REDEMPTION OF SERIES 2026 BONDS

SECTION 3.01. Redemption Dates and Prices. The Series 2026 Bonds shall be subject to redemption at the times and in the manner provided in Article VIII of the Master Indenture and in this Article III. All payments of the Redemption Price of the Series 2026 Bonds shall be made on the dates hereinafter required. Except as otherwise provided in this Section 3.01, if less than all the Series 2026 Bonds are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Series 2026 Bonds or portions of the Series 2026 Bonds to be redeemed pursuant to Section 8.04 of the Master Indenture. Partial redemptions of Series 2026 Bonds shall be made in such a manner that the remaining Series 2026 Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Series 2026 Bond.

The Series 2026 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the Redemption Price of the Series 2026 Bonds shall be made on the dates specified below.

(a) Optional Redemption. The Series 2026 Bonds may, at the option of the Issuer, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after [June 15], 20XX (less than all Series 2026 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2026 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2026 Optional Redemption Subaccount of the Series 2026 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2026 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2026 Bonds is substantially level.

(b) Extraordinary Mandatory Redemption in Whole or in Part. The Series 2026 Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2026 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2026 Prepayment Principal deposited into the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account (taking into account the credit from the Series 2026 Reserve Account pursuant to Section 4.05 hereof) following a Prepayment in whole or in part of the Series 2026 Special Assessments on any assessable property within Assessment Area One within the District in accordance with the provisions of Section 4.05 of this First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2026 Funds, Accounts and subaccounts in the Funds and Accounts (other than the Series 2026 Rebate Fund, the Series 2026 Costs of Issuance Account and the Series 2026 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2026 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2026 Acquisition and Construction Account not otherwise reserved to complete the 2025 Project (including any amounts transferred from the Series 2026 Reserve Account) all of which have been transferred to the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account.

Upon any redemption of Series 2026 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2026 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2026 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2026 Bonds in any year. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

When required to redeem Series 2026 Bonds under any provision of this First Supplemental Indenture or directed to redeem Series 2026 Bonds by the Issuer, the Trustee shall give or cause to be given to Owners of the Series 2026 Bonds to be redeemed, notice of the redemption, as set forth in Article VIII of the Master Indenture.

SECTION 4.01. Establishment of Certain Funds, Accounts and Subaccounts.

(a) The Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2026 Acquisition and Construction Account.” Net proceeds of the Series 2026 Bonds shall be deposited into the Series 2026 Acquisition and Construction Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, together with any other moneys that may be transferred to the Series 2026 Acquisition and Construction Account as provided for herein. Such moneys in the Series 2026 Acquisition and Construction Account shall be applied by the Issuer as set forth in Section 5.01 of the Master Indenture and this Section 4.01(a), and upon disbursement, the Issuer shall apply such moneys as provided for herein and in the Acquisition Agreement. Subject to the provisions of Section 4.01(f) hereof, any moneys remaining in the Series 2026 Acquisition and Construction Account after the Completion Date and after the expenditure of all moneys remaining therein that have not been requisitioned after satisfaction of the Release Conditions #1 and Release Conditions #2 and notice of the same has been given by the Developer to the Trustee and the District Manager, except for any moneys reserved therein for the payment of any costs of the 2025 Project owed but not yet requisitioned, as evidenced in a certificate from the District Manager to the Trustee and the Issuer, upon which the Trustee may conclusively rely, and the adoption of a resolution by the Issuer accepting the 2025 Project, a copy of which shall be delivered to the Trustee, upon which the Trustee may conclusively rely, shall be transferred by the Trustee to the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account. Subject to the provisions of Section 4.01(f) hereof, the Series 2026 Acquisition and Construction Account shall be closed upon the expenditure or transfer of all funds therein including moneys deposited therein as a result of satisfaction of the Release Conditions #1 and Release Conditions #2. Upon presentment by the District Manager or the Issuer to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2026 Acquisition and Construction Account and make payment to the Person or Persons so designated in such requisition. Pursuant to the Master Indenture, the Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2026 Costs of Issuance Account.” Net proceeds of the Series 2026 Bonds shall be deposited into the Series 2026 Costs of Issuance Account in the amount set forth in Section 2.06 of this First Supplemental Indenture. Upon presentment by the District Manager or the Issuer to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2026 Costs of Issuance Account to pay the costs of issuing the Series 2026 Bonds. Six months after the issuance of the Series 2026 Bonds, any moneys remaining in the Series 2026 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2026 Interest Account. Any deficiency in the amount allocated to pay the cost of issuing the Series 2026 Bonds shall be paid from excess Series 2026 Pledged Revenues on deposit in the Series 2026 Revenue Account in accordance with Section 4.02 SEVENTH. When there are no further moneys therein, the Series 2026 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the “Series 2026 Revenue Account.” Series 2026 Special Assessments (except for Prepayments of Series 2026 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2026 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2026 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Indenture.

(c) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2026 Principal Account.” Moneys shall be deposited into the Series 2026 Principal Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture, and applied for the purposes provided therein.

(d) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2026 Interest Account.” Moneys deposited into the Series 2026 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Indenture, shall be applied for the purposes provided therein.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish another separate Account within the Debt Service Fund designated as the “Series 2026 Sinking Fund Account.” Moneys shall be deposited into the Series 2026 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the “Series 2026 Reserve Account.” Net proceeds of the Series 2026 Bonds shall be deposited into the Series 2026 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2026 Reserve Account pursuant to Section 4.02 of this First Supplemental Indenture shall be applied for the purposes provided therein and in this Section 4.01(f) of this First Supplemental Indenture.

On each May 1 and November 1 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2026 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2026 Bonds caused by investment earnings prior to the Completion Date to the Series 2026 Acquisition and Construction Account and after the Completion Date to the Series 2026 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2026 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2026 Bonds to the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2026 Special Assessments

and applied to redeem a portion of the Series 2026 Bonds is less than the principal amount of Series 2026 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Series 2026 Special Assessments relating to the benefited property of such landowner within Assessment Area One within the District, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer, to calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2026 Prepayment Principal due by the amount of money in the Series 2026 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2026 Reserve Account shall be transferred by the Trustee to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2026 Reserve Account to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2026 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions #1 or Release Conditions #2, as the case may be, the Trustee shall deposit such excess on deposit in the Series 2026 Reserve Account to the Series 2026 Acquisition and Construction Account and pay such amount deposited in the Series 2026 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached hereto as Exhibit "C" submitted to the Issuer by the Developer which requisition shall be executed by the Issuer and the Consulting Engineer or the Person or Persons designated in a previously submitted properly executed requisition, all or a portion of which remains unfunded ("Unfunded Requisition"). Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are Costs of the 2025 Project that were not paid from moneys initially deposited in the Series 2026 Acquisition and Construction Account and the Trustee has on file one or more properly previously executed Unfunded Requisitions. In the event there are multiple Unfunded Requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no Unfunded Requisitions on file with the Trustee, such excess moneys transferred from the Series 2026 Reserve Account to the Series 2026 Acquisition and Construction Account shall be deposited into the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account.

Upon satisfaction of the Release Conditions #1 or Release Conditions #2, as evidenced by a written certificate of the District Manager delivered to the Issuer and the Trustee, stating that the Release Conditions #1 or Release Conditions #2 have been satisfied and setting forth the amount of the new Series 2026 Reserve Requirement, the Trustee shall without further direction reduce the Series 2026 Reserve Requirement to either twenty-five percent (25%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2026 Bonds, as calculated by the District Manager, upon satisfaction of Release Conditions #1, or to ten percent (10%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2026 Bonds, as calculated by the District Manager upon satisfaction of Release Conditions #2. The excess

amount in the Series 2026 Reserve Account as a result of satisfaction of Release Conditions #1 or Release Conditions #2 shall be transferred to the Series 2026 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to Section 3.01(b)(iii), the Issuer or the District Manager, on behalf of the Issuer, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee shall apply any excess in the Series 2026 Reserve Account toward such extraordinary mandatory redemption.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the “Series 2026 Bond Redemption Account” and within such Account, a “Series 2026 General Redemption Subaccount,” a “Series 2026 Optional Redemption Subaccount,” and a “Series 2026 Prepayment Subaccount.” Except as otherwise provided in this First Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2026 Bonds, moneys to be deposited into the Series 2026 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2026 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account (including all earnings on investments held in such Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2026 Bonds equal to the amount of money transferred to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2026 Rebate Fund designated as the “Series 2026 Rebate Fund.” Moneys shall be deposited into the Series 2026 Rebate Fund, as provided in the Arbitrage Certificate and Section 4.02 SEVENTH herein and applied for the purposes provided therein.

(k) Any moneys on deposit in the Series 2026 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2026 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2026 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2026 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each December 15 commencing December 15, 2026, to the Series 2026 Interest Account of the

Debt Service Fund, an amount equal to the interest on the Series 2026 Bonds becoming due on the next succeeding December 15, less any amounts on deposit in the Series 2026 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each June 15 commencing June 15, 2027, to the Series 2026 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2026 Bonds becoming due on the next succeeding June 15, less any amounts on deposit in the Series 2026 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each June 15, commencing June 15, 202X, to the Series 2026 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2026 Bonds subject to sinking fund redemption on such June 15, less any amounts on deposit in the Series 2026 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each June 15, which is a principal payment date for any Series 2026 Bonds, to the Series 2026 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2026 Bonds Outstanding maturing on such June 15, less any amounts on deposit in the Series 2026 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2026 Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2026 Revenue Account to the Series 2026 Interest Account, the amount necessary to pay interest on the Series 2026 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2026 Bonds remain Outstanding, to the Series 2026 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2026 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2026 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2026 Bonds and next, any balance in the Series 2026 Revenue Account shall remain on deposit in such Series 2026 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2026 Rebate Fund , in which case, the Issuer shall direct the Trustee to make such deposit thereto.

SECTION 4.03. Power to Issue Series 2026 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2026 Bonds, to execute and deliver the Indenture and to pledge the Series 2026 Pledged Revenues for the benefit of the Series 2026 Bonds to the extent set forth herein. The Series 2026 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2026 Bonds. The Series 2026 Bonds and the provisions of the Indenture are and will be

valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2026 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. 2025 Project to Conform to Consulting Engineers Report. Upon the issuance of the Series 2026 Bonds, the Issuer will promptly proceed to construct or acquire the 2025 Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of the Series 2026 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2026 Special Assessments may, at its option, or as a result of acceleration of the Series 2026 Special Assessments because of non-payment thereof or as a result of a true-up payment, shall require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2026 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2026 Special Assessment, which shall constitute Series 2026 Prepayment Principal, plus accrued interest to the next succeeding Quarterly Redemption Date (or the next succeeding Quarterly Redemption Date if such Prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date), attributable to the property subject to the Series 2026 Special Assessment owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2026 Reserve Account will exceed the applicable Reserve Requirement for the Series 2026 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and Section 4.01(f) hereof and the resulting redemption of the Series 2026 Bonds in accordance with Section 3.01(b)(i) of this First Supplemental Indenture, the excess amount shall be transferred from the Series 2026 Reserve Account to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account as a credit against the Series 2026 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager on behalf of the Issuer upon which the Trustee may conclusively rely, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2026 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2026 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2026 Bonds, there will be sufficient Series 2026 Pledged Revenues to pay the principal and interest, when due, on all Series 2026 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2026 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Series 2026 Special Assessment has been paid in whole or in part and that such Series 2026 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

(c) The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Series 2026 Prepayment Principal. The Issuer or the District Manager, on behalf of the Issuer, shall calculate the amount available for extraordinary mandatory redemption of the Series 2026 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days before each

Quarterly Redemption Date and will direct the Trustee to withdraw money from the Series 2026 Reserve Account as a credit against the amount of Prepayment that is owed in an amount as directed by the Issuer or the District Manager on behalf of the Issuer in accordance with Section 4.01(f) hereof and **Error! Reference source not found.** hereof. No credit shall be given if as a result the Series 2026 Reserve Requirement shall be less than is required after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall, upon authorization from the Issuer, withdraw moneys from the Series 2026 Revenue Account to round-up to the nearest integral multiple of \$5,000 and deposit such amount into the Series 2026 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from the Series 2026 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Quarterly Redemption Date.

ARTICLE V
COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2026 Special Assessments. Pursuant to the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer shall collect the Series 2026 Special Assessments relating to the acquisition and construction of the 2025 Project through the Uniform Method of Collection (the “Uniform Method”) afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2026 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted, unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise or the timing for using the Uniform Method will not yet allow for using such method. In addition, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2026 Special Assessments, and to levy the Series 2026 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2026 Bonds when due. All Series 2026 Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer has executed and delivered a Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds, Accounts and Subaccounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2026 Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Obligations. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Series 2026 Special Assessments. Such covenant shall not prohibit the Issuer from issuing refunding Bonds. In addition, the Issuer covenants not to issue any other Bonds or debt obligations secured by any Special Assessments on assessable land within Assessment Area One within the District which secure the Series 2026 Special Assessments, until the Series 2026 Special Assessments are Substantially Absorbed. The Issuer’s covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The Issuer, or the District Manager on behalf of the Issuer, shall provide the Trustee with a certification that the Series 2026 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2026 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments levied on the same land upon which the Series 2026 Special Assessments have been levied at any time upon the written consent of the Majority Holders or at any time without any such consent if Special Assessments

are levied on any lands within the District which are not subject to the Series 2026 Special Assessments.

SECTION 5.05. Acknowledgement Regarding Series 2026 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2026 Bonds are payable from the Series 2026 Pledged Revenues. Anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that the Series 2026 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2026 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Series 2026 Bonds, (i) the Series 2026 Pledged Revenues may not be used by the Issuer (whether to pay costs of the 2025 Project or otherwise) without the consent of the Majority Holders, except to pay expenses of the Series 2026 Project that have already been incurred prior to the date of the Event of Default and which are due and payable by the District, and (ii) the Series 2026 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The Issuer covenants not to enter into any contract regarding the 2025 Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

The Series 2026 Bonds are being issued under authority of the laws and Constitution of the State of Florida, including particularly the Act, to pay all or a portion of the costs of constructing and/or acquiring a portion of the 2025 Project (as defined in the herein referred to Indenture). The Series 2026 Bonds shall be issued as fully registered bonds in authorized denominations, as set forth in the Indenture. The Series 2026 Bonds are issued under and secured by a Master Trust Indenture dated as of _____ 1, 2026 (the “Master Indenture”), as supplemented by a First Supplemental Trust Indenture dated as of _____ 1, 2026 (the “First Supplemental Indenture” and together with the Master Indenture, the “Indenture”), each by and between the Issuer and the Trustee, executed counterparts of which are on file at the designated corporate trust office of the Trustee in Orlando, Florida.

Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Series 2026 Bonds issued under the Indenture, the operation and application of the Debt Service Fund, the Series 2026 Reserve Account within the Debt Service Reserve Fund and other Funds, Accounts and subaccounts (each as defined in the Indenture) charged with and pledged to the payment of the principal of and the interest on the Series 2026 Bonds, the levy and the evidencing and certifying for collection, of the Series 2026 Special Assessments, the nature and extent of the security for the Series 2026 Bonds, the terms and conditions on which the Series 2026 Bonds are issued, the rights, duties and obligations of the Issuer and of the Trustee under the Indenture, the conditions under which such Indenture may be amended without the consent of the registered owners of the Series 2026 Bonds, the conditions under which such Indenture may be amended with the consent of the Majority Holders of the Series 2026 Bonds outstanding, and as to other rights and remedies of the registered owners of the Series 2026 Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

It is expressly agreed by the owner of this Bond that such owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer, the County, the State or any other political subdivision thereof, or taxation in any form of any real or personal property of the Issuer, the County, the State or any other political subdivision thereof, for the payment of the principal of and interest on this Bond or the making of any other sinking fund and other payments provided for in the Indenture, except for the Series 2026 Special Assessments to be assessed and levied by the Issuer as set forth in the Indenture.

By the acceptance of this Bond, the owner hereof assents to all the provisions of the Indenture.

This Bond is payable from and secured by Series 2026 Pledged Revenues, as such term is defined in the Indenture, all in the manner provided in the Indenture. The Indenture provides for the levy and the evidencing and certifying, of non-ad valorem assessments in the form of the Series 2026 Special Assessments to secure and pay the Bonds.

The Series 2026 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the redemption price of the Series 2026 Bonds shall be made on the dates specified below. Upon any redemption of Series 2026 Bonds other than in accordance with scheduled mandatory sinking fund redemption, the Issuer shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2026 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2026 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2026 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be

made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Optional Redemption

The Series 2026 Bonds may, at the option of the Issuer, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after [June] 15, 20XX (less than all Series 2026 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2026 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2026 Optional Redemption Subaccount of the Series 2026 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2026 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2026 Bonds is substantially level.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of

**SAGEBRUSH COMMUNITY DEVELOPMENT DISTRICT
SUPPLEMENTAL ENGINEER’S REPORT
ASSESSMENT AREA ONE**

1. INTRODUCTION

The purpose of this report is to provide a description of the capital improvement plan (“CIP”) including the herein defined AA1 Project and estimated costs of the CIP and the Assessment Area One Project, for the SageBrush Community Development District (“District”). This report is a supplemental to our Master Engineer’s Report dated August 2025.

2. GENERAL SITE DESCRIPTION

Assessment Area One (as described below) is part of the District located entirely within unincorporated Pasco County, Florida (“County”) and covers approximately 190 acres of land, more or less. Exhibit A depicts the boundaries of the Assessment Area One (“AA1”). AA1 is generally located on the southern side of the District along the north side of Denton Avenue.

AA1 will have public access via Denton Avenue. Utilities will be provided via existing infrastructure in Denton Avenue.

3. PROPOSED CAPITAL IMPROVEMENT PLAN

The portion of the CIP associated with AA1 is intended to provide public infrastructure improvements for lands within the District and the AA1, which are planned for 459 residential units, more or less (the “AA1 Project”). The AA1 Project is intended to be developed in multiple phases. The following table shows the planned product types and land uses for the AA1 Project:

Table 1

	40’ FL	50’ FL	Total Units
Phase 1A	23	45	68
Phase 1B	72	56	128
Phase 1C	48	92	140
Phase 1D	83	40	123
TOTAL	226	233	459

The AA1 Project infrastructure includes::

Roadway Improvements:

- **Bright Beacon Boulevard:**
The AA1 Project includes Bright Beacon Blvd. from Denton Avenue to a temporary dead-end terminus within the Distruct. The District will fund, construct, and/or acquire this

improvement. After construction/acquisition, the District will maintain Bright Beacon Blvd.

- **Local Subdivision Roads:**

The AA1 Project includes local subdivision roads within the AA1. Generally, all local roads will be non-gated two (2) lane undivided roads. Such local roads shall include the roadway asphalt, base, subgrade, underdrain, roadway curb and gutter, striping and signage, and sidewalks within the right-of-way abutting non-lot lands. All local roads will be designed in accordance with County standards. The District will fund, construct, and/or acquire these improvements. After construction/acquisition, the District will maintain all non-gated local roads. Any gated local roads will be owned & maintained by the HOA or an entity other than the District, and the District will not finance any gated roads.

Stormwater Management System:

The stormwater collection and outfall system is a combination of roadway curbs, curb inlets, pipe, control structures and open lakes designed to treat and attenuate stormwater runoff from District lands. The stormwater system will be designed consistent with the criteria established by the applicable Water Management District and the County for stormwater/floodplain management systems. The District will finance, own, operate and maintain the stormwater system, with the exception that the County will own, operate and maintain the inlets and storm sewer systems within County rights-of-way.

NOTE: No private earthwork is included in the AA1 Project. Accordingly, the District will not fund any costs of any grading of lots or the transport of fill to the private lots.

Water and Wastewater Utilities:

As part of the AA1 Project, the District intends to construct and/or acquire water and wastewater infrastructure. In particular, the on-site water supply improvements include water mains that will be located within rights-of-way and used for potable water service and fire protection. The proposed water main will connect to the existing Pasco County water main along Denton Avenue.

Wastewater improvements for the project will include an onsite gravity collection system, onsite force main and onsite lift stations. The proposed wastewater force main will connect to the existing Pasco County force main along Denton Avenue.

The water and wastewater collection systems for all phases will be acquired by the District and then dedicated to the County for operation and maintenance. The AA1 Project will only include laterals to the lot lines (i.e., point of connection).

Hardscape, Landscape, and Irrigation:

The District will construct and/or install landscaping, irrigation and hardscaping within District common areas and PUBLIC rights-of-way. The County has distinct design criteria requirements for planting and irrigation design. These public improvements will at a minimum meet those

requirements and, in most cases, will exceed the requirements with enhancements for the benefit of the community.

All such landscaping, irrigation and hardscaping will be owned, maintained and funded by the District. Such infrastructure, to the extent that it is located in rights-of-way owned by the County will be maintained pursuant to a rights-of-way agreement to be entered into with the County. Any landscaping, irrigation or hardscaping systems behind hard-gated roads, if any, would not be financed by the District and instead would be privately installed and maintained.

Active / Passive Amenities:

The AA1 Project includes passive amenities / open space areas.

Streetlights / Undergrounding of Electrical Utility Lines

The District intends to lease streetlights through an agreement with a local utility provider and will fund the streetlights through an annual operations and maintenance assessment. As such, streetlights are not included as part of the AA1 Project.

The CIP does however include the incremental cost of undergrounding of electrical utility lines within rights-of-way utility easements throughout the community. Any lines and transformers located in such areas would be owned by the local utility provider and not paid for by the District as part of the CIP.

Environmental Conservation/Mitigation:

The project area contains the presence of gopher tortoises, a listed, protected species in Florida. A 100% Gopher Tortoises was completed prior to construction and all tortoises were relocated to an approved recipient site in Florida.

Professional Services

The AA1 Project also includes various professional services. These include: (i) engineering, surveying and architectural fees, (ii) permitting and plan review costs, and (iii) development/construction management services fees that are required for the design, permitting, construction, and maintenance acceptance of the public improvements and community facilities.

Off-Site Improvements

The Offsite improvements associated with the AA1 Project include the following:

- Denton Avenue Widening – Adding right and left turn lanes and a bus stop bay to Denton Avenue at the entrance into the District.

NOTE: In the event that impact fee credits are generated from any roadway, utilities or other improvements funded by the District, any such credits, if any, will be the subject of a separate agreement between the applicable developer and the District.

4. PERMITTING/CONSTRUCTION COMMENCEMENT

All necessary permits for the construction of the CIP have either been obtained or are currently under review by respective governmental authorities, and include the following:

5. OPINION OF PROBABLE CONSTRUCTION COSTS / O&M RESPONSIBILITIES

Table 2 shown below presents, among other things, the Opinion of Probable Construction Costs for the AA1 Project. It is our professional opinion that the costs set forth in Table 2 are reasonable and consistent with market pricing, both for the AA1 Project CIP.

- a. The probable costs estimated herein do not include anticipated carrying cost, interest reserves or other anticipated CDD expenditures that may be incurred.
- b. The Developer reserves the right to finance any of the improvements outlined above, and have such improvements owned and maintained by a property owner's or homeowner's association, in which case such items would not be part of the CIP.
- c. The District may enter into an agreement with a third-party, or an applicable property owner's or homeowner's association, to maintain any District-owned improvements, in a form acceptable to the District's bond counsel.
- d. The CDD will be responsible for the operation and maintenance of sidewalks and landscaping within non-County rights-of-way and within the boundaries of the District, all pursuant to Pasco County requirements.
- e. Pasco County Utilities will only maintain utility lines in public rights-of-way or County-owned easements.
- f. Curb and gutter for the roadway improvements are not counted twice in connection with the stormwater costs.
- g. As stated above, active recreational amenities will be constructed and initially owned and maintained by the Developer. The Developer may convey these private amenities to the CDD for the benefit of the residents once the project is built out. Therefore, the construction costs associated with these recreational facilities are not included in the CIP cost summary within this Report

6. CONCLUSIONS

The AA1 Project will be designed in accordance with current governmental regulations and requirements. The AA1 Project will serve its intended function so long as the construction is in substantial compliance with the design.

It is further our opinion that:

- the estimated cost to the AA1 Project CIP as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure.
- all of the improvements comprising the AA1 Project CIP are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;
- the AA1 Project CIP is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the CIP, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and
- the assessable property within AA1 and outside of the District will receive a special benefit from the CIP that is at least equal to such costs.

Also, the AA1 Project CIP will constitute a system of improvements that will provide benefits, both general, and special and peculiar, to all lands within the District. The general public, property owners, and property outside the District will benefit from the provisions of the District's CIP; however, these are incidental to the District's CIP, which is designed solely to provide special benefits peculiar to property within the District. Special and peculiar benefits accrue to property within the District and enables properties within its boundaries to be developed.

The AA1 Project CIP will be owned by the District or other governmental units and such CIP is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the AA1 Project CIP is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The AA1 Project CIP, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property.

Please note that the AA1 Project CIP as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the CIP, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

III. DISTRICT INFORMATION

The District was established by the Board of County Commissioners of Pasco County, Florida on April 22, 2025, pursuant to Ordinance No. 25-25, which was effective as of April 25, 2025. The District encompasses approximately 306.698 +/- acres and is generally located between Denton Avenue and Houston Avenue, about a half mile east of Little Road. The District is anticipating its first bond issuance, which will be secured by the Series 2026 Assessments to be levied over 196 platted units and approximately 51.333 remaining unplatted acres where an additional 263 residential units are planned for development within Assessment Area One of the District.

Table 1 illustrates the current development program for Assessment Area One.

IV. 2026 PROJECT

The District's 2026 Project includes, but is not limited to, offsite improvements – Denton Ave./Houston Ave., public roadways, water/wastewater, stormwater system/public earthwork, landscape/hardscape/irrigation, incremental cost of undergrounding conduit, environmental/wildlife mitigation, professional services, permitting, and contingency. The total cost of the 2026 Project is estimated to be \$16,159,325 as described in the Engineer’s Report. A detail of these costs can be found in Table 2. The District plans to issue the Series 2026 Bonds to fund a portion of the 2026 Project in the estimated amount of \$8,155,791.

V. PRELIMINARY SERIES 2026 BONDS AND ASSESSMENTS

In order to provide for the 2026 Project funding described in Section IV above, it is expected the District will issue the Series 2026 Bonds in the estimated principal amount of \$8,970,000, which will be secured by the pledged revenues from the Series 2026 Assessments. The Series 2026 Assessments will initially be levied in the estimated annual amount of \$620,700, excluding county collection costs and discounts, and shall be structured

Rizzetta & Company

in the same manner as the Series 2026 Bonds, so that revenues from the Series 2026 Assessments are sufficient to fulfill the debt service requirements for the Series 2026 Bonds.

The Series 2026 Bonds will be structured as amortizing current-interest bonds, with the repayment occurring in annual installments of principal and interest. Interest payments dates shall occur every June 15 and December 15 from the date of issuance until final maturity estimated on June 15, 2056. The first scheduled payment of coupon interest will be due on December 15, 2026, although interest is anticipated to be capitalized through December 15, 2026, and the first installment of principal due on June 15, 2027. The annual principal payment will be due each June 15 thereafter until final maturity.

The Series 2026 Assessments are expected to ultimately be levied on the 459 residential units within Assessment Area One of the District. It is expected that Series 2026 Assessment installments assigned to the Platted Units will be collected via the Pasco County property tax bill process (Uniform Method).¹ Accordingly, the Series 2026 Assessments have been adjusted to allow for current county collection costs and the possibility that landowners will avail themselves of early payment discounts. Currently, the aggregate rate for such costs and discounts is 6.0%, but this may fluctuate as provided by law.

VI. PRELIMINARY SERIES 2026 ASSESSMENT ALLOCATION

The District's Master Report contains specific special benefit findings relative to the Maximum Assessments and the District's CIP. As stated therein, the CIP cost per unit and Maximum Assessments were allocated pursuant to an EAU-based methodology.

Per Section IV above, the Series 2026 Bonds will fund a portion of the District's 2026 Project, which is expected to be constructed or acquired in a manner generally proportionate to the construction of improvements for the overall CIP. Accordingly, it is expected that the improvements funded by the Series 2026 Bonds will confer benefit on the District's developable parcels within Assessment Area One in a manner generally proportionate to and consistent with the allocation of benefit found in the Master Report. Therefore, it is proper to impose Series 2026 Assessments on the units specified in Table 5, as well as the District's Preliminary Series 2026 Assessment Roll.

A. Assessment Allocation

The Series 2026 Assessments are expected to ultimately be allocated to the units shown on Table 5. The Series 2026 Assessments are to be allocated based on EAU as assigned in the Master Report. As allocated, the Series 2026 Assessments fall within the cost/benefit thresholds, as well as the maximum assessment levels, established by the Master Report. The Preliminary Series 2026 Assessment Roll is located on page A-6.

B. Assignment of Assessments

¹ The ultimate collection procedure is subject to District approval. Nothing herein should be construed as mandating collections that conflict with the terms, privileges, and remedies provided in the Indentures, Florida law, assessment resolutions, and/or other applicable agreements.

The Series 2026 Bonds and Series 2026 Assessments have been sized based on the expectation that the Series 2026 Assessments will be fully absorbed by the 459 residential units planned for development in Assessment Area One of the District. Series 2026 Assessments will be initially levied on the 196 Platted Units at the per unit amounts described in Table 5, and the remaining approximately 51.333 unplatted gross acres within Assessment Area One on an equal assessment per acre basis. At the time the remaining unplatted parcels within Assessment Area One are platted or otherwise subdivided into Platted Units, individual Series 2026 Assessments will be assigned to those Platted Units at the per-unit amounts described in Table 5, thereby reducing the Series 2026 Assessments encumbering the Unplatted Parcels within Assessment Area One by a corresponding amount. Any unassigned amount of Series 2026 Assessments encumbering the remaining Unplatted Parcels within Assessment Area One will continue to be calculated and levied on an equal assessment per acre basis.

In the event an Unplatted Parcel within Assessment Area One is sold to a third party not affiliated with the Developer, the Series 2026 Assessments will be assigned to that Unplatted Parcel based on the maximum total number of Platted Units assigned by the Developer to that Unplatted Parcel. The owner of that Unplatted Parcel will be responsible for the total assessments applicable to the Unplatted Parcel, regardless of the total number of Platted Units ultimately actually platted. These total assessments are fixed to the Unplatted Parcel at the time of the sale.

In the event that developable lands that derive benefit from the 2026 Project are added to the District boundaries, whether by boundary amendment or increase in density, Series 2026 Assessments will be allocated to such lands, pursuant to the methodology described herein.

VII. PREPAYMENT AND TRUE-UP OF SERIES 2026 ASSESSMENTS

The Series 2026 Assessments encumbering a parcel may be prepaid in part or in full at any time, without penalty, together with interest at the rate on the Series 2026 Bonds to the bond interest payment date that is more than forty-five (45) days next succeeding the date of prepayment. Notwithstanding the preceding provisions, the District does not waive the right to assess penalties which would otherwise be permissible if the parcel being prepaid is subject to an assessment delinquency.

Because this methodology assigns defined, fixed assessments to Platted Units, the District's Series 2026 Assessment program is predicated on the development of lots in the manner described in Table 1. However, if a change in development results in the net decrease in the overall principal amount of Series 2026 Assessments able to be assigned to the lands described in Table 1, then a true-up, or principal reduction payment, will be required to cure the deficiency. At the time that any residential plat is presented to the District, the District shall determine if the par debt of all outstanding Series 2026 Bonds can be assigned to the total number of Units to be developed, taking into account the submitted plat. If not, the District shall determine the remaining par debt of all outstanding Series 2026 Bonds unassigned to Units and the total number of developable acres owned by the Developer remaining to be platted. At this time, a debt reduction payment in the amount

equal to the par debt that is not capable of being assigned to the total number of developable acres, plus any applicable interest charges and collection fees shall become due and payable prior to the District's approval of the plat, in addition to the regular assessment installment payable for lands owned by the Developer for that tax year.

Similarly, if a reconfiguration of lands would result in the collection of substantial excess Series 2026 Assessment revenue in the aggregate, then the District shall undertake a pro rata reduction of Series 2026 Assessments for all assessed properties.

Re: Agreement for Underwriter Services & Rule G-17 Disclosure

Dear Mr. Brizendine:

Thank you for the opportunity to work with the SageBrush Community Development District (the "Issuer") regarding the underwriting of the Issuer's Special Assessment Bonds, Series 2026 and future series of bonds (the "Bonds"). The Issuer and FMSbonds, Inc. ("FMS"), solely in its capacity as underwriter, agree to the proposed terms set forth herein in Attachment I. By executing this letter both parties agree to the terms set forth herein.

FMS's role is limited to act as Underwriter within the Scope of Services set forth herein as Attachment I, and not as a financial advisor or municipal advisor. Any information that FMS has previously provided was solely for discussion purposes in anticipation of being retained as your underwriter. Attachment II, attached hereto, contains the Municipal Securities Rulemaking Board (MSRB) Rule G-17 Disclosure, as set forth in the amended and restated MSRB Notice 2019-20 (November 8, 2019)¹ (the "Notice"). We ask that you provide this letter to the appropriate person at the Issuer.

We look forward to working with you.

Yours truly,

¹ Interpretive Notice Concerning the Application of MSRB Rule G-17 to underwriters and Underwriters of Municipal Securities (effective March 31, 2021).

ATTACHMENT I

Section 1 **Scope of Services of FMS:** FMS proposes that its duties as Underwriter shall be limited to the following:

1. To provide advice to the Issuer on the structure, timing and terms of the Bonds;
2. To coordinate the financing process;
3. To conduct due diligence;
4. To assist in the preparation of an offering memorandum;
5. To review the assessment methodology and Bond documents;
6. To market and offer Bonds to investors.

Section 2 **Terms and Conditions:**

1. **Underwriter Fee (“Underwriting Fee”)**. FMS shall act as sole lead underwriter. The Underwriting Fee to FMS for acting as Underwriter shall be 2% of the par amount of any Bonds issued. The Underwriting Fee shall be due and payable only upon the closing of the Bonds. The Underwriting Fee may be modified pursuant to a bond delegation or award resolution approved by the Board and consented to by the Underwriter.
2. **Price and Interest Rates:** The offering price and interest rates are expected to be based on recent comparable transactions in the market, if any. FMS and the Issuer will jointly determine the offering price and interest rates immediately prior to the start of the order period, based on market conditions then prevailing.
3. **Bond Purchase Agreement.** The obligations of the Underwriter and those of the Issuer would be subject to the satisfactory completion of due diligence and to the customary representations, warranties, covenants, conditions, including provisions respecting its termination contained in the form of a bond purchase agreement FMS will prepare and as generally used in connection with the offering of Bonds for this type of transaction.
4. **Costs of Issuance.** The Issuer shall be responsible for the payment of all expenses relating to the offering, including but not limited to, attorney fees, consultant fees, costs associated with preparing offering documents, if any, the purchase agreement, regulatory fees and filing fees and expenses for qualification under blue sky laws designated by FMS and approved by the Issuer.
5. **Assumptions.** The proposed terms and statements of intention set forth in this attachment are based on information currently available to FMS about the Issuer and the market for special assessment bonds similar to the Bonds and the assumptions that:

- a) the financial condition and history of the project shall be substantially as understood, and the financial information for the relevant and appropriate period ended to be included in the final offering memorandum will not vary materially from those set forth in the material furnished to FMS;
 - b) no adverse developments shall occur which materially and adversely affect the underlying security and financial condition of the Issuer and the primary landowner and developer;
 - c) the offering memorandum will comply with all applicable laws and regulations;
 - d) there will not be any unanticipated substantial delays on the part of the Issuer in completing the transaction; and
 - e) all conditions of the Underwriter to purchase Bonds will be included in the bond purchase agreement and conditions shall be satisfied or waived, in the sole discretion of the Underwriter.
6. Information. The Issuer agrees to reasonably and actively assist FMS in achieving an underwriting that is satisfactory to FMS and the Issuer. To assist FMS in the underwriting the Issuer will (a) provide and cause the Issuer's staff and its professionals to provide FMS upon request with all information reasonably deemed necessary by FMS to complete the underwritings, included but not limited to, information and evaluations prepared by the Issuer and its advisors and the primary landowner and developer; and (b) otherwise assist FMS in its underwriting efforts.
7. Term of Engagement. The term of our engagement shall commence as of the date the covering letter is executed by the Issuer and continue in full force and effect unless terminated by either party. In event of termination by the Issuer without cause, FMS shall be entitled to recover its reasonable out of pocket expenses incurred up to the date of termination.
8. No Commitment. Notwithstanding the foregoing, nothing herein shall constitute an agreement to provide a firm commitment, underwriting or placement or arrangement of any securities by FMS or its affiliates. Any such commitment, placement or arrangement shall only be made a part of an underwriting agreement or purchase agreement at the time of the sale of the Bonds.

The engagement contemplated hereby is solely for the benefit of the Issuer and FMS and their respective successors, assigns and representatives and no other person or entity shall acquire or have any right under or by virtue hereof.

This engagement contains the entire understanding of the parties relating to the transactions contemplated hereby and supersedes all prior agreements, understandings and negotiations with respect thereto.

9. No Financial Advisor. FMS's role is limited to that of an Underwriter and not a financial advisor or municipal advisor.

ATTACHMENT II

MSRB Rule G-17 Disclosure --- The Issuer recognizes that FMSbonds, Inc. will serve as the underwriter (the “Underwriter”) and not as a financial advisor or municipal advisor, in connection with the issuance of the bonds relating to this financing (herein, the ‘Bonds’). As part of our services as Underwriter, FMSbonds, Inc. may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds. Any such advice, if given, will be provided by FMSbonds, Inc. as Underwriter and not as your financial advisor or municipal advisor in this transaction. The Issuer may choose to engage the services of a municipal advisor with a fiduciary obligation to represent the Issuer’s interest in this transaction.

Pursuant to the Notice, we are required by the MSRB to advise you that:

- MSRB Rule G-17 requires a broker to deal fairly at all times with both municipal issuers and investors.
- The Underwriter’s primary role is to purchase the Bonds in an arm’s-length commercial transaction with the Issuer. As such, the Underwriter has financial and other interests that differ from those of the Issuer.
- Unlike a municipal advisor, the Underwriter does not have a fiduciary duty to the Issuer under the federal securities laws and is, therefore, not required by federal law to act in the best interests of the Issuer without regard to its own financial or other interests.
- The Underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with its duty to use its best efforts to resell the Bonds with purchases at prices that are fair and reasonable.
- The Bonds may be sold into a trust either at the time of issuance or subsequent to issuance. In such instance FMSbonds, Inc., not in its capacity of Underwriter, may participate in such trust arrangement by performing certain administrative roles. Any compensation paid to FMSbonds, Inc. would not be derived from the proceeds of the Bonds or from the revenues pledged thereunder.

The Underwriter will be compensated in accordance with the terms of a bond purchase contract by and between the Underwriter and Issuer. Payment or receipt of the Underwriter’s compensation will be contingent on the closing of the transaction. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since an Underwriter may have an incentive to recommend a transaction that is unnecessary or to recommend that the size of a transaction be larger than is necessary. The Issuer acknowledges no such recommendation has been made by the Underwriter.

Please note nothing in this letter is an expressed or an implied commitment by us to provide financing or to place or purchase the Bonds. Any such commitment shall only be set forth in a bond purchase contract or other appropriate form of agreement for the type of transaction undertaken by you.

Further, our participation in any transaction (contemplated herein or otherwise) remains subject to, among other things, the execution of a bond purchase contract (or other appropriate form of agreement), further internal review and approvals, satisfactory completion of our due diligence investigation and market conditions.

FMSbonds, Inc. is acting independently in seeking to act as Underwriter in the transaction contemplated herein and shall not be deemed for any purpose to be acting as an agent, joint venturer or partner of any other principal involved in the proposed financing. FMSbonds, Inc. assumes no responsibility, express or implied, for any actions or omissions of, or the performance of services by, the purchasers or any other brokers in connection with the transactions contemplated herein or otherwise.

If you or any other representative of the Issuer have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, you should consult with your own financial, municipal, legal, accounting, tax and other advisors, as applicable, to the extent deemed appropriate.

The MSRB requires that we seek the Issuer's acknowledgement that it has received this letter. We request that the person at the Issuer who has the authority to bind the Issuer (herein, "Authorized Issuer Representative") acknowledge this letter as soon as practicable and by nature of such acknowledgment that such person is not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

Depending on the structure of the transaction that the Issuer decides to pursue, or if additional actual or perceived material conflicts are identified, we may be required to send you additional disclosures. At that time, we also will seek your acknowledgement of receipt of any such additional disclosures.

We look forward to working with you in connection with the issuance of the Bonds, and we appreciate the opportunity to assist you in this transaction. Thank you.

FMSbonds, Inc.

Preferred Claims Administration

Preferred Governmental Claim Solutions, Inc. ® (PGCS) is the premier governmental third-party claims administrator in the state of Florida and administers the claims for Preferred Governmental Insurance Trust (*Preferred*). Since its founding in 1956, PGCS has provided claims administration services exclusively to over 450 governmental entities including schools, cities, towns, counties, community development districts, and fire districts. Therefore, PGCS's adjusters are extremely qualified to handle governmental tort liability and public sector workers' compensation claims. They are experts at investigating and handling police and firefighters presumption claims. PGCS is sensitive to the politics involved in the handling of public entity claims.

PGCS's claims administration program consists of workers' compensation, general liability, bodily injury, personal injury, property, auto liability, auto physical damage, employment practices liability, school leaders/educators liability and public officials liability. Their claims staff has over 630 years of combined insurance experience and each has been with PGCS an average of 8 years. Claims are handled under strict supervision in accordance with the PGCS workers' compensation and liability claim handling procedure manuals and the PGCS claim best practices manual. A random sampling of each adjuster's claim files are audited on a monthly basis by a Quality Assurance Manager to ensure compliance.

PGCS provides their clients with a dedicated Subrogation Unit to pursue reimbursements from at-fault third parties. Their current recovery rate is fifty-nine (59) percent of the claim costs expended. PGCS also has a dedicated excess reporting and recovery unit for communication to and securing reimbursement from the excess and/or reinsurance carriers. In addition, PGCS provides a state-approved Special Investigation Unit (SIU) to prevent and pursue fraudulent claims. PGCS offers rewards up to \$10,000.00 for the arrest and conviction of persons committing workers' compensation fraud. This service is provided via a twenty-four hour seven day a week hotline.

PGCS utilizes the RiskMaster system for claims processing. This system captures a wide variety of data and allows the adjuster to enter an unlimited number of claim notes, process reserve changes, and issue claim payments. Customized reports can be obtained from PGCS's on-line system containing a multitude of data parameters that a client may choose to analyze. The system can be accessed by clients via their website at www.pgcs-tpa.com.

Communication with PGCS's clients is the cornerstone of their claims administration program. Professional adjusters, nurses, management, quarterly in-depth claim review meetings, 24/7 claim reporting, utilization of attorneys specializing in public entity defense, litigation management, and return to work programs are just a sample of how PGCS has set the standard for the industry.

PGCS is committed to partnering with their clients to provide professional and aggressive claim management programs. While they are recognized as the leader in the industry, PGCS is always striving to improve the quality of their programs and expand the services that they offer.

***Preferred* Safety and Risk Management Services**

The success of any public sector community is tied to its ability to protect and preserve its human physical assets. This basic premise serves as the cornerstone of an effective Safety Management program and underscores the importance of Safety and Risk Control to the community. *Preferred's* Safety and Risk Management Department is very aware of the valuable contribution a comprehensive safety and risk control program makes to the bottom-line of any organization.

At *Preferred*, Safety consultations originate with one basic thought—to recommend specific measures to minimize or eliminate the exposures that cause accidents. This does not mean that the workplace become no-risk utopias, but we expect our consultants to recommend measures to control and minimize all types of accidents, injuries and illnesses to our *Preferred* members' operations and premises.

Preferred is dedicated to meeting the challenge of the complex issues facing public sector organizations. Disarming these issues and converting them into solutions which work to the advantage of our goal. *Preferred's* approach to risk control incorporates the following elements:

- **Exposure Identification** – Assist management in determining areas where a chance of loss might exist through cause trend analysis, work site evaluations, and facility inspections.
- **Exposure Measurement and Loss Analysis** – Loss analysis and a review of the consequences of the exposures will be considered to develop alternative methods of control.
- **Determination and Selection of Appropriate Risk Control Methods** – Based on measurement and analysis, specific recommendations and/or custom designed risk control plan will be formulated. OSHA, as well as other Agency Standards will be applied and/or used as a “Best Practice” measure when designing and formulating safety and risk control plans.
- **Training and Safety Management Consulting** – After considering client needs specific services and/or training will be formulated and initiated to fit the client's need. Key Personnel or specialty consulting services with the knowledge and skills needed to meet those identified needs will be provided.
- **Additional Consulting Services Available** – *Preferred's* Safety & Risk Management has other services available that may benefit our clients. These services include security evaluations and review of existing safety and risk programs.

Preferred's Safety and Risk Management Department evaluates the unique needs to each client, ultimately designing a program that is capable of being integrated into the overall safety and risk control efforts of each client. *Preferred's* dedication to the problem-solving approach is the foundation of their Safety and Risk Management Service.

Retail Compensation Disclosure

Compensation: As a licensed insurance producer/broker/agent, Brown & Brown entities (“we”) are generally authorized by our license to confer with insurance purchasers about the benefits, terms and conditions of insurance contracts; to offer advice concerning the substantive benefits of particular insurance contracts; to sell insurance; and to obtain insurance for purchasers. Our role as an insurance producer in any ordinary transaction typically involves one or more of these activities.

We will receive compensation in the form of commission or fees for assistance with the placement, servicing, claims handling, or renewal of your insurance coverages. Commission compensation will be based on the insurance contract you purchase and may vary depending on a number of factors including the insurance contract(s) and the insurer(s) the purchaser selects. In addition to the commissions or fees received by us for assistance with the placement, servicing, claims handling, or renewal of your insurance coverages, other parties, such as excess and surplus lines brokers, wholesale brokers, reinsurance intermediaries, underwriting managers and similar parties, some of which may be owned in whole or in part by Brown & Brown, Inc., may also receive compensation for their role in providing insurance products or services to you pursuant to their separate contracts with insurance or reinsurance carriers. That compensation is derived from your premium payments. Additionally, it is possible that we, or our corporate parents or affiliates, may receive contingent payments or allowances from insurers based on factors which are not customer-specific, such as the performance and/or size of an overall book of business produced with an insurer. We generally do not know if such a contingent payment will be made by a particular insurer, or the amount of any such contingent payments, until the underwriting year is closed. That compensation is partially derived from your premium dollars, after being combined (or “pooled”) with the premium dollars of other insureds that have purchased similar types of coverage. We may also receive invitations to programs sponsored and paid for by insurance carriers to inform brokers regarding their products and services, including possible participation in company-sponsored events such as trips, seminars, and advisory council meetings, based upon the total volume of business placed with the carrier you select. We may, on occasion, receive loans or credit from insurance companies. Additionally, in the ordinary course of our business, we may receive and retain interest on premiums you pay from the date we receive them until the date of premiums are remitted to the insurance company or intermediary. In the event that we assist with placement and other details of arranging for the financing of your insurance premium, we may also receive a fee from the premium finance company.

If an intermediary is utilized in the placement of coverage, the intermediary may or may not be owned in whole or part by Brown & Brown, Inc. or its subsidiaries. Brown & Brown entities operate independently and are not required to utilize other companies owned by Brown & Brown, Inc., but routinely do so. In addition to providing access to the insurance company, the Wholesale Insurance Broker/Managing General Agent may provide additional services including, but not limited to: underwriting; loss control; risk placement; coverage review; claims coordination with insurance company; and policy issuance. Compensation paid for those services is derived from your premium payment, which may on average be 15% of the premium you pay for coverage, and may include additional fees charged by the intermediary.

You may obtain information about compensation expected to be received by us based in whole or part on the sale of insurance to you, and (if applicable) compensation expected to be received based in whole or part on any alternative quotes presented to you by us, by requesting such information from us.

Questions and Information Requests. If you have any questions, or require additional information, please contact your Brown & Brown team, or, if you prefer, submit your question or request online at <https://www.bbrown.com/us/contact/contact-general/>

YOU ARE ELECTING NOT TO PURCHASE CERTAIN VALUABLE COVERAGE WHICH PROTECTS YOU AND YOUR FAMILY OR YOU ARE PURCHASING UNINSURED MOTORISTS LIMITS LESS THAN YOUR BODILY INJURY LIABILITY LIMITS WHEN YOU SIGN THIS FORM. PLEASE READ CAREFULLY.

Uninsured Motorist coverage provides for payment of certain benefits for damages caused by owners or operators of uninsured motor vehicles because of bodily injury or death resulting there from. Such benefits may include payments for certain medical expenses, lost wages, and pain and suffering, subject to limitations and conditions contained in the Coverage Agreement. For the purpose of this coverage, an uninsured motor vehicle may include a motor vehicle as to which the bodily injury limits are less than your damages.

Florida law requires that automobile liability coverage agreements include Uninsured Motorist coverage at limits equal to the Bodily Injury limits in your coverage agreement unless you select a lower limit offered by the Trust or reject Uninsured Motorist entirely. Please indicate whether you desire to entirely reject Uninsured Motorist coverage, or, whether you desire this coverage at limits lower than the Bodily Injury Liability limits of your Coverage Agreement:

- a. I hereby reject Uninsured Motorist coverage.
- b. I hereby select the following Uninsured Motorist limits which are lower than my Bodily Injury Liability Limits:
each person (enter limit if applicable):
each accident.
- c. I hereby select Uninsured Motorist coverage limits equal to my Bodily Injury Liability limits. (If you select this option disregard the bold face statement above.)

ELECTION OF NON-STACKED COVERAGE

(Do not complete if you have rejected Uninsured Motorist)

You have the option to purchase, at a reduced rate, non-stacked (limited) type of Uninsured Motorists coverage. Under this form if injury occurs in a vehicle owned or leased by you or any family member who resides with you, this Coverage Agreement will apply only to the extent of coverage (if any) which applies to that vehicle in this Coverage Agreement. If an injury occurs while occupying someone else's vehicle, or you are struck as a pedestrian, you are entitled to select the highest limits of Uninsured Motorist coverage available on any one vehicle for which you are a Named Covered Party, covered family member, or covered resident of the Named Covered Party's household. This Coverage Agreement will not apply if you select the coverage available under any other Coverage Agreement issued to you or the Coverage Agreement of any other family member who resides with you.

If you do not elect to purchase the non-stacked form, your Coverage Agreement limit(s) for each motor vehicle are added together (stacked) for all covered injuries. Thus, your Coverage Agreement limits would automatically change during the Coverage Agreement term if you increase or decrease the number of autos covered under the Coverage Agreement.

- I hereby elect the non-stacked form of Uninsured Motorist coverage.

I understand and agree that selection of any of the above options applies to my liability Coverage Agreement and future renewals or replacements of such Coverage Agreement which are issued at the same Bodily Injury Liability limits. If I decide to select another option at some future time, I must let the Trust or my agent know in writing.

Such notice shall specify the date, time and location of such meeting and may specify the purpose thereof, and any action proposed to be taken there at. Special meetings of the Board of Trustees may be held at any time and place without notice, or with less than the prerequisite notice, provided all Trustees execute a waiver of notice and consent to said meeting.

For purposes of a duly called meeting of the Board of Trustees, a quorum shall exist if a majority of the members of the Board of Trustees are present. The Administrator shall keep minutes of all meetings, proceedings and acts of the Board of Trustees, but such minutes need not be verbatim. - 4.4** **EXECUTION OF DOCUMENTS.** A certificate, document, or other instrument signed by the Chairman or the Administrator of the Fund shall be evidence of the action of the Board of Trustees and any such certificate, document, or other instrument so signed shall conclusively be presumed to be authentic. Likewise, all acts and matters stated therein shall conclusively be presumed to be true.

4.5 **APPOINTMENT OF ADMINISTRATOR.** The trustees shall designate and provide compensation for an Administrator to administer the affairs of the Fund. Any Administrator so designated shall furnish the board of Trustees with a fidelity bond with the Trustees as named obligee. The amount of such bond shall be determined by the Trustees and the evidence thereof shall be available to all units of government eligible to participate, or participating in, the Fund.

4.6 **COMPENSATION AND REIMBURSEMENT OF TRUSTEES.** The Board of Trustees may from time to time establish a reasonable amount of compensation to cover attendance at a duly called meeting by the Board of Trustees, or to cover the performance of the normal duties of a Trustee. Such compensation shall include reimbursement for reasonable and necessary expenses incurred therewith.

SECTION V

5.1 **NUMBER AND QUALIFICATION OF TRUSTEES.** The operation and administration of the Trust shall be the joint responsibility of a Board of Trustees consisting of seven (7) Trustees. No Trustee may be elected who is, or continue to serve as a Trustee after becoming, an owner, officer, or employee of a service provider to the Fund. Each Trustee shall be an elected official of a Member. No two (2) Trustees may be elected officials from the same Member. Each Trustee shall serve for a period of four (4) years, or the balance of such Trustee's term of office as an elected official of the Member, whichever shall first occur. Such notice shall state the date said resignation shall take effect, and such resignation shall take effect on the date designated unless a successor Trustee has been elected at an earlier date as herein provided, in which event resignation shall take

effect immediately upon the election of such successor Trustee. Additionally, oral notice of resignation may be given at any duly convened meeting of the Trustees, which said oral notice of resignation shall be incorporated, and made a part of, the minutes of such duly convened meeting. A Trustee may be removed by a majority vote of the Board of Trustees or by a majority vote of the Members. participate in the Fund unless such prospective member is a public agency of the state. As used herein, the phrase "public agency" includes, but is not limited to, the state, its agencies, counties, municipalities, special districts, school districts, and other governmental entities; the independent establishments and constitutional officers of the state, counties, municipalities, school districts, special districts, and other governmental entities; and corporations primarily acting as instrumentalities or agencies of the state, counties, municipalities, special districts, school districts, and other governmental entities. The Board of Trustees shall be the sole judge of whether or not an applicant for membership shall be eligible to participate in the Fund; provided, however, the Board of Trustees may delegate the functions associated with approval of Members to the Administrator.

- 5.8** **REPORTING.** The Board of Trustees shall be responsible for and shall cause to be prepared and filed such annual or other periodic audits, reports and disclosures as may be required from time to time pursuant to applicable federal and state statutes and rules and regulations, including, but not limited to, periodic payroll audits, periodic summary loss reports, periodic statements of financial condition, certified audits, appropriate applications filed by prospective new members, reports as to financial standings, payroll records, reports relating to coverage, experience, loss and compensation payments, summary loss data statements, periodic status reports, and any other such reports as may be required from time to time to accomplish the purpose of the Fund or to satisfy the requirements of appropriate governmental entities.
- 5.9** **TRUSTEES' LIABILITY.** The Trustees and their agents and employees shall not be liable for any act of omission or commission taken pursuant to this Agreement unless such act constitutes a willful breach of fiduciary duties nor shall any Trustee be liable for any act of omission or commission by any other Trustee or by any employee or agent of the Fund. The Fund hereby agrees to save, hold harmless and indemnify the Trustees and their agents and employees for any loss, damage or expense incurred by said persons or entities while acting in their official capacity on behalf of the Fund, unless such action constitutes a willful breach of fiduciary duties.
- 5.10** **RELIANCE ON COUNSEL'S OPINION.** The Board of Trustees may employ and consult with legal counsel concerning any questions which may arise with reference to the duties and powers of the Board of Trustees or with reference to any other matter pertaining to this Agreement or the Fund created thereby; and the opinion of such counsel shall be full and complete authorization and protection from liability arising out of or in respect to any action taken or

suffered by the Board of Trustees or an individual Trustee acting hereunder in good faith and in accordance with the opinion of such counsel.

- 5.11 BY-LAWS, RULES AND REGULATIONS.** The Board of Trustees may adopt and enforce such by-laws, rules and regulations as between the Members of the Fund and the Fund governing the operation of the Fund as are consistent with the terms of this Agreement and as are reasonably necessary to accomplish the purposes of the Fund.

SECTION VI

POWERS AND DUTIES OF THE ADMINISTRATOR

- 6.1 RESPONSIBILITIES.** The Administrator shall have the power and authority to implement the directives of the Board of Trustees and the policy matters set forth by the Board of Trustees as they relate to the on-going operation and supervision of the Fund, the by-laws, rules and regulations established by the Board of Trustees, the provisions of this Agreement, and applicable federal and state statutes, rules and regulations. The powers, duties and responsibilities of the Administrator retained by the Board of Trustees shall be set forth in an Administrative Agreement executed between the Board of Trustees and the Administrator.
- 6.2 CONTRIBUTIONS.** The Administrator shall deposit into the account or accounts designated by the Board of Trustees, at the financial institution or institutions designated by the Board of Trustees, all contributions as and when collected from the Members and said monies shall be disbursed only in the manner provided by this Agreement, the Coverage Agreements, the rules, regulations and by-laws of the Board of Trustees, and the Agreement entered into by and between the Board of Trustees and the Administrator.

SECTION VII

MEMBERS

- 7.1 MEMBERSHIP CANCELLATION, SUSPENSION OR EXPULSION.** The Board of Trustees shall be the sole judge of whether membership in the Fund may be cancelled, or whether a member may be suspended or expelled from the Fund; provided, however, the Board of Trustees may delegate the functions associated with cancellation, suspension or expulsion of a Member to the Administrator. Written notice of any such cancellation, suspension or expulsion shall be provided by the Fund to the member no less than thirty

(30) days prior to the effective date of such cancellation, suspension or expulsion, and no liability under this Agreement or any other agreement, certificate, document, or other instrument executed by the Fund and the member pursuant to this Agreement, shall accrue to the Fund following the effective date of such cancellation, suspensions or expulsion. The minimal notice provisions of this paragraph shall not apply in the event a member fails to make the requisite contributions for coverages under this Agreement when such contributions are due.

- 7.2** **RESPONSIBILITIES OF MEMBERS.** By execution of a Participation Agreement agreeing to be bound by the terms and conditions of this Amended Interlocal Agreement, each Member agrees to abide by the following rules and regulations:
- (a) The Trustees have the sole responsibility to govern and direct the affairs of the Fund pursuant to this Agreement.
 - (b) Any Member who formally applies for Membership in this Fund, and who is accepted by the Board of Trustees, shall thereupon become a party to this Amended Interlocal Agreement and shall be bound by all of the terms and conditions contained herein. The Participation Agreement shall constitute a counterpart of this Amended Interlocal Agreement, and this Amended Interlocal Agreement shall constitute a counterpart of the Participation Agreement.
 - (c) To maintain a reasonable loss prevention program in order to provide the maximum in safety and lawful practices as such may relate to the potential liability assumed by the Fund under this Agreement or any other agreement, certificate, document, or other instrument executed by the Fund and the Member pursuant to this Agreement.
 - (d) To comply with the conditions of the Florida Workers' Compensation Law.
 - (e) To provide immediate notification in the event an accident or incident occurs which is likely to give rise to a claim within the scope of this Agreement, or any other agreement, certificate, document, or other instrument executed by the Fund and the Member pursuant to this Agreement.
 - (f) To promptly make all contributions for coverages arising under this Agreement, or any other agreement, certificate, document, or other instrument executed by the Fund and the Member pursuant to this Agreement, at the time and in the manner directed by the Board of Trustees.

Said contributions may be reduced by any discount, participation credit, or other contribution reduction program established by the Board of Trustees.

(g) In the event of the payment of any loss by the Fund on behalf of the Member, the Fund shall be subrogated to the extent of such payment to all the rights of the Member against any party or other entity legally responsible for damages resulting from said loss, and in such event, the Member hereby agrees, on behalf of itself, its officers, employees and agents, to execute and deliver such instruments and papers as is required, and do whatever else is reasonably necessary, to secure such right to the Fund, and to cooperate with and otherwise assist the Fund as may be necessary to effect any recovery sought by the Fund pursuant to such subrogated rights.

(h) The Board of Trustees, its Administrator, and any of their agents, servants, employees or attorneys, shall be permitted at all reasonable times and upon reasonable notice to inspect the property, work places, plants, works, machinery and appliance covered pursuant to this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement, and shall be permitted at all reasonable times while the Member participates in the Fund, and up to and including two (2) years following the termination of its membership in the Fund, to examine the Members' books, vouchers, contracts, documents and records of any and every kind which show or tend to show or verify any loss that may be paid or may have been paid by the Fund on behalf of the Member pursuant to this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement, or which show or verify the accuracy of any contribution which is paid or payable by the Member pursuant to the terms of this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement.

(i) The Fund is to defend in the name and on behalf of the Member any claims, suits or other legal proceedings which may at any time be instituted against the Member on account of bodily injury liability, property damage, property damage liability, errors and omissions liability or any other such liability, monetary or otherwise, to the extent such defense and liability has been assumed by the Fund pursuant to his Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement, subject to any and all of the definitions, terms, conditions and exclusion contained in said

agreements, or any other agreement, certificate, document, or other instruments, although such claims, suits, allegations or demands are wholly groundless, false, fraudulent, and to pay all costs taxed against the Member in any such legal proceedings defended by the Fund or the Member, all interest, if any, legally accruing before and after entry of judgment in such proceedings, and all expense incurred in the investigation, negotiation or defense of such claims, suits, allegations or demands. Such defense shall be subject to the control of the Fund and its Administrator, which may make such investigations and settlement of any such claim, suit, or other legal proceeding, monetary or otherwise, as they deem expedient. The Member agrees to cooperate fully with the Fund, its administrator and their agents, with respect to the investigation, adjustment, litigation, settlement and defense of any claim, suit, or other legal proceeding, monetary or otherwise, which would be covered by the terms of this Agreement and/or any policies of insurance, excess insurance or re-insurance which have been purchased to provide protection against such claims and liabilities. The Member acknowledges that failure to cooperate fully in the investigation, defense or litigation of such claims, suits, or liabilities may constitute grounds for denial of coverage pursuant to this Agreement and/or the applicable policies of insurance.

(j) The liability of the Fund is specifically limited to the discharge of the liability of its Members assumed pursuant to this Agreement or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement; the coverage of the Fund does not apply to punitive or exemplary damages.

(k) Unless the Fund and the Member otherwise expressly agree in writing, coverage by the Fund for a Member under the terms of this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement, shall expire automatically on the last day of September of each calendar year, and no liability under this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement, shall accrue to the Fund beyond such expiration date unless such Member renews its coverage.

(l) Except as otherwise provided herein, a Member's coverage may be cancelled by the Fund or the Member at any time upon no less than thirty (30) days prior written notice by the Board of Trustees or Administrator to

the Member, or by the Member to the Board of Trustees. The notice shall state the date such cancellation shall become effective.

(m) Excess monies remaining after the payment of claims and claims expenses, and after provision has been made for the payment of open claims and outstanding reserves, may be distributed by the Board of Trustees to the Members participating in the Fund in such manner as the Board of Trustees shall deem to be equitable.

(n) There will be no disbursements out of the reserve fund established by the Fund by way of dividends or distributions of accumulated reserves to Members until after provision has been made for all obligations against the Fund and except at the discretion of the Board of Trustees.

(o) Qualified service providers, including attorneys selected by the Fund, shall defend, investigate, settle and otherwise process and dispose of all claims, suits, allegations or demands that may result in liability assumed by the Fund on behalf of the Member pursuant to this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement.

(p) The Member, through the Board of Trustees, does hereby appoint the Administrator as its agent and attorney-in-fact, to act on its behalf and to execute all necessary contracts, reports, waivers, agreements, excess insurance contracts, service contracts, and other documents reasonably necessary to accomplish the purposes and to fulfill the responsibilities of the Fund; to make or arrange for the payment of claims, claims expenses, and all other matters required or necessary insofar as they affect the matters covered pursuant to the terms of this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement, and the rules and regulations now or hereafter promulgated by the Board of Trustees.

(q) To make prompt payment of all contributions and penalties as required by the Board of Trustees, said contributions or penalties to be determined by the Board of Trustees. Any disputes concerning contributions or penalties shall be resolved after the payment of said contributions or penalties.

(r) To pay reasonable penalties as determined by the Board of Trustees for late payment of contributions required under this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement.

(s) Coverage by the Fund under the terms of this Agreement, or any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement, shall expire and be cancelled, upon no less than ten (10) days prior written notice from the Fund to the Member, for nonpayment of contributions.

(t) To abide by all the terms and conditions of this Agreement, the Participation Agreement, the Fund's by-laws, the rules and regulations, the terms of any coverage document issued by the Fund to the Member, and any other agreement, certificate, document, or other instrument executed by the Member and the Fund pursuant to this Agreement.

(u) Each Member voluntarily transfers to the Trust any rights and privileges such Member enjoys under the laws of the State of Florida, including Sections 163.01, and 768.28, Florida Statutes, and specifically those statutory provisions pertaining to such Member's sovereign immunity and the applicable limitations of the Member's liability to \$100,000.00 per individual claim, and to \$200,000.00 for multiple claims, arising out of the same transaction. The purchase of insurance or indemnity hereunder shall not be deemed or be construed as a waiver of sovereign immunity by the Members.

SECTION VIII

ACCOUNTING

True and complete accounts shall be kept of all transactions and of all assets and liabilities of the Trust. The accounts of the Trust shall be audited annually by a firm of independent certified public accountants, which shall be selected by the Board of Trustees.

SECTION IX

DURATION

This Agreement shall continue in full force and effect until it is terminated by the mutual consent of all the Members; provided, however, that this Section IX shall not be construed to preclude the termination and winding up of the Trust within the discretion of the Board of Trustees, or the amendment of this Agreement pursuant to Section X.

SECTION X
AMENDMENT

This Agreement may be amended upon the written consent of the Members of the Fund. Execution of a Participation Agreement or renewal of coverages provided by the Fund shall constitute such written consent.

SECTION XI

SECTION XII

- 12.1 PROHIBITION AGAINST ASSIGNMENT.** No Member may assign any right, claim, or interest it may have under this Agreement, or any coverage term, and no creditor, assignee, or third-party beneficiary of any Member shall have any right, claim, or title to any part, share, interest, funds, or assets of the Trust except as specifically may be agreed to by the Trust.

The Community Website Compliance Audit (CWCA) consists of a thorough assessment of Florida Community Development District (CDD) websites to assure that specified district information is available and fully accessible. Florida Statute Chapter 189.069 states that effective October, 2015, every CDD in the state is required to maintain a fully compliant website for reporting certain information and documents for public access.

The CWCA is a reporting system comprised of quarterly audits and an annual summary audit to meet full disclosure as required by Florida law. These audits are designed to assure that CDDs satisfy all compliance requirements stipulated in Chapter 189.069.

Compliance Criteria

The CWCA focuses on the two primary areas – website accessibility as defined by U.S. federal laws, and the 16-point criteria enumerated in [Florida Statute Chapter 189.069](#).

ADA Website Accessibility

Several federal statutes (American Disabilities Act, Sec. 504 and 508 of the Rehabilitation Act of 1973) require public institutions to ensure they are not discriminating against individuals on the basis of a person's disability. Community websites are required to conform to web content accessibility guidelines – [WCAG 2.1](#), which is the international standard established to keep websites barrier-free and the recognized standard for ADA-compliance.

Florida Statute Compliance

Pursuant to F.S. [189.069](#), every CDD is required to maintain a dedicated website to serve as an official reporting mechanism covering, at minimum, 16 criteria. The information required to report and have fully accessible spans: establishment charter or ordinance, fiscal year audit, budget, meeting agendas and minutes and more. For a complete list of statute requirements, see page 3.

Audit Process

The Community Website Compliance Audit covers all CDD web pages and linked PDFs.* Following the [WCAG 2.1](#) levels A, AA, and AAA for web content accessibility, a comprehensive scan encompassing 312 tests is conducted for every page. In addition, a human inspection is conducted to assure factors such as navigation and color contrasts meet web accessibility standards. See page 4 for complete accessibility grading criteria.

In addition to full ADA-compliance, the audit includes a 16-point checklist directly corresponding with the criteria set forth in Florida Statute Chapter 189.069. See page 5 for the complete compliance criteria checklist.

* **NOTE:** Because many CDD websites have links to PDFs that contain information required by law (meeting agendas, minutes, budgets, miscellaneous and ad hoc documents, etc.), audits include an examination of all associated PDFs. **PDF remediation** and ongoing auditing is critical to maintaining compliance.

Accessibility overview

Everyone deserves equal access.

With nearly 1-in-5 Americans having some sort of disability – visual, hearing, motor, cognitive – there are literally millions of reasons why websites should be fully accessible and compliant with all state and federal laws. Web accessibility not only keeps board members on the right side of the law, but enables the entire community to access all your web content. The very principles that drive accessible website design are also good for those without disabilities.

The legal and right thing to do

Several federal statutes (American Disabilities Act, Sec. 504 and 508 of the Rehabilitation Act of 1973) require public institutions to ensure they are not discriminating against individuals on the basis of a person's disability. Community websites are required to conform to web content accessibility guidelines, WCAG 2.1, the international standard established to keep websites barrier-free. Plain and simple, any content on your website must be accessible to everyone.

ADA Compliance Categories

Most of the problems that occur on a website fall in one or several of the following categories.

Contrast and colors

Some people have vision disabilities that hinder picking up contrasts, and some are color blind, so there needs to be a distinguishable contrast between text and background colors. This goes for buttons, links, text on images – everything. Consideration to contrast and color choice is also important for extreme lighting conditions.

Using semantics to format your HTML pages

When web page codes are clearly described in easy-to-understand terms, it enables broader sharing across all browsers and apps. This ‘friendlier’ language not only helps all the users, but developers who are striving to make content more universal on more devices.

Text alternatives for non-text content

Written replacements for images, audio and video should provide all the same descriptors that the non-text content conveys. Besides helping with searching, clear, concise word choice can make vivid non-text content for the disabled.

Ability to navigate with the keyboard

Not everyone can use a mouse. Blind people with many with motor disabilities have to use a keyboard to make their way around a

website. Users need to be able to interact fully with your website by navigating using the tab, arrows and return keys only. A “skip navigation” option is also required. Consider using [WAI-ARIA](#) for improved accessibility, and properly highlight the links as you use the tab key to make sections.

Easy to navigate and find information

Finding relevant content via search and easy navigation is a universal need. Alt text, heading structure, page titles, descriptive link text (no ‘click here’ please) are just some ways to help everyone find what they’re searching for. You must also provide multiple ways to navigate such as a search and a site map.

Properly formatting tables

Tables are hard for screen readers to decipher. Users need to be able to navigate through a table one cell at a time. In addition to the table itself needing a caption, row and column headers need to be labeled and data correctly associated with the right header.

Making PDFs accessible

PDF files must be tagged properly to be accessible, and unfortunately many are not. Images and other non-text elements within that PDF also need to be ADA-compliant. Creating anew is

one thing; converting old PDFs – called PDF remediation – takes time.

Making videos accessible

Simply adding a transcript isn't enough. Videos require closed captioning and detailed descriptions (e.g., who's on-screen, where they are, what they're doing, even facial expressions) to be fully accessible and ADA compliant.

Making forms accessible

Forms are common tools for gathering info and interacting. From logging in to registration, they can be challenging if not designed to be web-accessible. How it's laid out, use of labels, size of clickable areas and other aspects need to be considered.

Alternate versions

Attempts to be fully accessible sometimes fall short, and in those cases, alternate versions of key pages must be created. That is, it is sometimes not feasible (legally, technically) to modify some content. These are the 'exceptions', but still must be accommodated.

Feedback for users

To be fully interactive, your site needs to be able to provide an easy way for users to submit feedback on any website issues. Clarity is

key for both any confirmation or error feedback that occurs while engaging the page.

Other related requirements

No flashing

Blinking and flashing are not only bothersome, but can be disorienting and even dangerous for many users. Seizures can even be triggered by flashing, so avoid using any flashing or flickering content.

Timers

Timed connections can create difficulties for the disabled. They may not even know a timer is in effect, it may create stress. In some cases (e.g., purchasing items), a timer is required, but for most school content, avoid using them.

Fly-out menus

Menus that fly out or down when an item is clicked are helpful to dig deeper into the site's content, but they need to be available via keyboard navigation, and not immediately snap back when those using a mouse move from the clickable area.

No pop-ups

Pop-up windows present a range of obstacles for many disabled users, so it's best to avoid using them altogether. If you must, be sure to alert the user that a pop-up is about to be launched.
