Subject: Notice of Temporary Fuel Surcharge

We value the trust you place in Sitex Aquatics & remain committed to providing the reliable, high quality service at a fair price you have been used too.

As you know over the last few months, fuel prices have increased significantly, resulting in a substantial rise in our operating cost, particularly for our service vehicles & equipment. While we have absorbed these increases for as long as possible & with no relief in the near future we have no choice but add a temporary fuel charge of 3% to the monthly invoice effective April 1st.

As soon as fuel prices drop & stabilize this surcharge will be eliminated, hopefully sooner than later!

We appreciate your understanding, loyalty, & continued partnership moving forward.

Sincerely,

Joe Craig

President

Notwithstanding the foregoing, the District may remove the Improvements and any other encroachments immediately in the event of an emergency situation, and the District shall have no obligation to repair or restore the Improvements.
 - c. Upon termination of this Agreement, the District may record a Notice of Termination of Easement Encroachment Agreement in the official records of the Clerk of the Circuit Court of Pasco County.
 - d. At the termination of this Agreement, at the Landowner's sole cost and expense, the Landowner shall remove the Improvements and restore the Encroachment Area to the condition that existed before the Improvements were installed.
 - e. Due By: Tuesday, June 16, 2026

Assigned To: Down To Earth

At the main entrance on the exit side of Two Rivers Boulevard near SR 56, Confederate Jasmine remains missing within portions of the landscape bed and should be replaced to restore a full appearance. Exposed drip line was observed and should be stapled down and properly covered with mulch. Plant material along Two Rivers Boulevard entering the community is green, healthy, and well maintained.

Item 3- 2 Rivers Blvd Plant And Weed Improvements

Due By: Tuesday, June 16, 2026

Assigned To: Down To Earth

Plant material along Two Rivers Boulevard at the main entrance is green, healthy, and well maintained. Weed control has made improvements throughout the beds. Previous cutbacks due to cold damage have recovered well. At the main entrance on Two Rivers Boulevard, before heading into the community, the area to the right needs approximately 3–4 Firebush installed. Weeds that were previously treated have died off and should be burned down and/or removed.

Item 4- 2 Rivers Blvd (Turf)

Assigned To: Down To Earth

Turf along Two Rivers Boulevard, particularly between Wise River Lane and Big Hawk Drive, has shown significant improvement in overall color, density, and health. Recent rainfall, supplemental watering from water trucks, and fertility applications have all contributed to the positive recovery and continued improvement of the turf throughout this area.

At the time of my inspection the turf had made a huge improvement but has now declined due to the water restrictions, but we do have water trucks to help with the effects of the drought.

Item 5- 2 Rivers BLVD

Due By: Tuesday, June 16, 2026

Assigned To: Down To Earth

Along Two Rivers Boulevard, additional Confederate jasmine has been installed in several beds. Some weed presence remains and should continue to be addressed. Additional jasmine is still needed in some areas to improve coverage. The jasmine bed at the corner of Two Rivers Boulevard and Big Hawk Drive contains dead plant material that should be removed and filled in with new Confederate jasmine

SUMMARY:

We are still in an extreme drought but hopeful we get some heavy rain coming. As the rain starts couple things to expect are a jump in Algae blooms as runoff water is typically nutrient rich and will spark a bloom. Trash that has been stuck in storm water drains will be washed out into open water and there will be a risk of fish loss on heavy rainfall as ponds may turnover. This is natural but unpleasant.

These are a few things to be aware of but the rain is needed and welcome.
