- Change Order: The quantities or specifications of material as outlined in the Proposal could be adjusted at any time with approval in the form of a signed Change Order. Change Orders will be executed using current market prices

#### **Escalation Clause**

- In the event of significant delay or price increase of material, equipment, or energy occurring during the performance of the contract through no fault of the Construction Manager, the Contract Sum, time of completion or contract requirements shall be equitably adjusted by Change Order in accordance with the procedures of the Contract Documents. A change in price of an item of material, equipment, or energy will be considered significant when the price of an item increases 5% percent between the date of this Contract and the date of installation

## **Warranty and Tolerances**

- Payments Received: The Warranty for the contract is only valid if payment is received in full on acceptance of the work
- Diligence: The Contractor agrees to carry out its Work diligently and to provide sufficient supervision and inspection of its staff and subcontractors and that its work will be of proper and professional quality, and in full conformity with the requirements of the contract
- Competence: The Contractor warrants that it is competent to perform the Work and that it has the necessary qualifications including knowledge and skill with the ability to use them effectively.
- Site Unknowns: It is the responsibility of the Client or the Client's Representative to fully inform the Contractor of all the information regarding site unknowns that may include difficult buried materials, cables, and pipes, tree stumps, drainage or water table issues, rock, and shale sub surfaces and/or other impediments, issues or factors that could otherwise impact the quality, cost

and timeliness of project completion. Failure to notify the Contractor may lead to additional costs to the Client (at the Contractor's discretion) and schedule time not included in the proposal and may require changes in design and construction to overcome such problems – all for which the Client will be responsible. Client can avoid such risks by permitting the Contractor to do appropriate soil and ground tests, review the site, and to secure additional required site information from appropriate government and other authorities.

- Damaged Utilities: Should damage occur to utilities during construction, the Contractor is only liable for the cost of the repair. the Contractor is not liable in any way for inconvenience to the Client caused by damage to the utilities
- Damage to neighbors buried utilities, on the Client's property, are the responsibility of the Client
- Damage to installed material (plants, trees, sod, etc.) by foot traffic, machinery, equipment, other trades, owner neglect or acts of nature will be excluded from any warranty and will not be replaced at the cost of Contractor
- Damage due to pest infestation is excluded from warranty and any damaged material will not be replaced at the cost of the Contractor. If, however, the Contractor has a separate maintenance contract with the client, pest control would fall under that contract and would be subject to those warranty parameters.
- Damage due to improper watering after final acceptance will not be replaced at the cost of the Contractor

## **Mate rial Toler anc es**

- Wood: Pressure treated wood cannot be guaranteed against warp age, checking, or cupping.
- Stone: Natural stone has color variations that vary from stone to stone. In addition, mineral deposits such as lime, iron, etc. can change the stone and even bleed. This is the nature of the product, and the Client accepts this as a natural and acceptable quality of the stone
- Metal: Metal, which is not galvanized, is not guaranteed from rusting commencing immediately after installation
- Concrete: Spider cracks (hairline stress-fractures) are considered a normal characteristic of all types of concrete. Concrete may crack substantially over time due to proximity of tree roots.
- Warranty Time Period: The Contractor warrants all construction and installation for a period of one (1) year, providing that they have been maintained properly. All construction materials are subject to manufacturer's specific warranties/guarantees. Planting is warranted for one (1) year if there is an approved irrigation system
- Client Responsibilities: The Client recognizes and agrees that they have a responsibility to maintain constructions, plants, bushes, trees, and other installations in keeping with standard quality maintenance requirements for the Warranty to remain in effect. Failure to properly maintain materials or horticulture installations will void the warranty. Client further recognizes and agrees that damage to construction, materials, horticulture elements and other warrantable items of the project will not be warranted if the damage or loss is due to elements beyond the control of the Contractor. For example, flooding eaves, troughs that damage plants, fallen branches, animal caused damage, damaged/ burst irrigation or drainage pipes that were not maintained properly, use of improper chemicals, improper maintenance, extreme or unusual weather conditions, and similar and/or related situations – void all warranties provided by the Contractor
- Use of Client Selected and Approved Substandard Materials: Client recognized and agrees that if the Client has chosen and approved the use of substandard materials for any application that the

one-year warranty will be void or otherwise limited in writing on those items so impacted but will remain in effect for all other elements of the project not impacted directly or indirectly by use of substandard materials. the Contractor will notify in writing to the Client any material that the Client has selected that would negatively impact the one-year warranty of the Contractor – prior to purchasing and/or installing such materials

- Material Grades: The Client recognizes that all materials come in a range of grades of quality and finishes, and that natural materials are not perfect. Natural wood has knots, and other natural materials have variability in color due to a wide range of factors, and that sample while useful in material selection decision-making, cannot be expected to accurately represent the total completed installation. The Contractor shall endeavor to enable the Client to see or understand the representative range of color, texture, and related of all materials installed on a project, however, acceptable Florida Grades and Standards will be used for the final selection of those materials. Once the selection has been approved by the Client, the Client will be responsible for all costs associated with changing any given material should the Client change their mind during or after material is purchased or installed.
- Plant specified height and width are used as primary sizes for sourcing plant material. This may result in minor deviation from container and caliper size specifications.

Hi Alize! Thanks for your patience as I looked into this.

According to our records, the last time the mulch was done was April 2024, however this was in-contract, so Carlton Lakes would not have seen this as a separate invoice. In 2025, mulch was removed from the in-contract services.

With that said, I am currently putting together a proposal for mulch, as discussed in last week's meeting. I will send it over once it's ready.

Hurricane clean up: I believe you have all of them, except for Nicole (Nov '22), invoice #1622. Let me know if you'd like that sent to you.

Also following up on the question Frederic had about removing wooden braces from straightened trees from after the hurricane: we will be removing them over the next few months during our normal service.

Thank you!

Sincerely,

Jessi Milch

**Subject:** Carlton Lakes Previous Mulch Proposal

Hi, John:

At last night's meeting, the Board requested copies of the previous mulch installation quotes from Pine Lake from the past few years as well as any previous tree straightening proposals from 2022 and 2024 ranging between 27-30k. Would you happen to have these in your records and be able to send them to me? I do have the proposal from Ian and Milton damage, I just wanted to check there was no additional proposals.

The Board is requesting a new proposal for mulch installation at the upcoming meeting and would like to compare it with the prior quotes.

Thank you,

A change in price of an item of material, equipment, or energy will be considered significant when the price of an item increases 5% percent between the date of this Contract and the date of installation

## **Warranty and Tolerances**

- Payments Received: The Warranty for the contract is only valid if payment is received in full on acceptance of the work
- Diligence: The Contractor agrees to carry out its Work diligently and to provide sufficient supervision and inspection of its staff and subcontractors and that its work will be of proper and professional quality, and in full conformity with the requirements of the contract
- Competence: The Contractor warrants that it is competent to perform the Work and that it has the necessary qualifications including knowledge and skill with the ability to use them effectively.

- Site Unknowns: It is the responsibility of the Client or the Client's Representative to fully inform the Contractor of all the information regarding site unknowns that may include difficult buried materials, cables, and pipes, tree stumps, drainage or water table issues, rock, and shale sub surfaces and/or other impediments, issues or factors that could otherwise impact the quality, cost and timeliness of project completion. Failure to notify the Contractor may lead to additional costs to the Client (at the Contractor's discretion) and schedule time not included in the proposal and may require changes in design and construction to overcome such problems – all for which the Client will be responsible. Client can avoid such risks by permitting the Contractor to do appropriate soil and ground tests, review the site, and to secure additional required site information from appropriate government and other authorities.
- Damaged Utilities: Should damage occur to utilities during construction, the Contractor is only liable for the cost of the repair. the Contractor is not liable in any way for inconvenience to the Client caused by damage to the utilities
- Damage to neighbors buried utilities, on the Client's property, are the responsibility of the Client
- Damage to installed material (plants, trees, sod, etc.) by foot traffic, machinery, equipment, other trades, owner neglect or acts of nature will be excluded from any warranty and will not be replaced at the cost of Contractor
- Damage due to pest infestation is excluded from warranty and any damaged material will not be replaced at the cost of the Contractor. If, however, the Contractor has a separate maintenance contract with the client, pest control would fall under that contract and would be subject to those warranty parameters.
- Damage due to improper watering after final acceptance will not be replaced at the cost of the Contractor

## Material Tolerances

- Wood: Pressure treated wood cannot be guaranteed against warp age, checking, or cupping.
- Stone: Natural stone has color variations that vary from stone to stone. In addition, mineral deposits such as lime, iron, etc. can change the stone and even bleed. This is the nature of the product, and the Client accepts this as a natural and acceptable quality of the stone
- Metal: Metal, which is not galvanized, is not guaranteed from rusting commencing immediately after installation
- Concrete: Spider cracks (hairline stress-fractures) are considered a normal characteristic of all types of concrete. Concrete may crack substantially over time due to proximity of tree roots.
- Warranty Time Period: The Contractor warrants all construction and installation for a period of one (1) year, providing that they have been maintained properly. All construction materials are subject to manufacturer's specific warranties/guarantees. Planting is warranted for one (1) year if there is an approved irrigation system
- Client Responsibilities: The Client recognizes and agrees that they have a responsibility to maintain constructions, plants, bushes, trees, and other installations in keeping with standard quality maintenance requirements for the Warranty to remain in effect. Failure to properly maintain materials or horticulture installations will void the warranty. Client further recognizes and agrees that damage to construction, materials, horticulture elements and other warrantable items of the project will not be warranted if the damage or loss is due to elements beyond the control of the Contractor. For example, flooding eaves, troughs that damage plants, fallen branches, animal caused damage, damaged/ burst irrigation or drainage pipes that were not maintained properly,

- use of improper chemicals, improper maintenance, extreme or unusual weather conditions, and similar and/or related situations – void all warranties provided by the Contractor
- Use of Client Selected and Approved Substandard Materials: Client recognized and agrees that if the Client has chosen and approved the use of substandard materials for any application that the one-year warranty will be void or otherwise limited in writing on those items so impacted but will remain in effect for all other elements of the project not impacted directly or indirectly by use of substandard materials. the Contractor will notify in writing to the Client any material that the Client has selected that would negatively impact the one-year warranty of the Contractor – prior to purchasing and/or installing such materials
- Material Grades: The Client recognizes that all materials come in a range of grades of quality and finishes, and that natural materials are not perfect. Natural wood has knots, and other natural materials have variability in color due to a wide range of factors, and that sample while useful in material selection decision-making, cannot be expected to accurately represent the total completed installation. The Contractor shall endeavor to enable the Client to see or understand the representative range of color, texture, and related of all materials installed on a project, however, acceptable Florida Grades and Standards will be used for the final selection of those materials. Once the selection has been approved by the Client, the Client will be responsible for all costs associated with changing any given material should the Client change their mind during or after material is purchased or installed.
- Plant specified height and width are used as primary sizes for sourcing plant material. This may result in minor deviation from container and caliper size specifications.

Failure to notify the Contractor may lead to additional costs to the Client (at the Contractor's discretion) and schedule time not included in the proposal and may require changes in design and construction to overcome such problems – all for which the

Client will be responsible. Client can avoid such risks by permitting the Contractor to do appropriate soil and ground tests, review the site, and to secure additional required site

information from appropriate government and other authorities.

**Damaged Utilities:** Should damage occur to utilities during construction, the Contractor is only liable for the cost of the repair. the Contractor is not liable in any way for inconvenience to the Client caused by damage to the utilities

Damage to neighbors buried utilities, on the Client's property, are the responsibility of the Client

Damage to installed material (plants, trees, sod, etc.) by foot traffic, machinery, equipment, other trades, owner neglect or acts of nature will be excluded from any warranty and will not be replaced at the cost of Contractor

Damage due to pest infestation is excluded from warranty and any damaged material will not be replaced at the cost of the Contractor. If, however, the Contractor has a separate maintenance contract with the client, pest control would fall under that contract and would be subject to those warranty parameters.

Damage due to improper watering after final acceptance will not be replaced at the cost of the Contractor

### **Material Tolerances**

Wood: Pressure treated wood cannot be guaranteed against warp age, checking, or cupping.

Stone: Natural stone has color variations that vary from stone to stone. In addition, mineral deposits such as lime, iron, etc. can change the stone and even bleed. This is the nature of the product, and the Client accepts this as a natural and acceptable quality of the stone

Metal: Metal, which is not galvanized, is not guaranteed from rusting commencing immediately after installation

Concrete: Spider cracks (hairline stress-fractures) are considered a normal characteristic of all types of concrete. Concrete may crack substantially over time due to proximity of tree roots.

**Warranty Time Period:** The Contractor warrants all construction and installation for a period of one (1) year, providing that they have been maintained properly. All construction materials are subject to manufacturer's specific warranties/guarantees. Planting is warranted for one (1) year if there is an approved irrigation system

**Client Responsibilities:** The Client recognizes and agrees that they have a responsibility to maintain constructions, plants, bushes, trees, and other installations in keeping with standard quality maintenance requirements for the Warranty to remain in effect. Failure to properly maintain materials or horticulture installations will void the warranty. Client further recognizes and agrees that damage to construction, materials, horticulture elements and other warrantable items of the project will not be warranted if the damage or loss is due to elements beyond the control of the Contractor. For example, flooding eaves, troughs that damage plants, fallen branches, animal caused damage, damaged/ burst irrigation or drainage pipes that were not maintained properly, use of improper chemicals, improper maintenance, extreme or unusual weather conditions, and similar and/or related situations – void all warranties provided by the Contractor

**REWARDS SUMMARY**

Previous Cashback Balance	\$16.72	THE MORE YOU SPEND, THE MORE YOU EARN
Cashback Earned this Statement	\$0.92	\$0-\$500,000 = 0.25%
New Cashback Balance	\$17.64	\$500,001-\$1,500,000 = 0.60%
Your cashback will be award on	Jan 2026	\$1,500,00-\$4,000,000 = 0.75% \$4,000,001-\$12,500,000 = 0.90% \$12,500,001+ = 1.00%

**INTEREST CHARGE CALCULATION**

Your Annual Percentage Rate (APR) is the annual interest rate on your account.

Type of Balance	ANNUAL PERCENTAGE RATE (APR)	Balance Subject to Interest Rate	Days in Billing Cycle	Interest Charge
Purchases	14.25% (v)	\$0.00	30	\$0.00

(v) = variable (f) = fixed

**Paying Interest and Your Grace Period:** We will not charge you any interest on your purchase balance on this statement if you pay your new balance amount in full by your payment due date.

Beginning August 1, 2019, the cash reward tiers on your Valley OneCard will be changing.  
See the table below:

<i>Tiers</i>	<i>Cashback %</i>
\$0 - \$500,000	0.25
\$500,001 - \$1,500,000	0.60
\$1,500,001 - \$4,000,000	0.75
\$4,000,001 - \$12,500,000	0.90
\$12,500,001 +	1.00

Your accumulated rewards will not change, however beginning August 1, rewards on additional spend will be calculated using the percentages above.  
This change will not impact the timing of your rewards credit (i.e. if you were due to receive your rewards in September, you will still receive them in September).

## INFORMATION ABOUT YOUR VALLEY ONECARD ACCOUNT

As used below, *you* and *your* refer to the accountholder (i.e., the corporate customer) and *we*, *our* and *us* refer to Valley National Bank. Your Valley OneCard is issued and credit is extended by Valley National Bank.

### MAKING PAYMENTS

You will pay us the total amount shown as due on each Billing Statement on or before the Payment Due Date shown on that Billing Statement. If you do not make payment in full by the payment due date, in addition to our other rights under your Agreement, we may, at our option, assess a late fee and finance charge in accordance with your Agreement. There is no right to defer any payment due on an Account. In addition, you will pay us the amount of all fees and charges according to the schedule of charges currently in effect. All charges are subject to change upon 30 days prior notice, except that any increase in charges to offset any increase in fees charged to us by any supplier for services used in delivering the services covered by your Agreement may become effective in less than 30 days.

Payments will be automatically deducted from the Valley Bank [business checking account] that you have designated. Should payment not be received for any reason, you may incur additional fees and finance charges. All credits for payments to your Account are subject to final payment by the institution on which the item of payment was drawn. Payments on your Account will be applied in the following order: finance charges, fees, your Account balance.

### BALANCE COMPUTATION METHOD

[We calculate the average daily balance on your Account in two categories: (1) Purchases and (2) Cash Advances. To get the "average daily balance" for each category, we take the beginning balance of your Account for that category each day. We then add any new transactions in that category, which may include Fees and Interest. We then subtract any new payments or credits. This gives us the daily balance for each category. We then add up all the daily balances for each category for the billing cycle. We then divide the total by the number of days in the billing cycle. This gives us the Average Daily Balance for Purchases and the Average Daily Balance for Cash Advances.]

### INTEREST

In the event you do not pay your balance(s) in full by the due date, your balance(s) may be subject to an interest rate or interest charges, as further described in your Agreement. Your due date is the 25th of each month. If the 25th falls on a weekend or holiday, your payment will be due the business day before the weekend/holiday. We will not charge you interest if you pay your balance(s) in full by the due date each month.

### CREDIT BALANCE

Any credit balance on your Account] is money we owe you. You can make charges against this amount or request a full refund of the amount by calling us at the Contact Us number on the front of this statement.

### NOTICE TO PAST-DUE CUSTOMERS:

If there is a message on this statement that your account is past due, this is an attempt to collect a debt; any information we obtain will be used for that purpose.

### WHAT TO DO IF YOU THINK YOU FIND A MISTAKE ON YOUR STATEMENT

If you or a Cardholder think there is an error on your statement, call us at (844) 626-6581 international (301) 665-4442. or write to us at: PO Box 2988 Omaha, NE 68103-2988.

You must contact us within 60 days after the error appeared on your statement. Please provide us with the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of Problem:* Describe what you believe is wrong and why you believe it is a mistake.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

### YOUR RIGHTS IF YOU ARE DISSATISFIED WITH YOUR VALLEY ONECARD PURCHASES

If you are dissatisfied with the goods or services that you have purchased with your Valley OneCard, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50.
2. You must have used your Valley OneCard for the purchase. Purchases made with cash advances do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at PO Box 2988 Omaha, NE 68103-2988 or call us at (844) 626-6581 international (301) 665-444.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

### TELEPHONE MONITORING AND RECORDING.

You acknowledge that telephone calls and other communications you provide to us may be monitored and recorded for training and quality control purposes. You agree that we may, and you authorize us to, monitor, record, retain and reproduce your telephone calls and any other communications you provide to us, regardless of how transmitted to us, as evidence of your authorization to act in connection with any Transaction, your Account or other service contemplated by this Agreement. We will not be liable for any losses or damages that are incurred as a result of these actions. We are not, however, under any obligation to monitor, record, retain or reproduce such items, unless required to do so by Applicable Law.

## FIRE PROTECTION SERVICES GENERAL TERMS AND CONDITIONS

The terms and conditions below are excerpts taken from Cintas Fire Protection Services General Terms and Conditions, a complete copy of which is available upon request from your Cintas representative or online at [Cintas.com/firecontract].

**13. Equipment Exchange.** Customer hereby understands and agrees that if Customer engages Cintas to service its fire extinguishers, Cintas intends to exchange Customer's fire extinguishers for other fire extinguishers of similar kind and quality. Customer further acknowledges and agrees that upon completion of such exchange that all rights, title, and interest in the Customer's extinguishers so exchanged will belong to Cintas and all rights, title, and interest in Cintas' fire extinguishers so exchanged will belong to the Customer.

16. CINTAS NOT AN INSURER; CUSTOMER'S OBLIGATION TO OBTAIN INSURANCE AS SOLE RECOVERY FOR ANY LOSS AND WARRANTY OF SAME. Customer acknowledges and agrees that neither Cintas nor its Subcontractors or assignees are insurers and that no insurance coverage is provided by this Agreement. CUSTOMER ACKNOWLEDGES AND AGREES THAT CINTAS ASSUMES NO RESPONSIBILITY FOR, NOR SHALL IT HAVE ANY LIABILITY FOR, CLAIMS MADE AGAINST IT CLAIMING THAT IT IS AN INSURER OF CUSTOMER'S SYSTEMS OR ANY OTHER PROPERTY FOR ANY PURPOSE, INCLUDING, BUT NOT LIMITED TO, THE FAILURE OF SUCH SYSTEMS TO OPERATE EFFECTIVELY OR AS DESIGNED. Customer acknowledges that during the term of the Agreement, it is the specific intent of the parties that the Customer will obtain and maintain insurance coverage with minimum coverage of two million dollars (U.S) per incident, at the Customer's expense, that will cover any and all losses, damages, and expense arising out of or from, in connection with, related to, as a consequence of, or resulting from this Agreement in any way, including, but not limited to, public liability, bodily injury, sickness or death, losses for property damage, fire, water damage, and loss of property, and Customer agrees to and warrants that it will obtain and maintain such insurance coverage at all times at no cost to Cintas. Customer shall name Cintas as an additional insured by endorsement on any such policy(ies). This endorsement shall be without limitation or restriction of any type, and Cintas shall be exempt from, and in no way liable for, any sums of money related to this policy(ies) and associated coverage of any type, including, but not limited to, premium payments, deductible, co-payments, or self-insured retention, all of which are the sole responsibility of Customer. Customer agrees that recovery for all such injuries, losses, and damages shall be limited to this insurance coverage only and that it will look exclusively to its insurer(s) to recover for any such injuries, losses, and damages. CUSTOMER AGREES TO SHIFT THE RISK OF LOSS TO ITS INSURERS, WHICH HAVE EXPRESSLY CONTRACTED TO ACCEPT THE RISK OF LOSS TO CUSTOMER'S PROPERTY. CUSTOMER RELEASES AND AGREES TO INDEMNIFY AND HOLD HARMLESS CINTAS FROM AND AGAINST ALL COSTS, EXPENSES (INCLUDING REASONABLE ATTORNEY'S FEES), AND LIABILITY ARISING FROM CLAIMS REQUIRED TO BE COVERED BY INSURANCE PURSUANT TO THIS SECTION, INCLUDING ANY CLAIMS FOR DAMAGES ATTRIBUTABLE TO PUBLIC LIABILITY, BODILY INJURY, SICKNESS, OR DEATH, OR THE DESTRUCTION OF ANY REAL OR PERSONAL PROPERTY, INCLUDING, BUT NOT LIMITED TO, THOSE THAT ARE ATTRIBUTABLE TO CINTAS'S PARTIAL OR SOLE NEGLIGENCE. CUSTOMER FURTHER RELEASES AND WAIVES ANY RIGHT OF SUBROGATION THAT IT, ANY INSURER, OR ANY OTHER THIRD PARTY MAY HAVE DUE TO OR FOR ANY SUCH CLAIM, LOSS, OR DAMAGE, INCLUDING, BUT NOT LIMITED TO, EQUITABLE, CONTRACTUAL, LEGAL, AND CONVENTIONAL SUBROGATION, AND WARRANTS THAT THIS RELEASE AND WAIVER SHALL BE BINDING ON ANY AND ALL SUBROGEEES OR ASSIGNEES OF CUSTOMER'S RIGHTS. CINTAS SHALL NOT BE RESPONSIBLE FOR ANY CLAIMS OF CUSTOMER, ANY LOSSES, OR ANY DAMAGES THAT IS REQUIRED TO BE INSURED UNDER THIS AGREEMENT, IS INSURED, OR IS INSURABLE. CUSTOMER AGREES TO INDEMNIFY CINTAS AGAINST ANY AND ALL SUCH CLAIMS, INCLUDING CLAIMS OF THIRD PARTIES, THAT MAY ARISE THAT ARE RELATED TO THE AGREEMENT OR THE PROVISION OF THE SERVICES IN ANY WAY THAT MAY ARISE DUE TO CUSTOMER'S BREACH OF THESE OBLIGATIONS. CUSTOMER AGREES TO AND WARRANTS THAT IT WILL NOTIFY ITS INSURER(S) OF THIS RELEASE AND WAIVER.

17. RELEASE AND INDEMNIFICATION OF CINTAS BY CUSTOMER. CUSTOMER RELEASES AND AGREES TO DEFEND, INDEMNIFY, AND HOLD HARMLESS CINTAS AND ANY/ALL OF ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES, OR OTHER REPRESENTATIVES OF ANY TYPE FROM LIABILITY FOR ANY AND ALL LOSS, DAMAGE, OR EXPENSE OF ANY KIND OR TYPE, UNDER ANY LEGAL, EQUITABLE OR OTHER THEORY, THAT MAY OCCUR PRIOR TO, CONTEMPORANEOUSLY WITH, OR AFTER THE EXECUTION OF THIS AGREEMENT RELATED IN ANY WAY TO THE SUBJECT MATTER OF THIS AGREEMENT OR PERFORMANCE UNDER THE AGREEMENT, INCLUDING (BUT NOT LIMITED TO) THE IMPROPER OPERATION OR NON-OPERATION OF THE FIRE SUPPRESSION, ALARM, OR OTHER SYSTEM(S). THIS OBLIGATION INCLUDES (BUT IS NOT LIMITED TO) ANY CLAIM, DEMAND, SUIT, LIABILITY, DAMAGE, JUDGMENT, LOSS, EXPENSES, ATTORNEY'S FEES, AND COSTS, THAT MAY BE ASSERTED AGAINST OR INCURRED BY CINTAS OR ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES.

OR OTHER REPRESENTATIVES BY CUSTOMER OR ANY PERSON OR ENTITY NOT A PARTY TO THIS AGREEMENT (INCLUDING, BUT NOT LIMITED TO, CUSTOMER'S INSURANCE COMPANY, ADMINISTRATIVE BODY OR AUTHORITY, OR CUSTOMER'S EMPLOYEES) FOR ANY EXPENSE, LOSS, OR DAMAGE CAUSED BY OR CONTRIBUTED TO IN ANYWAY, OR ALLEGED TO BE CAUSED BY OR CONTRIBUTED TO IN ANY WAY, BY ANY ACT, OMISSION, OR FAULT OF CINTAS OR ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES, OR OTHER REPRESENTATIVES. THIS OBLIGATION EXTENDS TO, WITHOUT LIMITATION, STATUTORY CIVIL DAMAGES, ECONOMIC DAMAGES, PERSONAL INJURY, DEATH, OR PROPERTY DAMAGE (REAL AND PERSONAL) ARISING OUT OF OR RELATED TO THIS AGREEMENT, INCLUDING (BUT NOT LIMITED TO) ANY CLAIMS BASED UPON BREACH OF THE AGREEMENT, STRICT LIABILITY, REQUESTS FOR OR RIGHTS OF SUBROGATION OR CONTRIBUTION, INDEMNIFICATION, WRONGFUL DEATH, AND NEGLIGENCE (WHETHER ACTIVE OR PASSIVE, AND INCLUDING CLAIMS BASED UPON CINTAS'S SOLE, PARTIAL, OR JOINT AND SEVERAL NEGLIGENCE OF ANY TYPE OR DEGREE), AND ANY OTHER CLAIM, WHETHER BASED UPON OR ARISING UNDER CONTRACT, TORT, LAW, OR EQUITY. CUSTOMER FURTHER RELEASES AND WAIVES ANY RIGHT OF SUBROGATION THAT IT, ANY INSURER, OR ANY OTHER THIRD PARTY MAY HAVE DUE TO OR FOR ANY SUCH CLAIM, LOSS, OR DAMAGE. Cintas reserves the right to select counsel to represent it in any such action.

18. LIMITATION OF CINTAS'S LIABILITY. Customer acknowledges that Cintas's service fees/purchase prices are based on the value of services or goods provided and the limited liability provided under this Agreement and not on the value of the Customer's premises or its contents, or the likelihood or potential extent or severity of injury (including death) to Customer or others. Customer further acknowledges and agrees that Cintas cannot predict the potential amount, extent, or severity of any damages or injuries that Customer or others may incur due to the failure of the system or services to work as intended. IF CINTAS OR ITS REPRESENTATIVES ARE HELD LIABLE FOR ANY REASON FOR ANY LOSS, INJURY, OR DAMAGES OF ANY KIND THAT ARISES OUT OF, RESULTS FROM, OR IS RELATED TO THIS AGREEMENT (INCLUDING, WITHOUT LIMITATION, LOSSES, INJURIES OR DAMAGES RESULTING FROM CINTAS'S SOLE OR PARTIAL NEGLIGENCE, WHETHER ACTIVE OR PASSIVE), CUSTOMER AGREES AND WARRANTS THAT CINTAS'S AND ITS REPRESENTATIVE'S COLLECTIVE LIABILITY TO CUSTOMER, ITS AGENTS, OFFICERS, DIRECTORS, EMPLOYEES, INVITEES, AND ANY THIRD PARTY SHALL BE LIMITED EXCLUSIVELY TO \$1,000. If Customer wishes to increase the limitation of liability, Cintas and Customer may negotiate a supplemental written agreement to increase the limit of Cintas's liability, but no such agreed upon increase to the limit of Cintas's liability shall be interpreted to find Cintas or its subcontractors or representatives to be insurers. CUSTOMER AGREES THAT THE LIMITS ON THE LIABILITY OF CINTAS AND THE WAIVERS AND INDEMNITIES SET FORTH IN THIS AGREEMENT ARE A FAIR ALLOCATION OF RISKS AND LIABILITIES BETWEEN CINTAS, CUSTOMER, AND ANY OTHER AFFECTED PARTIES. Customer acknowledges and agrees that were Cintas to have liability greater than that stated above, it would not provide the services. Neither party shall be liable to the other or any other person for any incidental, punitive, speculative, or consequential damages of any type, including, but not limited to, loss of profits or business opportunity.

22. **Governing Law.** To the greatest extent permitted by law, this Agreement shall be governed by the laws of the State of Ohio, and it explicitly excludes any reference or resort to choice of law rules that suggest or require that the laws of another jurisdiction be applied.

23. **Disputes.** Any dispute or matter arising in connection with or relating to this Agreement other than an action for collection of fees due Cintas hereunder shall be resolved by binding and final arbitration administered by the American Arbitration Association under its Commercial Arbitration Rules. The number of arbitrators shall be three. The parties shall each choose an arbitrator, with those two arbitrators to agree upon a third arbitrator. The place of arbitration shall be Warren County, Ohio and Ohio law shall apply. Judgment on the award rendered by the arbitrators may be entered in any court having jurisdiction.
