

John Stark Regional High School

School Profile 2024-2025

Our School

John Stark Regional High School is a four-year comprehensive public high school with an enrollment of approximately 650 students in grades nine through twelve.

Our Community

John Stark Regional High School combines students from Henniker and Weare, NH which are both rural townships. The combined population of both communities is approximately 15,000.

Class Schedule

Modified block: full year & semester classes. Mondays include eight class periods plus Advisory. Tuesday through Friday, there are four class periods plus an academic support period.

Grade reporting and rank information:

Students demonstrate their learning in relation to specific Learning Targets and Course Level Competencies. Our grading system includes the following:

- Reporting student behaviors separately from academics.
- Rolling grades (90% Summative and 10% Formative) are calculated by averaging competencies, not quarters.
- Students must demonstrate basic proficiency in each competency to earn course credit.
- A student's cumulative GPA is updated after credit is awarded for their courses.
- Class rank is determined by GPA using the weighted system.
