ONLINE PAYMENTS

Download the phone app School Cafe or go to: www.schoolcafe.com/MCKENZIECO1
Just create your log in and attach both staff and/or students.

MAINTAIN POSITIVE BALANCE

We kindly ask that you do not allow your account to become negative at any time during the school year. Families of returning students will see positive/negative meal balances rolled forward. Families who have no students returning can request a refund to be processed, or donate the funds to another lunch account that is in need. Requests for refunds outside the regular checkout form must be received by June 10th of the recently completed school year or within two weeks of checkout, whichever comes first. Any money left in an inactive account will be donated to another lunch account.

For 2023-2024 school year, a negative lunch account balance is NOT allowed. This applies to both students and staff. Grab and go items will be denied to student (and staff) when the lunch account is at \$0.

It is your responsibility to monitor the account transactions and balance. Log into the School café at www.schoolcafe.com/MCKENZIECO1 to access your student(s) account.

FREE OR REDUCED MEALS

Students who are approved for FREE and REDUCED meals are allowed breakfast and lunch at no cost. We encourage you to apply online. A paper version is also available and enclosed. You will be notified with the results of your application as soon as it has been processed. Same day for online applications. Three to four days for the paper version. Instructions on how to fill out the applications are also enclosed along with the financial income guidelines.

We do our best to work with any family that may be having financial difficulties. Please make sure to apply for free or reduced meals if you think you may not be able to keep your families' lunch account positive. Please feel free to contact me at any time.

Sincerely,
