Good morning, Jayna, it was nice talking with you yesterday. I am super excited to be working with you and the whole team out at Two Rivers. I can tell from everyone that I have spoken with that this community is going to be amazing.

As I get brought up to speed, I will be handling the daily workload out on property. Speaking with Chris and also with yourself I understand there is a monthly pre-approved landscaping budget of \$6k. This covers any dead plant material and irrigation work. If I can get from you a simple email stating this, I will attach it to your account, so we won't have any delays in getting work done. I will still notify you of any work that is getting done so everyone is aware. If you could please add me to any email groups or other contacts that I need to manage this property I would greatly appreciate that. I look forward to meeting up with you later this morning.
