishing, and

interacting with peers, experts, and other audiences. Specifically, the use of the Internet provides opportunities to access a wide variety of information, reference materials, and educational resources world-wide. However, by its very nature, the free-flowing, uncensored exchange of information and communication that characterizes the Internet has forced the issue of how and by whom the network should be used. In addition, the smooth operation of the network relies on the proper conduct of each user who must adhere to strict guidelines. To this end, Congress has enacted the Children's Internet Protection Act (CIPA), a federal law that address concerns about access to offensive content over the Internet on school and library computers. CIPA imposes certain types of requirements on any school or library that receives funding for Internet access or internal connections from the E-rate program – a program that makes certain communications technology more affordable for eligible schools and libraries.

### **What CIPA Requires**

- Schools and libraries subject to CIPA may not receive the discounts offered by the E-rate program unless they certify that they have an Internet safety policy and technology protection measures in place. An Internet safety policy must include technology protection measures to block or filter Internet access to pictures that are: (a) are obscene, (b) child pornography, or (c) harmful to minors (for computers that are accessed by minors).
- Schools and libraries must also certify that, as part of their Internet safety policy, they are educating minors about appropriate online behavior, including cyber-bullying awareness and response and interacting with other individuals on social networking sites and in chat rooms.
- Schools subject to CIPA are required to adopt and enforce a policy to monitor online activities of minors.
- Schools and libraries subject to CIPA are required to adopt and implement a policy addressing: (a) access by minors to inappropriate matter on the Internet; (b) the safety and security of minors when using electronic mail, chat rooms, and other forms of direct electronic communications; (c) unauthorized access, including so-called "hacking," and other unlawful activities by minors online; (d) unauthorized disclosure, use, and dissemination of personal information regarding minors; (e) restricting minors' access to materials harmful to them; (f) the education of minors about appropriate online behavior, including interacting with other individuals on social networking sites and in chat rooms; and (g) the education of minors about cyber bullying awareness and response.

In order to meet the requirements of CIPA, Quitman School District has put into place a technology protection measure for blocking access to content that is obscene, pornographic, or detrimental in general. Recognizing that no filtering solution can be 100 percent effective, it is understood that all technology protection measures do not and will not work perfectly. In complying with CIPA, schools are expected to engage in a "good faith effort" to abide by the requirements of CIPA. CIPA does not create a private right to action, meaning that the discovery of objectionable material on a computer cannot result in a lawsuit complaining that a school or district violated CIPA.

The availability of any information on the Internet does not imply endorsement by Quitman School District. The school board makes no assurances of any kind, whether expressed or implied, regarding any Internet services provided. Neither the individual school nor school district is responsible for any damages the student/user may suffer. Use of any information obtained via the Internet is at the students'/users' own risk. This board and school district specifically denies any responsibility for the accuracy or quality of information or software obtained through its services. Quitman School District cannot assume any liability arising out of the illegal or inappropriate use of technology resources. The district also reserves the right to monitor any users' network activities. Therefore, users should have no expectation of privacy concerning the use of the Quitman School District network. This includes, but is not limited to, all electronic communication such as e-mail, blogging, instant messaging, chatting, etc.

Use of the district/school network and the Internet is a privilege, not a right. Inappropriate use may result in cancellation of that privilege. The superintendent or designee(s) shall make all decisions regarding whether or not a user has violated these procedures, and may deny, revoke, or suspend access at any time. All communications and information accessible via the network would not be assumed to be private property.

As a result of meeting the requirements set forth above, Quitman School District has created an acceptable use policy to ensure safe and legitimate uses of the Internet and the District's network and computers. This policy is provided so that the user and/or parent (or guardian) of the user are aware of the responsibilities you are about to assume. In general, this requires efficient, ethical, and legal utilization of the network resources.

### **AUP Requirements**

All students will be required to submit a signed and completed Acceptable Use Policy (AUP) every academic year to their school's administration before using any district computer or network. This policy will be sent home in the opening school packet and must be filled out and signed by students and their parent(s)/ guardian(s). The signed copy will then be forwarded to the Technology Department to keep on file. Staff members and district visitors will also be required to sign an AUP each academic year which will be collected at their specific site, before using any District computers and network. The signed copy will then be forwarded to the Technology Department to be kept on file. All users, with or without a signed AUP must comply with every aspect of this policy. Any violation of this policy may result in disciplinary and/or criminal action. Users are also expected to report any security problems or misuse of district technology.

### **Acceptable Uses of the Quitman School District (QSD) Network**

The QSD network is provided for educational purposes and research consistent with the Quitman School District's educational mission, goals, and business needs. Examples include classroom assignments, career development activities, educational research, extra-curricular activities, communication activities, and access to network resources.

### **User Rights and Responsibilities**

1. The Internet is considered a limited forum, similar to a school newspaper, and therefore Quitman School District may restrict user's right to free speech for valid educational reasons. Quitman School District will not restrict user's right to free speech on the basis of disagreement with the opinions expressed by the user.
2. User shall have the responsibility to use computer resources for academic purposes only. Therefore, as mandated by CIPA, filtering will be utilized on all computers accessing the Internet. The only exception will be for academic research by a staff member with the approval of school or district administration.
3. User should not expect files stored on school-based computer to remain private. Authorized staff will periodically inspect folders and logs of network usage and will be kept at all times. Routine review and maintenance of the system may indicate that user has violated this policy, school codes, municipal law, state law or federal law. Parents of minor users shall have the right to inspect the contents of user's files.
4. Under no conditions should a user provide his/her password to another person or use another person's password
5. Use of the Internet is a privilege, not a right. Unacceptable and/or illegal use may result in denial, revocation, suspension, and/or cancellation of the user's privileges, as well as disciplinary action imposed by school officials.
6. Because of the fluid nature of the Internet and the increasing use of certain Web 2.0 technologies for educational purposes, a user may find that a website has been blocked by the content filter. A request for approval can be made to unblock the site in question as long as it provides the educational merit and intent for the parties involved without sacrificing the policies and guidelines set forth and contained within. The request must be made by a staff or faculty member of the district. This request will be reviewed by the appropriate school or district personnel and if found not to cause conflict with this policy, a change will be made to allow access to the site. A request to block a site can also be made if found to be of objectionable or harmful content.
7. Use of the Quitman School District system for management of businesses, websites not directly relating to the education of students in the Quitman School District, or for personal affairs is strictly prohibited.
8. Network security is a high priority. If a user identifies or perceives a security problem or a breach of these responsibilities on the Internet or on the QSD network, the user must immediately notify the appropriate faculty/staff member or designee or other identified staff. The user must not demonstrate the problem to other users or students.
9. Quitman School District will fully cooperate with local, state or federal officials in any investigation related to illegal activities conducted through the user's Internet account.

### **Guest/Community Usage**

1. All users of the Quitman School District's networks and computer systems are bound to the same rights and privileges as listed above.
2. Misuse of the Quitman School District's networks and computer systems will not be tolerated. Privileges will be revoked for any user who is found to be in violation of these said practices.

Individual schools within the district may create additional guidelines and procedures consistent with this policy. Such guidelines and procedures will be appropriate for the electronic information resources being used and the students served at the school.

### **Social Networking Websites**

All employees, faculty and staff of the Quitman School District who participate in social networking websites (i.e., [Instagram](#), [Snapchat](#), or [Facebook](#)) shall not post any data, documents, photos or inappropriate information on any website that might result in a disruption of classroom activity. This determination will be made by the Superintendent. Employees, faculty and staff should not give social networking website passwords to students. Fraternalization via the internet between employees, faculty or staff and students is prohibited and violation of any of these policies may result in disciplinary action, up to and including termination. Nothing in this policy prohibits employees, faculty, staff or students from the use of educational websites, i.e., [www.schoolstatus.com](http://www.schoolstatus.com) and [www.quitmanschools.org](http://www.quitmanschools.org) since these sites are used solely for educational purposes. Access of social networking websites for individual use during school hours is prohibited.

**Employees, faculty, and staff shall not post students to their personal social media accounts. All students and school-related photos shall be posted on the district/school websites or social media pages at all times.**

### **Consequences for Failure to Follow Terms and Conditions of the Acceptable Use Policy**

There will be consequences for any user who fails to follow the Quitman School District and school guidelines and policies. The consequences may include paying for damages, denial of access to technology, detention, suspension, expulsion or other remedies applicable under the school disciplinary policy, and state or federal law. At the discretion of the Quitman School District, law enforcement authorities may be involved and any violations of state and/or federal law may result in criminal or civil prosecution.

## ALTERNATIVE SCHOOL

The Quitman School District will offer an alternative school program for elementary and secondary compulsory school age students whose behavior is such that it curtails or disrupts the learning environment. The alternative school program will be implemented after "regular" interventions for behavior modifications prove ineffective.

Students who have been removed from the traditional school placement due to discipline infractions are expected to follow the district's closed campus policy and may not be within 300 feet of any other QSD property or school functions (including games, concerts, pageants, etc.). This includes students who have not completed their expulsion period, including a transition time in Alternative School, and students who are assigned to Alternative School. Students who graduate from school prior to the end of the expulsion period, will be under the closed campus policy until the end of the expulsion period. Students who withdraw from school prior to meeting the post-expulsion Alternative School requirements or completing their Alternative School assignment will be under the closed campus policy until the date of their classmates' graduation.

***Students in an alternative school program: will adhere to the requirements of the student's respective school and the Alternative School. Upon placement in the Alternative School, students will receive an Alternative School Handbook.***

## BULLYING

**STUDENT BULLYING, policy JDDA**      Date Revised: 12/11/2017

The Board of Trustees of the Quitman School District prohibits bullying or harassing behavior of students, school employees, or volunteers. The Quitman School District does not condone and will not tolerate bullying or harassing behavior and will make every reasonable effort to ensure that no person or school employee is subjected to bullying or harassing behavior by other students or other school employees.

### Definitions

Bullying or harassing behavior to or by a student is any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristic that

- (a) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property, or
- (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits.

A "hostile environment" means that the victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior.

The above conduct constitutes bullying if that conduct interferes with a student's education or substantially disrupts the operation of a school. Bullying or harassing behavior will not be condoned or tolerated when it takes place on school property, at any school-sponsored function, or on a school bus, or when it takes place off school property when such conduct, in the determination of the school superintendent or principal, renders the offending person's presence in the classroom a disruption to the operation of the educational environment of the school or a detriment to the best interest and welfare of the pupil(s) and teacher of such class as a whole.

The Quitman School District will make every reasonable effort to ensure that no student or school employee is subjected to bullying or harassing behavior to or by a student upon other school employees or students. Likewise, the District will make every reasonable effort to ensure that no person engages in any act of reprisal or retaliation against a victim, witness or a person with reliable information about an act of bullying or harassing behavior.

The district encourages anyone who has witnessed or has reliable information that a student or school employee has been subject to any act of bullying or harassing behavior to report the incident to the appropriate school official. Retaliation or reprisal against any person, including a victim, a witness, or another person, who in good faith provides information concerning an incident of bullying or harassing behavior, is prohibited.

The Board of Trustees directs the superintendent or designee to design and implement procedures for reporting, investigating, and addressing bullying and harassing behaviors. The procedures should be appropriately placed in District personnel policy handbooks, school handbooks that include discipline policies and procedures, and any other policy or procedure that deals with student or employee behavior. The discipline policies and procedures must recognize the fundamental right of every student to take "reasonable actions" as may be necessary to defend himself or herself from an attack by another student who has evidenced menacing or threatening behavior through bullying or harassing. Furthermore, the Quitman School District defines "reasonable action" as promptly reporting the behavior to a teacher, principal, counselor, or other school employee when subjected to bullying or harassing behavior.

## **SCHOOL BUS DISCIPLINE POLICY**

**Policy Code: JCDAD Revised: 06/12/2023**

School bus discipline is important for student safety and bus driver effectiveness. Student transportation is a school function and requires student behavior reflective of courtesy and good manners. To support good school bus behavior, the following discipline rules will apply.

### **1. RESPONSIBILITIES**

While Mississippi law requires the district to furnish transportation to its eligible students, parents have the responsibility of supervising the students until they board the bus in the morning and after they leave the bus at the end of the school day. Furthermore, students have the responsibility to obey all rules of conduct while waiting for, riding and leaving the bus.

The school bus driver is authorized and responsible to the school district to maintain student order and to ensure safety at all times. Therefore, he is authorized to instruct and otherwise control students while they are on the bus.

The principal will be responsible for disciplining students reported to him by the driver. Questions and inquiries regarding discipline

should be directed to the school principal. Questions and inquiries regarding stops, routes, and student eligibility must be directed to the Transportation Supervisor.

## 2. **RULES OF CONDUCT**

Students who do not conduct themselves properly will not be allowed to ride the bus. Students may be subjected to disciplinary action provided by district policies, including but not limited to suspension and expulsion from school or from the bus, for misconduct on the bus.

#### **Office Referrals**

Within the Quitman School District, each school has a set of procedures which are followed with regard to students who are referred to the office for causing a disruption in the classroom, on school property or vehicles, or at school-related activities. Administrators will consider the severity and number of previous referrals when determining consequences for students' misbehavior.

#### **Parental Conferences**

Any parent, guardian or custodian of a compulsory-school-age child enrolled in a public school district may be requested to appear at school for a discipline conference regarding acts of the child. A parent, guardian or custodian of a compulsory-school-age child enrolled in a public school district shall be responsible financially for his or her minor child's destructive acts against school property or persons; and for any criminal fines brought against such student for unlawful activity occurring on school grounds or buses. Failure to attend a discipline conference or refusal to comply with any requirements imposed, shall result in a misdemeanor charge being filed against the parent, guardian or custodian and, upon conviction, a fine not to exceed \$250.00.

#### **Recovery of Damages**

Any public school district shall be entitled to recover damages in an amount not to exceed \$20,000.00, plus necessary court costs, from the parents of any minor under the age of 18 years and over the age of six years, who maliciously and willfully damages or destroys property belonging to such school district. This obligation shall not apply to parents whose parental control of such child has been removed by court order or decree.

#### **Suspension**

The Quitman Board of Education delegates to the principal, or his/her designee, subject to the procedural limitations listed herein, the authority to suspend students for violation of any school rule or any act of misconduct, speech, or in-subordination.

#### **Principal's Investigation (or designee)**

In dealing with alleged misconduct, the principal shall investigate the incident and hear all available accounts of it. The student shall be encouraged to raise any defense he/she thinks relevant. If the student requests that other witnesses be questioned, the principal should talk to them if reasonably possible. If the student makes a reasonable claim of other defensive material that, if true, would free him from blame, reasonable steps should be taken to obtain the information. However, if other defensive material is not immediately available, the principal should consider postponing disciplinary action for a reasonable time until such evidence may be presented.

#### **Summary Suspension**

The principal or his designee may summarily suspend a student without conducting an investigation for not more than three days for a serious student misconduct under circumstances where immediate removal of the student is necessary to restore order or to protect persons on the school grounds. In such cases, the principal is required to conduct the investigation at least by the end of the school day following the summary suspension. If additional suspension is necessary, the principal may extend the suspension for a period not to exceed a maximum of ten days.

#### **Short-Term Suspension**

A short-term suspension is denial to a student of the right to attend school and to take part in school functions for any period of time up to ten school days. The principal shall investigate and ascertain the facts of the student's misconduct. If the facts indicate the student's guilt, the principal shall review the designated punishment to determine its fairness.
