Parent Teacher Conferences

- Monday, October 27, from 5 p.m. – 8 p.m.
- Tuesday, October 28, from 5 p.m. – 8 p.m.

High School:

When you come to conferences, you will receive a quick look up of grades and attendance from our administrative assistants, Mrs. Evanson and Mrs. Waggoner. They will be located right when you walk in at the front door. After you receive your quick look up, you can then go and visit your students' teachers. The school nurse, Katie Danks, will be at the conference on Monday. If you have any questions/concerns about your student and immunizations, please come on Monday to visit with her. Individuals will be present to assist parents in signing up for Canvas and will be located at tables when you walk into the building. In addition, there will be a Spanish translator both nights to assist individuals as well.

Middle School:

When you arrive for conferences, please enter through the front doors and stop by the welcome table to pick up your student's report card. Next to the welcome table, there will be a Canvas Pairing Station available for families who need assistance connecting to their child's Canvas account. A Spanish translator will also be available on both nights to assist families as needed.

Afterward, please proceed to your student's designated area to meet with teachers:
