Your next meter reading on or after: Jun 2

Please be sure we can safely access your meter. Don't worry if your digital meter flashes eights from time to time. That's a normal part of the energy measuring process.

Your electric service may be disconnected if your payment is past due

If payment for your electric service is past due, we may begin disconnection procedures. The due date on your bill applies to current charges only. Any unpaid, past due charges are not extended to the new due date and may result in disconnection.

Electric service does not depend on payment for other products or services

Non-payment for non-regulated products or services (such as surge protection or equipment service contracts) may result in removal from the program but will not result in disconnection of electric service.

When you pay by check

We may process the payment as a regular check or convert it into a one-time electronic check payment.

Asset Securitization Charge

A charge to recover cost associated with nuclear asset-recovery bonds. Duke Energy Florida is acting as the collection agent for Special Purpose Entity (SPE) until the bonds have been paid in full or legally discharged.

Medical Essential Program

Identifies customers who are dependent on continuously electric-powered medical equipment. The program does not automatically extend electric bill due dates, nor does it provide priority restoration. To learn more or find out if you qualify, call 800.700.8744 or visit dukeenergy.com/home/billing/special-assistance/ medically-essential.

Special Needs Customers

Florida Statutes offer a program for customers who need special assistance during emergency evacuations and sheltering. Customers with special needs may contact their local emergency management agency for registration and more information.

Your next meter reading on or after: Jun 2

Please be sure we can safely access your meter. Don't worry if your digital meter flashes eights from time to time. That's a normal part of the energy measuring process.

Your electric service may be disconnected if your payment is past due

If payment for your electric service is past due, we may begin disconnection procedures. The due date on your bill applies to current charges only. Any unpaid, past due charges are not extended to the new due date and may result in disconnection.

Electric service does not depend on payment for other products or services

Non-payment for non-regulated products or services (such as surge protection or equipment service contracts) may result in removal from the program but will not result in disconnection of electric service.

When you pay by check

We may process the payment as a regular check or convert it into a one-time electronic check payment.

Asset Securitization Charge

A charge to recover cost associated with nuclear asset-recovery bonds. Duke Energy Florida is acting as the collection agent for Special Purpose Entity (SPE) until the bonds have been paid in full or legally discharged.

To learn more or find out if you qualify, call 800.700.8744 or visit dukeenergy.com/home/billing/special-assistance/ medically-essential.

Special Needs Customers

Florida Statutes offer a program for customers who need special assistance during emergency evacuations and sheltering. Customers with special needs may contact their local emergency management agency for registration and more information.

Important to know

Your next meter reading on or after: Jul 2

Please be sure we can safely access your meter. Don't worry if your digital meter flashes eights from time to time. That's a normal part of the energy measuring process.

Your electric service may be disconnected if your payment is past due

If payment for your electric service is past due, we may begin disconnection procedures. The due date on your bill applies to current charges only. Any unpaid, past due charges are not extended to the new due date and may result in disconnection.

Electric service does not depend on payment for other products or services

Non-payment for non-regulated products or services (such as surge protection or equipment service contracts) may result in removal from the program but will not result in disconnection of electric service.

When you pay by check

We may process the payment as a regular check or convert it into a one-time electronic check payment.

Asset Securitization Charge

A charge to recover cost associated with nuclear asset-recovery bonds. Duke Energy Florida is acting as the collection agent for Special Purpose Entity (SPE) until the bonds have been paid in full or legally discharged.

Medical Essential Program

Identifies customers who are dependent on continuously electric-powered medical equipment. The program does not automatically extend electric bill due dates, nor does it provide priority restoration. To learn more or find out if you qualify, call 800.700.8744 or visit dukeenergy.com/home/billing/special-assistance/ medically-essential.

Special Needs Customers

Florida Statutes offer a program for customers who need special assistance during emergency evacuations and sheltering. Customers with special needs may contact their local emergency management agency for registration and more information.

- 10. <u>CONFIDENTIAL INFORMATION</u>. "Confidential Information" means any information disclosed by one party ("Discloser") to the other party ("Recipient"), either directly or indirectly, in writing, orally, or by inspection of tangible objects, other than information that the Recipient can establish (i) was publicly known and made generally available in the public domain prior to the time of disclosure; (ii) becomes publicly known and made generally available after disclosure other than through Recipient's action or inaction; or (iii) is in Recipient's possession, without confidentiality restrictions, at the time of disclosure by Discloser as shown by Recipient's files and records immediately prior to the time of disclosure. Recipient shall not at any time (a) disclose, sell, license, transfer, or otherwise make available to any person or entity any Confidential Information, or (b) use, reproduce, or otherwise copy any Confidential Information, except as necessary in connection with the purpose for which such Confidential Information is disclosed to Recipient or as required by applicable law. - 12. <u>RIGHT TO SUBCONTRACT</u>. The Company, in its sole discretion, may subcontract or delegate to an affiliate or third party any of its duties and obligations hereunder.
- 13. <u>FUEL/TRANSPORTATION SURCHARGE</u>. Like many other companies that are impacted by the price of gasoline, a rise in gasoline prices may necessitate a fuel surcharge. As such, the Company reserves the right to add a fuel surcharge to Customer's invoice for any increase in the cost of fuel as measured above the same time period in the prior year (by the National U.S. Average Motor Gasoline-Regular Fuel Price per Gallon Index reported by the U.S. Department of Energy). The surcharge may be adjusted monthly (up or down) with the price of gasoline.
- 14. <u>ANTI-CORRUPTION AND BRIBERY.</u> Each party represents that neither it nor anyone acting on its behalf has offered, given, requested or accepted any undue financial or other advantage of any kind in entering into this Agreement, and that it will comply with all applicable laws and regulations pertaining to corruption, competition and bribery in carrying out the terms and conditions of this Agreement.
- 15. <u>E-VERIFY</u>. SOLitude utilizes the federal E-Verify program in contracts with public employers as required by Florida State law, and acknowledges all the provisions of Florida Statute 448.095 are incorporated herein by reference and hereby certifies it will comply with the same.
- 16. <u>GOVERNING LAW</u>. Except for the Mandatory Arbitration Clause in Section 17 of this Agreement, which is governed by and construed in accordance with the Federal Arbitration Act, this Agreement shall be governed by, and construed in accordance with, the laws of the state in which the Services are performed.
- MANDATORY ARBITRATION. Any claim, dispute or controversy, regarding any contract, tort, statute, or 17. otherwise ("Claim"), arising out of or relating to this Agreement or the relationships among the parties hereto shall be resolved by one arbitrator through binding arbitration administered by the American Arbitration Association ("AAA"), under the AAA Commercial or Consumer, as applicable, Rules in effect at the time the Claim is filed ("AAA Rules"). Copies of the AAA Rules and forms can be located at www.adr.org, or by calling 1-800-778-7879. The arbitrator's decision shall be final, binding, and non-appealable. Judgment upon the award may be entered and enforced in any court having jurisdiction. This clause is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act. Neither party shall sue the other party other than as provided herein or for enforcement of this clause or of the arbitrator's award; any such suit may be brought only in Federal District Court for the District in which the services were performed or, if any such court lacks jurisdiction, in any state court that has jurisdiction. The arbitrator, and not any federal, state, or local court, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability or formation of this Agreement including any claim that all or any part of the Agreement is void or voidable. Venue for arbitration hereunder shall be within the state where the customer's property, that is the subject of the services provided, is located.
- 18. <u>ASSIGNMENT</u>. The Company may assign this Agreement to a related or affiliated entity upon written notice to the Customer.

- 19. <u>NOTICES</u>. All notices, requests, consents, claims, demands, waivers and other communications hereunder shall be in writing and shall be directed to the individuals and addresses listed in the signature block. Notices sent in accordance with this Section shall be deemed effectively given: (a) when received, if delivered by hand (with written confirmation of receipt); (b) when received, if sent by a nationally recognized overnight courier (receipt requested); or (c) on the third (3rd) business day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid.
- 20. DISCLAIMER. SOLitude is not responsible for the failure of any treatment, equipment installation, or other work that may result from dam or other structural failures, severe weather and storms, flooding, or other acts of God that are outside of the control of SOLitude. Customer understands and acknowledges that there are irrigation restrictions associated with many of the products used to treat lakes and ponds. The Customer is responsible for notifying SOLitude in advance of the contract signing and the start of the Agreement if they utilize any of the water in their lakes or ponds for irrigation purposes. The Customer accepts full responsibility for any issues that may arise from the irrigation of turf, ornamentals, trees, crops, or any other plants as a result of treated water being used by the Customer for irrigation without the consent or knowledge of SOLitude. Although there is rarely direct fish toxicity with the products used for treatment when applied at the labeled rate, or the installation and normal operation of the equipment we install, there is a risk under certain circumstances of significant dissolved oxygen drops. This risk is most severe in times of extremely hot weather and warm water temperatures, as these are the conditions during which dissolved oxygen levels are naturally at their lowest levels. Oftentimes, lakes and ponds will experience natural fish kills under these conditions even if no work is performed. Every effort, to include the method and timing of application, the choice of products and equipment used, and the skill and training of the staff, is made to avoid such problems. However, the Customer understands and accepts that there is always a slight risk of the occurrence of adverse conditions outside the control of SOLitude that will result in the death of some fish and other aquatic life. The Customer also understands and accepts that similar risks would remain even if no work was performed. The Customer agrees to hold SOLitude harmless for any issues with fish or other aquatic life which occur as described above, or are otherwise outside the direct control of SOLitude, unless there is willful negligence on the part of SOLitude.
- 21. <u>BINDING</u>. This Agreement shall inure to the benefit of and be binding upon the legal representatives and successors of the parties.
- 22. <u>ENTIRE AGREEMENT</u>. This Agreement constitutes the entire agreement between the parties with respect to the subject matter and replaces any prior agreements or understandings, whether in writing or otherwise. This Agreement may not be modified or amended except by written agreement executed by both parties. In the event that any provision of this Agreement is determined to be void, invalid, or unenforceable, the validity and enforceability of the remaining provisions of this Agreement shall not be affected.
- 23. <u>SEVERABILITY</u>. If any part of this Agreement is held to be invalid or unenforceable for any reason, the remaining Terms and Conditions of this Agreement shall remain in full force and effect.
